## Session from Dec 11, Govt to turn up heat

DEEPAK K UPRETI ■ NEW DELHI

The month-long Winter Session of Parliament, the last of the 16th Lok Sabha, is set to commence on December 11 with the Modi Government wanting to give a final push to the passage of the controversial triple talaq Bill pending in the Rajya Sabha and score a "winner" before taking on the Opposition which is working on an anti-BJP alliance across the country. The Cabinet Committee on Parliamentary Affairs (CCPA) on Tuesday night recommended convening of the Winter Session from December 11, 2018 to January 8, 2019.

The Ram temple issue is expected to echo in the Winter Session with the BJP and the Opposition launching attack against each other. The Opposition would go all out to accuse the ruling party of communalising the politics on the eve of Lok Sabha polls which are only months away.

BJP Rajya Sabha member Rakesh Sinha has said he may bring a private member Bill in the Upper House demanding the construction of the temple in Ayodhya. The BJP is hoping that the Bill may force the Opposition parties to take a stand on the sensitive issue. The Bill, if brought on the table, could also be put to vote.

The Winter Session will start on the day (December 11) when the counting of votes is to commence for five State

- The Cabinet Committee on Parliamentary Affairs on Tuesday night recommended convening of the Winter Session from December 11 to January 8, 2019
- The Ram temple issue is expected to echo in the Winter Session with the BJP and the Opposition launching attack against each other
- Triple talaq, which has been made a penal offence by the Government by way of promulgating an Ordinance, would again be tested finally on the floor of the Rajya Sabha

Assemblies with the BJP seeking a repeat mandate in Madhya Pradesh, Rajasthan and Chhattisgarh. The results by the evening would create a political impact on the tempo of the Winter Session with the winner sure to dominate the proceedings in next one month.

Much is at stake for the BJP and the Congress and other Opposition parties in the poll outcome of Madhya Pradesh, Rajasthan, Chhattisgarh, Telangana and Mizoram which may set the narrative for the general elections 2019 and could provide a definite suggestion to the political prowess

of the either side. Triple talaq, which has been made a penal offence by the Government by way of promulgating an Ordinance, would again be tested finally on the floor of the Rajya Sabha where it has been pending after being passed in the Lok Sabha where the BJP has a thumping majority.

The Government would also want the Indian Medical Council Amendment Ordinance and the Companies Amendment Ordinance to be passed as Bills in this session.

The Winter Session will be the "last roar" of the Modi Government on the floor of

Parliament with the Opposition parties likely to put a collective effort to puncture it and set their campaign agenda against the BJP.

Andhra Pradesh Chief Minister Chandrababu Naidu, whose TDP has quit BJP-led National Democratic Alliance, has been touring various Opposition parties-led States to work out a common strategy against the Modi Government in the Lok Sabha poll. The Parliament session will test whether a "grand alliance Opposition parties" would speak in one voice on the floor of Parliament or would experience disarray on the eve of final electoral battle, next year.

Minister of State for Parliamentary Affairs Vijay Goel said the session from December 11 to January 8 would have 20 working days. This would bring down curtain on the 16th long Lok Sabha where, for the first time, the BJP had a majority on its own.

"We seek support and cooperation of all parties for the smooth functioning of Parliament during the session," said Goel.

The session was delayed this year due to the Assembly elections in five States.

The onus of conducting Parliament session from the Government's side would fall on Narendra Singh Tomar and Goel following the untimely demise of Parliamentary Affairs Minister Ananth Kumar.

## Badal can give his choice of place for interrogation: SIT

MONIKA MALIK ■ CHANDIGARH

Two days before the former Chief Minister Parkash Singh Badal was to appear before the Special Investigation Team (SIT) probing sacrilege and related firing incidents, it has given a reprieve to the Akali nonagenarian by asking him to choose a place of his choice for the interrogation.

The decision was taken considering Badal's old age, and the available options under the law. Badal has been summoned by the SIT, probing the police firing incidents at Behbal Kalan in 2015 on the sacrilege issue.

SIT member and the Punjab Police IG Kunwar Vijay Partap Singh on Wednesday said that written information in this regard has been sent to the senior Badal, and no confirmation regarding anything has been received so far.

As per the initial summon orders, issued by Kunwar Vijay on November 11, Badal, his son and SAD president Sukhbir Badal have been asked to appear before the SIT at Amritsar Circuit House on November 16, and November 19 respectively.

Besides the Badal father-son duo, similar summons were also issued to the Bollywood actor Akshay Kumar to appear before the SIT on November 21.

"Considering Badal's old age, we have written to him to give his choice of place for the interrogation. We are yet to receive

any response from him," said Kunwar Vijay. The development assumes significance as the SAD, a day before, lashed out at Kunwar Vijay for "utterly unprofessional, unwarranted and politically propagandist utterances about the appearance of former Chief Minister Parkash Singh Badal".

The party accused him of "publicly acting on a political dictation of his present masters...merely speaking the lines given to him by his political bosses".

At the same time, the party made it clear that the SAD wanted to lend full assistance to the police in its work, and would not give them any excuse to justify their failure in giving a practical shape to their anti-Akali bias.

Meanwhile, Kunwar Vijay has also made it clear that Akshay Kumar has to appear before the SIT and his detailed statement on the micro blogging website, Twitter, would not be enough.

The SIT has, in fact, also given a relief to the Bollywood actor by also giving him an option to give his choice of place for interrogation "anywhere in Punjab".

Akshay, in a detailed statement on Twitter to clarify on the allegations of mediating between the controversial Dera Sacha Sauda chief Gurmeet Ram Rahim and SAD president Sukhbir Badal, maintained that he had never met Ram Rahim "in my life, anywhere".

Akshay's name was mentioned in Justice Ranjit Singh Commission report on

the sacrilege incidents, but the panel could not take cognizance of the allegations as it was not backed by an affidavit by the informant.

The Commission has taken on record a letter and subsequent testimony by one Harbans Singh Jalal, who among other things, talked about a meeting between the Bollywood actor, a senior Punjab politician and Dera Sacha Sauda head Gurmeet Ram Rahim Singh.

He had informed that the meeting was held at the Akshay's residence in Mumbai for the release of Ram Rahim's "Messenger of God" in Punjab before the grant of pardon to the Dera chief as the movie was expected to do business of ₹300 crore, if released in the state.

After the recommendations of the Justice Ranjit Singh Commission report, the Punjab Government had set up a SIT in September this year to probe the police firing incidents at Kotkapura and Behbal Kalan in Faridkot in 2015 after a series of sacrilege incidents in the state from all aspects. In the police firing at Behbal Kalan, two persons were killed.

Taking note of the Akshay's alleged role, the SIT had issued summons to the actor to appear before it on November 21 maintaining that his presence is necessary for the purpose of inquiry into the sacrilege and related firing cases and he needed to give such information relating to the same as he may possess.

## Lankan House says no trust in Prime Min Rajapaksa

PTI ■ COLOMBO

Sri Lanka's Parliament on Wednesday passed a no-confidence motion against Prime Minister Mahinda Rajapaksa, who was installed by President Maithripala Sirisena in a controversial move, a day after the Supreme Court overturned the presidential decree to dissolve the House and hold snap polls on January 5.

Amid raucous scenes, Parliament on Wednesday met for the first time since October 26 when President Sirisena sacked Prime Minister Ranil Wickremesinghe and installed Rajapaksa in his place and suspended the House, plunging the island nation into an unprecedented constitutional crisis.

Speaker Karu Jayasuriya announced that a majority of the 225-member Parliament supported the no-confidence motion against Rajapaksa, the 72-year-old former strongman, who ruled the country for a decade from 2005. "According to the voice, I recognise that the Government has no majority," Jayasuriya announced in the House as Rajapaksa supporters protested.

He gave the ruling after the no-confidence motion was taken for a vote. The Speaker calculated the votes based on the voices he heard.

The passing of the no-confidence motion comes as a major blow to President Sirisena and a victory to ousted Prime Minister Wickremesinghe. The resolution was moved by Left-wing Janatha Vimukthi Peramuna party leader Anura Kumara Dissanayaka and lawmaker Vijitha Herath.

The Tamil National Alliance and smaller Muslim parties supported the no-confidence motion. Three newly sworn Cabinet Ministers and a state Minister also crossed over to the Opposition benches in support. Rajapaksa needed the support of a minimum of 113 lawmakers in the House to prove his majority.

## Rain washes off dust, but Delhi stares at pollution relapse today

SAPNA SINGH ■ NEW DELHI

A brief spell of rain on Tuesday night came to the rescue of the people residing in the national Capital as Delhi's air quality improved "remarkably" and the National Ambient Air Quality Index recorded the level of harmful pollutants as "lowest" of this season.

The contribution from stubble burning to pollution was recorded at three per cent. From severe to poor, SAFAR's trend marked air quality relatively good! However, the forecast said air quality may deteriorate from Thursday.

The major pollutant PM 10, which has remained above 410, was recorded at 280 on Wednesday, whereas PM 2.5 was significantly less on Air Quality Index (AQI) at 127.

According to the Central Pollution Control Board (CPCB), Ministry of Environment, Forest and Climate Change (MoEF & CC), the overall average Air Quality Index was recorded at 312 microgram per cubic which was 642 on the very next day

of Diwali.

Citing the local climate trend, SAFAR said air quality has improved considerably due to rainfall early on Tuesday; it washed away bigger particles and created space for faster dispersion without decline in temperature.

"AQI is back to 'very poor'. A slight increase in AQI is predicted in next three days and likely to remain very poor," SAFAR said.

"This is mainly due to the fact that surface winds are still low and temperature is likely to cool down. Stubble fire is

unlikely to impact Delhi AQI as fire counts are significantly down and winds are also flowing from other direction," SAFAR explained on Met gpad.

The largest contributor to PM 2.5 pollution on Wednesday was power plants followed by diesel generators. Household pollution contributed 15.9 per cent.

Meanwhile, air quality in neighbouring States of Delhi was better.

The restriction imposed by on heavy vehicles' entry to Delhi was lifted on Wednesday.

## No debate on Rafale price if it's not made public: SC

Court reserves order on pleas for SC-monitored probe into deal

PNS ■ NEW DELHI

The Supreme Court on Wednesday said there is no question of a debate on the pricing of the Rafale fighter deal in the court till it comes to the conclusion that the pricing information is to be brought in the public domain.

The court reserved its order on pleas seeking court monitored probe in procurement of 36 Rafale fighter jets. The Government refused to make public details related to the pricing of the 36 Rafale fighter jets in the Supreme Court, saying "our adversaries may get an advantage" by such a disclosure.

A Bench comprising Chief Justice Ranjan Gogoi and Justices SK Kaul and KM Joseph concluded in nearly four hours the arguments advanced by various parties which have also sought registration of FIR in connection with the alleged irregularities in the deal.

India had signed a Government to Government contract with France in 2016 worth over ₹59,000 crore to buy 36 fighter Rafale jets in the fly-away condition.

The apex court also said it is dealing with the requirements of the Indian Air Force and would like to hear from an

Deputy Chief of Air Staff Air Marshal VR Chaudhari and Air Marshal Anil Khosla leave the Supreme Court after a hearing on the Rafale Deal, in New Delhi on Wednesday

Air Force officer and "not the official of the Defence Ministry."

Deputy Chief of Air staff Air Marshal VR Chaudhari and two other officers from Indian Air Force appeared in the Supreme Court on Wednesday to assist it on the issue of the procurement. They told the court that no new aircraft has been inducted in the Air Force since 1985.

On price issue, the SC said, "The decision we need to take is whether to bring the fact on pricing in public domain or not."

The Bench, also comprising Justices SK Kaul and KM Joseph, told Attorney General KK Venugopal that there is no question of any debate on pricing without making the facts public. The Bench clarified that any discussion on price will be considered if it thinks the issue should enter the pub-

lic domain. Venugopal defended the secrecy clause relating to the pricing of the Rafale jets, saying adversaries may get an advantage if the entire details are disclosed. Refraining to divulge details on the pricing aspect, he said he would not be able to assist the court further on the pricing issue.

"I decided not to peruse it myself as in a case of any leak, my office would be held responsible," Venugopal said. The Bench then told him there is no question of any debate on pricing without making the facts public.

He also said these matters are for experts to deal with. "We have been saying that even Parliament has not been told about the complete cost of the jets," he said. At the exchange rate of November 2016, the cost of a fighter jet was ₹670 crore, he said.

## CAPSULE

### AMRAPALI'S FAKE FIRMS FACE APEX COURT WRATH

New Delhi: After attaching all properties of Amrapali group, the Supreme Court on Tuesday decided to take action against its "dummy" companies which were created to siphon off homebuyers' money and directed attachment of Amrapali Hospital in Greater Noida, three residential towers in Noida and a villa in Goa.

### BJP'S DAUSA MP HARISH CHANDRA JOINS CONG

New Delhi: In a setback to Rajasthan's ruling BJP ahead of next month's elections, the party's Dausa MP Harish Chandra Meena joined the Congress on Wednesday.

### NIA FILES CHARGESHEET AGAINST AASIYA ANDRABI

New Delhi: The NIA on Wednesday filed a chargesheet against pro-Pakistani separatist and Dukhtar-e-Millat head Aasiya Andrabi and two of her associates for allegedly "waging war" against the country using social media and other Internet platforms, officials said.

### GSLV-MKIII-D2 INJECTS GSAT-29 INTO ORBIT

Sriharikota: ISRO's heavy-lift rocket GSVL-MkIII-D2 on Wednesday successfully injected into orbit the country's latest communication satellite GSAT-29 that is intended to meet the communication needs of people in remote areas in the North East and Jammu & Kashmir.

# How to make a monkey out of simians at Parliament

RAJESH KUMAR ■ NEW DELHI

With monkey menace prevailing in the corridors of power in New Delhi, including Parliament, ahead of the Winter Session, the Lok Sabha Secretariat has come out with a circular advising people not to make direct eye contact with monkey and do not cross the path between a mother and her infant.

The Parliament House Complex along with other nearby buildings, including the North and South Blocks and the Rashtrapati Bhavan around the Central Ridge forest, face monkey menace. There is no official data on Delhi's monkey population.

The city has thousands of Rhesus Macaque monkeys that break into houses, terrorise people and steal food. The

civic bodies estimated around 30,000-40,000 monkeys in the national Capital. Many people feed monkeys on Tuesday and Saturdays — days associated with God Hanuman. This practice means that people carrying

food at other times risk being bitten. Around 90 per cent of the monkeys carry tuberculosis.

The circular suggests: "In case a monkey collides with your vehicles (especially two

wheelers), do not stop there. Do not get scared if a monkey makes a 'kho-kho' noise as normally it is a bluff, ignore the monkey and walk away. Be light footed while passing through monkey group i.e do

**The Lok Sabha Secretariat has come out with a circular advising people not to make direct eye contact with monkey and do not cross the path between a mother and her infant**

not run. Do not irritate or tease the monkey, leave them alone and they will leave you alone," the circular said.

It further suggests that one should not hit a monkey. Keep hitting the ground with a big stick to make monkey leave your house and garden. Officials of the Municipal Corporation of Delhi (MCD) are clueless about tackling the problem as despite several advertisements none of langur

walas came forward to catch monkeys.

A few years ago, the MCD had tried to relocate the monkeys caught from the Lutyns zone at the Aravalli hills. But the experiment failed as the simians grew in number and fanned out in search of fruits. Locals objected to the place being used for relocation as they faced animal attacks.

In July, the Delhi Assembly had formed a five-member committee to find a solution to the menace of stray dogs and monkeys in many parts of the national Capital.

Earlier, the House committee of the Rajya Sabha, responsible for allotment and maintenance of its MPs' accommodation, wanted to take a different approach to tackle the problem of monkeys and stray dogs. It had sought

public opinion and experts' views to prepare a report after "studying in detail" the issue.

The monkey menace is not entirely a new experience for the MPs. In 2004, when Mani Shankar Aiyar became a Minister, he refused to go to his allotted bungalow on Kamaraj Marg as the unused accommodation had become a night shelter for monkeys.

In 2007, Delhi's deputy Mayor SS Bajwa died of head injuries after falling from his terrace due to attack by a group of monkeys. In 2012, then Finance Minister Pranab Mukherjee once lamented that monkeys were eating his home-grown pumpkins.

In 2016, a simian entered in the reading room of the Parliament meant for MPs and journalists and roamed around for half an hour.

# Capt depllores attempts to politicise armed forces

Salutes soldiers who died during WWI on Remembrance Day

PNS ■ CHANDIGARH

Deploing attempts to politicise the defence forces, Punjab Chief Minister Capt Amarinder Singh on Wednesday asserted that the armed forces were meant to report only to their regimental heads and not work at the behest of the political dispensation.

At the same time, the Chief Minister called for an immediate end to the current cult of political interference in the functioning of defence services to enable the officers and soldiers to discharge their duties efficaciously.

"This is necessary in the larger interest of the nation, and to secure its unity, integrity and security," said Capt Amarinder addressing a distinguished gathering at the Remembrance Day ceremony to pay homage to Commonwealth nations' armed forces members who sacrificed their lives during World War I.

"The exemplary valour and indomitable courage of all those great soldiers in preserving the ethos of freedom, liberty and democratic values had

remained largely unrecognised," Capt Amarinder lamented, pointing out that nearly 74,000 Indian soldiers attained martyrdom and 67,000 were wounded in this historic War.

While most Indians were quite aware of the sacrifices made by millions of known and unknown people in the Independence struggle, the supreme contribution of those brave men who fought in the Great War had been largely forgotten, he said while calling for aggressive propagation of the nation's rich military history among the youth, to make them more aware about the rich and glorious legacy of the armed forces.

Underscoring the need to

acclimatise the younger generation with the past events, Capt Amarinder advocated inclusion of detailed chapters on India's contribution both, World War I and II, in school curriculum.

Earlier, British Deputy High Commissioner in Chandigarh, Andrew Ayre, lauded the role played by Indian soldiers in the War. He also complemented the role of Indian soldiers for immaculately handling the warfare in alien lands, to be honoured with prestigious 11 Victoria Crosses besides numerous other medals reflecting their professional commitment, sincerity and, above all, dedication to the cause of universal freedom and liberty.

# Haryana Govt reinstates HCS Officer accused of sexual harassment

PNS ■ CHANDIGARH

Haryana Government on Wednesday reinstated Haryana Civil Services (HCS) officer Reagan Kumar, who was suspended in July following allegations of sexual harassment against him.

Reagan Kumar has been posted as Joint Director (Admn), Information, Public Relations & Languages and Deputy Secretary, Information, Public Relations & Languages Department, Haryana.

The HCS officer was suspended on July 26 after an inquiry panel indicted him of sexual harassing a 27-year-old woman employee of Utkarsh Society, under the Directorate of School Education in Panchkula near here.

A government's committee had probed the allegations of sexual harassment against him. The HCS officer was arrested on July 7 for allegedly molesting the woman employee in his office. He was released on bail on the same day.

On the complaint of the victim, the police had booked Reagan Kumar under Section 354 A (for physical touch) and 354 D (for stalking) of the Indian Penal Code.

The complainant had alleged that on May 28, the officer had called her to his cabin and offered coffee which she refused. The woman alleged that the officer on May 29 again called her to his cabin and tried to sexually abuse her.

Following the complaint, the State Government had withdrawn work of Utkarsh Society from Reagan Kumar and forwarded the case to the internal complaints committee of the Department. He was later suspended by the State Government.

# Oz varsity students' brush with Indian culture at MCM

PNS ■ CHANDIGARH

MCM DAV College for Women hosted Beyond Boundaries- an event under Cultural Exchange Programme to welcome students from Western Sydney University, Australia here on Wednesday.

Aimed at encouraging cross-cultural interaction while familiarizing the foreign students with rich Indian culture and traditions, the Australian students who are visiting Panjab University as part of a Student Exchange Programme were overwhelmed. They experienced the rich heritage of India through a cultural programme that included rendition of folk songs and traditional orchestra presentation by students of Music Department and an enthralling giddha performance.

Trying their hands at indigenous musical instruments, the visiting students created an atmosphere of inter-cultural harmony. An elaborate and aesthetic display of Indian culture and food caught the fancy of the visiting students.

Principal Nisha Bhargava said such student exchange programmes are fertile grounds for cross-fertilisation of ideas, and promoting understanding and appreciation for different cultures, finally leading to promotion of universal brotherhood.

# INBRIEF

**LIFTS TO REMAIN CLOSED FOR FOUR DAYS IN SHIMLA**  
Shimla: The operation of old lifts of HPTDC in Shimla town will remain closed from on November 15, 16, 19 and 22 due to ongoing construction work of new lift adjacent to the old lifts. HPTDC managing director Kumad Singh on Wednesday informed that the decision has been taken keeping in view the safety and security of the general public and smooth completion of work. She said that heavy equipments have to be moved around and heavy steel chambers will be placed, which may endanger the occupants of the lift. She requested the general public to bear with the situation and make alternative arrangements during this period.

**SJVN TO ORGANISE PAINTING COMPETITION TODAY**  
Shimla: Satluj Jal Viduyt Nigam (SJVN) Limited is organising a state-level painting competition on Thursday at Shakti Sadan, SJVN Corporate Office Complex, Shanan, Shimla. Himachal Pradesh Chief Minister Jai Ram Thakur will be the chief guest, while the state Education, Law and Parliamentary Affairs Minister Suresh Bhardwaj and Energy and MPP Minister Anil Sharma will be the guest of honour. The competition will be held under two categories — Category 'A' for Classes IV to VI and Category 'B' for Classes VII to IX — will see the participation of students from government, public and private schools.

**UNDP LAUDS HARYANA FOR ALIGNING BUDGET WITH SDGs**  
Chandigarh: The United Nations Development Programme (UNDP) has appreciated Haryana Government's efforts to align its budget with the Sustainable Development Goals (SDGs) and setting an example for other states to mirror Haryana model of SDGs implementation. UNDP's high-level delegation met Haryana Finance Minister Capt Abhimanyu and congratulated him for prioritizing SDG implementation in the state and commended all departments for being rigorously involved in formation of Haryana Vision 2030 document.

**DELHI RESIDENT DUPING A MAN OF ₹1.82 CR HELD**  
Chandigarh: Haryana Police has arrested one Deepak, resident of Delhi's Pitampura, for allegedly duping a Sonipat resident Jatinder of Rs 1.82 crore on the pretext of making him mobile phone company's distributor in Haryana and Punjab. Jatinder had complained to the police on May 4 that Deepak had duped him of Rs 1.82 crore on the pretext of appointing him as the distributor of Josh Brand Mobile Phone Company in Haryana and Punjab. Initial probe has revealed that Deepak has already been involved in eight similar incidents of fraud, including Rs 100 crore fraud in Punjab National Bank, Delhi.

**BBMB ORGANISES ON-THE-SPOT PAINTING COMPETITION**  
Chandigarh: Union Ministry of Power has launched the National Awareness Campaign to promote energy conservation in the country, under which various programmes for school children have been devised to sensitize them about the need for conserving energy and also to educate and involve their parents in this cause. As a part of the same, an 'on the spot' state level painting competition amongst school children of UT Chandigarh, Punjab and Haryana was organized by the Bhakra Beas Management Board at Panchkula's Inderhanush Auditorium on Wednesday. Over 25.50 lakh participants competed for the competition, out of which, 300 children were selected for the state level competition.

**PUNJAB & SIND BANK** SYMBOLIC POSSESSION NOTICE (FOR IMMOVABLE PROPERTIES)

Whereas the undersigned being the "Authorised Officer" of Punjab and Sind Bank, under the Securitization & Reconstruction of Financial Assets and Enforcement of Security Interest Act 2002 in exercise of powers conferred under section 13(2) read with security interest (Enforcement) Rules 2002, issued demand notice on the date mentioned against account calling upon the respective borrower / guarantor to repay the amount as mentioned against account within 60 days from the date of notice / date of receipt of the said notice. # Lavi fair concludes, CM presides over the function

PNS ■ SHIMLA

Himachal Chief Minister Jai Ram Thakur on Wednesday presided over the closing ceremony of the four-day long international Lavi fair at Rampur Bushahr in Shimla district emphasising that fairs and festivals are the inseparable part of the people of the state which highlight our rich traditions, customs and culture.

He said that Lavi fair besides being historical is also known for its trade with Tibet, China and other countries, adding that the state government is committed to promote the fairs, culture and customs of the state in a big way.

The Chief Minister made announcements of developmental works worth crores of rupees for the area. He said office of the Tehsil Welfare Officer will be opened at Nankhari and the matter would be taken up with the government of India for declaring Tikkar-Khamadi-Khanog-Nirath road as national highway. He announced that sci-

# ₹50 lakh looted from bank officials in Patiala

PNS ■ CHANDIGARH

Two unidentified men looted ₹50 lakh cash from bank officials at Nabha in Punjab's Patiala district on Wednesday, police said.

The incident took place around 11:25 am in Anaj Mandi branch of the nationalised bank in Nabha, where the officials had brought cash from the Patiala branch in a private vehicle.

The officials were attacked by two unidentified men riding a motorcycle when they were about to enter the Anaj mandi branch. The bag containing cash was snatched at gun point, police said, adding a security guard of the bank was injured after the miscreants open fired at him.

Police is trying to nab the accused and have started a search operation in Nabha and adjoining areas, SSP, Patiala, Mandeep Singh Sidhu said.

INLD IN CRISIS

# INLD chief OP Chautala expels elder son Ajay from party

NISHU MAHAJAN ■  
CHANDIGARH

The feud in the Chautala clan—the first family of the Indian National Lok Dal—seems to have reached a point of no return. INLD chief and former Chief Minister OP Chautala on Wednesday expelled his elder son Ajay Chautala from the primary membership of the party for alleged “anti-party activities”.

Ajay Chautala (57) was also removed from the post of INLD secretary general.

INLD Haryana president Ashok Arora on Wednesday released a letter issued by OP Chautala for expulsion of Ajay from the party.

Earlier, Ajay's sons, Hisar MP Dushyant Chautala and Digvijay Chautala were expelled from the primary membership of INLD on November 2 by their grandfather OP Chautala.

After coming out from the Tihar Jail on a two-week parole, Ajay Chautala had on November 5 backed his sons and vowed to wage a battle to secure their right in the INLD, Haryana's main opposition party.

As efforts of a patch-up in the Chautala family failed to make any headway, a split in the INLD now looked inevitable after Ajay's sacking on Wednesday. Two factions, each headed by Ajay and his younger brother Abhay are currently squabbling over the control on the INLD.

Abhay Chautala (55), who is Leader of opposition in Haryana Assembly and party's MLA from Ellenabad, apparently has backing of his father OP Chautala.

The expulsion of Ajay Chautala, a former MP indicates hardening of stand on both sides.

Following his sacking, Ajay Chautala while talking to the mediapersons in Yamunanagar said that he is not aware on what charge such an action has been taken against him while his sons Dushyant and Digvijay claimed that OP Chautala has

been kept in the dark and he must not be knowing about their father's expulsion.

Ajay Chautala also said that the party workers will decide on November 17 at Jind who will remain in the party.

Ashok Arora, Haryana party president, who was accompanied by Abhay Chautala and other party leaders to the mediapersons here that OP Chautala had issued a letter on November 12 for expulsion of Ajay. Following this, efforts were made to resolve the ongoing feud, he said.

The current scenario is weakening the organization and it has been decided to expel Ajay, announced Ashok Arora while reading out a letter signed by OP Chautala.

At the same time, Arora announced that a party meeting of all current MPs, MLAs, ex- MPs, ex-MLAs, district presidents and zila incharges has been called in Chandigarh on November 17.

The announcement comes after a meeting of party executive committee summoned by Ajay Chautala at Jind on November 17 to decide next course of action. Abhay Chautala's decision to convene a party meeting on the same day is seen as a move to refrain party leaders and workers to attend his elder brother's meeting at Jind.

Both factions have made it clear that action will be taken against absentees. Both the camps will be attempting to muster maximum support for their November 17 meeting convened as a show of strength to claim control over the INLD.

Ashok Arora claimed that the meeting called by Ajay Chautala in Jind is in violation of the party constitution because such a meeting cannot be convened without approval of the party president.

“Any meeting which is convened without prior approval of the party's national president, shall invite disciplinary action,” he said.

The letter issued by OP

## Dushyant and Digvijay question authenticity of expulsion letter

PNS ■ CHANDIGARH

Reacting to the expulsion of their father Ajay Chautala from the INLD, his sons Hisar MP Dushyant Chautala and youth leader Digvijay Chautala on Wednesday lashed out at their uncle Abhay Singh Chautala.

Questioning the authenticity of the expulsion letter, Dushyant said that it is really doubtful whether it has been issued by Chautala Sahab (OP Chautala).

“Who met him (OP Chautala) and where this letter was typed. Chautala Sahab was discharged from the hospital on November 12 evening and no one met him on November 13. His name has been misused to issue this letter,” he alleged.

On strategy of his camp, Dushyant said that the meeting convened by Ajay Chautala on November 17 at Jind will be held. It is for the party workers and leaders to choose whether they will go with justice or injustice. It is now their decision to attend Jind or Chandigarh meeting on the same day, he added.

Lashing out at his uncle Abhay Chautala, Digvijay Chautala said that he has crossed all the limits today by issuing letter of expulsion.

“The letter to expel Ajay Chautala was made after the directions of Leader of opposition on Tuesday night. This is a fake letter issued in the name of OP Chautala and signature can be easily copied. This is a clear cut case of conspiracy,” Digvijay alleged.

Chautala stated, “The party is supreme and no one is above it. The anti-party activities of party secretary general Ajay Singh have caused hurt and have become unbearable.”

“Ajay Singh has convened a meeting on November 17, which is unconstitutional, and makes it clear that he is trying to run a parallel set up to weaken the party,” the letter stated while announcing Ajay's expulsion from the INLD.

Arora added that the party president had gone through lot of pain in view of the recent developments and had to take decision to expel his elder son with a “heavy heart”.

Abhay Chautala, while talking to the mediapersons said, “We will take action against indiscipline by party leaders.”

When asked if action would be taken against MLAs supporting his elder brother Ajay Chautala, Abhay said that

such MLAs should give in writing that they are not with INLD. Their letters will be submitted to the Speaker and their membership will be cancelled, he said.

Ajay's wife and INLD MLA Naina Chautala, who has been vocal against her detractors within the party has been spared from any disciplinary action as of now.

MLAs Anoop Dhanak, Rajdeep Phogat and Pirthi Singh besides several party leaders have lent support to Ajay Chautala.

The two factions headed by Ajay and Abhay have been apparently charting their respective future course of action to lay claims on the legacy of former Deputy Prime Minister Devi Lal, who founded the party in October 1996.

Both Dushyant and Digvijay are great-grandson of Devi Lal.

## Abhay Chautala hits back at his brother Ajay and his family

PNS ■ CHANDIGARH

Under fire from his elder brother Ajay Chautala and his family members amid the ongoing family feud, Leader of opposition in Haryana Assembly and INLD's senior leader Abhay Singh Chautala on Wednesday hit back saying that Ajay and his family are playing in the hands of those who want to weaken the party.

“Ajay Chautala and his family never spoke anything against the BJP and Congress in the past several days. They are playing in the hands of those who want to weaken the INLD,” said Abhay Chautala while talking to the mediapersons here.

Slamming his elder brother and responding to his allegations, Abhay said, “It is said that my elder brother called me Duryodhan and Jayachand. It is the same brother to whom I have given political power.”

Abhay Chautala attacked his elder brother for the first time. He was flanked by nine of his party MLAs, two MPs, besides state unit president Ashok Arora and other state unit leaders here.

“I had met him (Ajay) and expressed my disappointment over his comments. After the meeting, I thought that things have resolved but it was further intensified,” said Abhay while speaking about the ongoing family feud.

Responding to the questions raised on his political experience by his detractors, Abhay said, “Ajay is two years elder to me. He was active in Rajasthan politics. But I have been active in Haryana politics.”

Highlighting various victories in elections under his leadership, Abhay claimed that the day INLD chief OP Chautala and Ajay Chautala went to jail in 2013, I was given responsibility of the party. I have ful-

filled my responsibility honestly in the past four years, he added.

“It was the situation that compelled me to take charge of the party in 2013... I was never interested in any keen position but only to strengthen the party as its worker,” Abhay said.

Responding to the allegations of his nephew Dushyant Chautala, Abhay further said that I have fulfilled my responsibility of raising the issues of people of Haryana in the Vidhan Sabha.

Hisar MP Dushyant Chautala had on Saturday made a veiled attack on Abhay Chautala, suggesting he is not doing enough as Leader of Opposition in the State Assembly.

Dushyant had said that it is saddening to note that state-related issues like student elections which we raised through the media were not taken up in the Vidhan Sabha.

On allegations that he has humiliated the party workers, Abhay Chautala said, “In the absence of OP Chautala, I have made this party strong. After OP Chautala and Ajay were convicted, there were concerns how this party will function... But today, the party is in a strong position and has made an alliance with BSP to contest next year's election.”

When asked who will be the Chief Ministerial candidate of INLD-BSP combine, the Leader of opposition said that whoever OP Chautala chooses as CM's face, it will be accepted.

My aim is to defeat the BJP and Congress in the polls, he added.

Abhay also claimed he never saw himself as the party's Chief Ministerial candidate.

“I have always said that OP Chautala will be our CM and if there will be any legal trouble, we will sit together and decide,” he added.

Reacting sharply to the comments of Ajay's wife and Dabwali MLA Naina Chautala that some 15-odd people have infested the INLD like termites and are eating it, Abhay said that not 15 people but it is those who are in the party for around four years that are acting as termites.

Taking a dig at his nephews Dushyant and Digvijay, Abhay also said, “Everyone knows who has experience of four years and forty years in this party.”

In 2014 Lok Sabha polls, Dushyant had successfully contested from Hisar seat and became the youngest MP at 27.

On SAD patron and former Punjab Chief Minister Parkash Singh Badal's intervention to resolve the Chautala family feud, Abhay said that I had met Badal Sahab and I had told him that his directions will be obeyed.

“Badal Sahab had asked me reasons behind the current developments in the party and also, asked me if I am ready to sacrifice,” Abhay said while adding, “I have told him that I will obey his decision.”

Asked if he still hoped to avoid a possible split in the party and to reach a patch-up with Ajay Chautala, he said, “I authorise anyone on my behalf who can do so because there is no grudge from my side. Had it been so, I would have drawn the line 20 years ago.”

When asked about expulsion of his brother and nephews from the party, Ajay said that the decision regarding the organization is taken by INLD chief OP Chautala and party state chief Ashok Arora. They decide who will remain in the party, he added.

He also announced that the party will begin “Adhikaar Yatra” on December 1 from Kurukshetra to press for their demand of construction of Sutlej Yamuna Link (SYL) canal.

discipline, hooliganism and spreading disaffection”.

Dushyant Chautala had however refused to accept his expulsion and that of his brother Digvijay Chautala from the INLD, claiming that the party's national executive had not met and no sack order was issued by president OP Chautala.

ally on October 7 after a group of youths had allegedly indulged in hooting at the time Abhay Chautala was speaking, while there were cheers for Dushyant Chautala as he spoke.

Following this, Dushyant and Digvijay were expelled from the INLD on November 2 after being accused of “indis-

cipline, hooliganism and spreading disaffection”.

Dushyant Chautala had however refused to accept his expulsion and that of his brother Digvijay Chautala from the INLD, claiming that the party's national executive had not met and no sack order was issued by president OP Chautala.

## Punjab to post new doctors near to their homes

PNS ■ CHANDIGARH

In an apparent attempt to woo the specialist doctors, Punjab Health Department has decided to give them posting at the hospital and dispensary nearby their home.

For the same purpose, the state Health and Family Welfare Minister Brahm Mohindra asked the Director Health Services (DHS) to prepare the list of the newly-appointed doctors clearly indicating their home addresses.

“All the doctors will be posted at the hospital and dispensary nearby their home. I do not want that doctors have to meet political bigwigs and put pressure on them for transfers. That's why I have ordered the DHS to post doctors near their homes so as to ensure the efficiency and quality work,” said Mohindra on the sidelines of a function to handover appointment letters to MBBS doctors.

Appointment letters to as many 306 newly-recruited MBBS doctors were handed over by the Minister in a simple but impressive function organised at the Auditorium of Punjab Health System Corporation, SAS Nagar Mohali.

Visually ecstatic Brahm Mohindra congratulated the newly-appointed doctors and said that he was quite relieved today as this new batch of 306 doctors has become the family of Punjab Health Department.

“When I joined the Ministry on March 16, 2017, I was shocked to see that Health Department was totally in shambles. There was acute shortage of specialist doctors, Medical officers, ANMs and paramedical staff,” he said.

He said that he set his priority to fill the vacant posts of doctors and paramedical staff, and today, he was satisfied to see that a large batch of medical officers was joining the Health Department.

Mohindra exhorted the doctors to be ready to serve the community with missionary zeal and to wipe off the tears and agonies of the poor and downtrodden by adopting sympathetic approach.

The Health Minister said that the doctors were earlier reluctant to join the government service as they had to perform the service at basic salary during the probation period. He said he himself was aghast at this decision of the previous government as no doctor was willing to join the government service at this paltry basic salary.

He said that he immediately brought this issue to the notice of Chief Minister and had series of meetings with the Finance Minister and got the approval to recruit doctors on full salary.

He said that now in the next phase specialist doctors would be recruited, the process for the selection is underway and hopefully these specialist doctors will soon join the Health Department.

## Haryana CM directs MLAs to ensure large numbers at PM Modi's rally

PNS ■ CHANDIGARH

Haryana Chief Minister Manohar Lal on Wednesday directed the party MLAs and other senior leaders to ensure presence of large number of people at the proposed rally of Prime Minister Narendra Modi on November 19 in Haryana.

### Advisory committee will be constituted for implementation of development works

PM Modi would inaugurate Kundli-Manesar-Palwal Expressway and Ballabgarh Metro Link and lay foundation stone of Haryana Vishwakarma Skill University, Dudhola, Palwal on November 19. On this day, the Prime Minister will also address a public meeting near Farukhnagar crossing where he would dedicate various projects to the state.

The 135 kilometer long Kundli Manesar Palwal expressway would cover five districts of Haryana namely Sonapat, Jhajjar, Gurugram, Mewat and Palwal.

Presiding over the party legislative meeting, Chief Minister Manohar Lal on Wednesday directed the MLAs to invite general public for the rally to witness the historic moment.

He emphasized to ensure presence of large number of people from the areas of Faridabad, Gurugram, Sonapat, Rohtak Lok Sabha constituencies to make the rally successful.

Manohar Lal also said that recently Haryana CSR Summit was held in Gurugram where the companies were urged to enhance their annual contribution under the Corporate Social Responsibility (CSR) to ₹1000 crore.

An advisory committee will be constituted for implementation of development works in cities and villages under CSR fund, he added.

## Hry Govt. to launch 34 new Antyodaya Kendras

PNS ■ CHANDIGARH

In a bid to provide the benefit of over 400 Government to Citizen (G2C) schemes and services of 35 departments online to the citizens at district, sub division and tehsil level, Haryana Government has decided to launch 34 new Antyodaya Kendra, SARAL Kendra and Antyodaya Saral Kendra on the occasion of Good Governance Day on December 25.

A decision to this effect was taken in the meeting of Antyodaya SARAL platform held under the chairmanship of Chief Minister Manohar Lal here on Wednesday. The Cabinet Ministers, chairman of Boards and Corporations and MLAs were present in the meeting.

With the launch of these centres, the total number of Antyodaya Kendra, SARAL Kendra and Antyodaya Saral Kendra would increase to 115. As many as 81 such centres are already functional in the state.

The Antyodaya Kendra at the district level provides all the schemes and Saral Kendras provides all the services. The Antyodaya Saral Kendra established at sub-division and tehsil level provides for the delivery of both schemes and services.

During the meeting, Manohar Lal said that to realise the vision of minimum government maximum governance as envisaged by Prime Minister Narendra Modi, Haryana Government had started e-registration in the state on December 25, 2014.

He directed to make all necessary arrangements of infrastructure and staff in the 34 new centres well before

### A decision to this effect was taken in the meeting of Antyodaya SARAL platform held under the chairmanship of Chief Minister Manohar Lal here on Wednesday. The Cabinet Ministers, chairman of Boards and Corporations and MLAs were present in the meeting

their launching. The Chief Minister said that a state level function would be organised for the launch of these Kendras whereas MLAs, chairman and members of zila parishads and panchayat samitis would remain present at the kendras in their respective areas.

He asked the MLAs and Ministers to personally visit already functional 81 centres in their respective areas to review their functioning and apprise the people about these centres so that people at the grass root level could avail the benefit of various government schemes and services online.

He said that besides the government staff and prominent citizens of the area, Garvhit volunteers should also be roped in this work to reach maximum beneficiaries.

The Chief Minister appreciated NIC Haryana and all the 35 departments for creating the Antyodaya SARAL portal in record 15 months. He has also

appreciated the performance of Kurukshetra, Mahendergarh, Jhajjar and Charkhi Dadri district for a good service delivery score. He instructed district administration to improve the service delivery in Faridabad.

During the meeting, it was informed that the Chief Minister has inaugurated the Antyodaya Kendra for seven districts namely Kaithal, Kurukshetra, Faridabad, Yamunanagar, Gurugram, Jind and Karnal. Seven departments in these districts namely Social Justice and Empowerment, Public Health and Engineering, Welfare of Scheduled Castes and Backward Classes, Sports and Youth Affairs Department, Public Relations, Housing and Sainik and Ardh-sainik Welfare have already stopped entertaining hard copies of application for availing the benefit of government schemes and services.

It was also informed that a toll free Antyodaya SARAL helpline number (1800-2000-023) has been started to address the queries and complaints of applicants regarding the schemes and services. More than 40,000 calls have so been answered on this helpline number since July 2018.

Apart from this, help desk have been set up at all 81 centres to assist the citizens regarding the eligibility for schemes and services, documentation and processing. SMS alert are also being sent to the applicants regarding the status of their applications.

It was also highlighted that Haryana is the first state to carry out transformation in citizen service delivery at this scale and the project has also won multiple awards till now.

## HISTORY BOOK ROW

### SAD rejects Soni's inquiry, seeks high level independent probe

PNS ■ CHANDIGARH

Outrightly rejecting the inquiry ordered by Punjab Education Minister OP Soni to fix responsibility for the mistakes in Punjab School Education Board's Class XII history books to be conducted by the education secretary, the Shiormani Akali Dal (SAD) on Wednesday dubbed it as “a major cover-up” and “farce” as accusing fingers are raised at the Minister himself.

Former minister and SAD's senior vice-president Daljeet Singh Cheema questioned Soni's rationale of ordering an enquiry while he himself is accused by none other than the chairman of the Oversight Committee appointed by Chief Minister Capt Amarinder Singh.

“Instead of holding inquiry by a secretary at the orders of the concerned Minister, the Chief Minister should have ordered inquiry which should have been held by a retired judge of the Punjab and Haryana High Court with a clear frame of reference, the role of the concerned Minister to be probed in the larger interest of justice,” said Cheema.

Moreover, how could a subordinate officer, that is department's secretary under Soni, could be objective, impartial and fair in conducting inquiry while his own boss is in the dock, he added.

Cheema pointed out that chairman of the “Oversight Committee”, Dr. Kirpal Singh, has revealed that he had pointed out the errors or distortions in each chapter in detail in clearly typed pages but these chapters were uploaded on PSEB website without carrying the suggested corrections under pressure from the Minister.

## Punjab and Haryana procure over 215 lakh tonne paddy so far

PNS ■ CHANDIGARH

Punjab and Haryana together have so far procured over 215.65 lakh tonne of paddy this kharif season, food and supplies officials said on Wednesday.

Punjab alone has procured over 150.37 lakh tonne of paddy till Tuesday evening, a Punjab government spokesman said.

Out of this 149.44 lakh tonne has been procured by government agencies while 92.854 tonne has been procured by private millers.

Payment of nearly ₹23,000 crore has already been released by the Punjab government to arhtiyas (commission agents) and farmers.

In neighbouring Haryana, over 65.28 lakh tonne of paddy has procured this Kharif season. Out of this, government agencies have procured over 57.31 lakh tonne, private millers have procured over 7.97 lakh tonne. Haryana is well known for Basmati rice production, especially in Karnal district.

“Green Revolution” state Punjab contributes nearly 50 per cent of food grains (wheat and paddy) to the national kitty.

The Punjab government has made arrangements for a bumper procurement of 200 lakh tonne of paddy this season.

In 2017-18, a total of 179.34 lakh tonne of paddy was procured. Paddy procurement started in the agrarian state on October 1, but the bulk of the stocks started coming after October 10.

The Centre sanctioned a Cash Credit Limit (CCL) amount of ₹29,695.40 crore for procurement of paddy in the kharif marketing season 2018-19. The Punjab government had demanded ₹40,300 crore.

## 439 arrested, 269 cases registered under NDPS Act in Sirsa

Chandigarh: As many as 439 people have been arrested and 269 cases are registered under NDPS Act in Haryana's Sirsa district under a special drive against drug peddlers during the past six and half months period. “Besides, large quantity of narcotics including 4.542 kg heroin, 16.437 kg opium, 28.730 kg ganja, over 2221 kg chura post and dodra post and around 3.5 lakh restricted pills, injections and capsules were seized from the possession of arrested accused during this period,” said a spokesman of Police Department.

He said that following the directions of DGP BS Sandhu, a crackdown on drug-peddlers was being conducted on daily basis in the district especially in the bordering areas with Rajasthan and Punjab. PNS

# MARKFED TO PROVIDE MID-DAY MEAL

PNS ■ CHANDIGARH

To provide fresh and quality packed food to the children in some schools, Punjab Government has decided to rope in state's cooperative Markfed under the mid day meal scheme.

Punjab State Food Commission's chairman DP Reddy said that Markfed is tapped for providing quality packed food to the school children in some schools on the trial basis as a pilot project under the mid day meal scheme. If the scheme is successful, it could be extended to other schools, he said.

**Punjab State Food Commission's chairman DP Reddy said that Markfed is tapped for providing quality packed food to the school children in some schools on the trial basis as a pilot project under the mid day meal scheme**

As a part of an agreement between the two states, the products of Punjab's Markfed would be available for sale in Maharashtra's Pune and Nagpur by the end of this month considering the great demand these products command there.

Deshmukh, who arrived specially at the invitation of Randhawa for the inauguration of 65th All India Cooperation Week, said that both Punjab and Maharashtra are predominantly agrarian states where cooperation sector occupies a place of prominence.

## 'MAHAFED' PRODUCTS IN PUNJAB

Maharashtra's Mahafed's products will now be available for sale in Punjab. The Cooperation Ministers of both Maharashtra Subhashji Deshmukh and Punjab Sukhjinder Singh Randhawa on Wednesday inaugurated the sale of Mahafed products at Markfed Bazaar in

# Manoj Tiwari: Electing BJP to local bodies will boost development

PNS ■ DEHRADUN

The BJP Delhi chief and MP Manoj Tiwari said that elected the BJP candidates in the urban local bodies will further boost developmental works. Talking to media persons at the BJP state office here on Wednesday during his campaign visit, Tiwari said that local body elections are important.

Electing the BJP candidates to local bodies will enhance local body coordination with the BJP state government and boost development works. Just like the BJP was victorious in the Vidhan Sabha elections, it will emerge victorious in the local body elections.

Referring to the Congress, he said that the people had in the past given Harish Rawat an opportunity to serve the public but he had failed.

In Uttarakhand, the state government and party organisation are doing good work under the leadership of chief minister Trivendra Singh Rawat and party state chief Ajay Bhatt respectively, he said.

Speaking on other issues, he said that the statement made by the Dassault Aviation chief

executive officer in the Rafale matter is a befitting reply to allegations being levelled by Congress national president Rahul Gandhi. He further said that on the occasion of Chhath, he stood by his statement wherein he had suggested that Sonia Gandhi and Rahul Gandhi should pray to the Ganga as that brings good sense.

Later, Tiwari addressed public gatherings to elicit support for BJP candidates including Dehradun mayoral candidate Sunil Uniyal 'Gama'.

# Lankan House says no trust...

From Page 1

Supporters of Rajapaksa refused to recognise the vote as legitimate, plunging the country deeper into crisis, as fears grow that the political dispute could spill into protracted instability in the island nation. Jayasuriya later adjourned the House until 10 am on Thursday.

Speaker Jayasuriya has written to President Sirisena, asking him to take further constitutional action. A copy of the motion with 122 signatures of lawmakers, who have expressed lack of confidence in Prime Minister Rajapaksa and his Cabinet, has been sent to

Sirisena.

The Speaker's office said that the Speaker has requested the President to take the next step under the Constitution. Speaking after the no-trust vote, ousted Prime Minister Wickremesinghe claimed that his Government had been restored after extra constitutional action by President Sirisena to sack him as the premier.

"We will now take steps to ensure that the government in place before October 26 will continue. I wish to inform all government servants and police that you should not carry out illegal orders from the purported government that has failed to demonstrate the confidence of the people," he said.

# No debate on Rafale...

From Page 1

The top law officer said the Centre has given in a sealed cover the complete details of the Rafale jets, the weapons to be fitted on the aircraft and other requirements. The Centre on Monday had submitted to the apex court in a sealed cover, the pricing details of the Rafale jets. Venugopal also told the apex court that the court is judicially not competent to decide what aircraft and weapons are to be bought as it is a matter for experts.

Venugopal said earlier jets were not intended to be loaded with the requisite weapons system and the government had reservations as it did not want to violate the Inter Government Agreement (IGA) and the

secrecy clause.

He also opposed advocate Prashant Bhushan who wanted to submit information on the secrecy clause of the Rafale agreement. "Secrecy agreement has to be secret and how is he producing it in court?" Venugopal asked when Bhushan raised the issue.

Bhushan, appearing on behalf of himself and former Union Ministers Yashwant Sinha and Arun Shourie, alleged that the Government is hiding behind the secrecy clause and had not disclosed the price of the fighter jets. The Chief Justice told Bhushan, "We are giving you full hearing. Use this opportunity carefully and cite only those things which are necessary."

# Modi king of false promises: Ex U'khand CM Rawat

'Dinesh Agarwal head and shoulders above others in fray'

PNS ■ DEHRADUN

While campaigning for the Congress for the urban local body polls slated for November 18, the AICC general secretary and former chief minister Harish Rawat launched a scathing attack on Prime Minister Narendra Modi, dubbing him a liar for making false promises to the people of the country.

Addressing a public meeting in support of the Congress mayoral candidate, Dinesh Agarwal at Kedarpuram, the

Congress veteran reminded the people of the promise made by Narendra Modi ahead of the 2014 Lok Sabha elections to transfer Rs 15 lakh into the bank account of every Indian. "At the time, many repented having fewer children as more children meant more money," he said in a sarcastic vein and added that they are now feeling cheated.

Continuing to train his gun on the PM, the Congress leader said that in case a competition in telling lies is held, Modi would come out with flying colours. He also said that PM was running the government in an autocratic fashion.

Taking pot-shots at the Trivendra Singh Rawat government, Harish Rawat said that the much-hyped double engine is yet to start its eagerly

awaited journey. "The CM here is pompously inaugurating the schemes the foundation stone of which were laid during the previous Congress regime," he said.

Heaping praise on the Congress mayoral candidate Dinesh Agarwal, the former CM recalled the sincere initiatives he had taken to serve his constituency while he was a minister. "None in the mayoral fray here can boast of even half of the stature Agarwal enjoys," he said. Earlier while talking to the media persons, Rawat claimed that Congress candidates in all the ULBs are set to win. Quizzed over some Congress leaders switching over to BJP, he said that most of them were tainted people who cared a fig for ideology the party embodies.

## GOVT STAFF JOINING RSS ACTIVITIES PM apprised of removing ban clause

Congress promises to implement ban in Madhya Pradesh

DEEPAK K UPRETI ■ NEW DELHI

As the political fever rises with the Assembly polls for five States underway and the Congress vowing to "implement ban" on Government employees from participating in the activities of Rashtriya Swayamsevak Sangh (RSS), the RSS affiliate Bhartiya Mazdoor Sangh (BMS) has written to Prime Minister Narendra Modi to remove the ban provision from the Government service rules.

The ban on Government officials taking RSS membership and joining its activities was there but some States like Gujarat, Goa, Madhya Pradesh have them in service rules. After Keshubhai Patel Government took over in Gujarat in 2000, the provision was removed from the Service rules but in Madhya Pradesh it is continuing, said RSS functionaries.

Congress manifesto for the November 28 Madhya

Pradesh polls in the State promises to ban 'Shakhas' of the RSS in Government premises and stop Government employees from attending RSS 'Shakhas'. Congress General Secretary Digvijay Singh has said that the rule existed even under the Jan Sangh and BJP Governments in the State in the past, including the regimes of V K Slecha, Kailash Joshi, Sunderlal Patwa, Uma Bharti and Babulal Guar and that the Congress was "only pledging to continue it."

RSS leaders maintain that it was already in the service rule but it was never implemented in letter and spirit. "Congress is for the first time promising to implement if it comes to power

in Madhya Pradesh", they said. They remind that even during Jawahar Lal Nehru's time, several Congress members in the party's Central Working Committee were also members of the RSS.

The BMS has sought Prime Minister Narendra Modi to have the service rule removed so as to lift the ban on the Central Government employees from working with the RSS.

The RSS outfit has appealed to the Prime Minister to intervene in the matter personally and direct the concerned Ministry to issue necessary amendments permitting the Government employees to participate in nation-building activities.

The Secretary-General of

Government Employees National Confederation, affiliated to the BMS, in a letter to the Prime Minister on October 20, pointed out that in accordance with provisions of DP & AR OM No. 15014/3(S)/80-Estt. (B), dated 28.10.1980, there is a ban on participating in the activities of RSS by the Central Government Employees.

"Through an order dated November 30, 1966, (by the Ministry of Home Affairs), the then Congress Government has imposed the ban on swayamsevaks, who work in various departments under the Union Government. Unfortunately, the order has been evoked time and again by the successive Governments", the letter said.

Pointing out that any person going against the rule invites "imprisonment for a term which may extend to seven years or fine or with both", the BMS maintained that many Government employees interested in the RSS activities hold back on account of the fear of disciplinary action and "are not able to lend their hand in a genuine cause of Nation Building."

## NIA chargesheets Dukhtaran's chief Andrabi, two others

PNS ■ NEW DELHI

The National Investigation Agency (NIA) on Wednesday filed a chargesheet against banned terror group Dukhtaran-E-Millat's chief Aasiya Andrabi and her associates, Sofi Fehmeeda and Naheeda Nasreen, before a designated court here for allegedly waging war against the country.

Andrabi and her associates Sofi Fehmeeda and Naheeda Nasreen were actively running a terrorist organisation Dukhtaran-E-Millat which is proscribed under the First Schedule to the Unlawful Activities (Prevention) Act, 1967. DEM as a terrorist organisation is engaged in Anti-India activities and has been inciting the general populace of Kashmir for an armed rebellion against the Government of India with aid and assistance of terrorist organisations based in Pakistan, the NIA said.

"The three accused persons were using various media platforms like Twitter, Facebook, YouTube, TV Channels including those in Pakistan to spread insurrec-

tionary imputations and hateful messages and speeches against India. DEM through Aasiya Andrabi and others, openly advocates secession of Jammu & Kashmir from the Union of India and its merger with Pakistan through violent means," the NIA said in a statement.

A case was registered by the NIA on April 27 this year under various Indian Penal Code Sections relating to criminal conspiracy, waging war against the nation and under provisions of the anti-terror law Unlawful Activities (Prevention) Act, 1967.

The trio was arrested by NIA on July 6 in connection with the case and is since lodged in the Tihar Jail here.

"Investigation has established that Aasiya Andrabi is heading Dukhtaran-E-Millat as its Chief and has used social media and other platforms to abet waging of war against Government of India. She is spreading seditious and insurrectionary imputations against Government of India. She is promoting ill-will and enmity between different communities in India on ground of religion. Investigation has also estab-

lished that she has close contacts with designated Global Terrorist Hafeez Mohammad Saeed who is head of Jamaat-Ud-Dawah (JuD) and Lashkar-E-Toiba (LeT), internationally designated terrorist organisations that are based in Pakistan," the NIA further said.

Andrabi has used public platforms to incite youth of Kashmir to rise in armed insurrection against the Government of India with an object of achieving cessation of Kashmir from India and its merger with Pakistan, the agency said in its chargesheet.

The agency said investigation has also established that Sofi Fehmeeda, as Personal Secretary to Chief of DEM and also Press Secretary of Dukhtaran-E-Millat, and Naheeda Nasreen as its General Secretary have been instrumental in the use of social media and other platforms for abetment of waging war against the Indian Government besides spreading seditious and insurrectionary imputations against it, and are promoting ill-will and enmity between different communities in India on grounds of religion.

## Twitter removes 2 fake Election body accounts

PNS ■ NEW DELHI

Twitter has suspended two fake accounts being run in the name of the Election Commission (EC). The account used the EC logo as well as the Twitter handle @ElectionComm. Another account used @DalitFederation as its handle. The two accounts have been suspended after the EC asked Twitter to take "decisive action."

The Election Commission's spokesperson confirmed that the Commission does not have its own verified Twitter handle. The fake accounts had a huge following with one of them having 4,751 followers. The EC feared that they could mislead public ahead of Assembly polls in five States and coming up Lok Sabha elections next year. "The EC does not have any presence on Twitter, though it does operate a Facebook handle," said an official of EC on the condition of anonymity.

The media division of the EC asked Twitter to take decisive action against them. Although there were no tweets from these accounts, they had a large following. The Commission has avoided opening an account on Twitter as it does not have the manpower, a dedicated team of professionals or media budget to handle requests and grievances that are likely to flood it once it registers its presence on Twitter," an official said. However, EC has authorised the State chief electoral officers to create a Twitter account of their own.

EC had earlier held talks with Twitter and other social media companies like Google and Facebook to help it track fake news and monitor poll expenditure on social media advertising and publicity. Google, Facebook and Twitter on Monday promised to do more to fight news in India, while refusing to provide any definite timeline for bringing tougher actions that could eliminate the menace of fake news from their platform.

## Database of all Govt, pvt health establishments will go online soon

PNS ■ NEW DELHI

Soon database of country's almost all health establishments including clinics, nursing homes, hospitals and diagnostic labs whether in private or Government sector will be available online with interactive maps.

Aiming to improve health outcomes and create health database, the Union Health Ministry has rolled out the National Health Resource

Repository (NHRR) wherein massive exercise to map all public and private healthcare establishments at the district level is being undertaken in the country. This is the first ever healthcare establishment census, using paperless technology.

A senior Health Ministry official said that a web-based and geo-mapping enabled single platform of all the health resources both Government and private is being developed.

It will comprise of the data on health infrastructure, human resource and the availability and type of medical facilities.

The importance of health mapping lies in the production of interactive and published maps that would link the geography of communities with other dimensions such as availability and accessibility of health services, or disease prevention and control services particularly in rural areas, added an official from the WHO.

## Over 18L foreigners visited India this year on e-Visa

PNS ■ NEW DELHI

Liberalised Visa regime implemented for two years witnessed sharp increase of visit of foreigners to India. As per the statistics in 2017 and 2018, more than 35 lakh foreigners visited India, including tourists, business purposes. Before launching of e-Visa and instant visa, in 2015, as per the statistics, around 4.5 lakh foreigners visited India. As many as 26 airports and five sea ports, the Bureau of Immigration (BoI)

has implemented e-Visa system.

"The Electronic Visa Facility now covers practically all the countries of the world. Foreign nationals of 166 countries can now enjoy this facility at 26 airports and 05 seaports. The foreigner does not have to interact with any Indian official till his arrival at the immigration counter. The Bureau of Immigration (BoI) generally decides within 24-48 hours whether or not to grant an e-visa to a foreigner. The popularity of e-visa is sky rocketing. The

number of foreigners who visited India on e-visa has gone up from 4.47 lakhs in 2015 to 17.00 lakhs in 2017. The figure for 2018 is 18.78 lakhs upto 30th October, 2018," said Home Ministry in a statement on Wednesday, detailing the sharp increase of visitors.

Currently e-Visa is permitted in five categories like tourist, business, medical, conference and medical attendant. "The local FRRO has been empowered now to extend duration of electronic visas beyond 60 days upto 90 days. Moreover, these e-visas can

now be availed three times in one year against twice in a year earlier. For foreigners who are already in India and who require any consular/visa services like extension of visa, conversion of visa, exit permission or any of the total 27 visa-related services, an online e-FRRO facility has now been launched throughout the country. The foreigners do not have to physically visit the offices of FRROs/FROs. They can apply as well as receive consular/visa services online after making online payment," said Home Ministry.

## TRUMP CELEBRATES DIWALI AT WHITE HOUSE US, India can be a 'bulwark' for peace

Washington: President Donald Trump on Tuesday said US relationship with India can act as a "bulwark" for freedom, prosperity and peace as he celebrated Diwali in the White House along with eminent Indian-Americans.

It is the second consecutive year that President Trump has celebrated the largest festival of India and Indian Americans in the White House.

"I am thrilled to be here for the celebration of Diwali, the Hindu Festival of Lights, and I am honored to host this beautiful ceremony at the White House. Very, very special people," Trump said.

"I'm honoured to host this beautiful ceremony at the White House. Very, very special people. We're gathered today to celebrate a very special holiday observed by Buddhist, Sikhs and Jains throughout the United States and around the world," Trump said.

"This ceremony signifies the triumph of light over darkness and good over evil. It is a jubilant occasion that brings loved ones, neighbours, and

communities closer together," Trump said before lighting the ceremonial diya in the historic Roosevelt Room of the White House.

He said the shining lights remind people to "seek wisdom, to give thanks, and to always cherish and love the ones who grace our lives."

"Our nation is blessed to be home to millions of hard-working citizens of Indian and South East Asian heritage to enrich our country in countless ways. Together we are one proud American family. Do we agree with that? I think so. I think we do. Right? Better, believe it," he said.

"India is the world's largest democracy, and the relationship between our two countries can act as a bulwark for freedom, prosperity, and peace," Trump said, amidst China flexing its military muscles in the strategic Indo-Pacific region.

He said the United States has deep ties with India and he was grateful for his friendship with Prime Minister Narendra Modi.

"Modi is my friend and now her (Ivanka) friend and has great respect for India and the Indian people that I can say," said the US President as he introduced his daughter to the audience, who was present in

the room.

"Absolutely," replied Ivanka, who had visited India last year. She was the first top official of the Trump administration to travel to India to attend the Global Entrepreneurship Summit in Hyderabad in November last year.

Trump also mentioned the ongoing negotiations between the US and India on a trade deal but indicated that the talks were moving though it was tough.

"We're trying very hard to make better trade deals with India. But, they're very good traders. They're very good negotiators. You would say right. The best. So we're working. And it's moving along," he said.

Along with nearly two dozen top Indian-American officials of his administration, Trump invited the Indian Ambassador to the US, Navtej Singh Sarma, his wife Dr Avina Sarma, and his special assistant Pratik Mathur to be present during the White House Diwali celebrations. PTI

## Govt launches credit scheme for cooperative startups

PNS ■ NEW DELHI

In a move to encourage cooperative start ups and business ventures in agriculture and allied sectors, the Ministry of Agriculture on Wednesday launched a new scheme that aims to provide cheaper loans to startups in the cooperative sector and those having innovative projects costing up to ₹3 crore.

The scheme is called 'Yuva Sahakar Cooperative Enterprise Support and Innovation Scheme' will be implemented by the National Cooperative Development

Corporation (NCDC). A corpus fund of ₹1,000 crore has been created to this purpose. The scheme would be liberal to cooperatives in the north eastern region, those registered and operating in aspirational districts identified by think-tank Niti Aayog as well as cooperatives which have 100 per cent women and SC/ST members. The heavily incentivised scheme has component of subsidy as well as interest subvention and cooperative registered even one year ago will be eligible.

Launching the scheme, Union Agriculture Minister

Radha Mohan Singh said that the new scheme aims to encourage newly formed cooperatives to take advantage of innovative ventures, especially by societies having new and innovative ideas. "Cooperatives operating for at least for one year and having a positive net worth are eligible to avail credit under the scheme for new and innovative project ideas", Singh said.

The project cost should not exceed ₹3 crore and there will be two years moratorium on payment of principal amount, he said, adding that the period of moratorium may vary

depending on type of project and ability to generate revenue. NCDC lending so far has been to cooperatives working in fishery, sugar, textiles, food-grains, crops, fruits, vegetables, cold storage, water conservation, dairy, poultry, handlooms, coir and sericulture so far. There are eight lakh registered societies in the country.

As an incentive, the Minister said the credit will be provided at two per cent less than the applicable interest rate on term loan for the project activities. The interest rate incentive would be applicable only for timely repayments.

## ISRO successfully launches satellite GSAT-29 using its heaviest rocket

Sriharikota (AP): India on Wednesday successfully put into orbit its latest communication satellite with its heaviest rocket and the new space mission is expected to serve the communication needs of people in the remote areas of the country.

The textbook launch of the rocket GSLV-MkIII-D, which is dubbed by the ISRO as the 'Bahubali' or 'fat boy' of Indian rockets, is also seen as crucial for the space agency as it would be used for the ambitious Chandrayaan-2 (lunar mission) and the country's planned manned space mission. The 3,423 kg satellite GSAT-29 is also the heaviest Indian satellite to be put into orbit.

Indian Space Research Organisation (ISRO) chief K Sivan said while the rocket's

first operational mission was going to be "none other than Chandrayaan" in January 2019, "this fantastic vehicle is going to carry humans to space in three years from now."

ISRO has set a 'target' of achieving the country's ambitious manned mission to space by 2021, with the first unmanned programme of 'Gaganyaan' planned for December 2020, according to

Sivan. Prime Minister Narendra Modi announced in his Independence Day address this year that India will attempt to send an astronaut to space by 2022 on board 'Gaganyaan'.

The 27-hour-countdown for the Wednesday launch began at 2.50pm Tuesday and the rocket blasted off at 5.08 pm from the spaceport at Sriharikota over 100 km from Chennai.

The satellite carries Ka and Ku band high throughput transponders which will provide communication services to remote places in the North East and Jammu and Kashmir, besides aid the Centre's Digital India programme, Sivan said.

ISRO scientists broke into cheers as the satellite was injected into a geosynchronous orbit, 16 minutes after lift-off.

## BJP releases second list of 31 candidates for Raj Assembly polls

New Delhi: The BJP on Wednesday announced its second list of 31 candidates for the Rajasthan Assembly election, dropping 15 sitting MLAs, included three Ministers.

The BJP has so far announced the names of 162 candidates in the 200-member Assembly.

Outgoing Ministers Babulal Verma, Rajkumar Rinwa and Dhana Singh Rawat were denied party ticket this election.

BJP MLA Gyandev Ahuja, who hit the national headlines at the height of the JNU controversy in 2016 for his remarks that thousands of condoms were found on the university campus daily, was also dropped. PTI

## Pakistan epi-centre of global terror, says Modi

Singapore: Prime Minister Narendra Modi on Wednesday told US Vice President Mike Pence that all the traces and all the leads in the global terror attacks ultimately leads to a "single source and single place of origin", in an apparent reference to Pakistan.

Modi, who held talks with Pence on a wide range of bilateral and global issues of mutual interests on the sidelines of the East Asia Summit here, also expressed concern over the participation of terrorists in the elections in Pakistan.

Briefing the reporters after the meeting, Foreign Secretary Vijay Gokhale said there was some discussion on the issue of terrorism. Pence referred to the upcoming 10th anniversary of the deadly Mumbai terror attack on November 26 and hailed cooperation between

the two sides on counter terrorism, Gokhale said.

Some 166 people were killed in the attack carried out by Pakistan-based 10 Lashkar-e-Taiba terrorists. Nine of the attackers were killed by police while lone survivor Ajmal Kasab was caught and hanged after handed down death sentence by an Indian court.

Modi thanked Pence for his words and reminded him that in one way or another all the traces and all the leads in the global terror attacks ultimately leads to a "single source and single place of origin", without naming any country or organisation.

He was apparently referring to Pakistan. A number of terrorist attacks across the world have been carried out by people of Pakistani origin. On December

2, 2015, 14 people were killed in a mass shooting by a Pakistani origin married couple in San Bernardino, California.

A Pakistani-origin man was among three knife-wielding militants responsible for carrying out the brutal terror attack in London that killed seven people and injured 49 in June 2017.

Prime Minister Modi also expressed concern over the Mumbai terror attack mastermind Hafiz Saeed's party contesting the July 25 elections in Pakistan.

"He (Modi) did point out that the mainstreaming of people involved in the Mumbai attacks in a political process which has taken place in the recent elections in Pakistan should be a matter of serious concern not just to the two

## Modi invites Pence, says 'India-Ana'

Singapore: There was a light moment during Prime Minister Narendra Modi's meeting with US Vice President Mike Pence in Singapore on Wednesday when he riffed on the meaning of 'Indiana' — the American leader's home state.

Through his translator, Modi said that when he met Pence in the US in 2017 he told him that "Indiana" (INDIA-Ana) in Hindi, meaning "To come to India."

Modi then repeated his invitation to Pence to visit India.

Pence laughed appreciatively. "Thank you, Mr. Prime Minister," Pence said. "I expect I will 'Indiana.'" The US vice president is likely to visit India in 2019. PTI

## App to register snake bites in country

PNS ■ NEW DELHI

The big four snakes — Russell's Viper, Common Cobra, Common Krait and Saw Scaled Viper are responsible for more than 90 per cent snake bite deaths across India. But, surprisingly, the Government has no incident-related data that could help it frame policies and develop better snake anti-venoms to save the victims.

Taking initiative in this

direction to collate the data at the ground level, the Big4 Mapper app has been developed that would register each incident of bites by the big four snakes. The app which is a part of 'Indian Snake Bite Initiative', a joint project by Madras Crocodile Bank, Global Snakebite Initiative and Indiansnakes.org would help conservationists and herpetologists to map out the distribution of snakes and incidents of bites reported in the country.

By collating incidents at the ground level, the app aims to help researchers and policymakers get a clearer picture of the situation and can potentially save lives, said the brain behind the app, Jose Louies from the Wildlife Trust of India.

He elaborated, "The Big4 Mapper app helps conservationists and herpetologists map the distribution of snakes and incidents of bites reported in the country. The app can

potentially save lives, once it reaches its critical mass and if received well by the government machinery."

Talking about its functioning, he said that the snake rescuers have to download the app and take a photo of the snake every time they go on a rescue trip. When rescuers take a photo of the snake in the place they found it, the app automatically logs in the GPS coordinates, time and the date.

SABARIMALA ROW

# Trupti to visit temple on Friday with six women

**Thiruvananthapuram:** Woman activist Trupti Desai on Wednesday waded into the Sabarimala issue when she asked for complete police protection during her visit to the temple starting Friday. But temple activist Rahul Eashwar promised to fight her tooth-and-nail to prevent her entry.

Desai wrote to Kerala Chief Minister Pinarayi Vijayan to order police protection for her group when they visit Sabarimala on November 17 when the temple will open for the two-month long pilgrimage.

The temple town has witnessed protests by Hindu groups and temple tantri and officials ever since the Supreme Court verdict on September 28, allowed women of all ages to pray at Lord Ayyappa temple that hitherto banned girls and women aged between 10 and 50.

Desai wrote to Vijayan on Wednesday that she along with six other women would be arriving in Kerala on Friday for a visit at the temple on Saturday. She sought police protection right from the time she lands in Kerala till they leave the State, saying "we will visit the temple whatever be the resistance".

While Eashwar said he and his officials along with Lord Ayyappa's true devotees would ensure that none were able to break the tradition of the temple.

**PROMISING AN EVEN BIGGER RESISTANCE, SABARIMALA TANTRI FAMILY'S RAHUL EASHWAR ALONG WITH ACTIVISTS AND DEVOTEES TOLD THE MEDIA HERE, THAT DESAI WOULD KNOW THE POWER OF THE FAITH OF AYYAPPA DEVOTEES WHEN SHE AND HER GROUP REACHES THE TEMPLE TOWN**

"We will lie down before the women who come to break the temple's tradition." The temple will open on Friday evening for the Mandala Mahotsavam and she has asked to be escorted right from the airport to their rooms in Kottayam, where they would rest for the day. The police must then provide protection when they head for the hilltop temple on Saturday.

Speaking to a Malayalam TV channel, Desai said she has written to the Chief Minister, Kerala Police chief Loknath Behra and also Prime Minister Narendra Modi.

"I have written but have not done any online booking for the darshan. The Supreme Court order is now very clear and hence we will be there and we will visit the temple whatever be the resistance," said Desai.

The temple will be open for 66 days till January 20, with a small break in between. Promising an even bigger resistance, Sabarimala Tantri family's Rahul Eashwar along with activists and devotees told the media here, that Desai would know the power of the faith of Ayyappa devotees when she and her group reaches the temple town.

Eashwar was put in jail in October during the first month's protest after the top court's ruling came into existence. "Come, what may, we will ensure that our protest will be in the true Gandhian way and none will be able to break the tradition of the temple."

"We will lie down before the women who come to break the temple tradition and if they have to move forward, they will have to walk on our bodies and once that happens, the police will have to arrest such people," said Eashwar. **IANS**

# Holistic approach needed keeping sentiments in mind, says Union Min

PTI ■ NEW DELHI

Union Culture Minister Mahesh Sharma called for a "holistic approach" to be adopted on the Sabarimala temple issue on Wednesday so that the sentiments of the people were not hurt, observing that the Centre would intervene in the matter at the "right time" if required.

The Supreme Court on Tuesday agreed to review its verdict allowing the entry of women of all ages into the hilltop shrine in Kerala, which had sparked violent protests in the southern State, but refused to grant a stay.

Asked if an ordinance was required to deal with the situation, Sharma said the Kerala Government had to decide on the matter, adding that the Centre would intervene at the right time if required.

"The State Government has to take a call on that (ordinance) and the Central Government, if required, will definitely intervene at the right time," he told reporters here.

Asked if the contention that the entry of menstruating women would make the temple impure, Sharma said, "Well, I am a doctor, I will not make any comment because the matter is sub-judice, but we have to take a holistic call on it."

The two-month-long Mandala Makaravilakku pilgrimage season that commences on November 17 attracts millions of devotees from all over the country to Sabarimala.

On September 28, a five-judge constitution bench of the apex court, headed by then Chief Justice Dipak Misra, in a 4:1 verdict, had lifted the centuries-old ban on girls and women in the 10-50 age group from entering the shrine, saying it amounted to gender discrimination. The review petitions against the verdict were taken up "in-chamber" by a bench of Chief Justice Ranjan Gogoi and justices RF Nariman, AM Khanwilkar, DY Chandrachud and Indu Malhotra.

**Asked if an ordinance was required to deal with the situation, Sharma said the Kerala Government had to decide on the matter, adding that the Centre would intervene at the right time if required**

# Security upped after miscreants hijack passenger taxi in Jammu

MOHIT KANDHARI ■ JAMMU

Security was beefed up all along Jammu-Pathankot National Highway, dotted with vital Army installations, after four suspected miscreants hijacked a passenger taxi, hired from Jammu railway station, near Madhopur in Punjab, late Tuesday night.

The incident came to light in the wee hours of Wednesday after driver of the passenger Taxi, Raj Kumar, raised an alarm soon after he managed to escape after a brief scuffle with the miscreants.

The miscreants had threatened to kill him and dump his dead body in the nearby canal.

After the alarm was raised, Punjab and J&K police, alerted security check points on possible escape routes to track down the hijackers and prevent possible terror strike in the close vicinity of Pathankot

air base. Jammu Railway Station Taxi Operator's Union, Vice-President, Rajvender Singh told reporters in Jammu, "a group of four people had booked a Taxi from Jammu railway station for dropping at Pathankot late Tuesday evening".

### SEARCH FOR MISSING

General Public is hereby informed that a girl **Namely: Rani, D/o Ram Chander Singh, R/o: D-4, Gali No. 13, B-Block, Dass Garden, Delhi, Age: 17 Years, Height: 5'1", Complexion: Fair, Face: Round, Wearing: Unknown colour Suit-Salwar, has been missing/kidnapped since 14.09.2018 from the area of PS Ranhola, Delhi. In this regard FIR No. 552/18 u/s 363 IPC, dated 19.09.2018, has been lodged at PS. Ranhola, Delhi. Sincere efforts have been made by local police to trace out the missing girl but no clue has come to light so far. If anyone have any information about this missing girl please inform the undersigned.**

2. Diluted:		0.73	1.38	0.01

**Notes:**

- The above results were reviewed by the Audit Committee at its meeting held on November 13, 2018 and approved by the Board of Directors at its meeting held on November 14, 2018.
- The Statutory auditors of the company have carried out the limited review of the financial results for the second quarter and half year ended September 30, 2018.
- The company has only one segment of revenue.
- With regard to Auditor's observation in point no. 06 of the limited review report, the operational results are not materially affected and the affect is only on the financial position, secondly the foreign exchange gain is un-realised and not notional. With regard to overseas trade receivable, loans & advances, the company has already initiated legal action/suit and sufficient documents/copies of legal filing and other supporting have been made available to the Auditors.
- As regards to the Loans & Advances, which is also covered in point 8(b) of the said report, it is mentioned that these are old dues being carried forward from FY 2012-13 and relates to GEE El Woollens Ltd. (Erstwhile Company).
- Figures relating to the previous periods/year has been reclassified/rearranged wherever necessary, to confirm to the current period's presentation.

# Renaming Bengal: Didi slams Centre for delay

SAUGAR SENGUPTA ■ KOLKATA

A furious Bengal Chief Minister Mamata Banerjee on Wednesday came down heavily on the Central Government for "intentionally delaying" the process of renaming West Bengal to "Bangla" as proposed and passed by the State Assembly in September last year.

"I had personally requested the Union Government and Home Minister Rajnath Singh to hasten up the matter of renaming Bengal into Bangla after the resolution was passed in the State Assembly. But nothing has been done in this regard. The Centre is ignoring the opinion of the majority population because some people who are in a microscopic minority (State BJP leader) want them to do so. This is amounts to defying the federal nature of the Constitution," she said.

"They (the BJP Government) are changing the names of other places but they are delaying the renaming of Bengal when the people of the State want it to be done as was proved by the unanimous support this cause

received in the State Assembly," the Chief Minister said wondering "if the name of Bombay, Bangalore, Orissa and Pondicherry changed into Mumbai, Bengaluru, Odisha and Puducherry, then why West Bengal cannot be changed into Bangla."

The proposal of renaming the State had been in the air since the nineties but it was finally passed in August 2016 when West Bengal was renamed into Bengal, Bangla, Bangla in English, Hindi and Bengali. The proposal was turned down by the Centre which then asked the State to consider a new name.

It was then that the Assembly voted in favour of single name Bangla in September last year.

"They (BJP) are of the opinion that Bangladesh is also called Bangla so it is not the proper alternative for West Bengal, but these people fail to realize that there is one Punjab each in Pakistan and India without doing any harm to any sentiments," Mamata said.

Warning the present Government which was "cross-

ing its limits in many ways," Banerjee reminded "the Constitution has divided the powers of the State and the Centre and so no one should think itself superior to the other."

"Even the State Chief Ministers were called Prime Minister in the British period but after the Independence the States got Chief Ministers and the Centre got a Prime Minister considering the different roles they played," she said adding there was no reason to think that the State or the Centre were superior to each other.

Instead of upholding the values enshrined in the Constitution the Centre was disregarding India's federal structure she alleged. "It is not a few leaders in Delhi who run this country. In fact India is run by the federal States."

Reacting to Banerjee's charges Bengal BJP president Dilip Ghosh however said that "instead of renaming the State the Government should concentrate on development and restoring democracy in the State."

# LoP Saikia slams Sonowal for failing to protect Assam's interest

ANUP SHARMA ■ GUWAHATI

Assam's Leader of the Opposition, Debabrata Saikia, slammed Chief Minister Sarbananda Sonowal-led Government in the State for failing to protect the State's interest and address the growing insecurity in the State.

Saikia's statement came days after a top brass of the Assam police admitted that the resentment against the Citizenship (Amendment) Bill, 2016 has led young people in some districts to join the anti-talk faction of United Liberation Front of Assam (ULFA).

"This is nothing short of a confirmation of the Sarbananda Sonowal-led Government's failure to protect Assam's interests and its tendency to betray people," Saikia said in a statement issued on Wednesday.

Director General (Special Branch) of Assam Police and the Superintendent of Police, Tinsukia and other senior officials of the police administration have recently stated that the resentment against the Bill

across the State has been fuelling a fresh spurt in young people of the Brahmaputra Valley joining the ULFA faction led by its commander in chief Paresh Baruah.

"The ULFA's popularity had gradually waned during the decade-and-a-half when the Congress was in power in the State. But the Narendra Modi-led Central Government's decision to table the controversial Bill and the Sarbananda Sonowal-led State Government's failure to mount a strong opposition to the proposed legislation are inducing a section of young boys and girls to take up arms against the State," Saikia said.

He said that dwindling employment opportunities and stagnation of development activities like the MGNREGA are also creating frustration and resentment among many youth, who are gravitating towards the ULFA faction.

# Pondy CM holds review meeting on Gaja

Nagapattinam (TN): Puducherry Chief Minister V Narayanasamy on Wednesday held a review meeting with officials of various departments at Thirunallar in Karaikal district and took stock of the preparedness as cyclone Gaja is likely to hit the coastal district on Thursday.

Agriculture Minister R Kamalakannan, Karaikal District Collector R Kesavan, Senior SP Rahul Alwal and heads of PWD, Health, Electricity, Fisheries, Fire and Rescue Services departments attended the meeting.

The Chief Minister directed the district authorities to keep stock of relief materials. Urging officials to ensure supply of protected drinking water to all areas, Narayanasamy said if needed he would camp in Karaikal to coordinate the activities. Three teams of the National Disaster Response Force (NDRF) have arrived here to provide emergency assistance. Meanwhile, Nagapattinam district collector C Sureshkumar told reporters that the district administration has made all necessary arrangements to meet any eventuality.

Twenty two cyclone shelters have been kept in readiness

to accommodate people, he said adding that a 24-hour control room was functioning at the Collectorate. PTT

**CORRIGENDUM**

The Survey Report No. 58/DD/HD/III/SR/2018-19 for felling of trees at "C/o 120 Nos. ## Nehru's legacy

The nation has much to be grateful for, much to be critical of. But we do need a calmer discourse around past leaders

In the sense of a continuum of socio-economic forces unshackled by key figures in history, Congress MP Shashi Tharoor is not entirely wrong when he says that it was Jawaharlal Nehru's endeavour to build democratic institutions and infuse a spirit of egalitarianism in the body politic which provided an opportunity for, in Tharoor's words not ours, even a "chaiwala to become Prime Minister" exactly 50 years after the passing away of India's first Prime Minister. UPA chairperson Sonia Gandhi followed this up on the eve of Nehru's birth anniversary on November 14 by asserting

that the current ruling dispensation was out to wreck Nehru's legacy. Neither star-struck hagiographies nor mindless demonising of one of the towering political personalities and public figures of 20th century India, however, does the man justice.

So, let's undertake a quick review of the four meta issues, as it were, on which Nehru cops most criticism: His allegedly cavalier approach to national security including Kashmir, his foreign policy priorities which elided the threat posed by China, his economic policies underpinned by a socialist command-and-control philosophy and his secular politics which while taking on obscurantism within the majority community failed to address the fundamentalist warp and woof of minority politics. On national security, the flak Nehru draws is disproportionate. Yes, he should have been more hard-nosed about Jammu and Kashmir and integrationist in his approach as far as Valley Muslims were concerned, especially after Sardar Patel had managed the crucial accession so admirably, but to accuse the man who kept a multi-ethnic, multi-faith, multi-linguistic post-colonial nation-state from Balkanisation and ensured its territorial integrity was by and large kept intact through the nascent phase of the construction of a modern Indian state is to be terribly unfair. Nehru's foreign policy priorities, especially his adherence to non-alignment reinforced by the 1955 Bandung Conference, were, whether ideal or less-than-ideal in retrospect, in the national interest. Of that there can be no doubt. How he defined the national interest is, of course, up for debate but abuse has no place in that discourse. Even on China, as some recent books have brought out, the first Prime Minister was not the woolly-headed, naive socialist as he is sometimes caricatured. Though the 1962 debacle is correctly characterised as his biggest failure as PM and most of the flak he draws is well-deserved, it must be remembered that Communist China and its expansionist designs were not as apparent then as they are today and Chinese perfidy not to mention an India that did not have the economic heft and military infrastructure to stand up to its northern neighbour both played a role in the disaster.

On economic policy, which led to the infamous Hindu rate of growth for nearly five decades after Independence, Nehru does have a lot to answer for. Not for the first decade or so after 1947 when the country needed capacity-building and industrialisation and a centralised command economy was probably, all things considered, the only viable route of achieving that objective. But for ignoring the warning signals towards the latter part of his tenure as crony socialism, corruption and de-growth stared India in the face but the economy continued to be guided by doctrinaire, ideological commitments even when clearly divorced from the reality on the ground. It is, however, 'secularism' which is the most contested and contentious aspect of the Nehruvian legacy. While we need to applaud his courage in siding with reformers within the Indic dharmic tradition and pushing through progressive legislation relating to the Hindu community, his abysmal surrender to the mullahs and padres when it came to reform in Abrahamic religions is incomprehensible to genuine liberals even today. The rather weak defence that he was a creature of his times (who isn't?) leads us to the conclusion that he had swallowed whole the knowledge claims of secularised Christian i.e. Western social sciences which made no distinction between religions qua religions and the Indic civilizational tradition which had been classified as a 'religion' by the British colonial rulers and earlier invaders only to make it fathomable for themselves. If anyone could have seen past it, it was Nehru. The abiding disappointment remains that he didn't.

## True Avenger

Whenever we try to be our better selves, Stan Lee's superheroes will have life; he will be missed

He was the greatest avenger of them all, standing tall against time itself, ensuring the continuity of a graphic artform, the comic, well into the post-modern world and moulding his characters in such a manner that they emerged out of their cardboard capes to become flesh and blood realities worth emulation. Marvel Comics chairman Stan Lee has captured fans across time and appeal, contributing millions to Hollywood. And much like the mankind's challenger Thanos, who can control and warp every known limit of space and time in the universe, Lee will

remain a timeless institution with his forever stones. Whether it was the angst-ridden nerd Spider Man or the genius but angry Hulk or the whimsical and rich Iron Man, he had a hero from all sections of society with their own sets of problems, baggage and frailties. Yet they remained very human and believable while summoning up their superhuman will and potential when life tested them. He coopted every race and creed. Black Panther of Wakanda is an African superhero that has given the Marvel franchise its biggest single hero commercial gain. And he did create Chakra, the invincible Indian who could elevate the potential of all seven chakras in a magic suit. No film yet on him but he did rule TV for a while. And in a world of #MeToo, Marvel women like the Black Widow set fair rules of engagement and stood up to be counted despite the men. While Stan Lee started his career with his fertile imagination using pen and ink, it soon spilled on to the page and evolved beyond anyone's imagination to become everyday inspiration.

Some of the heroes were outcasts and misfits in the real world who were vain about their pimples and slogged at work. But seared by struggle, they became the best versions of themselves and their skills, laying a roadmap of hope in an imperfect world. What Stan Lee created was to tie in childhood with adulthood and ensure innocence prevailed in our robotic lives. The creative empire he left behind is a legacy for the entire human civilisation and it will live on forever.

## Hammer and tongs approach

For preventing a democracy from descending to anarchy, it's imperative for citizens to have respect for the rule of law and ensure there are checks on any reckless exercise of power

AJOY KUMAR

Reinhold Niebuhr, a famous American academician once said, "Man's capacity for justice makes democracy possible, but man's inclination to injustice makes democracy necessary." This is a great quote for two reasons: First, because it talks about our humanity and how it craves for justice and equality, which are the foundations of any democracy, and second, because it reminds us of our more base tendencies that can only be kept in check through a democratic system of Government. For a democracy to thrive, there are a few pillars that are at play simultaneously and constantly. These pillars include the judiciary, the executive, the legislature and the Press. Contrary to what this Government would like to assume, a modern democratic society cannot be merely whittled down to the legislature, which makes the laws of the country and are the elected to power. But it also requires the judiciary, the Press, and the bureaucracy to play their important roles. I think someone forgot to tell that to the current Government in power.

While there has been an uneasy consistency with which the Government has targeted these other pillars of democracy, the first real shot was fired by the Finance Minister, who while speaking about the Supreme Court's decision to strike down the National Judicial Appointments Commission (NJAC) said that Indian democracy cannot be a tyranny of the unelected and commented how if the elected are undermined, democracy itself would be in danger. I am afraid that Arun Jaitley has missed the point here because a democracy is not the blind and blank mandate of only the elected but instead, in order to function well, it requires a fine balance between the elected and the unelected.

In this week's column, I will examine how the current Government has tried to minimise the influence of these unelected pillars like the judiciary, the bureaucracy and the Press and demonstrated a tyrannical approach to governance.

For a democracy to prevent its descent to anarchy, it is imperative for citizens to have respect for the rule of law. The primary role of the judiciary is to interpret the law of the land and to state the law as it is. The Supreme Court, as the final interpreter of law in our country, recently ruled that no woman can be restricted from entering the Sabarimala temple in Kerala. The Supreme Court came to its decision based on the principles of equality that have been laid down in our Constitution. Since the judgement was borne out of a religiously charged issue, it is the responsibility of the party in power to ensure that the situation on the ground is not further inflamed resulting in greater violence.

Instead, the Bharatiya Janata Party (BJP), in clear abdication of its responsibilities stoked tensions further. Comments from the BJP president reflect a clear disregard for the judiciary, which is an essential pillar of a successful democracy and only serves to undermine an important part of the State.

The BJP has been brazen in its attempts to exercise control over the bureaucracy as well. The bizarre episode with the CBI director being replaced in the wee hours of the morning and the CBI raiding its own officers, was just the latest indicator of how this Government has sought to maintain a stranglehold on instruments of the state and has lost control of these institutions. While the elected drafts the laws of the country, this Government will do well to recognise that the actual implementation of the laws of our country is through the bureaucracy.

The bureaucracy has a duty to implement the laws drafted by the legislature without any interference. However, there is clear disregard of this tenet by the Government and was further evidenced by the changes that were proposed with respect to the appointment of civil servants to their respective services.

The most recent example of an attack on the institutions and how the Government acts like a spoilt child if things are

CONTRARY TO WHAT THIS GOVERNMENT WOULD LIKE TO ASSUME, A MODERN DEMOCRATIC SOCIETY CANNOT BE MERELY WHITTLED DOWN TO THE LEGISLATURE, WHICH MAKES THE LAWS OF THE COUNTRY. IT ALSO REQUIRES THE JUDICIARY, THE PRESS, AND THE BUREAUCRACY TO PLAY THEIR IMPORTANT ROLES

not going its way, is the current stand-off between the Reserve Bank of India and the Government. The widening rift between the Reserve Bank of India (RBI) and the Government concerns a demand for funds from the RBI that have been collected over decades. The Government would set a dangerous precedence by invoking Section 7 of the RBI Act that would allow the Government to dictate financial policy. This is because through the past four and a half years, this Government has shown how inept it is at handling the economy. From demonetisation to the implementation of Goods and Services Tax (GST), our country has had to suffer a great deal because of Modinomics. Also, with fuel prices higher than ever and the rupee lower than ever, questioning the financial prudence of the RBI by forcing the Central Bank into submission, is another way to substitute the expertise of the unelected with the arrogance of the elected. India must avoid such this scenario.

An independent Press is the primary medium to speak the truth to powers that maybe but this pillar has been badgered by this Government into something unrecognisable. I have written in this newspaper before, while discussing freedom of Press, that there is an environment of fear and trepidation in the entire country-

where we are unable to raise questions about the Government without attacks on our patriotism. Of these attacks, perhaps the resignation of Punya Prasad Bajpai from ABP News, a few months ago under circumstances that are frighteningly Orwellian, was perhaps the most disconcerting. These attacks coupled with the approach of this Government to shroud itself in secrecy and a Prime Minister who refuses to take unscripted and uncomfortable questions indicate that the Government does not believe that in order for a country to be stronger going forward, it must be able to question its Government.

An examination of the examples I have detailed above shows how this Government has tried to diminish checks on any reckless exercise of its power by whatever means necessary. It is obvious that the Government views any such checks as tyrannical while in reality, it is merely democracy at work that requires the unelected, too, to play an important role. The elected, however, have chosen to adopt a hammer and tongs approach to governance and ignore this basic tenet. The problem, with such an approach, is that if you have a hammer in your hand, everything looks like a nail — even good sense.

(The writer is Jharkhand PCC president, former MP and IPS officer. Views are personal)

## SOUNDBITE

I enjoy being on Twitter, and I've made great friends on this medium where every day I see the creativity of people.

Prime Minister — Narendra Modi

We're trying very hard to make better trade deals with India. But, they're very good traders, you would say, right?

US President — Donald Trump

With the way content is evolving and compelling stories are coming out, there's a need for more stories of stronger women.

Actor — Yami Gautam

Those in power have contempt for Jawaharlal Nehru, we must honour him by safeguarding democracy.

Congress leader — Sonia Gandhi

## LETTERS TO THE EDITOR

### Man of wisdom

Sir — The demise of T N Srinivasan, a distinguished Indian economist marks the end of a journey. He was in some ways a multi-talented personality. Apart from Economics as his major interest, he was efficient in Mathematics as well as Humanities. Srinivasan was a strong votary of free trade and multilateralism.

He was a rather unassuming person and spent his life teaching in the United States till the very end. Srinivasan devoted his entire life in pursuit of knowledge and teaching.

Devendra Khurana  
Bhopal

### When philosophy rules the roost

The word 'philosophy' and 'philosophical' are often used loosely. Philosophy is about thoughts and questions and finding suitable answers. Thought sharing and exploration of innovative ideas and facing a creative touch to these, form the base of philosophy. The UNESCO is observing the "World Philosophy Day" on every third Thursday of November since 2002. It believes that a philosophical approach towards problems plaguing the world can be used for moulding a fair society. In times of one culture being pitted against the other, fair thoughts and unbiased news create an equal platform. Philosophers have stressed the need to shun past animosity and buttress the present.

Introspection of one's own knowledge cannot escape attention because according to that great philosopher Socrates, "I am the wisest man alive, for I know one thing, and that is that I know nothing."

The root cause for all conflicts is people judge soon and talk too soon before actually knowing their surroundings. A day spent well is a day indeed because dawn and dusk are imperative and unavoidable. Though philosophical works are rarely studied with proficiency by the non-professional, its principles should guide us to make this world safe.

Ganapathi Bhat  
Akola

### Faith vs law

Sir — The Congress and the Bharatiya Janata Party (BJP) in the Kerala State fighting against allowing young women to enter Sabarimala has become more aggressive in the light of the Supreme Court agreeing to hear the review pleas on January 22.

It seems that they have forgotten all about gender discrim-

ination in the Sabarimala issue and they are still working hand in glove with the traditionalists of the temple though clear-cut Supreme Court verdict in favour of young women was pronounced.

What is their stand in terms of the verdict? Their stand is a flagrant violation of the verdict of the apex court. But while expressing their stand, they

make it as complicated and complex as ever leaving the people muddle-headed.

They also make a mountain out of molehill on the issue to the advantage of their respective political parties.

People cannot see the truth as long as they are not educated by these parties.

TK Nandanam  
Kochi

### Democracy wins

Sir — This refers to the report "Voters defy Naxals in their bastion" (November 13). Over 70 per cent voter turnout in the first phase of Assembly polls in Chhattisgarh is a befitting snub to the Maoists by the people of Naxal heartland.

Maoists believe in violence

and claim to be fighting for the rights of the people. However, they tried to deprive the people of exercising their primary right of ballot for electing a Government.

They called for boycott of polls, reportedly threatened to chop off hands of those on who had polling ink on their fingers and set off improvised explosive devices.

Defying poll boycott call of the Maoists and ignoring the threats, people came out on the street in record numbers and thronged the polling booths. In 4,336 polling booths of 18 constituencies, across eight Naxal-hit districts, 31.80 lakh voters exercised their voting right to elect their representatives from amongst 190 contestants.

Which political party wins the election is immaterial. Democracy has already come out a winner. The Election Commission, security forces and above all, the voters, deserve accolades for the success of the democratic process.

## Fighting under alien skies

The deeds of Indian warriors in World War I are a testimony to their spirit despite colonial discrimination

HIRANMAY KARLEKAR

World War I, dubbed "the war to end all wars", ended with an armistice signed on November 11, 1918. The main belligerents were Britain, France, Russia (until the revolution of 1917), Italy (from 1915) and the United States (after 1917) on one side and Germany, Austria-Hungary and Turkey on the other. A number of other countries like India also became a part of its orbit. No other conflict until then had involved as many countries. Nor did any till then cause such a staggering number of casualties—about 40 million including about 20 million dead (both sides included) and the rest wounded. Among the dead were 9.7 million military personnel and the rest civilians. This was the first war where technology-based military hardware was deployed on a large scale, and aircraft and tanks, the latter brought in by the United States forces, were used for the first time. The questions are: What did this massive carnage achieve? What was India's role in it? It did not "end all wars." The League of Nations, emerging in 1919 from the Paris Peace Conference, which led to the Treaty of Versailles officially ending it, doubtless sought to promote disarmament, prevent wars through collective security, settle disputes between countries through negotiation and diplomacy, and global welfare. Unfortunately, it never quite took off. Its credibility and effectiveness were both undermined by the United States' decision to stay away and this despite the fact that its president, Woodrow Wilson, played an important role in setting it up and was awarded the Nobel Peace Prize for his efforts to secure peace. The League of Nations' fundamental weakness, however, was that it was slow to act, and sometimes did not act at all. This was because a decision required a unanimous resolution passed by the council members, initially numbering nine and subsequently 15. Besides conflicting interests, the unwillingness of many members to have their actions externally-determined, accounted for this. As a result, wars, between and within nations, followed. Notable in the first category were the Italian invasion of Ethiopia in 1936 and Japanese invasion of China in 1937. Wars within included the one between communists and the Kuomintang forces in China in the 1930s and the Spanish Civil War from 1936 to 1939. The League's biggest failure was its inability to prevent World War II, which involved most countries of the world and left about 55 million civilians and 21 to 25 million—including five million prisoners of war—military personnel dead. World War II witnessed, for the first time, the use of nuclear bombs on Hiroshima and Nagasaki in Japan. The conflagration, which saw the emergence of the Soviet Union as a super power, had momentous consequences. If the confrontation between the blocks led by the US and the Soviet Union respectively, led to the Cold War which split the world, a third shooting World War was prevented by deterrence provided by the accumulation of missile-mounted nuclear weapons, capable of wiping out the entire world, on both sides. Post World-War II wars like those occurring in Korea, Vietnam, Afghanistan and between India and Pakistan, India and China, Israel and Arab countries remained regional. As to the second question mentioned at the beginning, India was under British Rule during World War I, which Indian troops fought as a part of British imperial forces. The country made a signal contribution. A total of over 14 lakh men were recruited for the war, of whom over 13 lakh were sent for service in the Middle East and Europe. One of them was Kaji Nazrul Islam, the fiery Bengali revolutionary poet, who served in Mesopotamia. Indian troops fought with tremendous gallantry in lands they had never known and under climatic conditions to which they were strangers. As many as 74,187 were killed and 70,000 wounded. Twelve Indians received the Victoria Cross, the highest and most prestigious medal awarded by the British Army to officers and men who had performed "some signal act of valour or devotion to duty" in "the presence of the enemy." The recipients were Mir Dard, Fazal Din, Khudadad Khan, Sahamad Khan, Lala, Darwan Singh, Gabbar Singh Negi, Karanbahadur Rana, Badli Singh, Chhattan Singh, Gobind Singh and Kulbir Thapa. Indians also fought in the air. Four of them joined the Royal Flying Corps, which later became the Royal Air Force. Lieutenants all, they were Indra Lal Roy, Hardit Singh Malik, S.C. Welingkar and ESC Sen. Roy and Welingkar were killed, the former in aerial combat, and the latter in a German hospital after crashing during a dogfight and taken prisoner. Roy was only 19 years old when he died on July 22, 1919, after having performed the incredible feat of shooting down 10 German planes in 14 days. He was posthumously awarded the Distinguished Flying Cross given for "exceptional gallantry during active operations against the enemy in the air." Britain, however, has never adequately acknowledged India's contribution, which did not receive much attention until some years ago. Bias against Indians has been alleged. While Malik claimed six victories against the Germans, he was credited with only two. But then discrimination is integral to colonial rule. **POINT COUNTERPOINT**

**IN THE AFFIDAVIT, MODI ADMITTED TO CHANGES IN THE CONTRACT WITHOUT ASKING THE AIR FORCE AND PUT ₹30,000 CRORE IN AMBANI'S POCKET.**

—CONGRESS PRESIDENT RAHUL GANDHI

**REALISING THAT THE MODI GOVERNMENT BOUGHT THE RAFALE AT A CHEAPER PRICE, THEY'RE NOW RESORTING TO PETTY HAIR-SPLITTING.**

—UNION FINANCE MINISTER ARUN JAITLEY

# A bid to disturb the peace

Given ISI's determination to revive insurgency in Punjab, anti-national elements must be dealt with stringently and those who raise pro-Khalistan slogans should be put behind bars

JK VERMA

On November 3, Army Chief, General Bipin Rawat, while delivering a lecture at a seminar organised by the Centre for Land and Warfare Studies (CLAWS), emphatically mentioned that although at present Punjab is peaceful, but because of foreign linkages, attempts are being made "to revive insurgency in the state." He also stated that "we have to be very careful" and we should take early action, before it is too late. He emphasised that internal security is India's leading problem but it cannot be resolved easily because of foreign assistance to insurgent groups. He also mentioned that foreign powers are trying to revitalise insurgency in Assam. He rightly asserted that only military cannot curb insurgency and all Government agencies, civil administration and police should work in cohesion to restore peace. The Union Government has also informed Punjab Government that the Inter Services Intelligence (ISI) is trying hard to reanimate insurgency in Punjab through Sikhs settled abroad, especially in Canada, Europe, the United States, and Australia. On August 12, 2018, Sikhs For Justice (SFJ), a pro-Khalistan organisation, promoted the 'London Declaration on Referendum 2020 for Sikhs'. The so-called referendum, which was organised with the financial and logistical support of the ISI, demanded an independent Khalistan. Gurpatwant Singh Pannun, a resident of the United States is an important functionary of the SFJ. The organisers collected details, including passport copies, college documents, photographs, mobile numbers, email and WhatsApp addresses of Sikhs from Punjab in the name of sponsoring them, to attend the referendum. In this way they have collected details of large number of young Sikhs who were interested in attending the pro-Khalistan referendum. These details can be misused by the ISI as well as by pro-Khalistan elements in future. As the ISI is ready to finance the referendums, the SFJ declared that it will organise referendums in other countries as well. The SFJ is planning to finance the visit of 10,000 Sikh pilgrims to Pakistan to celebrate 550th birth anniversary of Guru Nanak. The ISI would utilise the visit to distribute anti-India and pro-Khalistan literature and might try to instigate Khalistan sentiments to a large number of Sikhs visiting Pakistan. The Gurdwaras controlled by pro-Khalistan elements in Canada, the US and the UK have prohibited the entry of Indian diplomats, Indian Members of Parliament, et al. The Indian Government urged the Governments of these countries to lift the ban but they refused to help. Security forces also unearthed a depraved plan of the ISI under which young persons of Pakistani origin and citizens of Western countries were cultivated and trained in Punjabi and Sikh traditions. Later on, they were sent to Punjab and marry Sikh girls and convert them into pro-Khalistan entities. Hence, the ISI is using not only young women to honey-trap but also using young men to allure Sikh women. However, the ulterior motive lies the revival of

AT PRESENT, THE KHALISTAN MOVEMENT IS DORMANT IN INDIA BUT IT IS NOT DEAD AND IT CAN REVIVE WITH FOREIGN ASSISTANCE. A VAST MAJORITY OF SIKHS ARE AWARE ABOUT THE FUTILITY OF THE KHALISTAN MOVEMENT BUT A FEW DISENCHANTED MEMBERS OF THE COMMUNITY MAY BE TEMPTED TO PLAY WITH FIRE FOR THEIR SELFISH INTERESTS

insurgency in Punjab.

The interrogation reports of Sikh terrorists, including Jagtar Singh Chief of Khalistan Tiger Force, clearly indicate that the ISI is fomenting trouble in Punjab and spread concocted reports in Pakistani media. These reports are picked up by international media, which are sympathetic to the intelligence agency. As the ISI was funding lavishly, pro-Khalistan elements have created several terrorist outfits namely Khalistan Commando Force (KCF), Bhindranwala Tigers Force of Khalistan (BTFFK), Khalistan Liberation Force (KLF), Babbar Khalsa International (BKI), International Sikh Youth Federation (ISYF), Khalistan Zindabad Force (KZLF), Khalistan Liberation Army, All India Sikh Students Federation (AISSF), Khalistan Armed Force aka Dashmesh Regiment, Shaheed Khalsa Force, Khalistan Guerilla Force, Khalistan Security Force, et al. However, these forces lack mass support and, hence, sometimes they put few pro-Khalistan posters or carry out terrorist activities. In 2015, three Sikh terrorists killed a superintendent of police, three home guards and three civilians in Dina Nagar police station (Gurdaspur), and Shiv Sena and Rashtriya Swayamsevak Sangh (RSS) leaders were also assassinated. Analysts claim that these incidents happen when the ISI refuses to release funds unless their agents carry out some terrorist activities. The ISI has given shelter to a few Sikh leaders, including KCF chief Paramjit Singh Panjwar, BKI chief

Wadhwa Singh Babbar, ISYF chief Ranjit Singh Neeta in Pakistan. These leaders propagate Khalistani ideologies to the Sikhs residing abroad. The ISI also uses them to spread anti-India and pro-Khalistan views to Indian Sikh jathas (group of pilgrims) whenever they visit Pakistan. At present due to close family relationship between Sikhs and Hindus, Sikhs understand that Khalistan is not practicable. However, the ISI persistently sends its agents to Punjab in order to instigate Sikhs. The ISI has also smuggled drugs in Punjab and at present youth have become drug-addicts. The ISI uses them as support agents to spread hatred towards Hindus. As there is no ideological basis for Khalistan, the ISI circulates news about perceived atrocities and statements of anti-establishment political leaders who denounce Indian system with ulterior motives. Analysts also claim that the economy of Pakistan is ruined and it is on verge of loan default. Prime Minister Imran Khan returned empty handed from China. The International Monetary Fund (IMF) has put stringent conditions to grant loan and, hence, the Pakistan Government is raising the Khalistan issue to sidetrack the attention of poor and illiterate masses. India must safeguard its interests. The analysts claim that not only ISI but several intelligence agencies support various terrorist outfits. Hence, Indian security forces must analyse the reason why European countries, Canada and the US never help Indian

security agencies against Khalistani elements. Pro-Khalistan Sikhs should be blacklisted and they should not be allowed to enter India. At present, the Khalistan movement is dormant in India but it is not dead and it can revive with foreign assistance. A vast majority of Sikhs are aware of the futility of the movement but a few disenchanted members of the community may be tempted to play with fire for their selfish interests. Sikhs settled abroad may also render ideological and financial assistance to the perceived discrimination and atrocities. Hence, Central as well as State Government should try to sort out simmering issues, including punishment to the executioners of 1984 anti-Sikh riots, Sutlej-Yamuna Link Canal issue, among others. The separatists' allegation that Hindus want to submerge Sikh religion must be countered. In view of the above, Indian policy planners must be careful and chalk out a comprehensive plan under which the genuine problems of Punjab will be redressed. On the other hand, anti-national elements must be dealt with stringently and those who raise pro-Khalistan slogans should be put behind bars. The Government and the nationalist elements should also formulate a plan to counter the misinformation campaign launched by Khalistan supporters in India as well as abroad. (The writer is a member of United Services Institute of India and Institute for Defence Studies and Analysis. Views expressed are personal)

# Dry riverbeds of tomorrow

Only zero tolerance policies pertaining to pollution and climate change can retrieve our rivers from doom. But do the authorities have the will to see this through? Only time will tell

KOTA SRIRAJ

There is certainly something seriously going wrong with our fresh water bodies, not only in India but also across the world. Is it global warming, or climate change, or failing rains? Or a combination of all these? The scientific and the environmental experts are getting hard pressed to find the exact reason and hopefully the solution for the same. In the meanwhile, the once flourishing rivers in parts of the world are rapidly turning into dry river beds comprising of nothing but sand and quickly falling prey to land sharks and real estate mafia. In India, the 1990s saw a flurry of hydel projects being approved and built of various capacities; these projects successfully dammed the rivers emanating from the Himalayas at var-

ious points, leading to electricity generation no doubt, but eventually causing the rivers downstream to quickly dry up and adversely affected millions of people and agriculture, which was dependent on the natural flow of the river. Is this an India-specific phenomenon? Apparently not. It would be of interest to note that of all places, Europe is, as we speak, flummoxed by drying up of their rivers. Water levels in Western Europe and Germany's most important river, the Rhine, is at record low levels currently. More shockingly the water levels in this river is fast approaching zero at several spots. This occurrence is due to a recent drought, which is being blamed on climate change. Needless to say that the development has affected freight supplies, as the river is one of the most important transport routes in the region. German media reports quoted Germany's Federal Waterways and Shipping Administration as saying that about half of Germany's river ferries had stopped running, and river cruise ships were having to transport their

passengers by bus for parts of their journey. The reports also noted that thousands of fish in the Swiss section of the river had died because of the heat and low oxygen levels. The most important effect of this has been on supplies of freight. Roughly 80 per cent of the 223 million tonnes of cargo is transported by ship in Germany each year travels the Rhine, which links the country's industrial heartland to Belgium, the Netherlands and the North Sea. As a consequence of the river drying up, petrol stations in the region that rely on tankers to deliver fuel from refineries in the Netherlands have run out of supplies. A number of inland ports are now idle, and millions of tonnes of goods are being transported by rail or road. Media reports have speculated that drying of the Rhine could be due to climate change. The river's flow relies not just on annual rainfall, but also on long-term water reserves in the Alps. Melting snow and glaciers, as well as Lake Constance, the source of the Rhine, feed the upper parts of the river. These

reserves are substantially lower today due to climate change. And in more bad news, other major rivers on the continent, such as the Danube and the Elbe are also drying up in parts. Similar to the Rhine, the Ganges is an important river of India and is exceedingly suffering the same fate. The Ganges serves as the source of drinking water for almost 500 million people. It flows all the way from 3,000m above sea level in the Himalayan Mountains to the Bay of Bengal, and is one of the most revered and sacred water bodies. Despite this, it is also under increasing threat from climate change, industrial pollution and unhygienic rituals and waste disposal engendered by its legend. In fact, it was ranked as the fifth most polluted river worldwide. The Ganges already sustains nearly half a billion people and according to the International Water Resource Management Institute (IWRMI), the demand for fresh drinking water will only increase. It projects the demand will rise roughly by one-third in the coming 15 years, meaning that the

Indians will rely on the river more than ever. However, a recent study surveying 925 rivers worldwide found that climate change posed a serious threat to many of the world's running water sources. Due to its geographical location, the Ganges was found to be particularly at risk, along with Africa's Niger River and the Chinese Yellow River. Climate change is poised to affect the Ganges in another, more direct way. Water pollution in Asia has long been a subject of concern, and the Ganges is one of the harder hit bodies of water from the effects of the industrial boom in the continent. A report from the World Bank estimates that around 20 per cent of the contaminants in the river come from industrial emissions, and roughly one billion gallons of untreated sewage enters its waterways on a daily basis. Clearly, the situation is a concerning one. Add to this, the deeply religious significance of the river does little to help cleanup efforts. The Observer Research Foundation (ORF), a non-profit NGO from New Delhi, conducted a survey of 500 people and

interviewed 150 more to find out how attitudes to the river affected its cleanliness. A large number of respondents to the survey felt that the religious value of the Ganga was non-negotiable. The respondents to the survey even suggested that the scale of traditional rituals such as corpse immersions in the Ganga were so low that they did not really upset the ecological balance or biodiversity of the river and that immersion of dead bodies in the river had in no way been found to hinder water management initiatives in the Ganga. The mythological idea of the Ganga is sadly more valued than the river itself. If this trajectory of destruction continues, our pious and sacred rivers will be staring at becoming dry riverbeds of tomorrow. Only zero tolerance policies pertaining to pollution and climate change can retrieve our rivers from doom. But do the authorities have the will to see this through? Only time will tell. (The writer is an environmental journalist)

**CAST AWAY SELFISH AMBITIONS**  
 The Sri Lankan crisis is clearly a power struggle with extremely selfish motivation of politicians which does not involve the interests of the people at all, despite the groups on either side of the current political divide screaming at the top of their voices that they are fighting for democracy. (The Daily Mirror editorial)

# PM Modi calls for early conclusion of RCEP

**We need to make similar efforts to make progress in services negotiations, says PM**

PTI ■ SINGAPORE

Prime Minister Narendra Modi on Wednesday called for an early conclusion of the multi-nation Regional Comprehensive Economic Partnership (RCEP) agreement that should be modern, comprehensive, balanced and mutually beneficial to the people of all countries.

He also called on fellow RCEP leaders to give mandate to trade ministers and negotiators to take the economic grouping forward, said Sudhanshu Pandey, additional secretary, the commerce ministry, during a media briefing here.

The RCEP, involving 10 ASEAN members (Brunei, Cambodia, Indonesia, Malaysia, Myanmar, Singapore, Thailand, the Philippines, Laos and

Vietnam) as well as China, Japan, Australia, India, New Zealand and South Korea, would cover about half the world's population and a third of its GDP.

The RCEP has concluded seven chapters of the total 16. Prime Minister Modi noted that significant progress has been made in market access of negotiation for goods and called on similar efforts on services sectors.

"We need to make similar efforts to make progress in services negotiations as they constitute more than 50 per cent of the GDP of most of the RCEP countries. In future, services are going to be playing a very important role," he said at the RCEP meeting.

He also stressed that any such multi-lateral agreement which has diverse circumstances and developmental requirements should be modern, comprehensive, balanced

# RBI, Govt trying to reach common ground on key issues

PTI ■ NEW DELHI

The Government and Reserve Bank seem to be veering around to reach an agreeable solution particularly with respect of relaxation of the Prompt Corrective Action (PCA) framework and easing of lending norms for the MSME sector ahead of the RBI board meeting on November 19, sources said.

If not in this board meeting, sources said, the issue of relaxation of PCA framework which the finance ministry has been pitching for would be reached in the next few weeks.

As a result of relaxation, some banks may come out of the PCA framework by the end of the current fiscal.

Of the 21 State-owned banks, 11 are under the PCA framework. These are Allahabad Bank, United Bank of India, Corporation Bank, IDBI Bank, UCO Bank, Bank of India, Central Bank of India, Indian Overseas Bank, Oriental Bank of Commerce, Dena Bank and Bank of Maharashtra.

The PCA framework kicks in when banks breach any of the three key regulatory trigger points namely capital to risk weighted assets ratio, Net non-performing assets (NPA) and return on assets (RoA).

The RBI is also likely to agree to easing of lending norms for the MSME sector including strict rating criteria to improve credit flow to this sector, sources said.

Besides, the central bank is expected to consider special dispensation for micro, small and medium enterprises (MSME) sector and non-bank-

ing financial companies (NBFCs) which have been facing liquidity issues.

The Government feels that the MSME sector which employs about 12 crore people plays a critical role in the economy, and the sector hit by demonetisation and implementation of Goods and Services Tax (GST) needs support.

However, the central bank has been averse to Government demand for special dispensations for MSME and NBFC sectors as it considers them vulnerable.

Last week, Finance Minister Arun Jaitley said there is a need to minimise NPAs in order to maintain the strength of the banking system and enable it to help the economy grow.

It is only a strong banking system that will be able to improve credit in those sectors which really need credit, the Finance Minister had said, adding, "The MSME sector needs credit, several other players in the market need credit. NBFCs today need credit because a large part of lending is done by them."

There are reports of growing tensions between the RBI and the government, with the Finance Ministry initiating discussion under the never-used-before Section 7 of the RBI Act which empowers the government to issue directions to the RBI Governor.

RBI Deputy Governor Viral Acharya had in a speech last month talked about the independence of the central bank, arguing that any compromise could be "potentially catastrophic" for the economy.

# Banks' bad loans under farm loans rise to ₹9K cr

PTI ■ CHANDIGARH

With farmers "stopping" repayment of crop loans because of debt waiver of up to ₹2 lakh, non-performing assets under agriculture loans have risen to nearly ₹9,000 crore in Punjab, bankers said.

"Due to debt waiver for small and marginal farmers up to ₹2 lakh, farmers in the state of Punjab have stopped making repayment of their crop loans and the recovery scenario is being adversely affected," according to the State Level Bankers Committee report which was released on Wednesday.

Notably, under the scheme relief, up to ₹2 lakh would be provided to marginal and small farmers who have crop loans from cooperative institutions, public sector banks and other commercial banks as on March 31, 2017.

A bank official said several farmers were reluctant in repaying their crop loans and it has become one of the reasons in the rise in NPA level under farm sector.

As per SLBC report, the NPA under agriculture sector was to the tune of ₹8,952 crore as on September 30, 2018 as against ₹633 crore in corresponding period of last year.

The NPA amount of ₹8,952 crore was 11.20 per cent of outstanding agriculture advances as against 7.19 per cent in corresponding period of last year.

The NPA level as percentage of total advances also rose from 2.60 per cent in September 2017 to 3.47 per cent in 2018. The total outstanding agriculture advances in Punjab were to the tune of ₹79,963 crore as on September 30, 2018, as against ₹88,122 crore in corresponding period of last year.

# Arunachal signs MoU with investors for projects worth ₹1,200 Cr

**To create over 8000 gainful employment opportunities in the State**

PTI ■ ITANAGAR

The Arunachal Pradesh government Wednesday signed MoUs with 17 private investors for projects worth ₹1,200 crore during the fifth edition of North East Connectivity Scheme at Tawang, an official release said.

The MoUs with private investors across sectors like tourism and hospitality, oil and gas, retail, power, equipment manufacturing and sports has potential to create over 8000 gainful employment opportunities in the state, it said.

The Polo Towers Group, a pioneering hospitality group has identified 11 investible projects in Arunachal worth ₹419 crore and will generate 1850 employment opportunities.

Jungle Travels India Pvt Ltd exchanged MoU to invest in 20 rooms Jungle Lodge in or near Pakke Tiger Reserve and Wildlife Sanctuary in East Kameng district with investment of ₹10 crore.

Headkicks exchanged MoU intending to organize football themed festivals with investment of ₹0.25 crore.

Hindustan Aeronautics Ltd exchanged MoU intending to deploy HAL-Dornier-228 Commuter Aircraft and ALH Dhruv helicopter for inter and intra state air connectivity in Arunachal, the release added.

# IHCL records PAT growth of ₹53 crore in Q2 of FY19

PNS ■ NEW DELHI

Indian Hotels Company Limited (IHCL) announced its Quarter 2, FY 18-19 results recording a PAT growth of ₹53 crore with 82% operating EBITDA growth and 14% sales growth for the Quarter.

The company has witnessed a good growth momentum. The company has also added an addition of 15 new hotels, an inventory of 1825 rooms and a 90 percent growth in pipeline over the last one year.

# Spicejet Q2 net loss at ₹389.37 cr due to high fuel cost, falling Rupee

PTI ■ NEW DELHI

Low-cost carrier Spicejet Ltd on Wednesday reported a standalone net loss of ₹389.37 crore in the second quarter ended September 30, impacted by high fuel costs and rupee depreciation.

The company posted a net profit of ₹105.27 crore in the same quarter last fiscal, Spicejet said in a regulatory filing. Net income from operations during the quarter under review stood at ₹1,848.28 crore. It was at ₹1,794.57 crore in the corresponding period of the previous fiscal.

Notes:  
1. The Company had closed production in its sole manufacturing facility during the financial year ended 31-March-2017 and during the preceding financial year following a definitive plan the management of the company decided to monetise all the assets, except certain assets at head office, of the Company to pay off the liabilities, not only to remain solvent to explore some other business opportunities. Consequently, the Company entered into a binding agreement to dispose off the entire land of its sole manufacturing facility located at Sonapat on 9th June, 2017. Subsequently the Company has also disposed off the other assets (other than land) as a part of definitive plan and has paid off all borrowing from bank and others and has paid a significant portion of its liabilities like trade and other payables, statutory dues, employee's related dues. The net worth of the Company as on date is positive and there is no foreseeable issue that the Company shall not be able to pay off its remaining liabilities which are not significant in current context. However, out of abundant caution and in view of accounting principle of prudence, all the assets have been shown at lower of book value and Net realisable value and all known liabilities have been fully recorded at values at which the same are likely to be discharged. Consequently, all the known losses have been recorded and unrealised gains, if any, have been ignored. In view of improved net worth and availability of funds, the management is hopeful to finalise a new business plan for the Company in near future.  
2. The above Statement of "Unaudited Financial Results" for the quarter and half year ended 30th September, 2018 ("The Statement") has been reviewed by the audit committee and approved by the Board of Directors in its meeting held on 14th November, 2018. The Statutory Auditors of the Company have carried out the limited review of the Statement.  
3. The above is an extract of the detailed format of Quarterly and Half Yearly Financial Results filed with Stock Exchange under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015. The full format of the quarterly and Half Yearly Financial Results are available on the Exchange website www.bseindia.com and the Company's website www.everesttools.com.

# WPI inflation hits 4-mth high

## RBI may maintain status quo in next policy review

PTI ■ NEW DELHI

Inflation based on wholesale prices spiked to a four-month high of 5.28 per cent in October mainly due to rise in fuel prices, but the RBI is likely to maintain status quo in its next monetary policy review as crude prices and currency are stabilising.

The Wholesale Price Index-based inflation stood at 5.13 per cent in September and 3.68 per cent in October last year. Food articles witnessed softening of prices with deflation at 0.21 per cent in October, against 0.21 per cent in September, government data released on Wednesday showed. Vegetables too became cheaper with deflation at 18.65 per cent in October, compared to 3.83 per cent in the previous month.

Inflation in 'fuel and power' basket in October spiked to 18.44 per cent, from 16.65 per cent in September. Individually, in petrol and diesel it was 19.85 per cent and 23.91 per cent, respectively, and for liquefied petroleum gas (LPG) it was 31.39 per cent during October.

The WPI inflation is in contrast to the retail or consumer price index-based inflation data released earlier this week. The October CPI inflation had cooled to a year-low of 3.31 per cent.

**'While the uptick in both the core-CPI and core-WPI inflation in October 2018 warrants some caution, the recent pullback in the rupee and crude oil prices has softened the risks to the inflation trajectory'**

ICRA principal economist Aditi Nayar said the uptick in the WPI inflation in October reflected the impact of the pass through of higher commodity prices and the rupee depreciation. The disinflation in food prices had a much smaller impact on wholesale inflation than the CPI, given the difference in weights for food items in the two indices.

"Despite the change in the monetary policy stance to calibrated tightening and the uptick in the core-CPI and core-WPI inflation in October 2018, the Monetary Policy Committee (MPC) appears likely to maintain a status quo on the repo rate in the December 2018 policy review, following the decline in the October 2018 headline CPI inflation, the deep correction in crude oil prices, and the pullback in the INR," Nayar said.

The RBI is scheduled to come out with its fifth bi-monthly policy review statement on December 5.

She said that the easing in the crude oil prices and the recent strengthening of the rupee, would keep WPI inflation range bound between 4.5-5 per cent in October-March period.

Nayar said the core WPI inflation hardened to a three-month high of 5.1 per cent in October, reflecting the impact of the rupee depreciation on the landed price of imports.

"While the uptick in both the core-CPI and core-WPI inflation in October 2018 warrants some caution, the recent pullback in the rupee and crude oil prices has softened the risks to the inflation trajectory," she added.

The Indian rupee had touched the record closing low of 74.39 in October, and ended the month with total losses of 104 paise or 1.43 per cent due to a strengthening dollar, firming oil prices and trade worries. Since then the currency has recovered and is now trading around 72.2 to a dollar.

Brent crude, the international benchmark, was trading around USD 76.25 per barrel in October. The Brent crude futures is now trading at USD 65 to a barrel. To cushion the impact of global fuel price rise, the government had, with effect from October 5, cut excise duty on petrol and diesel by ₹1.50 per litre and had asked state-owned oil firms to subsidise the fuel by another ₹1 a litre.

The 5.28 per cent inflation is the highest in four months, and a higher inflation than this level was last seen in June at 5.68 per cent.

Among food articles, potato prices continued to rule high with 93.65 per cent WPI inflation in October. While onion witnessed deflation of 31.69 per cent, the same for pulses stood at 13.92 per cent.

The Reserve Bank of India mainly takes into account retail inflation data while formulating monetary policy. In its fourth monetary policy review for the fiscal, released last month, the RBI maintained status quo on the benchmark interest rate but warned that volatile and rising oil prices, and tightening of global financial conditions posed substantial risks to the growth and inflation.

For October-March, the RBI pegged CPI-based retail inflation to be between 3.9-4.5 per cent.

# Govt launches credit scheme for co-op startups

New Delhi: Agriculture Minister Radha Mohan Singh on Wednesday announced the launch of a scheme that aims to provide cheaper loans to startups in the co-operative sector and those having innovative projects costing up to ₹3 crore.

The 'Co-operative Enterprise Support and Innovation Scheme' will be implemented by the National Co-operative Development Corporation and will be linked to its Co-operative Startup and Innovation Fund that has an annual corpus of ₹100 crore. "The new scheme aims to encourage newly formed co-operatives to take advantage of innovative ventures, especially by societies having new and innovative ideas," Singh said after inaugurating the 65th All India Co-operative Week organised by the National Co-operative Union of India here.

Co-operatives operating for at least for one year and having a positive net worth are eligible to avail credit under the scheme for new and innovative project ideas, he said. The project cost should not exceed ₹3 crore and there would be two years moratorium on payment of principal amount, he said, adding that the period of moratorium may vary depending on type of project and ability to generate revenue. The credit will be provided at 2 per cent less than the applicable interest rate on term loan for the project activities.

# Market ends flat after choppy session; pharma, IT stocks crack

PTI ■ MUMBAI

Benchmark equity indices gave up early gains to end marginally lower at 35,141.99 after a highly volatile session on Wednesday as losses in pharma and information technology shares offset gains in energy, banking and metal stocks, amid weak global cues.

The BSE Sensex swung nearly 365 points both sides on heavy buying and selling during the session. The 30-share index, after a gap-up opening at 35,330.14 points, hit a high of 35,351.88 points at the outset on the back of sliding global crude oil prices and recovery in rupee.

However, a weak trend in most other Asian markets and a lower opening of European markets, triggered selling on the domestic bourses, dragging the Sensex into negative terrain to hit a low of 34,986.86. The index finally settled 2.50 points, or 0.01% down at 35,141.99. It had rallied 332 points on Tuesday.

Similarly, the broader NSE Nifty, after shutting between 10,651.60 and 10,532.70 points on alternate bouts of buying and selling, closed 6.20 points, or 0.06%, down at 10,576.30.

According to analyst, market was volatile despite fall in oil prices and appreciation in rupee as concerns about domestic liquidity and weak global cues overrode the sentiment. "Oil

prices fell to \$65/barrel and will ease concerns on current account deficit. IT and pharma indices witnessed selling pressure due to stronger rupee while stock-specific buying on the basis of quarterly results and decline in oil prices supported out-performance of midcaps," they added.

The rupee strengthened 50 paise to 72.17 against the US dollar (intra-session) in late afternoon trade. It scaled a high of 71.99 at the outset.

Sun Pharma emerged worst performer in the Sensex kitty, plunging 7.36%, after the company on Tuesday reported a consolidated net loss of ₹218.82 crore for the July-September quarter on account of a ₹1,214-crore provision for the settlement of the Modafinil antitrust case in the US.

Stocks of software exporters such as TCS, Infosys and Wipro lost up to 2.85% due to stronger rupee which rose 50 paise to 72.17 against the US dollar in late afternoon trade. It scaled a high of 71.99 at the outset.

Shares of Tata Motors fell 1.67% after Moody's Investors Service on Wednesday changed 'Tata Motors' rating outlook to negative from stable, citing expectations of weak operating performance of the company's British arm Jaguar Land Rover (JLR). Other laggards were Kotak Bank, M&M, Yes Bank, Axis

Bank, Adani Ports, Vedanta, Hero MotoCorp, I&T, RIL and ITC, falling up to 3.04%.

Among gainers, Maruti Suzuki, ONGC, Asian Paint, SBI, IndusInd Bank, HUL, ICICI Bank, HDFC Bank, Bharti Airtel, PowerGrid, HDFC, Bajaj Auto and NTPC, rose up to 2.85%.

Shares of oil marketing companies and aviation operators rose on falling crude oil prices. State-run HPCL, BPCL and IOC gained up to 4.75%. In the aviation sector, shares of Interglobe Aviation and Jet Airways gained up to 7.67%.

Sectorally, the BSE IT index emerged as the top loser by falling 2.24%, followed by teck index that shed 1.86%, healthcare 1.65%, metal 1.52%, metal 0.81%, auto 0.66% and capital goods 0.46%.

On the other hand, oil and gas index was the best performer surging 1.18%. PSU index gained 1.07%, FMCG 0.94%, bankex 0.52%, power 0.39% and infrastructure 0.39%.

Investors turned cautious on news that inflation based on wholesale prices hit a four-month high of 5.28 per cent in October, mainly due to spike in petrol and diesel prices, too influenced investor sentiment here, brokers said. The broader markets depicted a mixed trend with mid-cap index rising 0.09%, while small-cap index fell 0.15%.

# B'desh ready for Rohingya repatriation

**Dhaka:** Bangladesh on Wednesday was preparing to go ahead with the planned repatriation of hundreds of thousands of Rohingya refugees who last year fled a violent military crackdown in Myanmar, despite concerns over their safety.

The plans to send Rohingya refugees back to Myanmar gathered momentum, with reports of Bangladesh armed forces gathering in the Cox's Bazar camps and allegations that the authorities for refusing to cooperate, according to a report in the Guardian.

The first phase of the Rohingya's return to Myanmar will begin on Thursday, according to an agreement signed between the two countries on November 23, 2017. "We have seen their concerns, but so far the decision has not been changed," Refugee Relief and Repatriation Commissioner Abul Kalam told *Efe* news.

The two governments agreed to repatriate 2,251 of some 723,000 Rohingya refugees living in camps in Cox's Bazaar of Bangladesh.

# Pence says Myanmar's handling of Rohingya 'without excuse'

**Singapore:** Myanmar's leader Aung San Suu Kyi has rebuffed criticism over her government's treatment of its ethnic Rohingya Muslims.

US Vice-President Mike Pence told Suu Kyi on Wednesday that the violence, which led more than 7,00,000 of the country's Rohingya minority to flee for Bangladesh since August 2017, was "without excuse."

Pence also said Myanmar's arrests and convictions of two

Reuters journalists was "deeply troubling" to millions of Americans.

Pence and Suu Kyi met on the sidelines of the annual summit of the Association of Southeast Asian Nations in Singapore. Pence said the meeting was at Suu Kyi's request.

Suu Kyi said only Myanmar was in a position to explain what happened and how it saw things, just as Americans could best understand what is happening there.

# UK significantly closer to delivering Brexit, says May

**London:** The UK is "significantly closer" to delivering on the result of the Brexit vote, Theresa May has told MPs.

The PM was speaking before a crunch cabinet meeting where she is seeking her senior ministers' backing for the UK and EU's draft agreement. She told the Commons it would give the UK control of borders, laws and money - and also protect business and jobs. But Jeremy Corbyn said the UK would be stuck in an "indefinite half-way house without any real say" over the rules.

Speaking at PM's Questions, the Labour leader said May was putting a "false choice" before Parliament between her "botched deal and no deal".

# Israeli Def Minister resigns, accuses PM of surrendering before Hamas

**Jerusalem:** Israeli Defence Minister Avigdor Lieberman resigned on Wednesday and called for early elections, accusing Prime Minister Benjamin Netanyahu of "capitulating to terror" and surrendering before the Islamist group Hamas over a Gaza ceasefire agreement.

Over 460 rockets and mortar shells were fired at southern Israel in 25 hours on Monday and Tuesday, according to the Israeli army. The Iron Dome missile defence system intercepted over 100 of them. Most of the rest landed in open fields, but dozens landed inside Israeli cities and towns, killing one person, injuring dozens more, and causing significant property damage.

In response, the Israeli military targeted approximately 160 sites in the Gaza Strip connected to Hamas and Palestinian Islamic Jihad terror groups, including four facilities that the army designated as "key strategic assets". As news of a ceasefire between the Israeli government and Hamas - which controls the Gaza Strip - broke, Lieberman's office put out a statement saying any claim that he had backed ending Israel's offensive was "fake news".

# Peshawar SP found dead in Afghanistan 18 days after abduction: Authorities

**Peshawar/Islamabad:** A top police officer of Pakistan's Peshawar city has been found dead in Afghanistan, 18 days after he was abducted to the war-torn country by unidentified militants, authorities said on Wednesday.

Superintendent of Police (Peshawar) Tahir Khan Dawar left his residence in Islamabad for an evening walk on October 27 but did not return home. His mobile phone's last

location was traced somewhere in Jhelum city of Punjab province.

After being contacted, he said that he was fine and there was no threat to his life.

The Islamabad police had constituted various teams to trace him. Peshawar city police in a statement said that the officer had been on a short leave to Islamabad to meet his family. His abductors released a picture of him along with a let-

ter of the Tehrik-e-Taliban Pakistan's Khorasani group claiming responsibility for the kidnapping and the killing. Information Minister of Khyber Pakhtunkhwa Shaukat Yusufzai said that Dawar was ruthlessly killed by the abductors in Afghanistan. He was in captivity for 18 days.

The Afghan Foreign Ministry has confirmed the recovery of a body with the service card of Dawar.

Ileana denies  
quitting Tollywood

Actress ILEANA D'CRUZ, who has made a comeback to the Telugu industry after six years with Sreenu Vatta's *Amar Akbar Anthony*, said that she never quit her career in the south to build one in Bollywood. "People have always had misconceptions about my career. After I signed *Barfi*, I was shocked to read reports that I have quit Telugu cinema for Bollywood. These were baseless allegations and it's time to put them to rest. Why will I give up an industry which has given me an identity," Ileana asked. "It's just that I was getting really good work in Bollywood that I didn't have time for Telugu films," she added. Ileana said that she wants to do films that will be remembered for a long time.

'With the way content is evolving and compelling stories are coming out, there's a great need for stories of and about stronger women. We have incredible women heroes from the Army and Navy who have done incredible acts in their careers.'

—Yami Gautam

Filmmaker ANAND KUMAR, known for directing films like *Delhi Heights* (2007) and *Zila Ghaziabad* (2013), has conceptualised a film around India's ex-captain and football sensation *Bhaichung Bhutia*. He is currently in the process of finalising a director and lead actor for the film. The film's idea hit Anand during this year's football World Cup that was held in Russia. "I'm honoured that people feel my journey is worth capturing to be shown on the big screen. I want my biopic to be close to reality. I am certain that Anand will do justice to my story," said Bhutia.

**Pharell angers Palestinians**

Singer PHARELL WILLIAMS has been bombarded with furious messages on social media after performing at a benefit gig for Israeli Defence Forces (IDF) personnel earlier this month. At the event, Williams performed his number *Happy* giving a speech calling for an end to fighting. However, his presence has angered activists who object to the IDF's actions in the long-running Israel-Palestine conflict. "Dear Pharell, you contributed in raising \$60 million to a nasty army that has killed hundreds of thousands of my people," a Palestinian campaigner wrote on Twitter. Many accused him of hypocrisy as he had tried to ban US President Trump from playing *Happy* at rallies.

Heavy security shrouds actors' intimate Italian wedding at Lake Como. By TEAM VIVA

After months of speculation, a royal tenor and well-guarded info corridors and spaces, Bollywood actors Ranveer Singh and Deepika Padukone made vows to each other at a dream-like wedding in Italy's Lake Como with a traditional Konkani ceremony. This will be followed by a Sindhi ceremony on November 15.

The wedding took place at the Villa Del Belbianello with only intimate friends and family around. Both Ranveer and Deepika chose Sabyasachi white and gold *Kanjevaram* creations, she a sari, he possibly a *kurta* or *sherwani*. Both will go for colour at the Sindhi rituals, Deepika in bright red and gold to be precise.

Shrouded in privacy, it was a storytellers' day of how the couple were truly magical. As per insider reports, the couple have done away with the idea of gifts and trousseaus, asking their guests to donate it to Deepika's NGO, the Live, Love, Laugh Foundation. Ranveer Singh reportedly went down on his knees to ask for Deepika's hand on the day of *mehendi*, during which they wore colour-coordinated clothes. He also made an emotional speech professing his love for Deepika which made her all teary-eyed. Ranveer then hugged Deepika and the couple exchanged rings soon after. The ring ceremony was attended by 40 guests, and this was followed by a sit-down dinner. There was also Bollywood music to which the guests grooved to at the party which followed. Ranveer apparently performed to his song *Tu Ne Maari Entry*... from the film *Gunday*. Guests surprised them with a mash-up of instrumentals of songs from the duo's films. Ranveer even reportedly strung up their private pictures as a video story.

The *mandap* was done up in white while the massive villa was

Deepika Padukone and Ranveer Singh at Lake Como's Villa Del Belbianello

AS PER REPORTS, THE COUPLE HAVE DONE AWAY WITH THE IDEA OF GIFTS AND TROUSSEAUS, ASKING THEIR GUESTS TO DONATE IT TO DEEPIKA'S NGO

A file photo

THE MANDAP WAS DONE UP IN WHITE WHILE THE MASSIVE VILLA WAS DECORATED BY MORE THAN 10 FLORISTS FROM ANOTHER SECTION OF ITALY

decorated by more than 10 florists from another section of Italy. The wedding ceremony ended on Wednesday afternoon and was followed by a lunch that would include Indian cuisine. The couple spared no expense and had reportedly flown in Swiss chefs for their wedding cake and desserts.

The villa was wrapped up in tight security to stop paparazzi and the guests were also told about a no-picture policy. So there were no drones, the local boatmen were all paid to not ply other tourists and river patrol was in full swing, the waterway being the preferred mode of transport. Guests were also given identity bands. Invites had QR codes which had to be scanned to enter.

Right after the news of their wedding was announced, their Wikipedia bios were updated to show spouse names.

According to reports, the *sangeet* and *mehendi* rituals, which took place before the engagement, were held on CastaDiva Resort and Villa d'Este, which are close to the wedding venue. The *mehendi* ceremony was followed by a dinner with the family.

At the *sangeet* ceremony, it was reported that Ranveer entered to his *Gunday* song, *Tu Ne Maari Entry*. Singers Harshdeep Kaur and Shubha Mudgal performed at the *mehendi* event. The A-list couple will have two receptions, one in Bengaluru on November 21 and another in Mumbai on November 28. Bollywood congratulated the couple with Nimrat Kaur tweeting, "Huge congratulations @deepikapadukone and @RanveerOfficial !! Here's to the blissful ever after of every step you walk together..." while Karan Johar tweeted "Such a stunning gorgeous and beautiful couple!!! Nazar utar lo! @deepikapadukone and @RanveerOfficial !! Badhai ho !!! Love you both!!! Here's to a lifetime of love and joy!!"

## Sex education not on agenda

Only one-third of parents with older kids (15-17 years) claimed to be talking to them about it. By TEAM VIVA

Children's Day may well be celebrated every year on November 14 to commemorate Prime Minister Jawahar Lal Nehru's birth anniversary and increase awareness of rights, care and education of children. But a survey this year shows that we may have well fallen short when it comes to parenting and schooling them about a subject that is sensitive and the knowledge of which would prepare them to face a world of predatory exploitation, that of sex.

A study was conducted across various demographics to understand digital media and its behavioural impact on children recorded some interesting insights. It was found that six out of 10 parents do not talk about sex education with their children. A mere one-third of parents with older kids (15-17 years) claimed to be talking to their kids about sex education, according to a research by a market research and analysis company, Velocity MR. Only one-third of the kids' parents say are exposed to sex education at school.

Seven in every 10 kids across age groups play online games with friends around the world and nine in 10 parents of kids in the age group 6-10 years unanimously agree that the pop-ups expose their child/children to unwanted content. Approximately, one in every two children spends two-three hours daily on the internet. Six in every 10 parents agree that online games have a negative impact on their child's behaviour.

But there are more number of parents who believe that the internet helps in education of the child. As many as nine in every 10 parents believe that. "With the growing presence and usage of digital media, our younger generation has been adopting digital media exponentially. Even though social media may not be a safe place for kids, there is peer pressure for children to have an online identity," said Jasal Shah, managing director of the company. "It's shocking to see that most parents do not talk about sex education with their children. In India, according to our data, 53 per cent of children between the ages of five and 12 have been subjected to some form of sexual abuse. There are numerous misconceptions surrounding sex education in India," he added.

Gone are the days when children loved to indulge in outdoor activities. The influence of technology in the field of gaming continues to grow at a rapid pace. As computer and video games

Mobile phones have become the primary interface to access the internet for children of the current generation and with that comes access to unwanted content that cannot be always monitored

have increased exponentially in popularity over time, they have also caused drastic behavioural changes among the current generation of children. A recent online game called Blue Whale which was causing suicide among children is an example of the adverse effects of online gaming. All these shows that parents must play an active role in monitoring their children online activity.

With access to the internet through multiple points, children are learning to use the internet at a younger age. Close to 55 per cent parents say, their kids started using the internet between six and 10 years of age and three in every

five kids having access to an internet-based TV. But not all parents see the access to be detrimental. Eight of 10 parents of children aged six to 10 years are positive about TV viewing.

Mobile phones have become the primary interface to access the internet and with that comes access to unwanted content that can not be always monitored. Even though three fourth of the parents say that they have never caught their kids watching unwanted content, two third of them use measures to restrict their internet access.

Parents of young kids (six-10 years) tend to monitor their usage of the internet the most; followed by 11-14 years (nine in every 10) and 15-17 year (eight in every 10).

Access to social media has also become prolific with more than eight in every 10 kids having access and using it for maximum of about 3 hours daily. Eight in every 10 parents discuss the usage and dangers of social media with their kids and nine in every 10 of the parents with minor kids with access to social media monitor their social media usage.

The research was conducted on a sample size of 2,268 covering prominent Indian metros including Mumbai, Delhi, Bangalore, Kolkata, Hyderabad, Chennai, Ahmedabad, and Pune.

As Russian illusionist ALEXANDER MAGU performs in India, he tells CHAHAK MITTAL how it's all about playing with the mind and pushing its limits

## Inside track to tricks

Be it swallowing a 40-centimetre sword through peristalsis, taking rabbits out of a hat, spreading cards on the table and hypnotising the audience to pick the one that the mastermind had already chosen or probably cutting a man into two pieces in a rectangular box and joining him back to perfect shape... In a magician's world miracles are nothing but illusions.

Illusionist Alexander Magu makes a pit stop in India for the second time to stun audience and share stories of what drove him in the first place to play with the human mind. He narrates his story of how as a 17-year-old boy growing up in St Petersburg, he went crazy over a trick his friend once performed and decided to never return from this winding path of wizardry.

"It isn't a profession very highly preferred or chosen. It's all about ideas, imagination and a story-telling capacity to hold the audience," he told us. The initial years were a struggle for Magu whose parents were reluctant about his career choice. Had it not been for magic, he would "have been working in the Russian Railways."

So is it only about playing pranks that could amuse people? "No," he says. "It takes a lot of training and practice to gain expertise in an act. And it is not magic, it is just a play of psychology and mind-counselling techniques."

Today, Magu loves his job that not only lets him explore the world but also "lets me explore the human mind and its numerous possibilities. The beauty of the human mind is that no matter how fearless it might condition itself to be, it is as fearful, unbelievable yet believable. It's amazing how certain things can amaze the mind." He hugely derives inspiration from the masterminds Derren Brown, David Blaine and "of course, David Copperfield."

For Magu, the art is self-taught and as much about being a seeker. He believes that he is a self-made artist. He says, "I learnt from the internet, books, looking at the

other famous illusionists, TV and films. I am all by myself. I have never taken any specific education for this art. With time, I have developed my own techniques."

Magu even does subtle social messaging. While performing in one of his acts previously, he played with a cigarette and a white scarf, making it disappear and reappear at unexpected places like nostrils and wrist. In the end, the cigarette was magically lit and on his lips. The message was to make cigarettes disappear from people's lives forever. However, this moral shift took a sentimental turn when he said that real magic was all about love, friendship and family.

There was a time when magicians offered the audience a sneak peek into their orchestrated and choreographed acts just to keep the spectacle element alive. This was the reason why shows like *Criss Angel Mindfreak*, *Master of Illusions*, *Doug Hennings' The Magic Show*, *Breaking the Magician's Code: Magic's Biggest Secrets Finally Revealed* became major TV hits. Magu, however, believes that the popularity of magic shows and pranks has still not lessened and "neither it will. It is a very special kind of act that has a lot of future. You can reinvent and push the limit to infinity."

His tricks include mind-reading, telekinesis, levitation and gravitational illusions. While all these are merely "illusions" and not "magic," he explains how an illusionist is different from a magician. "An illusionist might leave your eyes wide open and make your jaw drop but a magician can make miracles happen. That's magic," says he. From goosebumps, mind-reading, comic magic to a complete theatrical experience, Magu's show will play "scary pranks" and "play with your memory," making the impossible seem possible.

(The show will be performed from November 15 to 25, 7 pm to 9 pm, at Upstage, Roseate House, Aerocity.)

India has got its first woman Michelin starred chef from Bangkok. Mumbai-born Garima Arora, who opened GAA, is an alum of Le Cordon Bleu and has

worked in Gordon Ramsay and Gaggan Anand's kitchens. Anand also maintained his Michelin star in Michelin's guide to Bangkok, Phuket and Phang-nga for 2019.

OUR FIRST STAR

# INDIA, AUSTRALIA RIDE HIGH ON EDUCATION

Under the leadership of **RAVNEET PAWHA**, the Deputy Vice President (Global) and the CEO-South Asia, Deakin University, Australia, became the first international university to establish operations in India in 1994. The continued contribution of Ms Pawha towards establishing the university as a premier choice among Indian students was recently recognised at the India Australia Business Community Award (IABCA) where she was honoured with the 'Business Leader of the Year 2018' award. In an interview with **ANKITA SAXENA**, Ms Pawha shares the University's journey in India and its commitment to strengthen the India-Australia ties in the domain of education. Edited excerpts from the interview:

◆ **What does the IABCA award mean to you and the university at large?**

This award celebrates the Australia-India relationship and the contribution made by people towards strengthening the bond between the two countries. For me, this award is important because it celebrates Deakin's 25 years in India, which has been amazing from both personal and professional perspective. It is also important to celebrate the people behind the success. Be it the team at the India office or the leadership of the university, it is the passion in people that has dictated our fruitful journey.

◆ **What made Deakin University choose India for its first international office?**

The second Prime Minister of Australia, Alfred Deakin, on whom the university is named, had a vision that the Australia-India relationship is going to be very important for the two countries. Concurring with the same, Deakin, being a young and innovative university decided to embark on the journey and establish its presence in India not just to look at student recruitment but to also work with India, in India, for India. The whole idea was to engage, contribute and to exchange excellence in knowledge between the two countries.

◆ **With you at the helm of the operations, how has the 25-year long journey been so far?**

To think of the journey so far, we have to first think of India 25 years ago. The globalisation of the Indian economy and the education sector in particular was a big change. Deakin University was the first of its kind to set up an office abroad and I remember, at that time there was no understanding of the how and why. Thus, we

had to first create that understating in the market and then look at partnerships with the Indian universities. This whole process has been very interesting. We hardly understood globalisation ourselves; leave alone know its implementation in terms of curriculum, degree, decisions on infrastructure requirements and more importantly the impact on the student community. However, we have come a long way, where today, Deakin's South Asia office and its activities are often showcased as a 'case study' of successful model of engagement. We are indeed proud to be featured as a successful case study in the 'India Economic Strategy to 2035' by the Australian government. A document that charts out Australia's vision for economic partnerships in India for next 20 years.

◆ **Please elaborate on some of the partnerships in India**

Over the past two decades, Deakin has established strong strategic partnerships with premier institutions in India, both with industry and academia. The university provides strategic inputs in teaching and learning programs besides offering various options for studies through semester abroad programs, research, internships, mobility and in-country capacity building programs. We have partnered with institutions in India such as All India Institute of Medical Sciences (AIIMS), IIT Madras, National Skills Development Council (NSDC), CII, ISB, Centurion University, CEPT University, NID, VIT University, IITs, IISc, Symbiosis International University, University of Mumbai, Hyderabad University and Amity University. Our strategic collaborations to engage in areas of health science, biotechnology and sports include those with The Energy and Resources

BUILDING PARTNERSHIPS AND ENGAGING WITH THE GOVERNMENT, INDUSTRY AND ACADEMIA IN INDIA, HAS PUT DEAKIN UNIVERSITY, AUSTRALIA, IN THE SPOTLIGHT AS A PLATFORM FOR KNOWLEDGE BUILDING AND EXCELLENCE IN EDUCATION

Institute (TERI), Indian Premier League team—Rajasthan Royals, Max Healthcare, NIMHANS and Madras Diabetes Research Foundation (MDRF). We also run various Student Mobility Programs in

collaboration with some of these partners under which, each year, about 200 Deakin students travel to engage in several activities.

◆ **What are some of Deakin's initiatives to encourage research in India and Australia?**

We work closely with premier academic institutions, government bodies, key industry bodies to engage in cutting-edge research in community based topics in the areas of science, material, manufacturing, management, social sciences and CSR. The Deakin India Research Initiative (DIRI) is at the helm of our commitment to build a robust knowledge cohort. Currently, DIRI involves over 80 projects over 20 organisations across India. The establishment of research centres of excellence like the TERI Deakin Nanobiotechnology Centre, the TOBY Playpad Laboratory and the Centre of Excellence in Advanced Materials with IIT Madras, have been some of the key milestones.

◆ **Does the university offer scholarships to Indian students to study at Deakin? Are there any specific student engagement activities?**

In a first of its kind initiative, Deakin has established a scholarship program—'Changing Lives', with NDTV, which offers 100 per cent scholarship on tuition fee. For research programs, the Indian government offers 'Endeavour Scholarships' where the government would spend on students to spend time at Deakin. For the undergraduate and postgraduate students, Deakin offers meritorious scholarships ranging from 10-25 per cent and four 100 per cent scholarships for the best in various fields. We heavily subsidise the education for Indian and South Asian students to encourage them to experience world-class facilities at Deakin University.

## Dance with the deer in Manipur

An annual affair, the Manipur Sangai Festival is back this year from November 21 to 30. The Manipur Tourism Corporation is aggressively promoting the festival in various parts of the country to increase awareness about the significance of this grand extravaganza and eventually drive tourist traffic to the state

An unexplored tourism paradise—Manipur, has a lot to offer to every tourist to the state. This year, the state is back with its grandest festival—Manipur Sangai Festival—to celebrate the rich culture, heritage and culture of this pristine land.

An annual affair, the Manipur Sangai Festival is celebrated from November 21 to 30. The festival takes its name from the state's unique, shy and gentle brow-antlered, Sangai deer or the dancing deer. The Sangai deer is found only in Manipur's floating Keibul Lamjao National Park at the Loktak Lake. The festival has great profundity in showcasing its rich art and cultural heritage and celebrating the various ethnic diversities in Manipur.

The chairman of the Tourism Corporation of Manipur Limited, Dr Sapam Ranjan, informed that the festival will be inaugurated at Imphal on November 21. Two other districts of the state—Bishnupur and Senapati, will also play host to the festival and have a line-up of events ranging from half-marathons, water sports and trekking along with other adventure activities. He was speaking at the curtain-raiser of the festival which was recently organised at the Select CityWalk mall at Saket in New Delhi.

The member of parliament and Padma Bhushan awardee Mary Kom, the former boxing world champion and Arjuna awardee Sarita Laishram, along with the former Indian football team captain P Kenedy Singh, marked their presence at the event to promote the festival in the capital. Officials from Manipur Tourism along with its

stakeholders shared updates on the preparations for the largest tourism festival of the state.

"Taking the festival as an opportunity, we are here to connect with our potential stakeholders in the capital city of the country. We wish to invite them to come to our state and enjoy our cultural extravaganza. Manipur holds great many

surprises for every visitor. The profound natural beauty of the state and the unique attractions that we have, like the floating national park of Keibul Lamjao and Sangai are found nowhere else in the world," said Ranjan. A variety of dance forms of over 34 recognised tribes of Manipur will be the special attraction of this mega tourism event. The main venue of the festival at Hapta Kangjebung, Imphal, entertains visitors with its mesmerising performances of renowned artists from all over the world every evening. The famous Rasse Leela dance of Manipur is a must watch amongst the variety of performances by folk dance artists.

"Manipur receives the maximum number of visitors during this time of the year when

we celebrate our biggest tourism festival. The curtain raiser for this festival is organised in Delhi to create awareness amongst potential visitors about the state's offerings as a tourist destination. Manipur is largely unexplored and offers huge opportunities for adventure, culture and rural tourism aficionados," said the tourism director of the state government W Ibohah Singh.

The director further added, "Our state presents huge opportunities for adventure tourism and we are exploring opportunities to associate with domestic and international adventure tourism associations. It is the right time for us to inform travellers in the region that our side is ready to welcome them to the Manipur Sangai Festival. The state is considered one of the safest state for women travellers. It has a women's only market where many business-women run their small vegetable stalls till late at night."

Started in 2010, the festival has grown by leaps and bounds over the years and has become a platform to boost tourist inflow. The domestic tourist inflow during 2010-11 was recorded at 116,652 which increased to 1,64,483 in 2017-18. Similarly, there has been a manifold increase in foreign tourist figures to the state from 431 in 2010-11 to 3,787 in 2017-18.

### CORPORATE BRIEFS

**AAI PARTICIPATES IN INDIA-MYANMAR BUSINESS FORUM**

Lt Gen D Anbu, VCOAS, pays homage to Lance Naik Antony Sebastian KM, who fell to the enemy action during the ceasefire violation along the Line of Control in Poonch on November 12. The mortal remains of the fallen soldier being brought for wreath laying in Palam Technical Area, New Delhi.

**MYOXY TO COMBAT HEAVY AIR POLLUTION**

With pollution levels in Delhi at an all time high, MyOxy by Gupta Oxygen Private Limited, is an endeavour to help people in the city realise the benefits of fresh oxygen. It is the first and only OXYGEN I.P. in portable cans in India approved by FDA and manufactured under a valid drug license, strictly adhering to the Indian pharmacopoeia standards and measuring 5.9 liters at 1200 kilopascal. MyOxy is a seamless, aluminum, disposable can with inbuilt mask, allowing up to 100-150 inhalations per can and will be available at leading pharmacies including the Apollo pharmacy, medical stores across Delhi/NCR and online pharmacies such as NetMeds. Suitable for all age groups, MyOxy is fit for use by children, expecting and lactating mothers and elderly people. It is available at a competitive price of ₹399 per can.

**NSIC PROMOTES ENTREPRENEURSHIP**

The NSIC-Technical Services Centre (Howrah) has commenced a six weeks residential Entrepreneurship Development Training Program (EDTP) for 29 trainees from Bangladesh. The programme intends to drive the participants towards entrepreneurship, give an opportunity to acquire skills on basic technical trades and gain exposure in all areas of business operations such as business skill development, identification of appropriate technology, hands on experience on working projects like soya milk extraction, bakery, sock knitting, fashion designing and so on.

**KATHAKAR FROM NOV 16-18**

The 8th edition of India's only oral storytelling festival, involving raconteurs from all over the world—Kathakar—is going to be hosted from November 16-18, at the Indira Gandhi Centre for the Arts (IGNCA) in New Delhi. The three-day event, organised by IGNCIA in collaboration with Nivesh, will witness immersive storytelling sessions focusing on India's rare art forms as well as native tales from Africa, the UK, Greece, Poland, Russia and Iran. This year, the festival will be inaugurated by Sadhguru, the founder of the Isha Foundation along with the Minister of State for Home Affairs, Kiren Rijiju.

**MOU TO EXPAND STRATEGIC ENERGY PARTNERSHIP BETWEEN INDIA AND UAE**

The Indian Strategic Petroleum Reserves Limited (ISPR) has signed a memorandum of understanding (MoU) in Abu Dhabi with the Abu Dhabi National Oil Company (ADNOC) to explore the possibility of storing ADNOC crude oil at ISPR's underground oil storage facility at Padur in Karnataka. Under the MoU, ADNOC is expected to store crude in compartments at Padur. The MoU was signed by the director of marketing for sales and trading at ADNOC, Abdulla Salem Al Dhaheri, and the CEO and MD of ISPR, HPS Ahuja, on the sidelines of the Abu Dhabi International Petroleum Exhibition and Conference (ADIPEC).

**PALLADIUM HOTEL' 1ST HOTEL IN COSTA DEL SOL**

Spain's famous 'sun coast' and a world-renowned tourist destination of Costa del Sol, is set to welcome a gorgeous new beachfront property—the Palladium Hotel Costa del Sol by the Spanish leading chain—Palladium Hotel Group. Slated to open doors in July 2019, the hotel is the group's first outpost in Spain's Costa del Sol region. The four-star establishment with 330 bright and spacious rooms, will offer spectacular views of the Mediterranean, adopting a contemporary and stylish look and feel. The new hotel will be a mere 20 minutes away from the Malaga airport.

# FEDERER FINDS FORM; NOVAK WINS

Six-time champion Roger upsets Thiem to keep hopes alive; Djokovic eyes semis after dismissing Zverev

AFF ■ LONDON

Roger Federer staved off elimination from the ATP Finals as the six-time champion eased to a 6-2, 6-3 win over Dominic Thiem

On Tuesday.

After losing his opening match at London's O2 Arena against Kei Nishikori, Federer would have crashed out if he had been beaten by Thiem.

Only once before has

Federer failed to qualify from his group for the knockout rounds in his 15 previous appearances at the prestigious season-ending event.

That lone flop came 10 years ago when the Finals

were held in Shanghai and Federer is still in with a chance of avoiding that ignominious fate thanks to his comfortable 66-minute dismissal of Thiem.

Bidding for a record seventh ATP Finals crown and a first in the tournament since 2011 — which would be the 100th singles title of his glittering career — world number three Federer must beat South Africa's Kevin Anderson in his last group match to make the semi-finals.

"It feels good. I am very happy that I showed a reaction after the last match," Federer said.

"Against Kei, instead of seeing things positively, I thought negatively. It was disappointing but it happens."

"Today I was more positive and happy on the court. I love playing in London and I had to remind myself what a privilege it is. I hope I showed it."

Since winning his 20th Grand Slam title at the Australian Open in January, Federer has been stuck in a prolonged slump by his sky-high standards.

A quarter-final exit at Wimbledon, blowing a two-set lead against Anderson, was followed by a stunning US Open last 16 defeat to Australian journeyman John Millman.

The 37-year-old's defeat in his opening Finals match against Nishikori on Sunday marked the first time Federer had lost in straight sets in 46 group stage matches.

He responded to that setback by cancelling his practice session on Monday, sparking fears he was seriously ham-

pered by a hand injury that has troubled him since the grass-court season in June and July.

## ZVEREV IN DILEMMA

Novak Djokovic moved closer to a place in the semi-finals of the ATP Finals as the world number one dispatched Alexander Zverev 6-4, 6-1 on Wednesday.

Djokovic is chasing a sixth ATP Finals title and his first in the prestigious season-ending event at London's O2 Arena since 2015.

In his 11th appearance at the Finals, the Serb will be guaranteed to reach the last four for the eighth time if John Isner beats Marin Cilic or if Cilic defeats Isner in three sets later on Wednesday.

Djokovic, who beat Isner in his opening group-stage match, has enjoyed a remarkable renaissance in the second half of 2018 and lifting the trophy on the banks of the River Thames would be the perfect way to finish his year.

Djokovic faces Cilic in his last group match on Friday, while Zverev, who defeated Cilic to kick off his Finals campaign, takes on Isner.

The 31-year-old was assailed by claims he had lost his hunger for success and was past his best after injury and personal issues threatened to derail his career in 2017.

But Djokovic has banished his demons in spectacular style, winning the Wimbledon and US Open titles, returning to world number one and becoming the first player to win all nine Masters 1,000 tournaments.

**Notes to the financial results:**

1. The unaudited results for the quarter ended 30th September, 2018 have been reviewed by Audit Committee and approved by the Board of Directors in their meeting held on 14th November 2018.

2. The Company is operating in Sugar Industry & Power Segment. However, the Chief Operating Decision Maker (CODM) of the Company is of the opinion that there are no reportable segments as required under Indian Accounting Standard -108 "Operating Segment".

3. These financial results have been prepared in accordance with Companies (Indian Accounting Standards) Rules, 2015 as prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI Circular dated July 5, 2016.

4. The Adjudicating Authority (under Prevention of Money Laundering Act, 2002), vide its order dated 28th May, 2015 confirmed the attachment of Fixed Assets (comprising of Land, Building, Plant & Machinery (situated at Village - Banondi, PO - Shahzadpur, Tehsil-Naraingarh, District - Ambala, Haryana) of Naraingarh Sugar Mills Ltd. (Defendant) to the extent of ₹ 951,140,000/- (against liability of 1,058,071,950/- due towards M/s. Yashuri Associates, a business association against whom case has been registered for recovery). The Company has preferred an appeal with Honble Appellate Tribunal, Prevention of Money Laundering Act, 2002 and the matter is subjudicial. Company's inability to discharge the liability in the time frame determined by Adjudicating Authority may affect the Company's ability to continue as going concern. However, the Financial Statements of the Company have been prepared on going concern basis pending decision of the Appellate Authority.

5. Previous period figures have been re-grouped and reclassified, wherever necessary, to correspond to those of the current period.

# 'AUSTRALIA WILL BE BIGGER CHALLENGE FOR INDIAN PACERS'

Nehra feels tough conditions in Thunder Down Under will create obstacles for visitors

PTI ■ NEW DELHI

Indian pace attack has been a revelation this year during overseas tours but tougher conditions in Australia will make it a very challenging series for the fast bowlers, reckons former speedster Ashish Nehra.

Nehra, who was a part of the Indian squad that drew 1-1 during the 2003-04 series in Australia, felt the current attack "has the ability" to succeed but conditions will be different than what they got in England and South Africa.

"Australian team is going through a massive restructuring and this is India's best chance without doubt. We have the bowling attack to beat them. But we need to be mindful that conditions will be much tougher Down Under where the wickets will be flat and weather would be on warmer side," the 39-year-old Nehra said.

"In Australia, you will get extra bounce but there will only be lateral movement till the kookaburra seam doesn't flatten. It won't be like England where the ball swings all day. Once you get adjusted to the bounce, batsmen can hit you all day," said Nehra, who has played 17 Tests and 120 ODIs apart from 27 Twenty20 Internationals.

According to Nehra, it will be Jasprit Bumrah, Ishant Sharma and one between Mohammed Shami and Umesh Yadav, who will be starting in Adelaide. "I don't see Bhuvneshwar Kumar in the Test at least. He can struggle a bit with the old kookaburra as it will neither swing or seam unlike Dukes or SG Test," Nehra opined. Nehra said that Umesh Yadav's supreme fitness and good skill sets should make him an asset in the Australian conditions.

"I still believe that Umesh is not a finished product after eight years but someone who has incredible skill sets. He is a strong lad and the fittest among all Indian pacers. A testimony to that is his performances in Indian conditions when he can reverse the 65-70 overs old ball at a good speed. You need both skill and strength for that. He should feature sometime," Nehra said.

It will be Bumrah's first Test tour of Australia and Nehra is confident that Australians will find it difficult to play him.

"Jasprit Bumrah is much more skilful red-ball bowler than what he is perceived to be.

Umesh Yadav celebrates after dismissing opposition batsman PTI/File Picture

## 'Aus without Smith, Warner is like India not having Kohli, Rohit'

**KOLKATA:** Former India captain Sourav Ganguly on Wednesday said that Indian team under Virat Kohli has the "best chance to beat Australia" in absence of their premier players Steve Smith and David Warner.

Cricketer Australia's board has resolved to respond to the call to lift the bans on Steve Smith, David Warner and Cameron Bancroft by next week, but all indications are they are not ready to bring the trio back to international cricket early.

"This is like the Indian team not having Rohit Sharma and Virat Kohli. It's a huge factor," Ganguly said.

"It's a great moment for Indian cricket. This is their best opportunity to beat Australia," the former India captain added. Having suffered defeats in their earlier overseas Test series in South Africa and England, the Virat Kohli and Co will salvage pride winning in Australia.

India will play four Test matches against Australia with the first five-day contest commencing in Adelaide on December 6.

The Indian pace attack had impressed in England in their 1-4 series loss and Ganguly said: "I have seen in England that they (bowlers) have taken 20 wickets in almost every Test."

Ganguly however warned the Indian team stay cautious. "But you also have to keep in mind that Australia in Australia are a different kettle of fish. Many feel that they are a weak outfit but I don't think so," Ganguly added.

PTI

## SHAMI LIKELY TO PLAY FOR BENGAL IN RANJI

**KOLKATA:** India frontline pacer Mohammed Shami is likely to play Bengal's next Ranji Trophy home match against Kerala here from November 20-23.

A member of Australia-bound Test squad, Shami will leave for the tour Down Under after playing the Ranji Trophy third round match at the Eden Gardens.

"Shami has expressed his interest to play. If he plays, it's good for the Bengal side," CAB president Sourav Ganguly said.

Bengal opened their Ranji Trophy campaign with first innings lead in Himachal and currently facing Madhya Pradesh at home.

"We had written a letter before the first match as well to play him but he had few fitness issues for which he had to undergo rehabilitation. If he plays, it's great," Ganguly added.

PTI

His yorkers will come in very handy with old kookaburra. Any batsman, who has not played Bumrah before can find it difficult to counter the awkward angle that his delivery creates.

"And in England, I found out that he can now get the ball to straighten consistently after pitching. So Bumrah is not a one-dimensional bowler," he concluded.

## RANJI TROPHY

### SHOREY'S TON BOOST DELHI'S HOPE

**New Delhi:** Dhruv Shorey's fourth first-class century put Delhi firmly in sight of an outright victory against Himachal Pradesh in an opening round group B encounter. Shorey scored his fourth first-class hundred — 106 not out off 177 balls as Delhi declared their second innings at 281 for 4, leaving HP with a stiff target of 376. Earlier, Delhi dismissed HP for 223 in their first innings taking a first innings lead of 94 runs and also ensuring at least three points. At stumps on the third day, Himachal were 44 for 1 with their best bet Prashant Chopra being dismissed by Ishant Sharma (1/14 in 5 overs). With 332 needed on the final day, it will be more about how Himachal survive against left-arm spin duo of Vikas Mishra and Varun Sood on a fourth day track with considerable wear and tear. In the morning, after quickly disposing off the remaining two HP batsmen for an addition of seven runs, Delhi got off to a brisk start courtesy Gautam Gambhir (49, 52 balls) and Hiten Dalal (25, 32 balls), who added 64 in only 10.5 overs. Once Dalal and Gambhir were gone, Shorey and skipper Nitish Rana (32) added 62 for the third wicket. Shorey then added 50 with Himmat Singh (26), who hit three sixes and 67 for the unbroken fifth wicket stand with wicketkeeper Anuj Rawat (21 no) as Delhi finished with an overall lead of 375.

### MUKUND'S TON LEADS TN REPLY

**Tirunelveli:** Test discard Abhinav Mukund led Tamil Nadu's riposte to Hyderabad's massive first innings total of 565 for 8 declared with a superb ton (101 batting) as the host reached 163 for 2 at stumps on day three of the Elite Group 'B' match. Hyderabad skipper P Akshath Reddy could add only two runs to his overnight score of 248 and the team declared at 565 after C V Milind (33 not out) and Mehdi Hasan (14 not out) put on 27 runs for the ninth wicket. Left-handed opener Mukund looked in fine form, striking the ball all round the wicket. He and fellow opener M Kaushik Gandhi (21 off 117 balls, 1X4) put on 80 runs to set the platform for Tamil Nadu. Mukund, who has so far hit 15 fours, and captain B Indrajith (24 batting) added 69 runs and saw the team through to close of play without any further slip-ups.

### J&K TRAIL GOA BY 222 RUNS

**Porvorum:** Jammu and Kashmir have a mountain to climb as they trail Goa by 222 runs at stumps on day 3 of their Elite Group C game. Asked to bat first, Goa rode on a century by opener Snehal Kauthankar (130) to post a mammoth 468/9 (declared) in their first innings. Kauthankar, batting at his overnight score of 106, added another 24 runs to his tally and remained unbeaten. Heaced his knock with 24 boundaries. Jammu and Kashmir had an uphill task to gain a first-innings lead, but they slumped to 246/7 at stumps on the penultimate day of the four-day game. For J&K, their opener Subham Khajuria (53) struck a half-century, but three other top-order batsmen, Ahmad Omar Bandy (25), Ian Chauhan (37) and Paras Sharma (22), failed to convert their starts into big scores. But all-rounder and skipper Irfan Pathan, who came in at number 7, remained unbeaten on 42 and will look to hold the fort on the last day.

### RAILWAYS LEAD SAURASHTRA BY 130 RUNS

**Rajkot:** Riding on an unbeaten fifty by young Harsh Tyagi, Railways lead Saurashtra by 130 runs at stumps on the penultimate day of the four-day game against hosts Saurashtra. For Railways, Tyagi was impressive in the second outing with his unbeaten innings of 73 in 182-balls. While all others batters failed, 18-year-old Tyagi kept the score-board ticking. His knock ensured that Railways managed to get past the 250-run-mark and ended the third day on 278/8. After opting to bat, Railways were bowled out for 200 in their first outing. Saurashtra then took a crucial 148-run first-innings lead with Ravindra Jadeja remaining unbeaten on 178 as they posted 348 on the board.

### MP REACH 254/5 COURTESY OJHA VS BENGAL

**Kolkata:** Skipper Naman Ojha cracked a patient half-century with Madhya Pradesh making a strong reply against Bengal in their Elite Group B fixture. Ojha held their innings together with his 151-ball 74 before getting out to part-time leg-spinner Anustup Majumdar, who took two wickets in two overs (2/20) to raise hopes of another three points. At close on the penultimate day, MP were 254/5, trailing Bengal by 256 runs. Yash Dubey (20\*) and Ankit Sharma (9\*) were at the crease. Earlier Bengal pacer Ashok Dinda (2/42) dismissed both the MP openers, Aryaman Birla (12) and Ankit Dane (38), as MP were 65/2 inside the first hour's play. But Ojha stayed on, stitching two fifty-plus partnerships with Rajat Patidar (49) and Shubham Sharma (45) in the first and second sessions respectively.

### SIKKIM, UK SECURE SUCCESSIVE WINS

**Dehradun:** Deepak Dhapola returned with a match haul of 13 wickets as Uttarakhand secured their second straight victory in the Plate Group beating Manipur by eight wickets. In Dimapur, Sikkim also registered their second win in their debut season beating hosts Nagaland by nine wickets. Sikkim have 13 points along with Uttarakhand but the former occupy the pole position in the Plate Group on the basis of better net run-rate. Dhapola, who ripped apart Manipur in the first innings with a 7/50, returned with 5/46 as he along with Sunny Rana, who bagged an identical 5/46. Manipur were eventually bowled out for 185 in the second essay, setting Uttarakhand a target of 95. Uttarakhand lost opener Karanveer Kaushal (18), No 3 Vaibhav Bhatt (27) but Vineet Saxena remaining unbeaten on 32 to steer them home in 17.5 overs to help them bag six points. In Dimapur, Sikkim were set a paltry target 79 as skipper Nilesh Lamichaney remained unbeaten on 33 alongside Ashish Thapa (27 no) to win in 25.4 overs.

PTI

## KOLKATA DUMP STARC VIA TEXT MESSAGE

PTI ■ SYDNEY

A text message is all what Australian pacer Mitchell Starc received from the IPL side Kolkata Knight Riders on his removal from the squad for the 2019 edition.

One of the costliest buys in the 2018 auction, Starc was forced to miss the entire season due to stress fracture in his right leg.

"I got a text message two days ago from the owners of Kolkata, saying I've been released from my contract. At the moment I'll be home in April," Starc told reporters.

The exact reason for Starc's release is not yet known but it is being believed that it could be because of the uncertainty around his availability for the 2019 season.

Starc, grabbed by KKR for 1.8 million Australian dollars, was replaced by England pacer Tom Curran.

"I obviously didn't go last year with my tibia injury and it was a great opportunity to freshen the body up, let everything heal by itself. I guess barring a little niggle in my hammy I've felt pretty good with my body and my strength and the rest of it. That little period of time has really paid off for the body," the 28-year-old said.

IPL auction for the 2019 season is likely to be held on December 16 in Jaipur but it seems the left-arm pacer may not make himself available.

## CSK release Wood, Kshitiz, Kanishk

**CHENNAI:** Reigning IPL champions Chennai Super Kings (CSK) on Wednesday announced it has retained 22 players for the 2019 season, releasing only three members from the title-winning squad.

CSK, which returned to the IPL fold after serving a two-year suspension, won the 2018 tournament, beating Sunrisers Hyderabad in the final.

England fast bowler Mark Wood and uncapped Indian players Kanishk Seth and Kshitiz Sharma have been released.

Franchisees were required to inform the IPL Governing Council by November 15 about their retentions and release of players for the 2019 player auction to be held next month.

England bowler David Willey, who was picked as a replacement for the injured Kedar Jadhav has been retained along with the all-rounder. Wood featured only in one match while Sharma and Seth didn't feature in any game.

The team didn't seek a replacement for Kiwi all-rounder Mitchell Santner, who was injured and he would come back into the squad, according to CSK sources.

## Curran and Buttler save Eng against spin

AFP ■ KANDY

Sri Lanka's spinners claimed some big-name England wickets on the first day of the second Test on Wednesday before Jos Buttler and Sam Curran rescued the innings.

Buttler's 63 and a crucial 64 from Curran at the end lifted England to 285 all out after they had been struggling on 89-4 on the turning Pallekelle stadium pitch. Curran, fast becoming an England hero, said reaching near 300 was a "massive" achievement.

England spinner Jack Leach then strengthened England's position, dismissing opener Kaushal Silva in the 12 overs Sri Lanka faced as the home side reached 26 for one at the close.

A day that saw Ben Stokes, batting at the key number three position, become the latest to fail also reinforced Buttler and Curran's standing lower down the order.

England were in trouble against spinners Dilruwan Perera who took four wickets, Malinda Pushpakumara (three) and Akila Dananjaya (two) when Buttler came in to counter-attack with five boundaries and a cru-

cial 45-run stand with Adil Rashid who made 31.

Buttler's 63 off 67 deliveries ensured Sri Lanka did not convert a good position into a dominant one, as he swept and reverse swept furiously and effectively. He was eventually out top-edging a reverse sweep off left-arm spinner Pushpakumara, playing his first Test for more than a year.

Curran was even more impor-

tant, taking 50 balls to reach double figures before he tore into the Sri Lankan bowling. He hit six sixes and a four off the spinners and his last wicket partnership of 60 with Jimmy Anderson was the best of the innings.

"It was crucial. You saw in the evening how much it spun. Getting close to 300 was massive for us," said Curran.

"Me and Jimmy had quite a bit of fun out there. He was probably the

## B'desh reduce Zim to 76-2

AP ■ DHAKA

Bangladesh reduced Zimbabwe to 76-2 Wednesday on the fourth day of the second Test.

Zimbabwe still needs 367 runs or to survive a full day to win its first test series victory since 2011 after the hosts set an improbable target of 443 runs.

Bangladesh skipper Mahmudullah was instrumental in leaving Zimbabwe a record chase, hitting his second century as the hosts declared the second innings on 224-6.

Mahmudullah, who completed his century in the last ball before the tea session, was not out on 101 and shared two important partnerships to take the side on the verge of winning the test and drawing the series.

Despite a lead of 218 runs, dismissing Zimbabwe for 304 in its first innings on Day 3, Bangladesh decided not to enforce the follow-on. But Zimbabwe fast bowlers Kyle Jarvis (2-27) and Donald Tiripano (2-31) rocked the top order to leave the hosts at 25-4.

With Zimbabwe raising the hopes to hit back, Mithun and Mahmudullah resisted further damage to keep the side on course for a sizeable lead.

The duo combined for a 118-run partnership for the fifth wicket to restore its dominance.

Off-spinner Sikandar Raza removed Mithun for 67, his maiden fifty in his maiden test following zero in the first innings.

Left-arm spinner Sean Williams dismissed Ariful Haque (4) cheaply but Mahmudullah and Hasan (27 not out) shared 73 off 70 balls in an unbroken seventh wicket partnership to set an improbable target for the visitors.

Zimbabwe's highest successful chase in the fourth innings is 162 against Pakistan in Peshawar in 1998.

"The first hour will be very key," Zimbabwe coach Lalchand Rajput said. "If Brendan (Taylor) and Sean

Williams can bat through, then the pressure will be on the fielding side.

The tourists made a decent start with skipper Hamilton Masakadza and Brian Chari sharing 68 runs.

Hasan (1-16) gave Bangladesh the first breakthrough after Masakadza spooned a catch at short-leg for 25.

Two overs later, left-arm spinner Tajul Islam (1-34) dismissed Brian Chari (43), who tried to paddle sweep against a turning delivery. Chari reviewed in vain.

Brendan Taylor (4) and Sean Williams (2) were batting before the fourth day's game came to an end.

## 'Chhetri's absence against Jordan clash is a big blow'

PTI ■ NEW DELHI

The "irreplaceable" Sunil Chhetri's absence from the friendly against Jordan is a huge blow, Indian football coach Stephen Constantine said on Wednesday, staring at a bleak future upfront with his talismanic striker starting to grey.

The 34-year-old Chhetri has been ruled out of the November 17 friendly owing to an ankle injury. Constantine expressed concerns at the dearth of promising strikers and the void the country's all-time leading scorer's absence can cause.

"Sunil missing for the clash against Jordan is a big blow for us. He is a great player and has been fantastic for us in the last four years. He is one of those players that is irreplaceable but somebody has to take his place for the match against Jordan. Sunil is no spring chicken," Constantine said.

"However it is a great opportunity for young players to step up and although you cannot find a player of his calibre and class, we need to see if the young player step up and take this opportunity."

The match is in preparation for the Asian Cup, scheduled to be held in the UAE early in January-February 2019.

"We need to find somebody who will be there when we don't have Sunil Chhetri so that there is no void left in the team,"

Constantine said.

"I am trying to cover all the bases and I don't want my best players to remain injured and one of them right now is Sunil," he added.

The match at Amman is another opportunity for the coach to experiment tactics and gain valuable experience going into the mega competition next year.

"We want to do well in our preparation for the AFC Asian Cup and the clash against Jordan will aid us in that as Jordan are a good side and they have a number of good players in their ranks," Constantine said.
