Women in non-combat command

SC also orders permanent commission for women in Army within 3 months

PNS ■ NEW DELHI

In a landmark judgment, the Supreme Court on Monday opened the way for women in command positions in the Army and directed the Centre to grant permanent commission to all women officers within three months. The apex court orders, on grounds of the need to end gender bias in the Armed forces, will directly benefit more than 300 women officers, including making them eligible for pension.

The women officers, however, will not be inducted into the combat arms such as the infantry, artillery and armoured corps as the Supreme Court clarified that their deployment is a matter of policy as held by the Delhi High Court.

While directing the Centre to grant permanent commission, the court termed the Government's argument of physiological limitations and social norms for denying them command posts as "disturbing".

The court said women officers in the past have brought laurels to the country and change of mindset is required on the part of the Government to put an end to gender bias in Armed forces. A Bench headed by Justice DY Chandrachud said there will not be any absolute bar on giving women command postings.

Landmark judgment

- The SC orders, on grounds of the need to end gender bias in the Armed forces, will directly benefit more than 300 women officers, including making them eligible for pension
- The women officers, however, will not be inducted into the combat arms such as the infantry, artillery or armoured corps as the top court clarified that their deployment is a matter of policy as held by the Delhi High Court

The top court said despite there being no stay on the 2010 Delhi High Court verdict allowing grant of permanent commission to women officers, the Centre showed scant regard in implementing the directive in the past one decade.

"There is no reason and justification for the union of India not to act as per the Delhi High Court verdict. On September 2, 2011, the Supreme Court clarified this aspect and said there is no stay on the High Court verdict. Despite that scant regard has been paid to the verdict of the HC and the order of Supreme Court as well," the Bench said.

The SC said it is of the opinion that physiological features of women have no effect in granting permanent commission and they have to be

given equal opportunity on a par with their male counterparts in the armed forces.

It said the Centre's submission of physiological limitation is based on flawed notion and there is no constitutional basis to deny them equal opportunity. The SC said permanent commission can be given to women officers in the Army irrespective of their tenure of service.

On February 9, serving women officers in the Indian Army had countered the Centre's stand in the SC on denying command posts to women on the ground of their physiological limitations, terming it not only "regressive but also completely contrary to the demonstrated record and statistics." In their written submission to the court, the women officers had sought rejection of the submission of the Centre and said it is unfortunate that such grounds have been raised, which are completely contrary to the demonstrated records of the case.

The women officers had said they have been serving in the 10 Combat Support Arms, for the last 27 to 28 years and have proven their mettle and courage under fire. The written submission had also said the women officers have demonstrated that they do not lack in any manner in the roles that have been assigned to them.

5 theatre commands for modern warfare by 2022

RAHUL DATTA ■ NEW DELHI

With the objective of fighting modern-day warfare, India will roll out two to five theatre commands by 2022 to take care of security challenges along the western (Pakistan) and northern (China) borders.

While Jammu & Kashmir will be a separate theatre, the western and eastern Navy commands will operate as one and known as peninsular command to guard the strategically important Indian Ocean, Chief of Defence Staff (CDS) General Bipin Rawat said here

Stressing that his charter as CDS is clearly enunciated, he said the mandate is to achieve jointness and synergy between the three Services by under-

taking these reforms.

Rawat said the theatre commands will be geographically defined and demarcated and a study will be conducted from March 31 onwards. The study will be submitted for scrutiny by the end of next year and hopefully the commands will roll out by 2020, said Rawat, adding the study groups will evaluate the options of number of commands which could vary from two to five.

At present, the three Services have their own commands and operate in silos.

Now, Nirbhaya rapists to hang on March 3

Death warrant issued for third time even as convicts' bids on to exploit legal lacunas

STAFF REPORTER ■ NEW DELHI

A Delhi court on Monday issued fresh death warrants against the four death-row convicts in the Nirbhaya gangrape and murder case. The four convicts will be now hanged to death on March 3 at 6 am. This is the third time that death warrants have been issued against them.

Additional Sessions Judge (AS) Dharmender Rana issued fresh warrants against death row convicts Mukesh Kumar Singh (32), Pawan Gupta (25), Vinay Kumar Sharma (26) and Akshay Kumar (31).

The first date of execution, January 22, was postponed to February 1 by a January 21 court order. Then the trial court on January 31 stayed "till further orders" the execution of the four convicts as they had not exhausted all their legal remedies.

Mukesh on Monday told the court that he didn't want to be represented by advocate Vrinda Grover, after which advocate Ravi Qazi was picked to represent him.

The court was also informed that Vinay is on hunger strike. Vinay was assaulted in jail and has head injuries, his lawyer told the court, adding that he was suffering from acute mental illness and hence the death sentence cannot be carried out. The court directed the Tihar Jail superintendent to take appropriate care of Vinay as per law.

Pawan's counsel informed the court that he wanted to move curative petition and the mercy plea against the death sentence before the President.

Pawan is the only one among the four convicts who has not yet filed the curative petition — the last legal remedy available to a person, which is decided in-chamber.

Protest a right, but can't block roads, SC tells Shaheen Bagh

Court asks senior advocate Hegde to persuade anti-CAA protesters to shift

PTI ■ NEW DELHI

Blockade of the public road at Shaheen Bagh is "troubling us", the Supreme Court said on Monday and suggested that the anti-CAA protesters go to another site where no public place would be blocked.

The SC asked senior advocate Sanjay Hegde to "play a constructive role as an interlocutor" to persuade the protesters to move to an alternative site. People have a fundamental right to protest "peacefully and lawfully" but blocking public roads and public places is a matter of concern as it might lead to "chaotic situation", the apex court said, stressing that there has to be a "balancing factor".

"Democracy works on expression of views but there are lines and boundaries for it," a bench of Justices SK Kaul and KM Joseph said, adding, "The question which is arising is

where to protest."

"Our concern is if everybody starts blocking public areas then where will it end," the bench asked.

The SC said Hegde can take assistance of advocate Sadhana Ramachandran and former Chief Information Commissioner Wahajat Habibullah for talking to the protesters.

Solicitor General Tushar Mehta, appearing for the Delhi Government and the Delhi Police, told the court that the solution is to remove these protesters from the site. "We will not go that far but the problem is that they (protesters) are keeping children and women as shield. We have held a series of

meetings with the local resident welfare associations, priests of mosques there and we are trying to persuade them that this is not the way to keep entire city to hostage under the garb of protest," Mehta said.

UK MP, leading anti-India Kashmir opinion, lands at IGIA, packed off to Dubai

PNS ■ NEW DELHI

British MP Debbie Abrahams — at the forefront of creating opinion against India on the Kashmir issue after the special status to the State under Article 370 was abolished — was stopped at the Indira Gandhi International Airport (IGIA) in Delhi on Monday and deported to Dubai.

The Labour Party parliamentarian, also the chairperson of the All Party Parliamentary Group for Kashmir in Britain, was not allowed entry into India and was told upon her arrival at the airport that her e-visa had been rejected.

The British MP said in a statement that she arrived in Delhi on Monday morning and was informed that her e-visa, which was valid till October 2020, had been cancelled. Countering her claims, the Union Home Ministry spokesperson said the British parliamentarian had been duly informed that her visa was cancelled and she arrived in Delhi despite that.

Reacting to Home Ministry's clarification, she said

Debbie Abrahams

she had "not received any emails before February 13". After that, she had been travelling and was away from office. In her statement, Abrahams said she had presented herself at the immigration desk along with her documents and e-visa.

"...The official looked at his screen and started shaking his head. Then he told me my visa was rejected, took my passport and disappeared for about 10 minutes. When he came back he was very rude and aggressive shouting at me to 'come with me'. I told him not to speak to me like that and was then taken to a cordoned off area marked as a Deportee Cell. He then ordered me to sit down and I refused. I didn't know what they might do or where else they may take me, so I wanted people to see me," the British MP said.

Kejriwal takes charge as CM sans portfolio, DJB goes to Satyendar

STAFF REPORTER ■ NEW DELHI

Delhi Chief Minister Arvind Kejriwal and his Cabinet colleagues took charge of their respective offices on Monday and asserted that they would work to fulfil the promises made in the "guarantee card", released during the poll campaign, including reduction in pollution and the expansion of metro network.

The Chief Minister later issued an order making minor changes in the portfolios of the Ministers. Gopal Rai has been given Environment apart from holding Labour and Employment. Satyendar Jain has been allocated Delhi Jal Board apart from key portfolios of Health, PWD, Urban Development, Power and Home. Women and Child department has been given to Rajender Pal Gautam. Earlier this department was with Manish Sisodia.

Kejriwal has not assigned any department under his control. He will continue to oversee and guide all departments.

Soon after taking the charge, the AAP Government made its priorities clear and said the Government will fulfil the promises made to the

people in its manifesto.

Soon after taking the charge, Deputy CM and Finance Minister Sisodia announced about Delhi Budget. The AAP Government will present Delhi's 2020-21 Budget after Holi, Sisodia said while kicking off the budgetary exercise with holding several back to back meetings with officers. He discussed issues pertaining to poll promises made by the AAP in the run up to recently-concluded Assembly elections and

asked officials to make those provisions in the Budget.

Holding another meeting with officials of the trade and taxes department, Sisodia directed it to take steps to prevent tax evasion.

He said, "Earlier, the budgetary exercise used to start from December, but as there was Delhi Assembly election, we could not do so. In the next 20-25 days, we will work hard to prepare the budget and present it after Holi."

Fresh smoke for you! 'Best before' date on cigarette packs

DEEPAK KUMAR JHA ■ NEW DELHI

Cigarette manufacturers may soon have another mandate to "benefit" smokers. Besides the statutory warning and other relevant details, the packets will have to specify "best before" or "expiry" details, on the lines of other edible and consumable items, including medicines.

Sources in the Bureau of India Standards (BIS) said that research is ongoing on the subject as this is the long pending demand of tobacco and gutkha associations and even by the consumers.

"The best before/expiry dates of cigarette packets may be introduced soon and we believe this will in a way also counter fake manufacturing of the cigarettes. Our research team have also found that cer-

tain products had traces of fungus which when inhaled is more harmful," said BIS sources.

Sources clarified that good quality cigarettes are manufactured after taking full precautions in processing of the tobacco to avoid any fungal growth but research has found that it goes stale after a certain period. Illicit cigarettes are on the rise and smoking them impacts the health more.

"Cigarettes don't really expire, they go stale. When a cigarette goes stale it has lost its moisture in the tobacco and tastes differently. Commercial cigarettes usually don't go stale unless the pack has been opened and it usually takes about two days. Usually, people look for an expiration date to make sure something won't taste bad, smell bad, or be bad

SMOKING OUT DOUBTS

- The cigarette packets will have to specify "best before" or "expiry" details, on the lines of other edible and consumable items, including the drugs
- As per the existing BIS norms, a cigarette packet has to specify manufacturer details, month and year of production, length and price besides a toll free call centre and email address

for your health. Hence, work is on to incorporate expiration schedule or the best before date on the cigarette packs which will be in the interest of consumers as well as manufacturer-

ers," the sources said.

As per the existing BIS norms, a cigarette packet has to specify manufacturer details, month and year of production, length and price besides a toll free call centre and email address.

"A pictorial danger sign was incorporated on tobacco products on the directions of the Supreme Court a few years ago and expiration date will be the new addition," the sources said.

India ranks fifth, jointly with Hong Kong and Thailand, in terms of the largest pictorial warning on cigarette packs with 85 per cent of both sides of the packets covered, according to an international cancer society report.

The report found that 118 countries and territories now require pictorial health warn-

ings on cigarette packages, up from 100 in 2016.

A data from World Health Organization (WHO) shows that tobacco use kills nearly six million people in a year. The situation is equally bad in India with estimated number of tobacco users being 274.9 million as per Global Adult Tobacco Survey India (GATS). This includes 163.7 million users of smokeless tobacco, 68.9 million smokers and 42.3 million users of both smoking and smokeless tobacco.

"Cigarettes often come with best before information. While idea of an expiry date would be fine, its compliance is something that regulatory and enforcement agencies will have to deal with. We sincerely hope, as and when this comes into effect, it does take care of the growing menace of the illic-

it cigarettes in the Indian market. Over the years, India has emerged as world's 4th largest market for illegal cigarettes and besides causing huge revenue losses to the Government, it also poses severe risks to national security as illicit trade is known to fund organised crime, across the world," said RS Tiwari of Centre for Public Awareness that works on awareness on illicit cigarettes.

He also added that as per a World Bank Report, illicit cigarettes have severe implications on the health of the nation as the "availability of inexpensive illicit cigarettes increases the likelihood of young people developing addiction — particularly where illicit imports "glamorise" smoking through aspirational brands."

SEXUAL HARASSMENT CASE

HRD to pursue action against Prof Jena

Enquiry was stopped due to Delhi Assembly elections

NEW DELHI

With the electioneering process over in the national Capital and Arvind Kejriwal back at the helm, the Union HRD Ministry is now planning to pursue the initiation of administrative action against a former Central Government employee, currently working as Professor and Dean at Ambedkar University Delhi (AUD), falling under the purview of the Delhi Government.

The don, Professor Sitanshu Shekar Jena, was held guilty of sexual harassment at workplace by HRD Ministry's Internal Complaints Committee during his tenure as Chairman of National Institute of Open Schooling (NIOS). Subsequently, IGNOU, parent cadre, had punished him by reducing his pay band and increments.

Delhi Deputy Chief Minister Manish Sisodia, as Education Minister in his last tenure, had initiated a probe a year ago and a report was to be submitted within seven days but which hasn't been done so far. The inordinate delay in the proceedings has now led the HRD Ministry to pursue the matter as it has received complaints against the AUD Professor.

Jena was appointed by the Delhi Government as Professor and Dean in the AUD School of Vocational Studies almost two years ago. A senior official said now that the elections are over and the Delhi Government is in place, the matter will be expedited and taken up in the first meeting of Education Ministry.

For his part, Jena said he was not aware of the complaints and such matters against him. "I am not a Central Government employee anymore as I have already taken VRS from IGNOU three years ago. When the case, which is

being talked about now, has already been settled then no controversy stands," Jena told *The Pioneer* over phone.

Under the Government rules, sexual harassment invokes a major punishment which includes dismissal from service. IGNOU recently took strict action against an official found guilty of sexual harassment by immediately suspending him and then awarding a major punishment.

"As per the allegation of manipulation against Dr Jena, it was also stated that he was given undue favour by awarding a minor punishment and that too retrospectively which is against rules. Jena also has an inquiry of financial irregularity pending against him when he applied. The Delhi Government probe is expected to look into the role of AUD officials too," sources said at the HRD Ministry.

ED unearths unaccounted ₹3.75 cr cash, 39 kg gold

PNS ■ NEW DELHI

The Enforcement Directorate (ED) unearthed unaccounted cash worth ₹3.75 crore and over 39 kg of gold and silver after conducting raids in Jaipur, Kolkata and Chennai against jewellers associated with an alleged gold-smuggling hawala racket.

The ED claimed that the action under Foreign Exchange Management Act (FEMA) has led to detection of "huge evasion" of customs duty, GST as well as Income Tax. "The ED received reliable input that Maharaja Jewellers (proprietor Tara Chand Soni), Bhagwati Jewellers (owner Ram Gopal Soni) and Ladiwala Associates (owner Honey Ladiwala) of Jaipur were purchasing smuggled gold bars from Harsh Bothra of Chennai and Banka Bullions Pvt. Ltd etc," the agency said in a statement. While acting on the information, it was found that vari-

ous individuals were involved in smuggling of gold bars and subsequent dispatch of those to Jaipur. Gold bars were mainly arriving in Jaipur via Kolkata and had high purity level, it said. The suspects used to remove the foreign mark of manufacturer or bank engraved or embossed on the gold bars and then smuggle those into the country, the ED said. These

bars were then dispatched to various domestic markets by different modes of transportation to evade action from the law enforcement agencies.

The accused jewellers did not account for jewellery manufactured from smuggled gold and illegal funds generated were then transferred through hawala agents based in these cities, the agency said.

Hawala denotes the illegal manner of transferring funds by skirting banking channels and dealing in cash through agents.

"Searches at various premises in Jaipur, Kolkata and Chennai resulted in seizure of unaccounted Indian and foreign currency worth ₹3.75 crore, gold bar and jewellery weighing 26.97 kg and silver weighing 12.22 kg along with incriminating documents. Electronic and digital devices seized are still to be examined and may lead to further details of illegal dealings," the agency added.

India issues strong demarche to Turkey on Kashmir remarks

PNS ■ NEW DELHI

Following its President Recep Tayyip Erdogan's comments expressing concern over the prevailing situation in Kashmir and comparing the "struggle" of Kashmiri people with that of the fight by the Turkish during the World War I, India on Monday issued a strong demarche to Turkey.

In a strongly worded statement, the Ministry of External Affairs (MEA) said Erdogan's remarks reflected neither an understanding of history nor of the conduct of diplomacy and that they will have strong implications on India's ties with Turkey. MEA Spokesperson Raveesh Kumar said India rejected the repeated attempts by Turkey to justify the cross-border terrorism "practised so blatantly" by Pakistan.

"India has made a strong demarche with the Turkish government on the remarks made by President Erdogan on the Indian Union Territory of Jammu and Kashmir during his recent visit to Islamabad. These remarks reflect neither an understanding of history nor of the conduct of diplomacy," Kumar said in a statement.

He said the Turkish President's remarks "distorted" events of the past to advance a "narrow minded" view of the present. "This recent episode is but one more example of a pattern of Turkey interfering in the internal affairs of other countries. India finds that completely unacceptable," Kumar said.

Cong stands for those operating against country's interests: BJP

PNS ■ NEW DELHI

The BJP on Monday condemned the Congress for "giving political colour" to the violence at Jamia Millia Islamia on December 15 last year saying the party criticises security forces and stands for those operating against country's interests.

The BJP reacted after the Congress criticised Modi Government following circulation of a video showing police and paramilitary hitting students with their batons in the university library on December 15 evening. Another video had gone viral in social media captured images with a few masked "students" moving around the library with stones in their hands.

"Congress party is continuously supporting anti-social elements and those who indulge in violence. It raises voice against the security forces and police personnel of the country," BJP spokesperson GVL Narasimha Rao said.

Talking about the second video in which people were seen in the gangway with some covering their faces, Rao asked why were students wearing masks and what were they studying with stones in their hands. "Which academic discipline requires students to wear masks and hold stones while studying?" he asked.

"The Congress party always chooses to stand with those who are inimical to the country and rile up security forces," the BJP spokesperson said.

CAA, NRC, NPR

154 prominent citizens to Prez: False, motivated campaign being launched

PNS ■ NEW DELHI

As many as 154 prominent citizens, including former judges, bureaucrats, armed forces officers and academicians, on Monday, wrote to President Ram Nath Kovind, saying a "false and motivated" campaign is being launched against the CAA, NPR and NRC with a sinister design to harm the nation and sought action against trouble-makers.

In the letter to the President, the citizens urged the Central Government to look into the ongoing protests with all seriousness and safeguard the democratic institutions of the country, and take stern action against those people behind them.

The citizens, including 11 former judges of different high courts, 24 retired IAS officers, 11 former Indian Foreign Service officers, 16 retired IPS and 18 former Lieutenant Generals, said "fear" is being spread across the length and breadth of India which appears to be "motivated and with a sinister design" to harm the nation.

They said the campaign is being carried out in a "coordinated manner" leading to violent protests in which public and private property has been destroyed.

The citizens said there has been a "false and nefarious narrative" about the recently enacted legislations like the Citizenship Amendment Act (CAA) and the idea of the National Population Register (NPR) and National Register of Citizens (NRC).

They said that while the CAA has been enacted, the idea of NPR and NRC which has been a part of the Indian discourse since Independence remains to be implemented.

"This (protests) has grave security implications and does not bode well for our motherland.

"These protests, while ostensibly claiming to oppose the policies of Government of India, are in effect designed to destroy the very fabric of this country and harm the nation's unity and integrity," they said.

The citizens claimed that they strongly feel that there is also an external dimension to the disturbances being created. According to CAA, members of Hindu, Sikh, Buddhists, Jain, Parsi and Christian communities who have come from Pakistan, Bangladesh and Afghanistan till December 31, 2014, facing religious persecution there will not be treated as illegal immigrants but given Indian citizenship.

MHA-appointed panel suggests 1951 cut-off for ILP in Assam

To control movement of people from outside State

PNS ■ NEW DELHI

Union Home Ministry appointed committee has suggested that 1951 should be the cut-off year for defining the indigenous people of Assam and introduction of the Inner Line Permit (ILP) to control the movement of people from outside the State.

The committee has also suggested two formulas for the reservation of seats for the indigenous people in the Assam Assembly and Lok Sabha constituencies of the State, including 67 per cent quota for them.

The high-level committee was set up by the Ministry to suggest ways to provide constitutional safeguards to Assam's indigenous people. The sources said the 13-member panel, headed by Justice (Retd) Biplob Kumar Sharma, finalised its report last week conveyed to the Home Ministry that it was ready to submit it to Union Home Minister Amit Shah and sought

an appointment with him. The report is expected to be submitted this week itself.

The committee, according to the sources, unanimously recommended that those who were residents of Assam in 1951 and their descendants, irrespective of community, caste, language, religion or heritage, will be considered as indigenous people of the state.

Besides, the panel suggested that the ILP should be introduced in Assam so that movement of people from outside the State could be controlled.

As per the rules, outsiders have to take permission from designated authorities before entering the areas where the ILP is applicable.

In case of State Government jobs, the committee recommended 80 per cent reservation for the locals. A number of other recommendations were also given for the protection and growth of Assamese and other indigenous languages.

PERMANENT COMMISSION TO WOMEN IN ARMY

Rajnath Singh welcomes SC ruling

PNS ■ NEW DELHI

Defence Minister Rajnath Singh on Monday welcomed the Supreme Court's judgement on Permanent Commission for women in Army and said Prime Minister Narendra Modi has supported the idea of permanent commission for women and announced the change in policy in his Independence Day speech in 2018.

Tweeting this message he also said, "A historic decision to allow women in field operations came earlier when the then Defence Minister Nirmla Sitharaman announced that women will be inducted into

the Military Police. The recruitment process has started in 2019. The plan was to recruit women in roles ranging from probing crime cases to assisting the army in field operations wherever required," Raksha Mantri said.

"There have been instances where certain women officers have been in the job for nearly 20 years, while SSC term terminates in 14 years. In 2019, the Defence Ministry granted a permanent commission to women in all 10 branches of the Indian Army, including Signal Corps, intelligence, aviation, engineering, service corps and ordnance corps," Singh added. Before 2016, women made

up just 2.5 per cent of India's armed forces, working in mainly non-combat roles. As of January 2019, 3.89 per cent of the army personnel comprised women, while 6.7 per cent of the navy and 13.28 per cent of the air force personnel respectively were women as of June 2019. As of June 2019, women were inducted in all branches of the Indian Air Force, with terms and conditions for women officers being issued from time to time.

Singh said, "The Government is working to strengthen the 'Stree Shakti' in our Armed Forces and we stand committed to move forward in this direction."

BJP Govt disrespected women by arguing they don't deserve command posts in Army: Cong

PNS ■ NEW DELHI

The Congress on Monday said that the BJP Government disrespected Indian women by arguing in Supreme Court that women Army officers did not deserve command posts or permanent service because they were inferior to men.

Congress leader Rahul Gandhi attack on the Government came after the Supreme Court directed the Centre to grant permanent commission to all women officers in the Army within three months, terming the Centre's argument of physiological limitations and social norms for

denying them command posts "disturbing".

Congress general secretary Priyanka Gandhi Vadra on her part said the historic judgment of the Supreme Court has given new wings to the flight of women in the country. "Women are capable -- in the Army, in valor, in water, land and sky. This is a befitting reply to the prejudiced Modi Government, which is opposed to women's power," the Congress general secretary said.

Rahul Gandhi, in a tweet, also lauded the women for standing up and proving the Government wrong. "The Government disrespected every Indian woman, by argu-

ing in the SC that women Army officers didn't deserve command posts or permanent service because they were inferior to men," he said.

He also attached a news report that said the apex court asked the government to grant permanent commission to women in the Army. A Bench headed by Justice DY Chandrachud said there will not be any absolute bar on giving them command postings.

It said women officers in the past have brought laurels to the country and change of mindset is required on the part of the Government to put an end to gender bias in armed forces.

Bihar has become the fourth State in the country to have a bird ringing (tagging) station wherein rings will be placed on legs of winged wonders to study their migration pattern, mortality, territoriality and other behaviour with the help of encrypted codes embedded in the attached tracking device. The other three ringing stations are in Tamil Nadu, Rajasthan and Odisha.

Gujarat on the first day of the opening of the CMS — COP13 (conservation of Migratory species — Conference of Parties) attended by over 2,500 delegates from 111 countries.

"This will be fourth ringing station in India and the first in North India. The pact is for five years in which our

Government will dole out almost ₹5 crore," Bihar Principal Secretary, Environment and Forests, Dipak Kumar Singh said, adding the station will monitor the areas where large no of migratory birds visit such as Nagi Nakti (in Jamui District), Kusheshwarthan (in Darbhanga District), Barailla jheel (Vaishali), Kanwar lake (Begusarai).

He added it is also the first ringing station to be set up with the support of a State Government. The pact was signed by Director BNHS, Pradeep Apte and Bihar's Chief Wildlife Warden, Prabhat Kumar Gupta.

The ringing station will be manned by trained scientists and other technical manpower from BNHS. For monitoring the migratory birds, rings are

Bhagalpur will be the main centre as the Ganges and its Diyara are favourite destination

of migratory birds. Significantly, Bhagalpur is also one of the only three known breeding places of Greater Adjutant in the whole world, apart from Cambodia and Assam.

At these stations, rings are placed on legs of birds. The rings come with chips which help in tracking the origin of the birds and the route taken by these during migration.

An official from the BNHS explained that the ring encrypted BNHS code numbers ensure that wherever a ringed bird dies, is shot or is spotted with binoculars or photographed, the data can be sent back to the organisation and the bird's migration is charted. BNHS has ringed over a million birds at different places in the Indian subcontinent, with the initiation of bird ringing study in India in 1950s.

Sabarimala: Law can regulate offerings at religious places if used for terrorism, casinos, says SC

New Delhi: A 9-judge Bench of the Supreme Court observed on Monday that making offerings at places of worship may be a religious practice, but the law can regulate the money donated at such places if it is used for "terrorism" or "running casinos".

The top court said the old practices of "human sacrifices" and 'sati' amounted to murder under law and could not be saved on ground of "essential religious practice".

The Constitution Bench, headed by Chief Justice SA Bobde, made these observations as it commenced hearing to deliberate upon the issues pertaining to the scope of freedom of religion as also of judicial scrutiny into "essential religious practices" of separate "religious

denominations". The Bench is also examining the issue whether a person, who does not belong to a particular faith, can file a PIL questioning the religious practice of another religion or sect of a religion. The questions have arisen out of a judgement in the Sabarimala case.

"The IPC can be read as the guard against the practice of human sacrifices, because it is murder under the IPC. Likewise 'sati' also amounted to murder... Even a religious aspect can be the subject matter of reform," said the Bench which also included justices R Banumathi, Ashok Bhushan, L Nageswara Rao, MM Shantanagoudar, SA Nazeer, R Subhash Reddy, BR Gavai and Surya Kant. *PTI*

Farmers stage 'chakka-jam', block NH in Kondagaon

Hassle and bustle in paddy procurement centers in closing days

STAFF REPORTER ■
KONDAGAON

Protesting that their paddy was not procured due to unavailability of gunny bags, hundreds of farmers blocked the national highway 30 near Bahigaon village in Kondagaon districts of Bastar region on Monday.

Staging chakka jam, the farmers were also raising slogans against the state government demanding to extend the last date for procurement alleging that there was unnecessary wastage of time in the process.

The highway was jammed for hours and the farmers dispersed only after they were pacified

by sub divisional officer in the evening with a promise that the procurement process would get normal from Tuesday as sufficient gunny bags would be made available at the procurement centers.

According to information there was shortage of gunny bags in nearly 40 of the procurement centers of the region. Though the state government had extended the last day for paddy procurement by five more days, the administration failed to control the hassle and bustle at the end.

Notable, only a couple of days are left for the procurement by government as February 20 is the last date for the process to end.

Nobel laureate lauds C'garh's welfare schemes

STAFF REPORTER ■ RAIPUR

Chhattisgarh Chief Minister Bhupesh Baghel called on Nobel Prize winner Abhijit Banerjee in Boston and discussed steps taken by his government for the state's economic development.

Baghel, who is currently on a 10-day tour to the USA, met Banerjee at the Massachusetts Institute of Technology, Cambridge. The chief minister informed Banerjee about the innovative projects launched in Chhattisgarh, including "Narwa, Garwa, Ghurwa and

Badi" scheme implemented to strengthen the rural economy.

During the one-and-a-half hour discussion, the chief minister informed the Nobel laureate about the 'haat bazaar' clinic scheme, nutrition campaign and ethanol project in the state.

Banerjee lauded the state government's innovative initiatives and emphasized on designing and monitoring of specially marked areas through cluster-based approach for economic decentralization.

On the chief minister's request, Banerjee agreed to visit Chhattisgarh in July this year.

98.4 percent population in C'garh using iodine salt

India Iodine survey: Chhattisgarh among top 10 states with over 90 per cent iodine salt consumption in household

STAFF REPORTER ■
RAIPUR

Chhattisgarh is among the top ten states where over 90 percent houses are using iodine salt. Currently, 93 percent of houses are consuming iodine salt against the national average of 76.3 percent.

It was informed during "experience sharing workshop from adolescent and maternal nutrition program in Chhattisgarh" jointly organised by state health department and Nutrition International here on Monday.

Currently, 98.4 per cent population in the state is using iodine salt.

Officials informed that according to a report from National Family Health Survey and India Iodine Survey 2018-19, there has been 20 percent jump in iodine salt consumption in Chhattisgarh in past few years.

The report was jointly prepared by Nutrition International, AIIMS (New Delhi) and Indian Coalition for the Control of Iodine Deficiency Disorders, they said.

For the first time this

national survey was held across 29 states and seven union territories. The report said that in only ten states and three union territories more than 90 per cent households are using iodine salt and Chhattisgarh is one of them.

During the workshop efforts of the state iodine deficiency disorder cell (IDD cell) were also highlighted. The IDD cell through weekly market and state Public Distribution System (PDS) constantly monitors the quantity of iodine reaching masses in the state.

In this process Woman

and Child development department, Civil Supplies department, Chhattisgarh Medical Service Corporation, Food and Drugs Laboratory, Railway and salt businessmen are also notable stakeholders, officers said.

IDD Cell state program officer Kamlesh Jain informed that iodine is crucial for physical and mental health. It helps in regulating body temperature and iodine imbalance during pregnancy could lead to miscarriage, still birth or mentally weak child. Its deficiency can also lead to stun growth.

BJP may name new C'garh chief soon

STAFF REPORTER ■
RAIPUR

BJP national vice president Raman Singh on Monday revealed that the party was going to announce the name of its new Chhattisgarh chief in a couple of days.

Singh while talking to media persons at his residence in Maulshree Vihar on Monday refused to speculate as to who would adorn the coveted post saying the party's national president

would announce the name of the new chief soon. Replying to a query whether he too was a front runner for the post, the former chief minister said at

present he was national vice president and don't think the national leadership would change his status so soon.

"What is in the name, we are the political party which believes in collective leadership and it doesn't matter who among us is chosen for the coveted post", he added.

He further denied that caste was any parameter to choose the new chief. "It is the performance which matters in our party and the caste is a secondary issue," he said.

BJP shedding crocodile tears on paddy issue, says Congress

STAFF REPORTER ■ RAIPUR

State Congress on Monday accused the BJP of falsely claiming to be a sympathizer of farmers. Congress government in the state crossed the previous record target of paddy procurement and fulfilled its promise of purchasing all paddies from registered state farmers, the ruling party said.

In a statement state general secretary and chairman communication

wing of the Congress's state unit Shailesh Nitin Trivedi said the BJP was shedding crocodile tears on paddy issue and was misleading the state populace.

Refuting the charges that Congress government was insensitive on the paddy procurement and that it failed to procure all the paddies from state farmers, Trivedi circulated a list of data of paddy procurement of previous years.

The Congress government had

purchased 80.38 LMT paddy in 2018-19 at the rate of Rs 2500 per quintal and this year it crossed the previous year's record a couple of days earlier, the Congress leader claimed.

He further said that the BJP had no right to comment on the issue as it had cheated the farmers on paddy bonus issue and had never fulfilled the promises it made in its 15 years regime, he alleged.

Jabarra showcased in Mumbai seminar as eco-tourism hotspot

STAFF REPORTER ■
DHAMTARI

Jabarra in Dhamtari district has got "national recognition" in the field of tourism with district administration showcasing it as an eco-tourism hotspot.

Collector Rajat Bansal, while expressing his views at a two-day workshop-cum seminar organized on "Community Forest Resource Management and Livelihood Opportunities" at Tata Institute of Social Sciences, Mumbai, elaborated on the prospects of tourism at Jabarra and facilities being extended by the district administration.

Collector Bansal, while speaking at the inaugural session of the seminar, threw light on works done for the promotion of tourism in tribal-dominated Jabarra in

the last six months.

He also informed that Chief Minister Bhupesh Baghel had announced to develop Jabarra as an eco-tourism hot spot in August 2019, following which the district administration took several initiatives. At the same time, in view of future challenges, action plans were

prepared to make local villagers self-reliant.

The seminar was attended by speakers and subject experts from across the country. They too appreciated the efforts made by the district administration in Jabarra so far.

Meanwhile, the Collector also extended

invitation to the speakers, educationists, subject experts and representatives of NGOs to have a glance of the models designed to promote eco-tourism in Jabarra. They gladly accepted it and expressed their desire to visit Jabarra. The two-day workshop-cum seminar concluded on Monday.

Naxals burn vehicles, machine engaged in road construction

STAFF REPORTER ■
BALRAMPUR

Naxals on Monday set on fire seven vehicles and machines engaged in road construction work in Balrampur district, police said.

The incident took place in between 10am to 11am near Bandarchua village under Samri police station limits where road construction work is going on under PMGSY (Prime Minister

Gram Sadak Yojna), a senior police official said.

A group of around a dozen armed ultras reached the construction site, which is located around 450 kms away from the capital Raipur on Chhattisgarh-Jharkhand border, and threatened workers to stop the work, he said.

"The Naxals then set ablaze three trucks, two JCB, one mixture machine and a road roller parked there before escaping into jungles of

neighbouring Jharkhand," Balrampur Superintendent of Police TR Koshima said.

Soon after being alerted about it, SP Balrampur rushed to the spot along with a police team and launched a search operation in the area, he said.

The Maoists wreaked havoc after a long period in north Chhattisgarh, a zone, which the state government in the past claimed to have, freed from Left Wing Extremism (LWE).

Paddy rotting at procurement centres, claims BJP

STAFF REPORTER ■ RAIPUR

Bharatiya Janata Party Kisan Morcha president Poonam Chandrakar claimed that lakhs of quintal of paddies started germinating at the procurement centres.

The produce of farmers is most valuable product of the state, but due to failure of the administration it has been destroyed, he alleged, adding the hard work that went into its production has been wasted.

The BJP leader said that all the tall claims of the state government and the officials have been exposed and the farmers have

been denied their rights of early and faster procurement.

Chandrakar further refuted the government's claim of better management of stored paddy at the procurement centres and transportation from centres for custom milling.

He claimed that the party has been regularly raising these issues which were being denied on regular basis.

The BJP leader said that if around 27 lak tonnes of paddy had been damaged only in Rajnandgaon then what will be the status of other centres.

CORONAVIRUS

2 more Indians test positive on cruise ship off Japan

PTI ■ TOKYO

Two more Indians on board a quarantined cruise ship off Japan have been tested positive for the novel coronavirus, taking the number of Indian nationals infected with the virus on the vessel to six, according to an official statement on Monday.

The Indian Embassy here said in a statement that 99 new positive cases on-board Diamond Princess have been confirmed on February 17, bringing the total number to 454. "This included 2 Indian crew members who have been transferred to medical facilities for necessary treatment and quarantine. The number of Indian nationals who have tested positive for COVID-19

now stands at six," it said. "The four Indian crew members who earlier tested positive continue to receive treatment. Their health conditions are stable and responding well to the treatment," it added.

The embassy said it is coordinating with the Japanese Government and ship management company for health and welfare of all Indian national on board.

"The embassy is in constant touch with on board Indian nationals who are successfully braving out the situation and understand public health safety in such situations," the statement said. A total of 138 Indians, including 132 crew and 6 passengers, were among the 3,711 people

on board the ship that arrived at the Japanese coast earlier this month.

The ship was quarantined after a passenger who boarded last month in Hong Kong was found to be the carrier of the COVID-19 on the ship. The Embassy said it was making efforts for early deboarding of all the Indians from the ship after the end of the quarantine period and was in discussions with the Japanese Government and the ship management company for the disembarkation modalities and welfare of Indians.

The US on Monday vacated its 340 nationals from the ship. The US embassy in Japan confirmed two jets took off from Japan with its citizens evacuated from the ship and those on board were expected to undergo a further 14-day quarantine period on US soil.

The US state department later said 14 of the evacuees received had the virus, the report said. China, where the virus outbreak occurred, is grappling to contain the deadly disease as the death toll climbed to 1,770 after 105 more people died, mostly in the worst-hit Hubei province, officials said on Monday.

PM lauds Wuhan evacuation team

"In time of crisis, entire nation stands firmly united"

PTI ■ NEW DELHI

Prime Minister Narendra Modi has lauded the efforts of the Air India crew and medical team which evacuated Indians from the coronavirus-hit China's Wuhan city, saying the rescue operation has reassured the Indian diaspora across the world that the entire nation will stand by them in times of crisis.

A total of 68 AI crew members, six doctors and four nursing officers from Delhi's Safdarjung and RML hospitals, who were part of two special

flights that evacuated 647 Indians and seven Malaysians from Wuhan, were on Monday handed over letters of appreciation signed by the Prime Minister. Commending the "life-saving efforts" of the team, the Prime Minister said the "grit, determination and compassion displayed by the rescue team only goes to prove that the true test of character lies in adversity".

"Strength during adversity gets expression in the collective effort of Air India personnel and the medical team from Safdarjung and Ram Manohar Lohia Hospitals," he said.

Give citizenship to Pak minorities: DSGMC

STAFF REPORTER ■ NEW DELHI

Delhi Sikh Gurdwara Management Committee (DSGMC) demanded grant of citizenship to Pakistani minorities— Hindu and Sikh families— living in jhuggis (slums) and semi-permanent structures in unhygienic conditions on the Yamuna floodplains, south of Gurudwara Majnu Ka Tila.

Addressing the media, along with Pakistani Hindu refugee families on Monday, Manjinder Singh Sirsa president of DSGMC said 60 families have reached in New Delhi from Pakistan between February 2 to 16, while 10 families have reached few days ago. "Around 160 refugee families living in Delhi should be granted Indian citizenship on priority."

Majority of the migrant refugee members are professionally qualified and willing to contribute to growth and economy of the India," he said.

Sirsa said that he spoke to Union Home Minister Amit Shah in this regard and he was very positive to their demand. "The Union Minister has already instructed union Home Secretary to find out any

viable legal alternative to ensure dignified living to these families who have reached India leaving behind their movable and immovable properties in Pakistan.

He also demanded that their visa conditions be relaxed at the earliest so as they could move in other parts of the country seeking employment and education avenues to their children and told that at present their visa is restricted to Delhi

or Haridwar which has put restriction on their movement and they are unable to explore avenues and opportunities in other parts of country. "A delegation of these Hindu and Sikh families will meet Union Home Minister to thank the Government for Citizenship Amendment Act Bill which has paved the way and hope for persecuted minorities in Pakistan," he added. "These refugee families

should be extended all facilities, privileges and benefits as per international laws applicable to refugees to ensure dignified life to them as per international charter.

Delhi Government and civic agencies in the national capital should provide opportunities like Kiosk or teh bazari etc to these families to lessen their dependence on charity organisations and other government agencies," he said.

Centre to implement 'One Nation One Ration Card' scheme

PNS/CHANDIGARH ■ AMRITSAR

To further improve the public distribution system at pan India basis, the Central Government will implement 'One Nation, One Ration Card' scheme in the country soon, Union Minister of State for Consumer Affairs, Food and Public Distribution Raosaheb Dadarao Danve said on Wednesday.

He said with the implementation of 'One Nation One Ration Card' scheme, any beneficiary would be allowed to get food security benefits from any PDS (public distribution system) Depot across the country as per the guidelines.

The Union Minister was in the city to attend a meeting with the officials from Food Supply and Consumer Affairs Department, PUNSUP and Warehouse related with wheat procurement.

Danve, interacting with the media persons, informed that for effective implementa-

tion of this new scheme, 12 clusters have already been established in the country and the scheme will be implemented in the coming days.

"This scheme will provide a sturdy apparatus to the PDS system in the country as under this new scheme, the consumers need not to apply new ration card in view of migration to other areas of the country," he said.

As the same card will be applicable all over the country, the consumer beneficiaries would be able to buy subsidised food items from any ration depot in the country as per stipulated norms, added Danve.

He further revealed that out of total 332 lakh metric tonnes (LMT) procured wheat at national level, Punjab contributes about 129 LMT. Similarly, Punjab contributes about 113 LMT in the aggregated procurement of rice that touches 416 LMT mark in the country. Danve further said that as the wheat procurement

would start in the coming weeks, the main purpose of his visit was to discuss the arrangements to run the wheat purchase smoothly. "To store wheat on scientific techniques, silos are being set up with capacity of 100 LMT and the Union Government has also fixed a target to set up the silos with 700 LMT storage capacity in the country," he said. He added that to store 33.5 LMT wheat, 92 sites have been selected in Punjab and preparation work was already in progress.

"Till January 31, there was 96 LMT wheat in store and the same is being shifted to Maharashtra so that the sufficient space would be available for the wheat to be procured in the coming season," added Danve after the state Food Supply Corporation general manager Arshdeep Singh Thind urged him to vacate the storage sites as soon as possible keeping in view the coming wheat procurement season in Punjab.

AAP to spread its wings in UP, drive from Feb 23

STAFF REPORTER ■ NEW DELHI

After winning 62 seats in the Delhi Assembly polls, Aam Aadmi Party (AAP) aims to take the "Arvind Kejriwal model of development" to Uttar Pradesh and strengthen its base in the State. The party will launch a massive membership drive in Uttar Pradesh from February 23, said senior party leader and Rajya Sabha MP Sanjay Singh. Singh said "The AAP's massive membership drive will be launched from Lucknow on February 23 and continue till March 23 where people can become members of the party by physically reaching out to our offices and getting receipts, by giving missed calls or by enrolling through our website."

He also slammed the Bharatiya Janata Party (BJP) for its politics of "hate" during the run up to the Delhi polls and also criticised Chief Minister Yogi Adityanath over a host of issues, especially law and order. The party's senior leader Gopal Rai on Sunday formulat-

ed a three-point action plan with a tagline "Join AAP for nation building" campaign to expand nationally. Senior AAP leader and Delhi Minister convened a meeting of the State office bearers and in-charges in the Chief Minister's residence in Delhi to deliberate upon the party's future plans to expand nationwide. The meeting was held after the oath-taking ceremony of Arvind Kejriwal as the Chief Minister of Delhi third time consecutively and other cabinet ministers on Sunday.

Incidentally, the party has also launched an extensive campaign to invite people to take part in the nation building by joining

AAP by giving a missed call on 9871010101. Posters inviting the people to join the 'Nation Building' campaign using the missed call number - 9871010101, shall be published in all legislative assembly constituencies in India. It will also take part in municipal elections in other states.

Nearly 15 lakh people have already joined the party through its missed call campaign till February 11. The three point action plans contains a state-level meeting of all active volunteers and office bearers shall be conducted immediately.

Punjab sets 15-day deadline for ULBs to make cities 'garbage-free'

PNS ■ CHANDIGARH

To make Punjab's cities 'garbage-free' by ensuring 100 percent lifting of garbage heaps from every nook and corner of the cities, Punjab Local Bodies Minister Brahm Mohindra on Monday set 15 days deadline for all the Urban Local Bodies (ULBs). The Minister also directed the ULB authorities to check the menace of stray cattle by bringing other stakeholders, social organization and NGOs on board.

The directions by the Minister came while he was presiding over a high-level review meeting of the Department. Mohindra directed all the Mayors and Municipal Commissioners to lift every bit of garbage from the jurisdiction of the cities, and set a 15-day deadline for them to make cities 'garbage-free'.

At the same time, he assured them full support from the Government in this work but demanded a reciprocal commitment from them to complete this task within 15 days. "The ULBs, who would achieve this target in lesser time, would be rewarded by the State Government in a befitting manner whereas the authorities at those ULBs, who would fail to execute the task in the stipulated time, would have to face the music," said the Minister.

The Local Bodies Minister, highlighting the virtues of 'one time settlement policy' for the recovery of arrears of water and sewerage charges in the Urban Local bodies, which has recently been notified by the department, called upon the various authorities at the ULBs to launch aggressive awareness campaign to sensitize the citizen to urge them to pay their outstanding amount.

"By doing so, the ULBs could generate adequate revenue at their end," he said. Similarly, the Minister asked them to realize the pending revenue from the building department. The Minister asked them to plug the gap in collecting the property tax by making a point that in the recent past around one lakh new electricity connections were given in the urban area of the State but the estimation of property tax was not increased in that proportion.

He directed the ULBs to immediately float the tenders for putting up an advertisement at designated places of the ULBs which would garner bountiful revenue for them. Mohindra also gave a clarion call to the ULBs to check the stray cattle menace which is posing serious socio-economic danger before the civilized society and daily claiming innocent lives across the State.

He directed the officers at ULBs to personally visit the gaushalas in their districts and to make an accurate inventory of the stray cattle housed therein.

He said that the government is providing ₹32 per cattle as maintenance charges to the gaushalas as per the headcount of stray cattle providing by the management of the gaushalas, so the headcount of cattle must be crosschecked by the officers of the ULBs.

CORONAVIRUS

99 more cases on Japan cruise ship: Media

Tokyo: An additional 99 people have tested positive for coronavirus on a cruise ship off the Japan coast, Japanese media said on Monday, citing new figures from the health ministry.

That would take the total number of positive cases on the Diamond Princess to 454. The health ministry declined to confirm the reports immediately.

It was also not clear whether the figures included 14 US citizens who tested positive for the virus but were allowed to board evacuation flights home.

The Diamond Princess vessel moored in Yokohama near Tokyo has become the second-largest cluster of coronavirus cases outside the epicentre in China.

Passengers have been largely confined to quarters since

February 5 with only brief and occasional breaks to take air on deck — with face masks.

The quarantine period is over on Wednesday but many countries have decided to repatriate their citizens after an

alarming climb in cases on board.

The US was the first country to evacuate its citizens from the ship but Australia, Canada, Italy and Hong Kong have indicated they will follow suit.

On land, cases in Japan have risen to 65, with authorities warning that the outbreak is entering a "new phase" and advising people to avoid large gatherings.

A public celebration of the

new emperor's birthday on Sunday has been scrapped and organisers of the Tokyo Marathon scheduled on March 1 are reportedly considering cancelling the amateur part of the race.

Trading quarantines, Americans from cruise land in US

Travis Air Force Base: One of two charter flights carrying cruise ship passengers from Japan landed at a California air force base early Monday, starting the clock on a quarantine period to ensure passengers don't have the new virus that's been spreading in Asia.

A plane carrying American passengers touched down at Travis Air Force Base in northern California just before 2:30 a.m., local time. Another flight was headed to Lackland Air Force Base in Texas.

Japan's Defence Minister Taro Kono had tweeted earlier that Japanese troops helped transport 340 US passengers on 14 buses from Yokohama port to Tokyo's Haneda airport. About 380 Americans were on the cruise ship.

Donald Trump calls for Russia to stop backing Syrian 'atrocities'

Washington: President Donald Trump has called for Russia to end its support for the Syrian regime's "atrocities" as he expressed US concern over violence in the Idlib region, the White House said.

In a call with Turkish President Recep Tayyip Erdogan, Trump "expressed concern over the violence in Idlib, Syria and... Conveyed the United States' desire to see an end to Russia's support for the Assad regime's atrocities."

President Bashar al-Assad's forces made new gains Sunday in their offensive against the last major rebel bastion in the northwest region of Idlib.

Backed by Russian air strikes, Syrian government forces have kept up the assault in Idlib and areas of neighbouring Aleppo and Latakia provinces since December.

On Sunday, after clashes and air strikes, regime forces "were in control of all the villages and small towns around

Aleppo for the first time since 2012," the Syrian Observatory for Human Rights said.

The Russian-backed offensive has triggered the largest wave of displacement in Syria's civil war, with 800,000 people fleeing since December, the United Nations says.

In the Saturday phone call with Erdogan, Trump also "reiterated that continued foreign interference in Libya would only serve to worsen the situation."

Libya has been mired in chaos since a 2011 NATO-backed uprising killed long-time dictator Moammar Gadhafi, with two rival administrations vying for power.

States including Russia, France, the United Arab Emirates, and Egypt support strongman Khalifa Haftar, while the UN-recognised Government of National Accord is backed by Turkey and Qatar.

WHO experts join field inspections in China

Beijing: Top WHO experts, including from the US, have joined the fight against the novel coronavirus in China that has claimed 1,770 lives, as Beijing stepped up its efforts by deploying 30,000 more medical staff in the worst-affected Wuhan city to contain the spread of the epidemic.

China's National Health Commission (NHC) said on Monday that 105 people died of the virus on Sunday while 2,048 new cases of infection have been confirmed, taking the total number of COVID-19 infected cases to 70,548, the state run

Xinhua news agency reported.

Of the new deaths, 100 were reported from the central Hubei province, three in the central Henan province, and two in the southern Guangdong province. The efforts to combat coronavirus picked up pace with the global experts mobilised by the World Health Organisation (WHO) joining hands with their Chinese counterparts.

China has confirmed that the WHO team reportedly comprising 12 members includes experts from the US, which has been a major demand from Washington.

China asks recovered patients to donate plasma for virus treatment

Beijing: Chinese health officials on Monday urged patients who have recovered from the coronavirus to donate blood so that plasma can be extracted to treat others who are critically ill.

Drugmakers are racing to develop a vaccine and treatment for the epidemic, which has which killed 1,770 people and infected over 70,500 people across China.

Plasma from patients who have recovered from a spell of pneumonia triggered by COVID-19 contains antibodies that can help reduce the virus

load in critically ill patients, an official from China's National Health Commission told a press briefing Monday.

"I would like to make a call to all cured patients to donate their plasma so that they can bring hope to critically ill patients," said Guo Yanhong, who heads the NHC's medical administration department.

Eleven patients at a hospital in Wuhan received plasma infusions last week, said Sun Yanrong, of the Biological Center at the Ministry of Science and Technology.

Armed gang steals toilet rolls in panic-buying Hong Kong

Hong Kong: A gang of knife-wielding men jumped a delivery driver in Hong Kong and stole hundreds of toilet rolls, police said Monday, in a city wracked by shortages caused by coronavirus panic-buying.

Toilet rolls have become hot property in the densely packed business hub, despite government assurances that supplies remain unaffected by the virus outbreak.

Supermarkets have found themselves unable to restock quickly enough, leading to sometimes lengthy queues and shelves wiped clean within moments of opening.

There has also been a run on staples such as rice and pasta, as well as hand sanitiser and other cleaning items.

Police said a truck driver was held up early Monday by three men outside a supermarket in Mong Kok, a working-class district with a history of "triad" organised crime gangs.

German far right arrests reveal 'shocking' mosque attack plot

Berlin: Members of a German extreme right group arrested last week were believed to have been plotting "shocking" large-scale attacks on mosques similar to the ones carried out in New Zealand last year, a government spokesman said Monday.

Officials said that investigations into 12 men detained in police raids across Germany Friday had indicated they planned major attacks, following media reports over the weekend the group aimed to launch several simultaneous mass-casualty assaults on Muslims during prayers.

"It's shocking what has been revealed here, that there are cells here that appear to have become radicalised in such a short space

of time," interior ministry spokesman Bjoern Gruenewald told reporters at a Berlin press conference.

"It is the task of the state, and of course of this government, to protect free practice of religion in this country, with no reference to what religion it might be," Chancellor Angela Merkel's spokesman Steffen Seibert said.

"Anyone practising their religion in Germany within our legal order should be able to do so without being endangered or threatened". According to media reports, the group planned to use semi-automatic weapons to ape last March's attacks in Christchurch in New Zealand in which 51 people were killed at two mosques.

Church pastor among 24 killed in Burkina Faso attack

Ouagadougou: Gunmen killed 24 men, including a church pastor, and kidnapped three others on Sunday in Burkina Faso, an official said. It was the latest attack against a religious leader in the increasingly unstable West African nation.

The mayor of Boundou commune, Sihanri Osangola Brigadie, said the attack occurred in the town of Pansy in Yagha province. The roughly 20 attackers separated men from women close to a

Protestant church. At least 10 other people were injured.

"It hurt me when I saw the people," Brigadie said after visiting some of the victims in the hospital in Dori town, 180 kilometers (110 miles) from the attack. The gunmen looted oil and rice from shops and forced the three youth they kidnapped to help transport it on their motorbikes, he said.

Both Christians and Muslims were killed before the church was set on fire, said a

government security official in Dori who spoke on condition of anonymity because they weren't authorized to speak to the media.

Attacks have targeted religious leaders in the area in the past. Last week, also in Yagha province, a retired pastor was killed and another pastor was abducted by gunmen, according to an internal security report for aid workers seen by The Associated Press.

Extremist violence has dra-

matically escalated in once-peaceful Burkina Faso. Analysts are concerned that attacks against civilians, including against Christians, are increasing "at an alarming rate," said Corinne Dufka, West Africa director for Human Rights Watch. "Perpetrators use victims' links to government or their faith to justify the killings, while others appear to be reprisal killings for killings by the government security

forces," she said.

More than 1,300 civilians were killed in targeted attacks last year in Burkina Faso, more than seven times the previous year, according to Armed Conflict Location and Event Data Project, which collects and analyzes conflict information.

The insecurity has created a humanitarian crisis. More than 760,000 people are internally displaced, according to the government.

Rwandan dissident singer found dead in custody: police

Kigali: A popular Rwandan singer whose music was banned by the ruling regime "committed suicide" in custody, police announced Monday, three days after he was caught trying to flee the country.

Kizito Mihigo, a survivor of the Rwandan genocide whose songs angered the government of strongman President Paul Kagame, was found dead in a police cell in the capital Kigali around 5am (0200 GMT).

Mihigo, who was sentenced to 10 years' jail in 2015 for conspiracy against the government but later released on pardon, was captured trying to cross the border in Rwanda's south.

Police spokesperson John Bosco Kabera said he was visited by family members and his lawyer during his detention.

"Investigations have begun to ascertain why he committed suicide," he said.

Mihigo fell foul of the ruling RPF in 2013 after composing songs that questioned the government's tight control of the legacy of the 1994 tragedy.

His music, once popular by ruling elites, was swiftly banned. Two years later he was accused of terrorism and raising support for an opposition political movement and sentenced to 10 years in prison.

His lawyers said prosecutors had little evidence to jail him. He was released on presidential pardon in September 2018.

Mihigo is not the first figure to die in mysterious circumstances under police custody in Rwanda.

Eight killed in suicide bombing in Balochistan

Karachi: A powerful suspected suicide bombing at a religious rally in Pakistan's restive Balochistan province killed at least eight persons, including policemen, and injured 23 others on Monday, according to media reports.

The bombing took place during the religious rally at the Quetta Press Club near the Shahrah-i-Adalat road. Several vehicles parked in the vicinity have also been damaged due to the impact of the blast, Dawn newspaper reported.

The attack came the same day UN Secretary-General Antonio Guterres, who is in

Pakistan, termed the improved security situation in Pakistan as "absolutely remarkable".

Security personnel have cordoned off the area and are conducting a search operation. Officials added that the nature of the blast has not yet been ascertained.

At least eight persons, including policemen, were killed and 23 others injured in the incident, Duniya News reported.

No group took responsibility of the attack but Baloch nationalists and the Taliban militants were involved in such attacks in the past.

Taliban kill five Afghan soldiers despite violence reduction hopes

Kabul: At least five Afghan soldiers were killed when Taliban fighters stormed their base in northern Afghanistan, officials said Monday, as the country waits for an expected "reduction in violence" before a US-Taliban deal.

The attack happened in Shora Khak area of volatile Kunduz province on Sunday, days after US Defense Secretary Mark Esper said an agreement with the Taliban was in place for a "conditions-based" seven-day reduction in violence.

"Unfortunately, five army soldiers were martyred and three wounded," the Afghan defence ministry said in a statement, adding that Taliban fighters also suffered casualties. Enhamuddin Rahmani, a spokesman for Kunduz police, told AFP the fighting lasted several hours and both sides suffered casualties.

The Taliban's official spokesman Zabihullah Mujahid claimed on Twitter that the militants had killed 19 security forces in the attack.

GLOBE TROTTER

LARGEST MASS GRAVES UNCOVERED IN BURUNDI

Nairobi: Authorities in Burundi say they have opened six mass graves containing more than 6,000 bodies from unrest that occurred decades ago, the largest such discovery in years of work. The East African nation has been unearthing such graves from a past that includes massacres along ethnic lines.

QUAKE RECOVERY: ALBANIA HOPES FOR 400 MM EUROS

Brussels: Prime Minister Edi Rama warned Monday that Albania will be "in trouble" if a donor conference does not pledge at least 400 mm euros to help it recover from a powerful earthquake. The impoverished Balkan State was hit by a 6.4-magnitude quake in Nov, killing 51 people, leaving 17,000 homeless and creating a recovery bill of more than a billion euros, according to an official assessment.

DEATH PENALTY URGED OVER JAPAN CARE HOME MASSACRE

Tokyo: Japanese prosecutors on Monday called for a 30-year-old man to be executed for allegedly murdering 19 disabled care home residents in one of the country's worst mass killings. Satoshi Uematsu, a former care home employee, did not dispute his involvement in the 2016 stabbing rampage during his first court appearance last month in Yokohama.

UK issues severe flood warnings, storm injures 9 in Germany

London: Britain issued five severe flood alerts on Monday, warning of a danger to life after Storm Dennis dumped weeks worth of rain in some places.

It gale-force winds also injured nine people in weather-related car accidents in Germany and caused flooding and power outages elsewhere in northern Europe.

The severe flood warnings were for the central English counties of Worcestershire, Herefordshire and Shropshire. The Met Office, Britain's meteorological agency, issued another 221 flood warnings for England, along with 24 for

Wales and 12 for Scotland.

The weather system brought winds of more than 145 kph (90 mph) and up to 150 millimeters (6 inches) of rain over the weekend. Forecasters said river levels in parts of northern England had yet to reach their peak. In the northern England city of York, authorities were piling up more than 4,000 sandbags as the River Ouse continued to rise. It's expected to peak on Tuesday.

Other residents in parts of Wales and western England were cleaning up on Monday after the storm flooded roads, railways, homes and disrupted travel across Britain.

SC allows women officers to get command positions in the Army and quashes use of gender stereotypes as an argument

Thanks to the Supreme Court, women officers in the Army can now get command positions at par with male officers and break the glass ceiling in the forces. In non-combat roles for the time being. However, the sad part is that they had to fight for it legally rather than being naturalised in the just order of things, considering that they were inducted in the Army in 1992, a long 28 years ago. An entire generation has grown up in between. In this sense, the ruling is more than significant, it is a landmark. For it reminded the armed

forces that as part of an institution that codified discipline, values, honesty, decency and honour, their despotic version of patriarchy, preventing women from leading men beyond event parades, was "discriminatory" and "disturbing." In fact, it went against the very principles of equality and fairness that the Army professes from time to time. In the process, the court also underlined the need for a mindset change in the evolutionary flow of changing times, not just in the Army but everywhere. It said that deep-rooted stereotypes, that men are dominant and women are primary caretakers, need to go away. It even dismissed the argument of women being unfit physically and compromised by family duties as creating an "artificial" distinction, considering that they have still not been cleared for active combat. The court demolished all chauvinist arguments that can be used as a precedent in deciding similar cases of gender parity, tersely: "To cast aspersions on gender is an affront to their (the women's) dignity and to the country. Time has come that women officers are not adjunct to their male counterparts. Physiological features of women have no link to their rights. The mindset must change. Women work shoulder to shoulder with men." With these words, Justices DY Chandrachud and Ajay Rastogi upheld the equality of opportunity for all citizens, elevating functionality above gender and treating human resource in any discipline as deserving of respect than either an entitlement or a consolation prize. It also implied that cultural arguments have no place when it comes to the larger duty of protecting the nation. The court, knowing the tendency of institutions to not follow its orders, said permanent commission would be available to all women, regardless of their years of service and that the judgment had to be implemented within three months. What all this means is that service conditions of men and women officers will be exactly the same and that the latter shall also be provided with choices of specialisation like their male counterparts. A woman can rise to the rank of Colonel and even lead battalions. Women officers, who have been retired, will also get pension benefits.

If the court had to admonish one of the highest institutions of the land — one that is expected to rise above societal ills and be progressive and liberal — on gender injustice, then clearly it is confirmation of inherent biases among the privileged, too. Where women officers can be test cases but not decisive enough, where they may be relegated to staff duties but not challenge the male bastion. The Government's regressive stand on limiting women's role in the Army is hypocritical considering its own departments have had all-women marching contingents in Republic Day parades, the Indian Air Force (IAF) allows them to become fighter pilots and the Army has even sent them to tough UN peacekeeping missions globally. Unless they were just tokenism to boost propaganda than really honour winners of the Seva medals and Vishisht Seva medals. The next question, therefore, is should the buck stop with just entrusting greater responsibility to them? Are women just worthy of being included in non-combat roles only? In actuality, like their male counterparts, they, too, give up on all familial commitments to be part of the Army. They, too, undergo the same rigorous selection and training procedures as their male peers. None is arguing that the Army lower its standards. But if women have made it through all kinds of selection criteria, then they should at least be given a chance to prove their mettle. For they are often made a scapegoat for the failure in upgrading standards and changing the status quo. The issue is not only about whether women can be inducted in combat roles but how to make it happen with a radical overhaul of personnel policy. Other nations, including the US, Australia, Canada, Denmark, France, Germany and Israel, allow women to be part of certain combat units. By resisting change, the Army wouldn't want to be out of sync with an India that is resetting itself. Certainly, it doesn't suit its image when the court has to prod it all the time. It needs to be the initiator, not a follower.

Smashing heads

Young people will always find innovative ways of getting hurt for thrills. But the latest game craze is plain stupid

When you are young, you feel invincible. And because death feels so far away, you tend to take physical risks that you never will once you cross the 30s. Nobody is saying that older humans are boring and refuse to take challenges. But the physical ability to take risks is far reduced by simple physiology. There is a reason why an average infantryman is 22 years old; you would not want to go to war with a physically old army. But thanks to young people pulling off crazy stunts, we have seen the proliferation

of adventure sports and some death-defying feats of human achievement. This has been the story ever since human beings gained cognisance of the idea of "self", which after all, separates us from animals. Until the dare tempts death.

From every generation, some activity or the other emerges that the adventure sports X-Games might take up. But the latest challenge by the young, called the "Skull breaker" is downright stupid and has parents across the world in a state of panic. As the name implies, the challenge is not a smart one. It involves a trio of teens, who stand in a line and jump, and when the central participant's feet leaves the ground, his/her companions on either side attempt to knock his/her feet out from under them. The prospect of the central participant making a head-fall backwards, with chances of smacking his/her head besides injuring other parts of the body, looms larger. Some children have already been fatally injured and many are suffering the impacts of a concussion. It is beyond one's rational understanding as to why would anyone want to get a concussion deliberately. However, there are a few things that we must understand: Banning this practice will not end it. The best way to deal with this is to talk to adults at social media firms and actively prevent the widespread sharing of videos. The second way is for parents, teachers and doctors to talk to children and explain what a concussion is and how it can have long-term ramifications. One can get a concussion or an injury while playing sports, particularly contact sports. That is accidental; this stupid activity causes self-harm and it must be classified as such. We must ensure that it is one that is end-hard and not emulated by future generations while ensuring that the creative physicality of the next generation continues. Just like an army of youth needs a grizzled veteran to maintain discipline and order, this army of children needs some common sense from adults.

Pseudo-Caliphate and India

By throwing his weight behind Islamabad on the Kashmir issue, Erdogan unambiguously signalled his intention to emerge as the imam of the new Caliphate he hopes to lead

SANDHYA JAIN

Even if we overlook the facts about which nation is "occupying" Kashmir, by stating that there is "no difference between Gallipoli and occupied Kashmir", Turkish President Recep Tayyip Erdogan unambiguously signalled his intention to emerge as the "imam" of the new (pseudo) Caliphate he hopes to lead by 2023, the centenary of the Turkish Republic. Addressing a joint session of Pakistan's Parliament (February 14), he lauded sacrifices made by it in the war on terror and the "positive contributions" it made to the Afghanistan peace process and promised support during the Financial Action Task Force (FATF) meet in Paris (February 16-21, 2020). His denunciation of US President Donald Trump's Mideast plan hints at an eventual challenge to Riyadh in the region.

Erdogan's determination to restore the Caliphate has created a visible schism between the Arab States formally led by Saudi Arabia and the non-Arab States led by Turkey. A nascent axis is discernible between Turkey, Malaysia and Pakistan; Iran and Qatar complete the anti-Riyadh alignment. Erdogan declared in February 2018, "The Republic of Turkey is a continuation of the Ottoman Empire... the essence is the same, soul is the same..." Unsurprisingly, Ankara has emerged as the new hub for anti-India activities by Pakistan's Inter-Services Intelligence (ISI). Unknown to most people, Turkey has universal jurisdiction laws as part of its domestic laws. Article 13 of the Turkish Penal Code states, "Turkish law shall apply to" the crime of torture "committed in a foreign country whether or not committed by a citizen or non-citizen."

Khalistanis tried to invoke these laws. Sikhs for Justice, a group working for a referendum ("Referendum 2020") to create Khalistan, is believed to be funded by the ISI. In October 2018, its legal advisor, Gurpatwant Singh Pannun, filed a case against Punjab Chief Minister Captain Amarinder Singh when he visited Turkey to pay homage at Gallipoli to soldiers from the First Patiala Infantry Regiment (now 15 Punjab), who lost their lives in World War I, on the centenary of the Great War.

Pannun went to Gallipoli to secure an arrest warrant and restrain the Punjab Chief Minister from leaving Turkey. As the Captain was on a non-official trip, he lacked diplomatic immunity as under the Vienna Protocol, only the Prime Minister and External Affairs Minister are "protected persons" when abroad in personal capacity. In Pakistan, Erdogan lauded a 1915 rally in Lahore, led by Allama Iqbal, where people from present-day Pakistan supported the Turkish people and blatantly ignored the sacrifices made by Indian soldiers at Gallipoli (Battle of Canakkale), possibly because the bells tolled for the Ottoman Empire. Turkey's domestic laws explain why ex-

IAS officer Shah Faesal was going to Turkey on August 14, 2019, soon after the Centre abrogated Article 370 and divided the State of Jammu & Kashmir into the Union Territories of Jammu and Kashmir and Ladakh. It is possible that some foreign mentors asked Faesal to invoke these laws in Turkey. He was to file a case of human rights violations against Indian Home Minister Amit Shah, Defence Minister Rajnath Singh, the then Chief of Army Staff Gen Bipin Rawat and others, on behalf of his political party, Jammu & Kashmir People's Movement (JKPM).

Media reports stated that from Ankara, Faesal was likely to try to take the Kashmir issue to the International Court of Justice (ICJ) at The Hague, the Netherlands. But this would not take off for want of jurisdiction; no individual can file a case in the ICJ, only States can. Of course, his arrival in the Netherlands would be embarrassing for India.

But if Faesal really wanted to go to The Hague, he could have taken a direct flight to Amsterdam. His plan was to exploit Turkey's Article 13 universal jurisdiction law. Some human rights NGO would receive him at Ankara, where he would be lionised as a civil service topper (2010) and Harvard alumni who quit a Government job to protest against the activities of the Indian State in Kashmir. Actually Faesal

“ANKARA HAS EMERGED AS THE NEW HUB FOR ANTI-INDIA ACTIVITIES BY PAKISTAN'S ISI. UNKNOWN TO MOST PEOPLE, TURKEY HAS UNIVERSAL JURISDICTION LAWS AS PART OF ITS DOMESTIC LAWS. ITS ARTICLE 13 APPLIES TO THE CRIME OF TORTURE 'COMMITTED IN A FOREIGN COUNTRY BY A CITIZEN OR NON-CITIZEN.' KHALISTANIS TRIED TO USE IT BEFORE

resigned from the service in January 2019 in order to enter politics. However, the sudden split of Jammu & Kashmir and freeze on political activity nixed his unborn political career, leaving NGO activism his only alternative.

Had he reached Ankara, the international media would have splashed Kashmir on the front pages of all important newspapers and magazines and the Indian media would follow suit, thus making Faesal the global face of the anti-India Islamic movement. Once he managed to file a case in Turkey, Islamabad would almost certainly have followed up by filing a case against India at the ICJ, where it has suffered reverses in the Kulbhushan Jadhav case.

However, Faesal's mentors could not anticipate the look-out notices for Kashmiris trying to leave the country; he was caught at the airport, sent back to Srinagar and placed in preventive custody. He has now been booked under the Public Safety Act (February 15).

This argument can be corroborated from Pakistan Prime Minister Imran Khan's tweet on August 15, 2019, where he invoked Srebrenica, site of the 1995 genocide of over 8,000 Bosnians by the Bosnian Serb Army led by Ratko Mladic. Khan tweeted: "Will the world silently witness another Srebrenica-type massacre and ethnic cleansing of Muslims in

IOK? I want to warn the international community if it allows this to happen, it will have severe repercussions and reactions in the Muslim world setting off radicalisation and cycles of violence." The talk of "massacre and ethnic cleansing" of Kashmiri Muslims is, of course, pure bunkum but the tweet suggests an ISI hand in the aborted Turkish escapade.

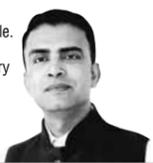

Meanwhile, Erdogan has been cultivating separatist, religious and business leaders and Islamic groups in Kashmir after the tweaking of Article 370; this goes deeper than his traditional support to Pakistan at the Organisation of Islamic Conference. Previously also, he supported Pakistan in the FATF. While addressing the UN General Assembly on September 25, 2019, he chided the international community for not paying proper attention to Kashmir over the past seven decades.

Interestingly, soon after the FATF and UNGA meetings, the Indian Overseas Congress headed by Rahul Gandhi loyalist Sam Pitroda opened an office in Istanbul in November 2019. Possibly the Congress hopes to recover its once-committed Muslim vote bank by cultivating the emerging Caliphate; the repercussions on India's internal affairs will need careful observation. Corrupt rule the roost

Sir — Interestingly, though the electoral bonds (corporate-sponsored cash money to political parties excluding goods and services tax and without the donor's name) scheme was originally formulated for the Lok Sabha polls, the window for the sale of bonds was opened before the Assembly elections as well. The last instance for this was seen in the just-concluded elections in Delhi.

As per the election watchdog, the Association of Democratic Reforms (ADR), in the run-up to the Delhi Assembly elections, 139 electoral bonds (78 bonds were worth ₹1 crore each, 34 bonds worth ₹10 lakh each while the remaining 27 bonds were worth ₹1 lakh each) worth ₹81.67 crore were sold by various branches of State Bank of India (SBI).

So far, ₹6,210 crore have been donated through this method ever since the scheme began. In the name of election reform, this electoral bond scheme is the invention of the BJP. This is yet another way of concealing facts and encouraging corruption without a trail.

The dark side of Indian politics

If the ever-rising number of criminal cases against politicians is anything to go by, politics and crime seem inseparable in India. At present, over 40 per cent of the Lok Sabha MPs have criminal cases pending against them. The Representation of the People Act, 1951, does not bar politicians from contesting polls. It just states that individuals punished with a jail term of more than two years cannot contest an election for six years after the jail term has ended. Shortcomings in the RPA cannot be ignored. Nevertheless, it's welcome that in a fresh initiative to cleanse the electoral system, the Supreme Court has directed parties to upload details of criminal cases pending against candidates in the poll fray on their respective websites. According to statistics, in 2004, about one in four MPs had criminal cases against them. However, the frequency grew to about one in three between 2009 and 2014. Last year, it was much closer to one in two. If almost every other MP stands accused of a serious crime, something is seriously wrong with the choice made by parties. The apex court has done well to reiterate its concern but it could have drawn the line by exerting moral force on political parties, which are clearly violators.

The top court has repeatedly asserted that it's the voter's democratic right to know about a candidate's criminal antecedents, if any. These details help the citizens

make an informed choice. Despite landmark judgments, parties and contestants are reluctant to do the needful for the obvious reason that such disclosure can harm their poll prospects. This time, too, the onus of cleaning the system has been put on the Election Commission (EC). It has been made responsible for enforcing the court's order so as to ensure "transparency." But at a time when the institution itself is toothless, how can it change the situation on the ground? The EC should be granted the power to disqualify candidates and de-register parties in case of concealment of vital information and other grave electoral offences.

Law-abiding citizens believe that the electoral bond is one such corrupt practice that has been made official to benefit the BJP as more than 93 per cent of the bond's amount goes to the party. It's a pity that neither the

Reserve Bank of India, (RBI) or the Election Commission (EC) or the Supreme Court is really bothered with this white-colored corruption.

Digest the irony

Sir — The appointment of Rishi Sunak as the UK's new Finance Minister is proof of the acceptance of Indian talent. His work is cut

out. It is likely that he will overcome all challenges on account of his vast financial acumen and practical understanding of the issues at hand. Sunak's rise to prominence has not come without undertones. While we feel proud that Indian-origin men and women are gaining prominence, we brand them as "termites" when they come home in search of livelihood. They are viewed as a "danger" to the nation.

When will we learn?

Sir — Union Home Minister Amit Shah's admission that his party failed to feel the pulse of the people in Delhi makes one feel the country is a "picture hall," where the politicians are the "entertainers" and the citizens cast their vote to rate the level of entertainment. Why can't our leaders realise that people assess their worthiness with reference to the job done?

A win-win for Modi and Trump

While India will benefit from stronger defence ties and technology, the US President will gain from his pro-India image in an election year

SIMI MEHTA

On February 24, US President Donald Trump will inaugurate the world's largest cricket stadium in Ahmedabad. He will also be welcomed with resounding calls of "Kern Cho, Trump" while participating in a seven-kilometre long roadshow from the airport to the Sabarmati Ashram accompanied by Prime Minister (PM) Narendra Modi. Celebrating the close ties between America and India, this will be the first visit of a US President since 2015 and Trump's first foreign tour after his impeachment trial. The palpable excitement over the visit is evident, with Modi underscoring that this would "go a long way in further cementing India-US ties."

The tour is expected to overcome the obvious optics and engage in serious discussions on broad, strategic ingredients that bring India and the US together. On February 25, the Trumps will be accorded a ceremonial welcome in the second leg of their trip to New Delhi. Defence cooperation is expected to occupy the centre stage and India is set to give a final approval for the \$2.6 billion 24 MH-60R Seahawk helicopters equipped with torpedoes and submarine-detection capacities for the Indian Navy. Additionally, there is a US approval already in place for the sale of an Integrated Air Defence Weapon System (IADWS) or the National Advanced Surface-to-Air Missile System-II to India estimated at \$1.8 billion. This will strengthen Indian defence capabilities and aid the modernisation process of its armed forces.

This will build upon the Trump Administration's previous decisions to ease the controls for high and sensitive technology product sales to India. This will grant to India the same access as NATO allies through the Strategic Trade Authorisation-1 status, as well as sale of armed drones and integrated air and missile defence technology. India would demonstrate its will to modernise its armed forces and strengthen military capabilities and bilateral defence cooperation through the agreements with the US that guide the sharing of sensitive military and communications technology and reciprocal use of facilities.

Trump's maiden visit to India as the US President will strengthen the respective countries' Indo-Pacific policies and witness a synergy in their pushback strategies against the China-Russia alignment in Asia. It would be of relevance to see if the Blue Dot network finds mention at the leadership level. This network, launched by the US Government in November 2019 is a global certification for projects as market-driven, financially-sustainable and transparent and is a reaction to the Chinese Belt and Road Initiative. It needs to be highlighted that Australia and Japan — the other two members of Quad (apart from the US and India), have already signed up for the network.

In an endeavour to push for deeper trade and business ties, the two countries have been trying to reach a modest trade deal with lower tariffs. But the long-awaited "mini" trade deal may not see the anticipated fruition as talks have run into problems due to concerns over data privacy and e-commerce controls. Add to this the recent withdrawal of India from the list of "developing countries" — a status given in line with the WTO's system of Generalised System of Preferences, on February 10. This would emboss the issues of increased tariff barriers, which could act as an impediment for India getting favourable trade terms. So far, Indian exporters benefitted from the tariff-free access to US markets and receiving the "developed country" tag would subject exports to scrutiny regarding the harm they do the US industry. Despite this, Indian Inc is optimistic about higher investments from US companies, demanding exemption from high duties imposed by the US on certain steel and aluminium products from India and greater market access for its agricultural, automobile, auto components and engineering products.

Reflecting the strong personal rapport between Trump and Modi, this visit will be the fifth meeting between the two leaders in the last three years to elevate bilateral strategic relations. It would demonstrate the two countries' affirmation of the shared values of commitment to democracy and rule of law and to a more peaceful and open Indo-Pacific, plus the US' acknowledgement of India as its major partner in maintaining the international global order.

Trump's visit to India is possibly the final major foreign tour before the presidential elections in November 2020. Given the fact that Indian-Americans constitute a huge population and voter base in the US, if Trump reaffirms America's commitment to diversity, inclusion and immigrants, this visit would steer a significant number of their votes his way as it will showcase his close ties with their home country. In fact, Modi already blew the US election bugle at the Howdy Modi event in September 2019 in Texas. Swarmed by Indian-American crowd, he endorsed Trump for a second term saying, "Abki baar Trump sarkar."

If demand doesn't improve, firms might retain the tax cut bonanza instead of investing. It would've been better to put more cash in the pockets of individuals by giving more IT relief

UTTAM GUPTA

Amid an atmosphere of gloom and doom (triggered by growth plunging to a low of less than five per cent during the current year and muted projections for next year), it is necessary to closely scrutinise tax proposals in the Union Budget for 2020-21 to assess whether or not these will generate the much-needed growth impulses.

The four major factors impinging on a surge are private consumption, investment, export and spending by the State. The Modi Government has kept up the tempo of expenditure by way of building infrastructure and spending on welfare schemes. On the export front, given the all-round depressed growth and international trading environment, there is little that it can do in terms of using this lever for providing the much-needed fillip.

Therefore, much of the focus has to be on the first two levers, i.e. private consumption and investment. The big question is whether the tax proposals will help in boosting demand. First, let us look at the changes in personal income tax (PIT).

At present, a person having an income of ₹2,50,001-₹5,00,000 per annum pays a tax of five per cent, those earning more than ₹5,00,000 but less than ₹10,00,000 pay 20 per cent tax whereas, someone having an income higher than ₹10,00,000 pays 30 per cent. Accompanying this are a plethora of exemptions and deductions viz. Section 80C (annual investment, expenses, life insurance premium and so on, up to ₹1,50,000), Section 80D (health insurance premiums), Section 24 (interest on home loans), Section 80CCD (including extra NPS contribution up to ₹50,000), Section 80E (education loan interest) and Section 16 (standard deduction on salary income) and so on.

This Budget, even while retaining five per cent tax for annual income in the ₹2,50,001-₹5,00,000 range, on income higher than ₹5,00,000, proposes a differentiated structure with five slabs against two under the existing scheme of things. The proposed slabs and corresponding tax rates are 10 per cent for ₹5,00,001-₹7,50,000; 15 per cent for ₹7,50,001-₹10,00,000; 20 per cent for ₹10,00,001-₹12,50,000; 25 per cent for ₹12,50,001-₹15,00,000 and for those earning above ₹15,00,000 a tax of 30 per cent. A person who decides to avail lower tax rates under the new scheme will have to forego most exemptions and deductions. In other words, he can either continue with the existing scheme or go for the new regime. No cherry picking is permitted.

For a person availing of most tax breaks, switch-over to the new regime won't yield any savings. He could even be worse off depending on the income profile and deductions/exemptions availed. For instance, a person having an annual income of ₹15,00,000 and availing tax breaks aggregating ₹3,75,000 (Section 80C: ₹1,50,000; Section 80D: ₹25,000; Section 24: ₹2,00,000) or net income ₹11,25,000 will have to pay ₹1,56,000 as tax. In case however, he opts for the new scheme i.e. taxable income remaining at ₹15,00,000 but lower rates, his tax liability will be ₹1,95,000. This being ₹39,000 higher, he would prefer to continue with the old scheme. However, the reality on ground zero is that an overwhelming number of assesses are unable to avail of the tax breaks. This is because people in the early stages of their family life have high expenditure commitment and hence need more cash in hand, leaving little surplus to invest which is necessary for availing deductions. Then, there are people at the fat end, say age 55 years plus, who are

THE BUDGET PROPOSALS (SEPTEMBER 2019 AND NOW) ENTAIL A MAMMOTH GIVEAWAY OF ABOUT ₹1,50,000 CRORE PER ANNUM. THIS SHOULD HELP IN SPURRING INVESTMENT DEMAND. HOWEVER, CONSIDERING THAT AT PRESENT, CONSUMPTION IS SUBDUED AND ALREADY, SURPLUS CAPACITY EXISTS IN SEVERAL SECTORS, ITS IMPACT ON GROWTH IN THE SHORT-TERM MAY NOT BE MUCH

under no compulsion to save (he has already built a house or nearly completed education of the children). Such people who are unable or unwilling to invest — due to economic circumstances facing them — and hence, unable to avail exemptions and deductions would stand to gain by switching over to the new dispensation. In the above example (annual income ₹15,00,000), the tax liability of such a person under the old regime would be ₹2,73,000, which is ₹78,000 higher than under the new regime (₹1,95,000). Without doubt, he/she will be inclined to go for the latter. That apart, the FM's proposals empower assesses to take their own decisions instead of being constrained by available tax breaks. Someone wanting to have more cash in hand can opt for the new scheme whereas another person keen to save more can continue with the old regime.

According to an internal exercise by the Union Finance Ministry, the proposal will entail a loss of ₹40,000 crore to the exchequer, which means that much extra cash in the hand of tax payers which they can spend, thereby giving a boost to demand and in turn, growth.

Another proposal expected to put more cash in the hands of individuals, especially those earning less than ₹10,00,000 per annum, relates to the manner of levying dividend distribution tax (DDT). At present, a company is required to deduct tax (known as DDT) at the rate of 20 per cent (including surcharge and education cess, this comes to 20.35 per cent) from the surplus/profit set aside for distribution of dividend to shareholders. The Budget proposes to substitute this by taxing dividends in the hands of recipients/shareholders.

This substitution means that retail investors, whose earnings are in the ₹500,001-₹750,000 and ₹750,001-

₹10,00,000 range, will stand to gain as they will pay tax on dividend at 10 per cent and 15 per cent respectively, as against 20 per cent they pay currently. This will also be a booster to foreign portfolio investors (FPIs) who will be able to claim offset for the tax paid on dividend received from companies here in their respective jurisdictions (this is not possible under the subsisting dispensation of levying tax before distributing profit).

Implementation of this proposal will entail an annual loss of ₹25,000 crore to the exchequer. This much extra money in the hands of investors will also help augment purchasing power. Coming to corporate tax, on September 20, 2019, Finance Minister Nirmala Sitharaman had announced steep reduction in the rate of corporate tax for "new entities" incorporated from October 1, 2019 in the manufacturing sector and start production by March 31, 2023 from the existing 25 per cent to 15 per cent. Such companies won't have to pay minimum alternate tax (MAT) (levied on book profit of firms which have no taxable profit courtesy, exemptions and incentives).

Furthermore, the tax rate on existing companies was reduced from 30 per cent to 22 per cent (for small and medium enterprises (SMEs) annually with a turnover of less than ₹400 crore. This was reduced from the already preferential 25 per cent to 22 per cent) sans exemptions and deductions. These firms are also exempt from MAT. For companies who decide to continue with the old regime viz. tax at 30 per cent with tax breaks, MAT was reduced from existing 18.5 per cent to 15 per cent. In the Budget for 2020-21, the FM has extended the benefit of 15 per cent rate to "new" power companies. Besides, "cooperatives" are eligible for the 22 per cent rate sans exemptions and deductions. The steep reduction in tax rate

(for new enterprises, it is at 15 per cent. This is lower than other major countries viz the US 21 per cent, China 25 per cent; even for existing firms at 22 per cent, this is comparable) is a major structural reform aimed at making Indian firms more competitive and leaving more resources with them for increasing investment. The FM has given a choice, enabling them to choose either the old regime (higher tax rate with exemptions) or new regime (lower tax rate sans exemptions).

The Budget proposals (September 2019 and now) entail a mammoth give-away of about ₹1,50,000 crore per annum. This should help in spurring investment demand. However, considering that at present, consumption is subdued and already, surplus capacity exists in several sectors (major investment by way of setting up new projects can come only after existing capacities are fully utilised), its impact on growth in the short-term may not be much.

Unless private demand improves significantly, companies might be inclined to retain the tax cut bonanza instead of investing. It would have been better if the Government had put more money in the pockets of individuals by giving extra relief in PIT (say, by applying 10 per cent tax to the entire income range ₹5,00,001-₹10,00,000 instead of limiting this up to ₹7,50,000) as the need for restructuring growth now is far more pressing.

To conclude, tax proposals in the 2020-21 Budget are in the right direction. However, a lot more needs to be done in terms of further reducing and simplifying the PIT. With regard to corporate tax, the Government should aim at 15 per cent rate applicable uniformly to enterprises in all sectors, new and existing (sans exemptions).

Pay taxes for a developed nation

The Government needs to proactively create the culture of paying taxes in order to be able to fulfil the dream of us becoming a \$5 trillion economy in five years

RAJEEV AHUJA KEERTI PRADHAN

The Indian Government aspires to take the economy to the \$5 trillion level over the next five years. It is a difficult goal by its own admission but not an impossible one. Given the current economic slowdown, many experts had hoped for a much stronger fiscal stimulus than what is contained in the recent Union Budget. That being what it is, some experts believe that the Government has missed an opportunity. However, the Centre seems to think differently. While acknowledging the need for growth-enhancing measures, the Niti Aayog's Vice-Chairman, Rajiv Kumar, had hinted prior to the Budget on using "alternate" measures in the face of limit-

ed fiscal headroom. Subsequently, the Reserve Bank of India (RBI), in its monetary policy, used unconventional tools to give the economy a shot in the arm. Without getting into the debate on what's an optimal dose of economic stimulus and what combination of fiscal and monetary policy could deliver it, Government spending does have an important role in the revival of the economy. The Centre believes that a decent dose of fiscal stimulus is already contained in the Budget.

Be that as it may, growth revival is closely tied to Government spending, which in turn is closely tied to revenues and taxes are an important source of it.

It is startling to note some income tax statistics that have recently been cited: That only 8,600 individuals have reported incomes above ₹5 crore and only 2,200 professionals (doctors, chartered accountants, lawyers and so on) have declared professional income above ₹1 crore in the entire country in the fiscal year 2018-19. These figures don't match well with some other statistics, such

as the number of premium cars sold or the total people travelling abroad. There seems to be significant scope for improving tax compliance, which is essential to India achieving its \$5 trillion goal.

No rationale for tax avoidance: Tax evasion or underreporting may have been justified when corruption in public administration ran high. But now that the Narendra Modi Government has been able to provide a cleaner administration, this justification is no longer valid.

Further, the taxpayers can be reasonably certain that their money is being used responsibly. Indeed, the Modi Government has a vision of creating a "New India" and is focussed on the economic development of the entire country.

The Government's focus on the development of the North-east region, on "aspirational" districts and on Tier-1 and Tier-2 cities is all aimed at unleashing economic development across the entire country. Furthermore, several policies and programmes such as Skill India, Mudra Yojana, Start-up India, dou-

bling of farmers' income with the promotion of agriculture and allied activities such as animal husbandry and so on are aimed at benefiting all sections of society.

Additionally, the Government is working towards ease of paying taxes. It is simplifying the taxation system and making it citizen-centric. It has taken or is taking several steps such as simplifying laws, reducing the tax burden, making tax assessment faceless, bringing taxpayers' charter and so forth that should instil trust and confidence among tax-payers. But trust and confidence alone are not sufficient to persuade people to pay taxes honestly. The culture of tax avoidance developed over the last few decades will need to be changed consciously.

Promote tax-paying culture: The Government needs to promote the culture of paying taxes in the country. This can be done through a combination of measures. First, the example of clean administration at the national level needs to percolate down to the sub-national level too. Second, it's not enough for the Prime

Minister or Chief Ministers to be clean. Every Minister as an individual tax-payer ought to set an example. Third, the Government needs to run media campaigns to inform the public of their civic duty and also to connect the dots transparently on how their taxes are contributing towards nation-building. Fourth, the Government needs to rope in popular personalities with a large fan following to drive home the message of paying taxes — pretty much the same way as it has been doing for some other social campaigns. The culture of paying taxes honestly has to be instilled consciously and proactively.

India has a rich tradition of people donating to social organisations involved in helping the needy. However, in a well-functioning system, the Government, through its various programmes and initiatives, ought to be taking care of the needy. Although people are free to continue giving private donations, they don't necessarily have to, as long as they are paying their taxes and holding their Government accountable

for its performance, including its welfare role.

Tax culture essential: India is considered to be a lower-middle income country as per the World Bank's country classification which is based on income per person. Even if India becomes a \$5 trillion economy by 2025, it would still be considered as a lower-middle income country as per the World Bank classification.

The changes in the taxation system that the Government has or is introducing can help it generate revenues to fuel economic growth. Achieving a \$5 trillion economy in the next few years is not difficult. India may take a year or two longer but the goal is within reach.

However, to become a truly developed economy, India will need to change the mindset of its people. It will have to consciously and proactively create the culture of paying taxes.

LEND A HAND TO IDLIB REFUGEES

As abrupt as the surge in those fleeing Idlib has been, this is a long-awaited disaster, the end result of decisions made over the years. Only an immediate ceasefire and unhindered flow of aid can offer these desperate civilians any hope of respite: Western powers should be doing everything they can to press for them. This is far less than those now huddled in Idlib are owed — and even this, it seems, may be too much to expect.

PALANISWAMI JOURNEY

EPS completes 3 yrs in CM office

KUMAR CHELLAPPAN ■ CHENNAI

When he was sworn in as Chief Minister of Tamil Nadu on February 17, 2017, even Edappadi Palaniswami would not have thought that he will survive in the chair at least for one year.

Why the post of Chief Minister was thrust on him was because of a Supreme Court verdict which upheld the judgment of the Special Court in Bangalore which had sentenced VK Sasikala, the then general secretary of the AIADMK and her two close relations to four years imprisonment in the Disproportionate Asset Case in which the former Chief Minister Jayalalitha was the prime accused.

Since Jayalalitha went to meet her maker on December 5, 2016, she was saved from the ignominy of being seen as a convict marching to the Parappana Agrahara central jail near Bangalore. Sasikala, who had been elected "unani-

mously" as the Chief Minister after the ouster of O Panneerselvam, instead of driving down to the Centenary Hall of Madras University for the oath taking ceremony had to travel all the way to Bangalore to surrender before the jail officials on her day of reckoning.

But before proceeding to Bangalore to server her term, Sasikala had nominated Edappadi Palaniswami, her long term confidante, as the Chief Minister.

To keep Palaniswamy under a tight leash, Sasikala had also nominated TTV Dhinakaran as the deputy general secretary of the party, much to the shock of the AIADMK cadre. Dhinakaran was a non-entity in the party when Jayalalitha was alive but had managed to sneak into Veda Nilayam (Jayalalitha's private residence in Poes Garden) after Amma was admitted to Apollo Hospital in Chennai in an unconscious condition in September 2016.

With Dhinakaran breathing down his neck on a round-the-clock basis, Palaniswamy had to perform a tight rope walk in governance and the party.

No one had given him a chance of survival and things worsened further when Dhinakaran decided to contest the election from R K Nagar constituency, a seat held by Jayalalitha at the time of her demise. By the time Dhinakaran won from R K Nagar constituency, Palaniswamy had joined hands

with arch rival O Panneerselvam and the duo succeeded in easing out the Mannargudi Mafia (as Sasikala and her relations were known in Tamil Nadu) from the AIADMK.

Though there were tense moments about the majority of the AIADMK in the House as some of the MLAs decided to cast their lots with the Dhinakaran faction, Palaniswamy has proved that he is a wonderful survivor. The setback the AIADMK had suffered in the Lok Sabha elec-

tion of 2019 is long forgotten as the party has wrested two assembly seats in by-elections held recently.

"More than Palaniswamy, it is Stalin who is tense and nervous now. The DMK has been out of power in the State since 2011 and from the Centre since 2013. If he fails to win the 2021 assembly election, it is going to be the end of the road for Stalin," said T Ramakrishnan, author and commentator.

Tamil Nadu is seeing a resurgence in industrialisation and development over the last two years thanks to the silent manoeuvring by Palaniswamy from the Secretariat.

Other than the anti-CAA agitation, the Chief Minister has no major issues haunting his Government for the time being. The question being asked is whether EPS is the person who could resuscitate the AIADMK from its slumber following the demise of Jayalalitha. Remember, the DMK is yet to get a saviour in the mould of M Karunanidhi.

Cong for conditional participation in J&K Panchayat bypolls

PIONEER NEWS SERVICE ■ JAMMU

After National Conference, the State Unit of the Congress party on Monday announced 'conditional' participation in the Panchayat bypolls, being held to fill over 12,000 vacant seats in Jammu & Kashmir.

Since these by-polls are going to take place on party lines the mainstream political parties are keen on taking the plunge to test political waters at the grass roots.

Addressing a press conference here at party headquarters in Jammu, Jammu & Kashmir Pradesh Congress Committee Chief, GA Mir told reporters, "The Congress party is ready to participate in the Panchayat bypolls, as they are being held on party lines, but it is not possible for them to contest the same by remaining indoors".

Mir said, "on what basis bypolls are going to be conducted on party lines. He asked, where are the parties. Except BJP, leaders of no other mainstream parties are in the field. He said,

those who want to participate in the polls even they are not being allowed to roam around freely and meet people. "They are being prevented to visit their constituencies and carry out political activity", he alleged.

Seeking immediate release of political leaders, detained since August 5, and freedom to campaign without any roadblocks and security restrictions, GA Mir appealed to the J&K administration to facilitate their participation in the polls by creating conducive atmosphere otherwise they won't be able to participate in these polls.

He said, "the Government is compelling us to boycott the polls but we will not boycott them". "Even if we are not allowed by the Government to participate in the polls i appeal to the common voters to expose evil designs of BJP and elect good candidates to fully empower them at the grass

roots". Earlier, on Sunday National Conference too had appealed local administration to remove "roadblocks" so that it can campaign freely.

In a letter to Jammu and Kashmir Chief Electoral Officer (CEO) Shailendra Kumar, NC central secretary Rattan Lal Gupta had stated it is practically impossible for the party to participate in the election when its top leaders, including its president Farooq Abdullah, vice-president Omar Abdullah, general secretary Ali Mohammed Sagar, are in detention under the stringent Public Safety Act.

No rifles missing from SAPB, says Kerala police

PTI ■ THIRUVANANTHAPURM

Days after the CAG report found shortage of 25 INSAS rifles and 12,061 live cartridges at the Special Armed Police Battalion here, Kerala police on Monday said a physical verification has found that no rifles were missing.

"As the CAG is a very responsible auditing agency and their allegation has to be taken seriously, a crime has been registered as per their report," ADGP, Crime Branch, Tomin Thachankery, told reporters here.

He said it was SAPB's responsibility to come clean on the matter since the charge was against them.

The battalion was asked to produce all their rifles for inspection, he said.

The ADGP said a physical examination of the 647 guns brought from 13 locations found no guns had gone miss-

ing. "At least 647 rifles from 13 places were brought to the camp on Sunday and a physical verification and preliminary inspection was held", he said.

The corresponding body numbers of each rifle was physically examined and verified with the records, after which it was concluded that no guns were missing. Thirteen guns are at Manipur I R battalion.

"We held a video conference and their body numbers were checked and matched with records."

When the police personnel return from their training from Manipur in March, it will be examined once again", he said. However, the probe on the missing cartridges was continuing, he said.

The CAG, in a damning report tabled in the state assembly on Feb 12, had found shortage of 5.56 mm INSAS rifles and 12,061 live cartridges from the battalion here.

Goa to get largest super-specialty facility under PMSSY

PTI ■ PANAJI

The country's largest super-specialty medical block under the Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) will be inaugurated within next six months in Goa, State health Minister Vishwajit Rane said on Monday.

The facility is coming up in Bambolim near the Goa Medical College and Hospital and the state will invite Prime Minister Narendra Modi to throw it open for the public, Rane added.

"My dream project for state of Goa Super Specialty Block. I am fortunate to be a health Minister of Goa under the BJP Government and for being able to take further, the vision of our Prime Minister Narendra Modi in providing quality health care to all citizens," Rane tweeted.

He also tweeted, "I am very pleased to have been able to implement his vision under the Pradhan Mantri Swasthya Suraksha Yojana that has made this dream project a reality for every Goa at the cost of Rs 450 crores." "Within the next six months, we will be commissioning this hospital under a unique Public-Private Partnership approved by the NITI Aayog and the Centre," he added. He said he was looking for to the inauguration of the facility at the hands of the prime minister in the presence of state chief minister Pramod Sawant.

Young, educated people give hope in troubling times: Ratna, Naseeruddin

PTI ■ MUMBAI

For actors Ratna Pathak Shah and Naseeruddin Shah, India is their Valentine.

The Shahs, always vocal about their opinions, say they are firm in their belief that the educated young give them hope in troubling times.

The couple was speaking at an event titled "India My Valentine" here on Sunday.

According to Ratna Pathak, the "khalbali" (churning) she saw in the 60s and 70s is back but the young and educated give her hope.

"During that time everyone was thinking about the progress of India. How to make the nation ours, what kind of nation it should be. Because my family has always been associated with performing arts, we used to have discussions on these topics," she said at the event featuring musical performances, stand-up comedy acts and speeches to celebrate love and unity in the country.

Over a dozen artistes, including Naseeruddin Shah, Vishal Bhardwaj, Rekha

Bhardwaj and Swanand Kirkire, came together on one stage at the event.

Ratna Pathak, the daughter of the late actor Dina Pathak, said questions related to nation building were on everyone's mind in the decades past. Now, there is "a possibility of the nation breaking, changing", she said.

"The 'khalbali', the brain-storming of that time, can be seen reflected today. Of course, things have changed, the situation is extremely serious. What I saw and heard today, what I see around me, it definitely increases hope."

Never before has India had so many young, educated people alive at one time. It's making a difference and we are seeing it all over the country," she said.

The churn is not limited to Shaheen Bagh or Mumbai Bagh but spread across, she said, referring to the anti-CAA protests in several places in the country.

"Again, art is showing the way. This kind of 'khalbali' is producing such wonderful

writing, music, performances," she said.

Naseeruddin Shah said he can't help but wonder about the current situation when he looks around at the state of the nation.

"At a time when a lot of us are grappling to understand what's going on around us, I think I'm not alone in agonising over a question: whether all this was always latent and has finally burst forth, not being able to contained any longer."

"Or has there been in the last decade a complete change in our country... I'm not a social scientist, so I don't know the answer."

The actor then read selections from Pandit Jawaharlal Nehru's "The Discovery of India" and said the book can shed some light.

"May be it'll show you the direction. I've also in these times felt the need to re-examine, rediscover what it is that is unique about this country, what it is that has always been our pride and has won the admiration of the entire world," he added.

LOCUST ATTACK Central team reaches Raj to assess damage to crops

PTI ■ JAIPUR

A 10-member central team will be visiting locust-affected areas of Rajasthan in next two days to take stock of the damage to crops due to the insects.

Rajasthan Agriculture Minister Lal Chand Kataria had informed the state assembly earlier in the month that crop on over 1.49 lakh hectares was damaged in various districts due to the locust attack since May last year.

The team, which arrived in Jaipur on Monday, will assess the damage in Bikaner and Jodhpur divisions in three parts.

The team held a meeting with Chief Secretary D B Gupta and other officials of the state Agriculture Department.

The state officials urged the Centre to provide an early assistance of ₹200 crore.

Digital process fulfilled Muslims' haj dream: Naqvi

PTI ■ MUMBAI

The digital/online Haj process Has fulfilled the dream of "Ease of doing Haj" for the Indian Muslims, Union Minister for Minority Affairs Mukhtar Abbas Naqvi said here on Monday.

Addressing a training programme of Haj 2020 trainers at Haj House in south Mumbai, Naqvi said the unprecedented reforms undertaken by the Modi Government ensured that the entire Haj process has been made digital and transparent and the Haj pilgrimage has become affordable.

Making the Haj process 100 per cent digital/online has removed middlemen ensuring Haj pilgrimage becomes affordable in comparison to the cost incurred in last several decades,

he said. Even after removal of Haj subsidy, no additional financial burden has been put on the pilgrims, Naqvi said.

India has become the first country to make the entire Haj 2020 process 100 per cent digital, he said.

Online application, e-visa, Haj mobile app, E-MASIIHA health facility, E-luggage tagging providing information in India itself regarding accommodation/transportation in the holy cities of Mecca and Medina have been provided to Indian Muslims going for Haj, he said.

For the first time, facilities have been provided for digital pre-tagging of baggages of Haj pilgrims, he said.

Linking SIM card to the mobile app ensures Haj pilgrims immediately get the lat-

est information regarding Haj in Mecca-Medina on their mobile phone, he said.

Haj Group Organisers (HGOs) have also been connected with the 100 per cent digital system which has ensured transparency in their functioning and this has also led to better facilities to Indian Haj pilgrims. A portal (http://haj.Nic.In/pto) for Haj Group Organisers has been developed. It contains details of HGOs and their packages, he said.

India in coordination with Saudi Arabia is working to ensure safety and better medical facilities for the pilgrims during Haj 2020, he said. This year, a total of two lakh Indian Muslims will perform Haj, that too without any subsidy, he said.

About 1.23 lakh Muslims will go through Haj Committee of India and remaining through Haj Group Organisers, he said. This year over 2100 Muslim women will go to Haj without Mehram (male companion), he said.

A total of 650 trainers participated in the training programme. They will train Haj pilgrims in their respective states regarding the pilgrimage, accommodation in Mecca and Medina, transport, health facilities and safety measures.

The trainers include a large number of women trainers. Officials from the Haj Committee of India, Customs, Air India, BrihanMumbai Municipal Corporation, various banks and disaster management agencies guided the trainers.

Speeding school bus overturns in UP

14 students injured

PTI ■ GORAKHPUR (UP)

Fourteen children were injured on Monday when a speeding school bus overturned in Shohratgarh area of Siddharthnagar district here, police said.

The incident took place in the morning when the bus carrying 25 children of Saraswati Shishu Mandir lost control and overturned, they said.

The injured students were rushed to the hospital where their condition is stated to be

stable, police said.

"A case has been registered against the driver, Prem Sagar, under various sections of IPC, including Section 279 (rash driving or riding on a public way) and Section 337 (causing hurt by act endangering life or personal safety of others)," Shohratgarh SHO Ramashish Yadav said.

Efforts are on to trace the absconding driver, he said.

Parents of the students admitted in the hospital told reporters that the bus driver was drunk at the time of the incident, and that they had made verbal complaints against him in the past. District Magistrate Deepak Meena said the driver escaped from the scene after the incident.

3 WB tourists rescued from Ganga in Rishikesh

PTI ■ DEHRADUN

Three tourists from West Bengal were rescued from the Ganga in Uttarakhand's Rishikesh after they were stranded on a dry patch in the river, police said on Monday.

The tourists were stuck there due to a sudden rise in the water level, they said.

Police sprang into action immediately and rescued them with the help of ropes and rafts, Muni ki Reti police station in-charge R K Saklani said.

When the police team reached the spot near the Poonanand ghat, three men were seen stranded on a thin patch of dry land slightly above the surface of the river, he said.

Police personnel wearing life jackets reached the spot on rafts and brought them back with the help of ropes, Saklani said.

When the tourist waded into the river, the water level was low but when they walked downstream for a while, it rose all of a sudden, causing panic.

They somehow reached the dry patch of the land and raised an alarm, catching the attention of passersby who informed police, the official said.

The tourists have been identified as Gautam Majumdar and Sushil Haldar from North 24 Parganas and Konand Chakraborty from Jalpaiguri.

IGNOU holds 33rd convocation ceremony

PTI ■ NEW DELHI

HRD Minister Ramesh Pokhriyal 'Nishank' on Monday praised IGNOU for making education accessible to people in all parts of the country and developing analytical ability in students through their research activities.

He was speaking at the 33rd convocation ceremony of the Indira Gandhi National Open University (IGNOU). Over 2.31 lakh students from throughout India received their degrees across 39 regional centres of the university.

Crediting IGNOU for taking education to every house in the country, the minister said, "I congratulate IGNOU for the excellence achieved by it in developing critical and analyt-

ical ability of students through their research activities".

Gold medals were awarded to over 50 meritorious students during the convocation by the minister.

In his convocation address, 'Nishank' lauded IGNOU for having "unprecedented expertise in developing and launching academic programmes that are needed in the present context and very useful for learning communities".

He also mentioned the skill-oriented curriculum weaved around a conducive environment for learners by the university. Stressing upon the need to develop courses in Indian languages for wider reach, he stressed upon further development of Hindi and Sanskrit in universities.

He appreciated IGNOU for increasing the Gross Enrolment Ratio (GER), which he said cannot be achieved by the conventional system of education alone. He urged the university to introduce programmes which are employment-centric and help in employment generation.

Prof Nageshwar Rao, the vice-chancellor of the university, said the varsity has introduced 26 new academic programmes including three graduate degree (general), 9 graduate honours programmes under CBCS and 3 online programmes in the last two admission cycles to meet diversified needs in the disciplines of health sciences, vocational areas, tourism, environment change, yoga, development studies, etc.

Naxals raid road work site, torch trucks, machinery in C'garh

PTI ■ BALRAMPUR

Trucks and construction Machinery engaged in road work in Chhattisgarh's Balrampur were set ablaze by Naxals on Monday morning, police said.

Around a dozen armed Maoists raided the construction site near Bandarchua village under Samri police station limits, some 450 kilometres from here, between 10am and 11am and set afire three trucks, two excavators and one concrete mixer machine, an official said.

"The vehicles and machines were deployed for a work under the Pradhan Mantri Gram Sadak Yojana. The site is on the border of Chhattisgarh and Jharkhand. The ultras escaped into the jungles of the neighbouring state. A team under Balrampur Superintendent of Police TR Koshima has rushed to the spot," he added.

The arson took place in north Chhattisgarh which incidentally the State Government has earlier claimed to be an area freed from Left Wing Extremism (LWE).

Wanted for 3 murders, man arrested by Mumbai cops from Delhi

PTI ■ MUMBAI

A 38-year-old security guard, accused of murdering three persons since 2000 — two in Uttar Pradesh and one in Mumbai — and carrying a ₹10,000 reward on his head, was arrested by the city police from New Delhi, an official said on Monday. According to the official, the accused, Avinash Kumar Laxmikant Pandey, was nabbed from New Delhi's Kamala Market locality on Sunday in connection with the murder of a fellow security guard in suburban Powai last year.

Pandey has allegedly killed two persons, including his cousin, in Prayagraj (earlier Allahabad) in his native state of Uttar Pradesh, where the police has announced a reward of ₹10,000 for information leading to this arrest, he said.

The 38-year-old also faces a case under the Arms Act in Uttar Pradesh, the official said.

Deputy Commissioner of Police (Zone X) Ankit Goyal said On October 27, 2019, he brutally killed one Ankit Deviprasad Singh (22) and left his body at the parking lot in Lodha Supreme Apartment at Tunga Village in Powai. "After killing Singh, the accused fled to Pune, then went to Gujarat and finally reached Delhi after spending sometime in Odisha."

"In 2000, he killed one of his friends and in 2002 he murdered his cousin (in Uttar Pradesh). We nabbed him from New Delhi after receiving a tip-off about his presence in the national capital," the DCP said.

He has been booked in the murder case registered by the Powai police, Goyal said, adding further investigation was underway. The accused had been working as a security guard in Mumbai for the last 12 years, he said.

Pandey allegedly stabbed to death Singh, a fellow security guard, following a tiff over a game of ludo, the DCP said. He was produced before a local court, which remanded him in police custody till February 21, Goyal added.

The motive behind the two murders in Uttar Pradesh was not yet known, police said.

TN CM blames extremist organisations for riot-like situation

KUMAR CHELLAPPAN ■ CHENNAI

Tamil Nadu Chief Minister Edappadi Palaniswami blamed various Islamist organisations for the riot like situation prevailing in some parts of the State and complimented the Police for showing restraint despite severe provocation from trouble makers.

including officers were grievously injured in the stone pelting by demonstrators when they were asked to disperse from the venue of protest. The Social Democratic Party of India, Popular Front of India, Towheed Jamaath and some Islamic political parties were hand in glove with the trouble makers. Many policemen injured in stone pelting have been admitted to various government hospitals in the city," said the Chief Minister. He said though nearly 100 trouble makers who went on a rampage were taken into custody by the police and put in

various marriage halls in Chennai, all of them were released after filing charges against them. "A fake news spread by the forces behind the agitation that an old man died in the police action aggravated the situation. It was found that the old man who was ailing for some time breathed his last at his house which is far away from the spot. Nobody has been injured in the lathi-charge by police," said Palaniswami. He disclosed that all those who fomented trouble in front of the Kudankulam Nuclear Power Plant against the commissioning of the plant and

- DMK and other opposition parties led by MK Stalin staged a walk out claiming that they were not content with the statement made by the CM
- This is the 1st time TN Govt named the Islamist organisations & their role in the anti-CAA agitations across State

who led the sit in at Marina Beach in early 2017 against the Supreme Court ban on Jallikattu were seen participating in the demonstrations at Chennai. "Right now, a sit in is going on at the Washermenpet street with 150 persons shouting slogans against CAA. We have deployed sufficient police force to prevent the situation from

going out of control," the chief minister announced. The DMK and other opposition parties led by M K Stalin staged a walk out claiming that they were not content with the statement made by the Chief Minister. "We want Tamil Nadu Legislative Assembly to pass a resolution asking the Centre to negate the CAA. Nothing less than that would make us happy," he told reporters outside the assembly. This is the first time the Tamil Nadu Government named the Islamist organisations and their role in the anti-CAA agitations across the State.

Sunday night saw the Chief Minister holding a high level meeting which was attended among others by the Chief Secretary, Home Secretary, State Police Chief and heads of various intelligence wings. "The Government has clear picture and evidence about the role of various political organisations in the demonstrations being held in the State. We will come out with more details in the days to come," said a senior source in Fort Saint George (Tamil Nadu Government's seat of power, the secretariat). The Washermenpet sit in

on Monday witnessed a novel protest by the Islamists as they held a marriage in the venue and offered sumptuous lunch to those who staged the rally. It may be remembered that Chief Minister Pinarayi Vijayan, had told the Kerala Legislative Assembly that extremist organizations like PFI and SDPI had infiltrated into the anti-CAA agitations staged in the State under directions from religious clergy and the Mahuls. Since then, the anti-CAA agitations promoted by the CPI(M) has come to an end in Kerala.

King Momo opposes feni tax, backs Goa Govt's 'no CAA' diktat during fest

PTI ■ PANAJI

Shalom Sardinha, who has been selected to play King Momo for the Goa Carnival beginning on February 22, on Monday expressed dissatisfaction with the Pramod Sawant Government levying tax on feni from fiscal 2020-21. It is the first time that tax, announced in the State's Budget tabled in the Assembly on February 6, will be levied on the popular Goan beverage made from fermented and distilled juice of cashew apples, or from coconuts. Momo is the mythical king of carnivals and is chosen by the state's tourism department, with Sardinha getting to head the float parade for the second time, the first being in 2016.

"The Budget announcement about tax on feni will result in prices going up. It will affect the tourism industry in a big way," he said. On the first day of the Carnival, which will culminate on February 25, King Momo issues a decree asking people to "eat, drink and be merry", with Sardinha adding that "when we say drink, we mean drink responsibly". He called for a ban on drugs as well as electronic dance music festivals and other events that promote this vice, pointing out that three youngsters lost their lives during one such festival recently. Queried on the ban on floats making statements on political issues like the con-

tentious Citizenship Amendment Act, he said the Carnival was a festival to celebrate unity so "we should avoid controversial topics which can lead to hatred". The organisers of the Carnival have already issued a warning that any float having messages on such issues as CAA would be disqualified. "CAA is an act due to which people are fighting. We are trying to promote social harmony. Thus, the government disallowing CAA protesters is a good move," he added. On a lighter note, Sardinha said people clicked 12,000 selfies when he was King Momo in 2016, and expected this number to increase this year.

Clarify your Govt, party's stand on Shah's pro-CAA rally: Cong to Odisha CM

PTI ■ BHUBANESWAR

The opposition Congress in Odisha hit out at the ruling Biju Janata Dal over Home Minister Amit Shah's proposed pro-Citizenship (Amendment) Act rally in the state capital and asked Chief Minister Naveen Patnaik to make his government and party's stand on the event clear. Shah will be on a two-day visit to Odisha from February 28 during which he is slated to address a pro-CAA public meeting. Raising the issue in the Legislative Assembly during Zero Hour, Congress MLA S S Saluja said, "Biju Janata Dal (BJD) MPs supported

CAA in both Houses of Parliament. But the chief minister after meeting a delegation of the minority community in Bhubaneswar, had said the state will not support the National Register of Citizens (NRC)." This "change of stance" was creating confusion among the people, he said and sought to know whether the BJD leaders would also join Shah in the proposed pro-CAA rally or keep distance from it. Saluja said the state government should have taken the people, who voted the BJD to power in the state five times in a row, into confidence before supporting the bill to amend the Citizenship Act.

BJP likely to move pro-CAA resolution in Karnataka Assembly

PTI ■ BENGALURU

The ruling BJP in Karnataka is likely to push for a resolution in favour of the Citizenship Amendment Act (CAA) during the ongoing Assembly session, top sources said on Monday. The resolution is expected to be moved towards the end of the special discussion on the Constitution, scheduled for March 2 and 3, the sources said. The move is bound to face stiff resistance from opposition parties - the Congress and JDS - in the Assembly. Assembly Speaker Vishveshwara Hegde Kageri has decided to hold a special discussion on the Constitution on the two days to commemorate 70 years of the adoption of the Constitution.

Though the Speaker has expressed hope that the discussion will focus on the Constitution and legislators would take part in it rising above party politics, there are apprehensions in some quarters that issues like CAA and NRC may figure in the debate. Gujarat in January passed a resolution, congratulating Prime Minister Narendra Modi and Union Home Minister Amit Shah for securing the passage of the CAA, amid opposition from the Congress. Several opposition-led states like Kerala, Punjab, Rajasthan and West Bengal have passed anti-CAA resolutions in their state assemblies. Joining the ranks of anti-CAA states, the Telangana government has also decided to pass a resolution in the assembly

against the act. Like in other parts of the county, Karnataka too has witnessed a series of pro and anti-CAA protests and demonstrations. On December one, an anti-CAA protest turned violent in the coastal city of Mangaluru, resulting in the death of two in police firing. According to the CAA, members of Hindu, Sikh, Buddhist, Jain, Parsi and Christian communities, who have come from Pakistan, Bangladesh and Afghanistan till December 31, 2014, and facing religious persecution there, would not be treated as illegal immigrants, but given Indian citizenship. The Act says refugees of the six communities would be given Indian citizenship after residing in India for five years, instead of 11 earlier.

Pawar calls for good coordination between Mins, CM

Ask party Mins to avoid controversial statements

TN RAGHUNATHA ■ MUMBAI

Mid reports about the differences among the constituents of the MVA Government over certain issues, NCP chief Sharad Pawar said on Monday that if the Shiv Sena-led Government were to complete its full five year term, it was essential for the Ministers in the State Cabinet to have good coordination with Chief

Minister Uddhav Thackeray. Confabulating with his party's ministers in the Uddhav Thackeray Cabinet at the Yeshwantrao Chavan Centre in south Mumbai, Pawar advised them to have a good coordination with the Chief Minister, avoid tasking up controversial issues and also making controversial statements. At the meeting which was also attended by the party's MPS Supriya Sule, Sunil Tatkare and Shrinivas Patil, Pawar reviewed the work of his party ministers in the State Cabinet.

BHIMA KOREGAON-ELGAAR PARISHAD CASE NCP mulls over SIT probe

TN RAGHUNATHA ■ MUMBAI

Upset with the Shiv Sena over Chief Minister Uddhav Thackeray's decision to let the NIA take over the investigations into the 2018 Bhima Koregaon-Elgaar Parishad case, the ruling NCP is keen on setting up a parallel inquiry into the case by a Special Investigation Team (SIT). It is seeking a legal opinion in the matter before going ahead with its plan. Four days after Uddhav overruled its reservations on the issue and decided to let the NIA take over the probe into the Bhima Koregaon-Elgaar Parishad case, NCP - at a meeting of the party's Ministers in the Shiv Sena-MVA Govt -

convened by its chief Sharad Pawar on Monday - decided to explore the possibility of ordering a parallel inquiry by the SIT. Talking to media persons after the meeting, State Home Minister Anil Deshmukh said: "The Maharashtra Govt may have let the NIA carry out the investigations in the Bhima Koregaon-Elgaar Parishad case to the NIA. But we will seek a legal opinion if we can institute an SIT to investigate the case." "There is insistence within the NCP to set up an SIT probe into the case - independent of the one being done by the NIA. We will also consult the chief minister in this regard," Deshmukh said. If the NCP - which holds

the Home portfolio in the state - decides to go ahead with the SIT probe into the Bhima Koregaon-Elgaar Parishad case, it will send a clear cut message to its ruling ally - Shiv Sena that the chief minister - can ill-afford to "overrule" his party's allies in the MVA on crucial matters like the one in the case. Simultaneously, the NCP is bound to trigger a confrontation between the State and Centre over a parallel probe on the Bhima Koregaon-Elgaar Parishad case. Monday's development should be seen in the context of the statement made by Pawar on Friday last, disapproving Uddhav's decision to let the NIA take over the investigations into the 2018 Bhima Koregaon case.

Action sought against Marathi preacher

TN RAGHUNATHA ■ MUMBAI

Maharashtra Nirmulha Samiti (MANS), an outfit crusading against superstitious beliefs, on Monday demanded criminal action against popular Marathi kirtankar (preacher) Indurikar Maharaj for his questionable claim that "if an intercourse with female on an even date will result in a male child and if it is done on an odd date, a female child is born". Upping the ante over a video clip containing Indurikar Maharaj's questionable claim that has gone viral on social media, MANS has written to Ahmednagar's District Police

Superintendent and Civil Surgeon, making a strong case for booking the controversial preacher under the Pre-Conception and Pre-Natal Diagnostic Techniques (PCPNDT) Act. In the video, Indurikar Maharaj is seen telling a large gathering of his followers that if a man has intercourse with a woman on an even date, a male child is born, while he does it on an odd date, a girl child is born. "If intercourse is done at inauspicious time, the child that is born would bring a bad name to the family. If the timing (of intercourse) is missed, the quality of the output (child) will be sub-standard,"

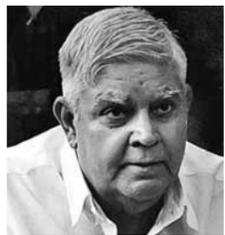

Indurikar Maharaj also heard telling his followers, at a religious gathering held in a village in Ahmednagar district last week. Objecting to Indurikar Maharaj's claims which he described as "scientific, outlandish, irresponsible", "insulting to women", and against the law and Constitution", MANS executive president Avinash Patil - in his representation to the district police superintendent and civil surgeon - said that the controversial preacher had violated the PCPNDT Act, which was enacted with an aim of stopping female foeticide and curb the declining sex ratio in the country.

Mamta meets Guv with basket of sweets

SAUGAR SENGUPTA ■ KOLKATA

In a rare sight indicating some recovery in their choppy relationship Bengal Chief Minister Mamata Banerjee on Monday met State Governor Jagdeep Dhankhar with a basket of sweets apparently as a show of gratitude for his accommodating role during the presentation of inaugural speech in the Budget Session. The rare development immediately became news even as a smiling Banerjee was received by the Governor and his wife Sudesh. Later after-merging from a one-hour rap session the Governor said the meeting was extremely satisfactory.

"Had an extremely satisfying an hour long interaction with Hon'ble Chief Minister Mamata Banerjee at Raj Bhavan" the Governor usually known for spitting fire against the State Government on his twitterhandle wrote. Raj Bhavan sources would not throw much light on the agenda of the talks and said the twosome met privately for an hour and that no onewas present during that occasion. "This meeting was between the CM and the Governor and no one else was present there," said sources. The meeting of the two leaders just after the Budget Session assumessignificance particularly considering the fact that the State

Government and the Chief Minister regularly charging him with attempts of running a parallel Govt in the State. With no love lost between the Raj Bhavan and Nabanna (Statesecretariat) and the Governor threatening to create "history" duringhis maiden

speech in the House the inaugural day of the Budget session was expected to be a tumultuous one. After giving the Government goose pimples dropping cloaked threats that he might deviate from the established tradition of reading out

the speech prepared by the State Government the Governor had fallen inline reading out the text prepared by the Government. State BJP president Dilip Ghosh immediately reacted to the Monday's meeting taking place saying "healthy relationship between the Governor and Chief Minister is a prime condition for the State's development. Where a constitutional post like that of the Governor is ignored by ahaughty State Government the State will never improve. Happy that themeting took place today." The relations between the two sides was hit by controversies ever since the Governor assumed office and more so

after he ignored the advice of the Chief Minister to personally visit the Jadavpur University to rescue Union Minister Babul Supriyo on September 19 after he was gheraoed by the agitating students for more than five hours. Subsequently the Governor and the Government would not see eye-to-eye on a number of issues particularly when he was attacked by the Chief Minister for attempting to host administrative meetings in districts in an alleged defiance of the constitutional provisions. The mutual chemistry between the state's two highest offices worsened to the level of each side choosing to each other at a programme in the State Assembly.

Guj Cong warns of protest at stadium

PTI ■ AHMEDABAD

Unhappy over a recent Supreme Court order on reservation, the Gujarat Congress on Monday threatened to stage a protest on February 24 outside the newly built cricket stadium here where US President Donald Trump and Prime Minister Narendra Modi will take part in a mega event. On February 24, the stadium at Motera would be inaugurated by Trump and Modi, and the two leaders will also address a gathering on the occasion. The opposition party said it will not hesitate to hold a protest against the BJP out-

side the stadium if the Centre fails to take appropriate decision over the apex court's ruling on reservation in jobs for SC/ST communities. The Gujarat Cong on Monday organised a 'Save Constitution' rally in the Sarangpur area over the last week's SC judgement which says states are not bound to provide reservation in appointments and there is no fundamental right to claim quota in promotions. The Congress demanded that the NDA Govt file a review petition against the SC ruling or bring a Constitution amendment

to nullify the order. "The BJP has always 'conspired' against the marginalised sections and tried to take away reservation rights. Both the BJP and the RSS are trying to remove reservation since many years now. It is their agenda to remove reservation, which was introduced by our great leaders so that the marginalised sections of the society get equal opportunities," said Satav. The rally was attended by several senior Congress leaders and MLAs, including former party state unit chiefs Bharatsinh Solanki and Arjun Modhwadia.

Committee (AICC) in-charge for Gujarat Rajiv Satav said the BJP has always 'conspired' against the marginalised sections and tried to take away reservation rights. Both the BJP and the RSS are trying to remove reservation since many years now. It is their agenda to remove reservation, which was introduced by our great leaders so that the marginalised sections of the society get equal opportunities," said Satav. The rally was attended by several senior Congress leaders and MLAs, including former party state unit chiefs Bharatsinh Solanki and Arjun Modhwadia.

CM accuses Bedi of causing 'mental agony' to CENTAC officials as CBI gives clean chit

PTI ■ PUDUCHERRY

Citing a CBI letter giving a clean chit to some Puducherry Government officials on alleged irregularities in medical admissions here in 2017, taken up by Lt Governor Kiran Bedi, Chief Minister V Narayanasamy on Monday accused her of causing 'mental agony' to them. Speaking to reporters here, he said the Government had received a letter from the CBI Director on February 10 that no prima facie case has been

made out against the officials and no action has been contemplated against them. The six member Central Admission Committee (CENTAC), including those from the health department, selected students for medical courses in four deemed to be universities and three medical colleges in 2017 on merit, he said. However, the management had failed to admit some students recommended by the Medical Council of India for the courses, he said.

SC refuses to accept Voda's proposal to pay ₹2,500 cr

PTI ■ NEW DELHI

The Supreme Court Monday rejected telecom firm Vodafone's proposal to pay ₹2,500 crore by the end of the day and ₹1,000 crore by Friday against Adjusted Gross Revenue (AGR) dues, while also refusing its plea that no coercive action be taken against it.

A bench headed by Justice Arun Mishra declined to accept the proposal given by senior advocate Mukul Rohatgi, appearing for Vodafone, after he mentioned the matter.

Rohatgi said they are willing to pay ₹2,500 crore today (Monday) and another ₹1,000 crore by Friday but no coercive action be taken against the company.

He urged the bank guarantee deposited with the government by Vodafone should also not be encashed.

The top court had on Friday warned of contempt proceedings against top executives of Bharti Airtel, Vodafone-Idea and other telecom firms for failing to comply with its directive to pay an estimated ₹1.47 lakh crore in past dues, and asked whether there was no law left in the country.

With the apex court's rap, the Government came down heavily on telcos following which Bharti Airtel on Monday said it has paid ₹10,000 crore to the telecom department towards statutory dues. The company said it will

make payment of balance amount after self-assessment exercise.

"The...Amount of ₹10,000 crore has been paid on behalf of Bharti Airtel, Bharti Hexacom, and Telenor," the Sunil Mittal-led company said in a statement.

In the Friday order which will have a far-reaching implications for the telecom sector, the apex court expressed displeasure at the "temerity" of a desk officer in the Department of Telecom for "scuttling" its order by issuing a written directive to not take any coer-

sive action against firms for not depositing dues by the January 23, 2020, deadline.

The Bench, also comprising Justices S Abdul Nazeer and MR Shah, said the companies have violated its order "in pith and substance" and asked them to clear dues before the next date of hearing on March 17.

Following the apex court rap, the Department of Telecom withdrew its January 23, 2020 order that had called for no coercive action against defaulting firms and started issuing notices to telcos asking them to deposit dues before midnight of Friday.

Expressing displeasure over an order passed by the DoT's desk officer, which virtually stayed the effect of its verdict,

the apex court said this is nothing "but a device to scuttle" its judgment and this case projects a "very disturbing scenario". It issued a notice to the officer.

The bench noted that the desk officer "has the temerity to pass the order" to the effect of issuing a direction to another constitutional authority, the accountant general, "not to insist for any payment pursuant to the order passed by this court and not to take any coercive steps till further orders."

The top court made it clear that in case its order is not complied with, the desk officer of the DoT and top executives of these companies "shall remain personally present" before it on March 17.

Airtel pays ₹10K cr to Govt towards AGR dues

PTI ■ NEW DELHI

After Supreme Court rap and the government's stringent deadline, Bharti Airtel on Monday said it has paid ₹10,000 crore to the telecom department towards statutory dues.

The company said it will make payment of the balance amount after self assessment exercise.

"The...Total amount of ₹10,000 crore has been paid on behalf of Bharti Airtel, Bharti Hexacom, and Telenor.

Tata Teleservices pay ₹2,197 crore to settle AGR dues

PTI ■ NEW DELHI

Tata group firm TTSL on Monday said it has paid Rs 2,197 crore to the government to settle outstanding arising from the Supreme Court ruling on adjusted gross revenue (AGR) dues for telecom firms.

"Tata Teleservices Ltd and Tata Teleservices Ltd have made a payment of ₹2,197 crore to the Department of Telecommunications (DoT) towards license fee and spectrum usage charges," it said in a statement.

Pradhan says does not believe top court's AGR ruling applies to non-telecom PSUs

PTI ■ NEW DELHI

Oil Minister Dharmendra Pradhan on Monday said he believes non-telecom PSUs are not covered by the Supreme Court order that asked telecom licence holders to pay statutory dues after including non-telecom revenues.

Following the October 24 Supreme Court ruling that non-telecom revenues of telecom firms such as Bharti Airtel and Vodafone Idea should be included for considering payments of government dues, the telecom department sought ₹1.83 lakh crore from gas utility GAIL India Ltd, about ₹48,500 crore from OIL, ₹21,953.65 crore from Power Grid Corp and ₹15,020 crore from Gujarat Narmada Valley Fertilizers & Chemicals Ltd.

The Government's demand from such companies was many times more than their net worth.

"The Department of Telecommunications (DoT) has served notice to Government oil companies due to some communication gap. We have placed our side after doing all legal consultations," Pradhan told reporters here.

He went on to state that neither of the public sector undertakings (PSUs) slapped with huge demand has any core work in the telecom business.

"Telecom is not the core business of either GAIL or OIL or PowerGrid," he said, adding that they came into the telecom business thinking of multi-utility for internal consumption.

"The overall comment by the Supreme Court, I believe, these two-three PSUs do not come under its ambit... We are holding talks with DoT," he said.

Following the Supreme Court ruling of October 24, 2019 that non-telecom revenues should be included for considering payments of government dues by firms holding any sort of telecom license, the Department of Telecommunications (DoT) slapped ₹1.47 lakh crore demand on mobile phone operators such as Bharti Airtel and Vodafone Idea Ltd, and another ₹2.7 lakh crore on non-telecom firms.

Non-telecom firms such as OIL, GAIL and PowerGrid filed a clarificatory petition on the applicability of the October 24 order on them, but the apex court on February 14 asked them to approach the appropriate authority.

OIL, the nation's second-biggest state-owned oil producer, holds a National Long Distance Service Licence (NLD) with the primary objective of monitoring and operation of its pipeline network.

Telecom AGR crisis: RBI closely monitoring developments

New Delhi: With massive ₹1.47 lakh crore of AGR dues pushing telecom firms to the brink, Reserve Bank of India Governor Shaktikanta Das on Monday said the central bank is "very closely monitoring" the fallout of the crisis on lenders by way of a default, if any, by telecom players.

In an interview with PTI, Das said so far no red flags have been raised but the central bank continues to monitor the situation closely.

The Supreme Court last week rejected a plea by mobile carriers such as Bharti Airtel and Vodafone Idea Ltd for extension in the payment schedule and asked them to deposit an estimated ₹1.47 lakh crore in past dues for spectrum and licences by March 17.

Some telecom firms are already struggling with mounting losses and debt and the additional liability has raised concerns of them defaulting on existing loans.

Telecom stocks end in red amid uncertainty over statutory dues

PTI ■ NEW DELHI

Shares of Vodafone Idea and Bharti Airtel closed marginally lower on Monday even as investors kept their fingers crossed amid uncertainty over statutory dues.

State-owned MTNL was 8.14 per cent down over the previous close of ₹9.35 on the BSE. Vodafone Idea's shares closed 0.58 per cent down to ₹3.42 per unit. Intra-day, the stock gained as much as 18.89 per cent to hit upper circuit at ₹3.78.

The stock lost all its early gains after the Supreme Court rejected Vodafone Idea's proposal to pay ₹2,500 crore by the end of Monday, and ₹1,000 crore by Friday against adjusted gross revenue (AGR) dues.

However, after market hours, Vodafone Idea and Tata group have made part payments of about ₹2,500 crore and over ₹2,190 crore, respectively, to the telecom department towards statutory dues, a government official said.

Market ends lower for 3rd day as macroeconomic worries persist

PTI ■ MUMBAI

Domestic equities clocked losses for a third session in a row on Monday as worries over economic slowdown and financial impact of coronavirus outbreak continued to play in the minds of investors.

At the closing bell, the BSE gauge Sensex was down 202.05 points, or 0.49 per cent, at 41,055.69. The index swung about 390 points during the session.

The NSE barometer Nifty fell 67.75 points or 0.56 per cent to close at 12,045.80.

On the Sensex chart, ONGC led the fall with a 3.20 per cent drop after the company posted halving of its December quarter net profit.

Other top laggards on the index were Sun Pharma, NTPC, Bajaj Auto and HDFC - slipping as much as 2.37 per cent.

On the other hand, Titan, Nestle, TCS, Kotak Bank and Tata Steel emerged as major gainers, rising as much as 1.86 per cent.

Of the Sensex constituents,

19 closed in the red and 11 in the green.

Sectorally, oil and gas index fell the most (2.39 per cent), followed by utilities (2.07 per cent), power (1.76 per cent), realty (1.53 per cent) and healthcare (1.50 per cent).

In contrast, consumer durables, IT and teck emerged as gainers.

In the broader market, BSE Midcap and smallcap indices fell 0.91 per cent and 1.02 per cent, respectively. Further weakening investor sentiment,

Moody's Investors Service has slashed India's growth forecast to 5.4 per cent for 2020 from 6.6 per cent projected earlier on slower-than-expected economic recovery.

Meanwhile, worries over rising death toll and the economic fallout from the novel coronavirus continued to haunt investors globally.

The coronavirus epidemic that emerged in central China has now killed nearly 1,800 people and spread around the world.

Moody's cuts India growth projection to 5.4% for 2020

PTI ■ NEW DELHI

Moody's on Monday slashed India's growth forecast for 2020 to 5.4 per cent from 6.6 per cent projected earlier, on slower than expected economic recovery.

In its update on Global Macro Outlook, Moody's Investors Service said India's economy has decelerated rapidly over the last 2 years and economic recovery is likely to be

'shallow'.
"While the economy may well begin to recover in the current quarter, we expect any recovery to be slower than we had previously expected. Accordingly, we have revised our growth forecasts to 5.4 per cent for 2020 and 5.8 per cent for 2021, down from our previous projections of 6.6 per cent and 6.7 per cent respectively," Moody's said.

Moody's growth projec-

tions are based on calendar year and as per its estimates, India's GDP grew 5 per cent in 2019.

The rating agency had in November 2019 projected economic growth in 2020 and 2021 at 6.6 per cent and 6.7 per cent respectively. In its latest update, Moody's said the reduction in India's growth rate reflects domestic challenges rather than external factors.

₹ edges 5 paise higher against \$ on stable crude prices

PTI ■ MUMBAI

The Indian rupee on Monday settled 5 paise higher at 71.32 against the US dollar, helped by some moderation in crude prices. However, stronger US dollar against key rival currencies and subdued domestic equities kept the rupee's rise in check.

At the interbank foreign exchange market, the domestic unit started on a weak note at 71.45 against the US dollar, but kept on reclaiming the lost ground as the day progressed. It swung between a low of 71.48 and a high of 71.24.

Lazio topple Inter 2-1 to go 2nd behind Juventus

AFP ■ ROME

Lazio coach Simone Inzaghi gave warning his side are ready to fight for their first Serie A title since 2000 after moving into second in Serie A on Sunday, just one point off leaders Juventus after a come-from-behind 2-1 win over Inter Milan at Stadio Olimpico.

Juventus reclaimed pole position thanks to Paulo Dybala and Juan Cuadrado's goals as the Turin giants rediscovered their winning form 2-0 at home against Brescia.

Inter Milan dropped from top spot to third — three points behind the eight-time reigning champions — after falling to just their second defeat of the season.

"We need to stay humble and focused but I'm sure we will succeed. We have nothing to lose," said Inzaghi.

"We know that Juventus and Inter are two great teams and we will do everything to fight to the end, knowing that it will be very difficult."

In a fiery clash in the Stadio Olimpico defender Ashley Young broke through just before the break with his first Serie A goal for Inter Milan after his move from Manchester United.

The 34-year-old got his foot to tap-in off a rebound after Thomas Strakoska had cleared from former Lazio player Antonio Candreva.

Sergej Milinkovic-Savic celebrates with Lazio teammate Lucas Leiva after scoring his side's second goal. AP

A Stefan de Vrij foul on **CIRO IMMOBILE** allowed the Serie A top scorer to slot in his 26th goal in 24 games this season, five minutes after the break.

Sergej Milinkovic-Savic snatched the winner after 69 minutes amid confusion in front of goal.

"We gifted Lazio two goals," said Inter coach Antonio Conte as the northerners fell to their second defeat after Juventus in October.

Lazio extended their unbeaten run to 19 games as they target their second Scudetto, with a return to Champions League football on the cards for next season.

MERTENS LIFTS NAPOLI

In Sardinia, Napoli got back to winning ways with a Dries Mertens' 65th-minute goal sealing a 1-0 success over Cagliari.

The Belgian completed a give-and-go with Elseid Hysaj with the ball curling in with a deflection off the post.

It was the 32-year-old's 120th goal for Napoli, one short of Marek Hamsik's all-time record, and five ahead of club legend Diego Maradona.

"Dries is a phenomenon, a champion who makes difficult things seem simple," said coach Gennaro Gattuso. Gattuso's side overtake Cagliari, moving up to eighth.

Dortmund defence key against PSG

AFP ■ DORTMUND

Borussia Dortmund coach Lucien Favre says how his team defend against Paris Saint-Germain stars such as Neymar and Kylian Mbappe will be the deciding factor in today's Champions League clash.

Dortmund host PSG in the last 16, first leg at Signal Iduna Park.

"They're a dangerous team," Favre said in Dortmund on Monday.

"When you lose the ball, they move very fast up front. The key will be how we defend."

"It's important that we're very strong on winning the ball and then, when in possession, that we stay calm."

Under former Dortmund coach Thomas Tuchel, PSG are looking to break their last-16 jinx having failed to progress past the first knock-out stage for the last three seasons.

Dortmund are looking to emulate their run to the 2013 Champions League final and have some serious attacking prowess of their own.

New signing Erling Braut Haaland, 19, has scored nine goals in six

games and forged a successful partnership with England winger Jadon Sancho, also 19.

The teenagers are set to lead Dortmund's attack with Germany pair Marco Reus and Julian Brandt both out injured.

Neymar has been named in the Paris Saint-Germain squad for today's Champions League last-16 first leg at Borussia Dortmund, despite missing the French club's last four games through injury.

The world's most expensive player has been struggling with a

rib problem, but was expected to be fit in time for the game at Signal Iduna Park.

The Brazilian missed last season's surprise last-16 loss to Manchester United with a foot injury, while he also sat out the second leg of the defeat at the same stage of the competition by Real Madrid in 2018.

2018 World Cup. "It's a good memory because we (Belgium) won (2-1), but tomorrow (Tuesday) will be different," he said.

"If he plays, we'll have to pay attention to him, but not only to him, because Paris has a lot of qualities in attack."

"We'll have to be very compact, we'll have to defend together as a team and be very strong."

Celta put brake on Real

AFP ■ MADRID

Real Madrid's winning streak ended when they conceded a late goal to draw 2-2 at home to Celta Vigo and finish the weekend with their lead over Barcelona down to one point.

Real manager Zinedine Zidane was philosophical.

"There's nothing to explain, it's just the way things are, it's football," he said.

"I'm not worried about it, but I'm disappointed, as always when you drop two points at home."

On Sunday they welcomed back Eden Hazard, who had been out since November. Coach Zinedine Zidane also recalled his other 100 million euro player Gareth Bale to complete an all-star attack with Karim Benzema.

Yet Celta leapt into the lead after seven minutes. A pass from Iago Aspas sent Fedor Smolov galloping clear up the middle and he shot low past Thibaut Courtois.

"There were mistakes, especially for the first goal," said Zidane.

"We were not well positioned, it happens, and it'll happen to us again."

Real levelled in the 52nd minute, Marcelo, not for the first time, found space on the left. His low cross deflected to Toni Kroos following the attack. The German drilled in the equaliser. It was the sixth straight season Kroos had scored against Celta.

In the 65th minute, goalkeeper Ruben

Sergio Ramos celebrates after scoring from spot. AP

Blanco pulled down the impressive Hazard. Ramos slammed the penalty into the bottom corner of the net.

However Celta responded by rediscovering their attacking nerve.

With four minutes left, a sharp pass from Denis Suarez, who had come on in the 71st minute, caught the Real back four rigid on the edge of their own area. Santi Mina, who had been on for just two minutes, raced onto the ball and drilled a shot past Courtois.

Boult back for India Tests

PTI ■ WELLINGTON

Fit-again senior pacer Trent Boult has been named in the 13-member New Zealand squad for the first Test against India starting at Basin Reserve on February 21.

According to a media release issued by New Zealand Cricket, the 6 feet 8 inch giant pacer Kyle Jamieson, who made his ODI debut against India in the recent series, has also earned his call up in the Test squad, which will have slow left-arm orthodox Ajaz Patel as the only spinner.

Boult's comeback is a big boost for the New Zealand side as he missed the entire limited overs leg due to a fractured right hand.

"It's terrific to have Trent back with us and we're looking forward to the energy and experience he adds to the group alongside his obvious class with the ball in hand," head coach and chief selector Gary Stead said.

Jamieson, on the other hand, has been included in a pre-series Test squad for the first time.

"We're excited to welcome back Ajaz (Patel) who has done a great job for us overseas and has a

proven domestic record in New Zealand conditions," the coach said.

Daryl Mitchell of Northern Districts is also in the squad as a batting all-rounder.

"Daryl showed his batting prowess in his Test debut against England in Hamilton and he naturally offers us great versatility with the different roles he can play," Stead said.

Tom Blundell will continue to open the batting along side Tom Latham following his breakthrough century in Melbourne.

The Wellington Test will also be Ross Taylor's 100th Test, joining ranks with his former teammates Brendon McCullum, Daniel Vettori and Stephen Fleming.

Taylor will become the first cricketer in the world to complete 100 games across three international formats.

"To play 100 Tests for your country is an incredible achievement and a testament to his work ethic and complete professionalism," Stead said of Taylor.

It's going to be very big if we win T20 WC: Harman

PTI ■ SYDNEY

The void left by legends such as Mithali Raj and Jhulan Goswami is not easy to fill, India captain Harmanpreet Kaur conceded on Monday but also asserted that her young side has grown substantially to be a top contender for this month's women's T20 World Cup.

Mithali retired from T20 cricket last year while Goswami previously played in the format before the 2018 edition. The average age of India's squad in Australia is 22.8 with Harmanpreet being among the seasoned ones.

"We already miss the experience they share with us, but these young girls and showing their talent and ability," said the 29-year-old, while speaking at the captains' media day at

The ICC Women's T20 World Cup will open with a mouth-watering

clash between India and defending champions and hosts Australia in Adelaide on February 21.

"In the last two years...I've gone from being the youngest one to one of the oldest in the team," she said.

"They (her teammates) never show us that they're young, they can always do what we expect of them. The team is looking in really good shape and showing what they can do with extra responsibility," she added.

She is still not over the disappointment of missing the ODI world title in 2017 and Harmanpreet said the T20 World Cup trophy would go a long way in making up for that debacle.

"Our team is growing day by day, everyone is looking so positive," Harmanpreet said.

"It's going to be very big if we win, I was very surprised at all the reaction from 2017. My parents didn't tell me, they didn't want us to feel the pressure. If we win, it's going to be very big for

us. We will try to give our best."

Harmanpreet is well aware of what a long run in an ICC tournament can do for her country.

"Over the last two years, we have already had a few games as part of the Women's T20 Challenge and this year we are looking forward to more," said the aggressive batter, who became the first Indian cricketer to join an overseas league by signing up with Women's Big Bash League side Sydney Thunder in 2016.

"If we win the World Cup, there's no doubt things will change. That tournament would bring a lot of confidence to the girls."

"If we get a women's IPL that will be really good for us. If we win the World Cup, it's going to be very big for us as a team, so we will try to give our best," she said.

New selectors by end of NZ tour

PTI ■ NEW DELHI

BCCI's Cricket Advisory Committee (CAC) member Madan Lal says two new selectors will be in office by the time the national team's tour of New Zealand winds up early next month.

"We have received a list of 44 applicants and we should have the two selectors appointed by the end of New Zealand tour," Lal said, referring to the ongoing tour, which will end on March 5 after a two-Test series starting Friday.

The national selection panel also includes Devang Gandhi, Jatin Paranjpe and Sarandeep Singh, all of who have one more year left in their tenure.

"Out of the applications, how many applicants we will call for the interview is not yet decided," he added.

The applicants include former India pacers Ajit Agarkar and Venkatesh Prasad among others.

"There are big names in the list but it is not about that. It is about best picking the right man for the job and that will be our focus. Also there is no word yet from BCCI on whether to continue with zonal policy or not," Lal said.

Faf quits as SA captain

Senior batsman Faf du Plessis on Monday stepped down as captain of South Africa's Test and T20 teams with immediate effect, citing "the

need to facilitate the emergence of next generation of leaders."

The 35-year-old Du Plessis, who stepped aside from the ODI captaincy to make way for Quinton de Kock during the recent series against England, said he took the decision to help South Africa start a new era.

"In a perfect world I would have loved to lead the team in the Tests for the rest of the season as well as the T20 World Cup," du Plessis said in a statement.

"But sometimes the most important attribute of a leader is to be selfless. I am healthy, fit, energised and motivated and certainly see myself playing an important role in the squad for as long as I continue putting in winning performances for the team," he added.

"As the team heads into a new direction with new leaders and a young crop of players, I feel it will be in the best interests of South African cricket to relinquish the captaincy in

all formats."

Du Plessis termed the decision as one of the toughest but said he remains fully committed to help de Kock in the transition phase.

"This was one of the toughest decisions to make, but I remain fully committed to supporting Quinton, Mark (Boucher) and my teammates as we continue to rebuild and re-align as a group," said the 35-year-old.

RABADA RETURN FOR T20+

Faf du Plessis and fast bowler Kagiso Rabada will return to the South African squad for a three-match T20I series against Australia, starting at the Wanderers on Friday.

Fast bowler Anrich Nortje, one of South Africa's successes in a losing Test series, has also been included in the squad.

Temba Bavuma's selection is dependent on a scan of his right hamstring after he was injured during final match against England.

SINGLES

KOHLI SLIPS TO 10TH IN T20 RANKINGS

DUBAI: India skipper Virat Kohli slipped to the 10th position but KL Rahul and Rohit Sharma remained static at the second and 11th place respectively in the latest ICC T20I rankings. Barring mainstay Kohli (673 points) dropped down as England captain Eoin Morgan (687), who scored 136 runs including two fifties against South Africa moved to the ninth place.

CASILLAS TO RUN FOR RFEF PRESIDENCY

MADRID: Spain's World Cup-winning captain Iker Casillas confirmed he will run for the presidency of Spanish Football Federation (RFEF). The date of the election has not yet been decided but Casillas said he has informed his current club Porto of his decision, with the 38-year-old now expected to retire from playing the game. "Yes, I will run for the presidency of the RFEF when the elections are called," Casillas wrote. "Together we will put our federation at the top of the best football in the world, the football of Spain."

HARSIMRAN INVITED TO NBA GLOBAL ACADEMY

NEW DELHI: India's Harsimran Kaur has been invited to participate in a multi-week training camp at The NBA Global Academy at Basketball Australia's Centre of Excellence in Canberra. The training camp started on Monday and will end on March 3. This will be her second stint at the NBA Global Academy after attending a camp from November 7 to 24 last year.

INDIA WILL HOST FIH JR MEN'S WC IN 2021

LAUSANNE: International Hockey Federation (FIH) on Monday announced India as the hosts for next year's junior men's World Cup. This is the second time that India will be hosting the prestigious tournament, having staged it in Lucknow in 2016, where the hosts lifted the coveted trophy. FIH said that the competition will be played towards the end of 2021 but exact venue and dates for the tournament will be announced at a later stage. The junior men's World Cup will see 16 teams compete for the title, out of which six will be from Europe, four from Asia, including hosts India, two from Africa, two from Oceania and two from Pan America.

JR WEIGHTLIFTERS WIN 5 SILVER, 6 BRONZE

NEW DELHI: India claimed five Silver and six Bronze medals at the ongoing 2020 Asian Youth & Junior Weightlifting C'ships in Tashkent. KVL Pavani Kumari (45kg) won Silver medals in both youth girls and junior women section, while Sidhanta Gogoi (61kg) claimed Silver in youth boys and junior men events after lifting a total of 145 and 269kgs respectively. Mukund Aher (49kg) then clinched a Silver in youth boys category with a lift of 189kgs. Harshada Goud (45kg) clinched two Bronze medals with a lift of 139kgs in youth girls and junior women events. Other lifters to win Bronze medals are Boni Manghikya (55kg), Ch Nirmala Devi (59kg), S Gurunaidu (49kg) and Golom Tinku (55kg).

TOKYO MARATHON CANCELLED FOR 38K RUNNERS

TOKYO: Organisers said on Monday they are cancelling the amateur portion of the Tokyo marathon, affecting around 38,000 runners, on fears about the spread of the new coronavirus in Japan. "We reached the conclusion that unfortunately it is difficult to organise the event... After several cases (of the virus) were confirmed in Tokyo," the Tokyo Marathon Foundation said. The decision will not affect elite runners, including elite wheelchair participants, the organisers said. But they only account for around 200 of the tens of thousands of people who had registered for the March 1 race.

MAREGA WALKS OFF AFTER MONKEY CHANTS

LISBON: Porto's Mali striker Moussa Marega walked off the pitch in disgust after being subjected to a torrent of monkey chants in a stormy Portuguese league game at Vitoria Guimaraes on Sunday. The 28-year-old had scored a 60th-minute winner for Porto against his former club which sparked the home fans to aim even more vitriol at the France-born player which had started as early as the pre-match warm-up. In the 71st minute, Marega signalled to the bench that he was walking off in protest even though teammates, Porto coach Sergio Conceicao and Vitoria players tried to get him to stay on the pitch. As he walked off, an angry and upset Marega gave a thumbs-down signal with both gloved hands to the home fans.

PUNIA, VINESH LEAD INDIAN CHALLENGE

PNS ■ NEW DELHI

Defending champion Bajrang Punia will look to retain his 65kg freestyle title while six-time medallist (3 Silver and Bronze each) Vinesh Phogat will aim to upgrade the 53kg Bronze she won in the 2019 edition at Xi'an, China to Gold when the Asian Wrestling Championship begins here at Indira Gandhi Arena today.

The six-day event at the KD Jadhav Wrestling Stadium will act as a platform for the Indian wrestlers to test their skills against the best in Asia ahead of the Tokyo Olympics.

The championship has been classified as a ranking tournament for the Tokyo game by the United World Wrestling.

Besides Punia and Vinesh, the 30-member India squad will also feature Deepak Punia, Ravi Kumar Dahiya and 2016 Rio Olympic Bronze medallist Shakshi Malik.

Anshu Malik, Ashu and Sonam Malik are the three youngsters who would look to make a mark in the tournament.

The tournament will be played in three categories — men's freestyle, Greco-Roman and women's wrestling. The first two days will see Greco-Roman competition, followed by women's wrestling (next two days) and men's freestyle (last two days).

There was initially uncertainty over the participation of four Pakistani wrestlers and two officials due to political tension but they have been cleared by the government to take part in the championship.

However, a 40-strong Chinese contingent will not be taking part in the championships as they have not been granted visas by the government due to the novel coronavirus outbreak there.

The Senior Asian Championship is returning to India after a gap of two years. India last hosted the championship in 2017. In the 2019 edition, India had won 16 medals, including the lone Gold from Punia in 65kg category.

World No 2 and India's leading medal hope, Punia said, "It is a great opportunity for all

of us. We will be playing in front of our home fans. Though to many it might seem as pressure, but I believe it will work as an advantage and I am hopeful that large numbers will be coming in to fill the stands and support us." Dahiya, who has already qualified for the Olympics courtesy his Bronze medal-winning performance at the 2019 World Championships, echoed Bajrang's feelings.

"We are excited about the tournament. I am personally looking at ensuring that in my weight category I end up winning Gold. 57 kg is a tough weight category and has probably the stiffest competition but

losing is not an option when you are playing in your home ground," he said.

Fresh from her Gold medal at the Ranking Series in Italy, Vinesh is India's brightest medal prospect in the women's category.

"We have a strong contingent in both men and women's category. Asia has a very good set of wrestlers and being the Olympic year everyone will be looking to get as many wins as possible heading to the Tokyo Games. Personally, I am looking at this competition as a launchpad for my upcoming competitions," said Vinesh.

One of the dark horses of the tournament will be Sakshi (65 kg) who has not done anything of note last year. While she is not competing in her regular weight category, she could utilise the tournament to redeem herself.

Sakshi had won a Bronze in 62kg in the last

edition. Apart from the Indians, there will be a number of top international wrestlers as well, like Kenichiro Fumita, Gold medallist at 2019 World Wrestling Championships, and Nurislam Sanayev from Kazakhstan in freestyle.

Coronavirus impact: No entry for Chinese wrestlers in Delhi

PTI ■ NEW DELHI

Chinese wrestlers will not compete in the Asian Championships beginning here today as they have not been granted visas by the government due to the novel coronavirus outbreak there, a top official of the national federation said on Monday.

Wrestling Federation of India (WFI) assistant secretary Vinod Tomar said that the government has denied visas to the 40-strong Chinese contingent.

"We have got to know that the government has not granted visas to the Chinese contingent and so they are not taking part in the Championships," Tomar said.

"The world is grappling with the issue of coronavirus and so health of the athletes is the primary concern now. It is understandable why the government has not given visas to them," he added.

(a two-time world champion) and Uzbekistan's Elmurat Tasmuradov (a five-time Asian Championship Gold medallist) will be in action.

Aisuluu Tynybekova of

Asked what could be United World Wrestling's reaction on the denial of visas to the Chinese wrestlers, Tomar said, "We do not see any issues here, it is not something which happens in normal times. We are dealing with a grave health issue facing the world."

"It is not happening just in this championship, other countries have also done the same to Chinese athletes in other sporting events. Moreover, the UWW has not told us anything or given any direction about the Chinese wrestlers in the past week or so."

Talking about the granting of visas to the Pakistani wrestlers, Tomar said, "There could be issues had we not granted visas to the Pakistani wrestlers. So, we tried hard to get it done. But in case of Chinese wrestlers, it is for the health and safety of the participating athletes."

Kyrgyzstan, Gold medallist at 2019 world championships and a three-time Asian Championship winner, will be headlining the women's wrestling category.

Saina, Srikanth chase Olympic berth

PTI ■ BARCELONA

Seasoned Indian shuttlers Saina Nehwal and Kidambi Srikanth will look to keep their Olympic hopes alive when they compete at the \$170,000 Barcelona Spain Masters starting here today.

The Indian duo has been inconsistent in 2019 and didn't enjoy a good start to the new year.

While Saina has crossed the first round in only one of the three events in 2020, Srikanth has lost in the opening round in all three tournaments that he has played so far this year.

Saina and Srikanth are currently ranked 18th and 15th respectively, while being placed 22nd and 26th in the Race to Tokyo rankings, which takes into consideration only the points accumulated from the tournaments played in the last one year.

According to the BWF Olympic qualification rules, only two players from each singles category can qualify if their ranking is within the

top-16 by April end.

Among the Indians, world champion P V Sindhu and B Sai Praneeth and men's doubles pair of Satwiksairaj Rankireddy and Chirag Shetty have almost secured their berths for the Tokyo Games.

With the Olympic qualification cut-off date ending in April, there are only seven tournaments, including the Barcelona Spain Masters, left in the calendar and the Indian duo will have to produce consistent performances to earn a ticket to Tokyo.

London Bronze-medallist Saina, who is looking to make her fourth Olympics, will begin her campaign here against Germany's Yvonne Li.

Third seed Srikanth, on the other hand, will face fellow Indian Subhankar Dey, who notched up a morale-boosting win over world No 20 Indonesian Shesar Hiren Rhustavito in the Asia Team C'ships on Saturday.

Srikanth, who was also a part of the team in Manila, won two of his singles matches and lost one last week and he would hope to go deep in the draw in the tournament.

Sania returns to action in Dubai

PTI ■ DUBAI

Indian tennis star Sania Mirza will return to action at the ongoing Dubai Open on Wednesday after recovering from a calf injury which had cut short her campaign at the Australia Open in January.

The 33-year-old Indian will pair up with her French partner Caroline Garcia and they face Russia's Alla Kudryavtseva and Slovenia's Katarina Srebotnik in the opening round of the women's doubles event.

"Quitting off a grand slam tournament due to an injury is a sad experience. Especially, when you are back into the game after a long break. But thanks to my physio for making me fit for the tournament. I have started practicing and look forward to a great tournament," she said.

'United by Emotion': Tokyo 2020 unveils Games motto

AFP ■ TOKYO

Tokyo 2020 organisers on Monday rolled out the motto for this year's Olympics, *United by Emotion*, which they said reflected the "universal values" and "unifying power of sport".

The official Olympic motto

is *Citius, Altius, Fortius* or *Faster, Higher, Stronger*, but each host city chooses its own motto to accompany that edition of the Games.

London's motto in 2012 was *Inspire a Generation*, whereas Athens in 2004 went for *Welcome Home* — a nod to the birthplace of the Games in Olympia.

Less well-received was Sochi, which plumped for *Hot. Cool. Yours*, sparking derision in some quarters.

Tokyo said the motto would be beamed onto the Skytree tower in the Japanese capital to raise awareness as it will be seen for miles around.

The opening ceremony will be on July 24 and organisers have stressed there is no discussion about changing this date despite the coronavirus crisis hitting global transport.
