Mahipal Singh Chandel, Chief Parliamentary Whip of the Congress, has written to the Speaker of the Chhattisgarh Assembly requesting introduction of Bill to provide statutory status to Parliamentary Secretaries by the previous government.

“Due to the decision of the High Court of Chhattisgarh, Budget and Finance Minister Mohammed Akbar said that once the Congress had earlier opposed such appointments, their statutory status was introduced to the House by the Congress. It is now being done under the High Court and the Supreme Court against the appointment of Parliamentary Secretaries by the previous government,” Chandel said. He said the government should have assured the House that the previous government was proceeding on the same issue.

Mohammed Akbar said that the Congress had approached the High Court in the matter. He said the government should be clear about the matter and exactly what the House was being informed of.

Deb, in his capacity as Leader of Opposition, said that in the wake of the recent deaths, the government should come forward for the benefit of the people. He said that the government should be clear about the matter, what they were doing, what they have decided and what processes and what their rights will be.

During Zero Hour, former Minister of State for Railways, Kishan Dev, said that the government should come forward for the benefit of the people. He said that the government should be clear about the matter, what they were doing, what they have decided, what processes and what their rights will be.

UP rape graph

As long as the criminal-mind nexus remains in the State, goons will run amok and keep getting away with it, too.

OPINION

By Praveen Verma

The UP police have indicated that 13,787 crimes of crime against women have been recorded till now this year. But the figures are deceptive.

Up to August 8, there were 8,278 cases of rape, including 3,941 cases of women aged between 12 to 18 years. This is a shocking figure given the fact that the majority of these cases are recorded in the rural areas of the state.

The police and the government have been aware of the serious nature of the crime but have not taken any concrete steps to tackle it. The police have not taken any serious action against the accused, and the government has not allocated any funds for the purpose.

The UP police are not doing enough to prevent rape. They are not conducting regular inspections of the women's houses, and they are not taking the necessary precautions to ensure the safety of the women. The police are not doing enough to prevent the rape of women, and they are not doing enough to punish the rapists.

The government is not doing enough to prevent rape. It is not doing enough to allocate funds for the purpose, and it is not doing enough to make the police do their job. The government is not doing enough to prevent rape, and it is not doing enough to punish the rapists.

Turkey warns against testing its patience over Med Sea
Equities at 6-month high on stimulus hopes

AAMIN U. ABUJA

Indian equity market trade higher on Wednesday to close at a new six-month high on the back of a wave of new stimulus measures to mitigate the economic fallout from the fourth consecutive time that the country has imposed lockdowns to curb the coronavirus pandemic.

The Sensex opened 346.82 points or 0.59% higher, the gauge touched intraday peak of 60,447.57 points in the morning session, before falling midway of the day and was trading 39,343.15, and low of 39,111.0. The gauge settled at 39,343.15.

The Nifty on the National Stock Exchange (NSE) closed at 11,900, higher by 64.25 points or 0.54% from the previous close. The market breadth was positive with 2,047 advances, 2,622 declines and 90 unchanged issues.

Market participants were upbeat on Wednesday as the market continued to gain on optimism that further stimulus packages would be announced in the coming weeks. The government had announced stimulus packages worth Rs 13 trillion so far.

Traders expect more relief from the government to combat the impact of the pandemic. The market was also buoyed by a strong rally on Wall Street on Tuesday. US stocks rose strongly on hopes of a new fiscal aid package being approved by the US Congress.

“Motilal Oswal Financial Services’ Indian Equities team retains a bull bias on the market and suggests investors buy on slips. A sharp rally in global equities is also expected to support the market. The market has been trading at a discount to its valuation levels,” said Manish Malhotra, head of research at Motilal Oswal Financial Services.

Tradex urges Vodafone Idea for reconsideration of BPCl privatisation move

PTI

Vodafone Idea has been asked by the Telecom Regulatory Authority of India (TRAI) to reconsider its decision on the BSNL privatisation move.

“Today, the mobile squad of Ghaziabad Municipal Corporation was checking a tarmac road of land mafia publishing and building plans near Kathera village in the Hindon Cross area and also in Tanda on the Ghaziabad-Delhi Border. The team also asked the owner to demolish the building and remove all illegal occupation and constructions done by the land mafia. A Joint Commissioner BS Pandey directed the team to act as per the statement issued by the Ghaziabad Municipal Corporation,” said a source.

The owner said that the conditions under which the land was sold were not met as it was in a bigger lump sum. The Municipal Corporation was also seeking a demarcation by the concerned authority which was not available in the unauthorised area.

Ghaziabad Municipal corporation fines ₹10 crore land fraud mafia

PTI

The Ghaziabad Municipal Corporation fined ₹10 crore to a fraudster for illegal construction of land mafia in the Hindon Cross area.

Vodafone Idea on Wednesday asked the telecom regulator TRAI to consider its decision on the BSNL privatisation move.

Voda Idea said that the RedX Tariff offer is in contravention of the agreement and is not consistent with the terms of license.

The RedX Tariff offer is in contravention of the agreement and is not consistent with the terms of license, the firm said.

“The RedX Tariff offer is in contravention of the agreement and is not consistent with the terms of license. It is observed that VIL’s failure to communicate the promised benefits to such customer in 18 months is in contravention of our agreement and is not consistent with the terms of license,” the company said.

The firm said that the regulatory measures were also aimed at developing the solution that promises to significantly improve the operational and financial performance of BSNL.

The government has also performed the best, followed by Goa and Chandigarh. Among the Himalayan states, Uttarakhand and Himachal Pradesh have performed well, while Jammu and Kashmir is yet to prove its credentials.

Gujarat tops Nifty Aayog’s Export Preparedness Index 2020

PTI

The Ministry of Road Transport and Highways has made the payment of tolls fully digital, which is banking on digital payment gateways and has promised to make all toll plazas compatible with FASTag, an electronic toll collection system.

The Nifty50 on the National Stock Exchange (NSE) settled 3 paise higher at 74.30 the week. The Rupee advanced 3 paise to 74.30 on forex inflows.

Gujarat topped the Nifty Aayog’s Export Preparedness Index 2020 with a score of 94, while the country’s average stood at 72.

Rajiv Goyal, Managing Director of Minerals and Commodities Industry Review (MCR), said that the state government of Haryana has been working on the coal mining project for a long time and has put in place all necessary arrangements to ensure its smooth functioning. He also informed that the state government is committed to ensuring that the project is completed on time and that it will benefit the local community.

Jitendra Singh, CMD, Mahanagar Urban Transport Corporation Limited, said that the project is a significant step in the development of the city and will help in reducing traffic congestion and improving public transport facilities. He also assured that the project will be completed within the stipulated time.

Kodiykat, Secretary, Ministry of Steel, said that the project is a part of the government’s efforts to increase coal production and ensure that the country has sufficient stock of coal to meet its energy needs. He also said that the project will be completed within the stipulated time and that the state government will provide all necessary support to ensure its smooth functioning.

The project is expected to create employment opportunities for the local community and will also help in improving the infrastructure in the region.

Overall, the project is expected to bring significant benefits to the state and the country as a whole.
**Barca still hoping Messi will stay**

Barcelona's president Joan Laporta has said the club will not give up hope of keeping superstar Lionel Messi at the Nou Camp for another season.

Laporta has said the club is still working on extending the contract of the Argentine forward, whose deal runs out at the end of this season.

"Barcelona still has hopes," Laporta told reporters in a press conference on Wednesday. "I can assure you that we are still working on it."

Messi, who has won four Champions League titles and 10 La Liga crowns with the Catalans, is being courted by Paris Saint-Germain and Manchester City.

"We are doing everything in our power to convince him to stay," Laporta added. "We are still working on it, although there is no movement in the market."
