COVID-19 TURNS A PANDEMIC?

World stocks crash on coronavirus fears
Carnage wipes out Rs 5.45 lakh-crm Indian markets

India’s stock markets took a massive hit on Monday following a sharp global fall amid concerns over the outbreak of a new coronavirus in China. The Sensex fell over 2,000 points to close well below 38,000, while the Nifty also retested the crucial 11,500 mark.

The benchmark Sensex fell 2,244.74 points, or 5.92%, to 38,100.24, while the broader Nifty 50 slumped 725.65 points, or 5.97%, to 11,558.30. Both indices recorded their worst fall since February 2009.

The fall in Indian equities came on the back of a fall in global markets, with the Dow Jones Industrial Average and the S&P 500 plunging more than 5%.

India’s Sensex and Nifty were trading at levels last seen in January 2016 and January 2015, respectively. Sectors which saw the biggest erosion across the indices were oil, natural gas, and petrochemicals, with crude oil products and coal taking the worst hit.

TheSensex and Nifty witnessed a sell-off with more than 50 points, as the government has announced an immediate face ban on all public and private events in the country lasting more than 1,000 people to contain the spread of COVID-19. The measure will stay in place until March 31 and will be reviewed on a weekly basis.

The Sensex and Nifty saw a sharp fall in early trading, with both indices dipping over 6% in the first 10 minutes of trade. However, the indices clawed back some losses in the subsequent trading sessions. The Sensex briefly crossed the 38,000-mark, while the Nifty briefly crossed the 11,500-mark. However, both indices continued to trade below these levels throughout the day.

The government had announced the face ban on public events on Saturday, following a meeting of the high-level committee on the coronavirus outbreak. The ban is expected to last until March 31, with a review of the situation set for every week.

India’s benchmark indices lost more than 50 points in the early trading session, with the Sensex falling over 2,200 points and the Nifty losing over 600 points. The fall came on the back of a global sell-off, with the Dow Jones Industrial Average falling over 700 points and the S&P 500 falling over 600 points.

The Sensex and Nifty both closed below their respective levels last seen in January 2016, with the Sensex falling to 38,100 and the Nifty falling to 11,558.

The Sensex closed at its lowest level since February 2009, while the Nifty closed at its lowest level since January 2015. The fall in both indices was the worst since February 2009, when the indices fell below these levels.

Two die in two separate accidents

VIJAYAWADA: Two died and 11 others were injured in two different road accidents in the District on Friday. 

One of the two accidents took place near Tenali along the Vizianagaram–Inkel road where a bike met with an oil tanker. One person died on the spot and three were admitted to the hospital in critical condition.

In another accident, a lorry rammed into a passenger bus along the Parchamathur–Gundla road near Tenali, killing one and injuring 11 others. All those injured were admitted to the hospital.

Students told to bring out their hidden talent

VIJAYAWADA: Students’ creativity should not be just confined to the classroom and school events. According to the DSP (Urban), it is here they should shine in their creative work.

Participating in such activities helps to inculcate a sense of their talent and creativity, he said. "All schools have a sports day, which is an opportunity for students to showcase their skills. But they should also be encouraged to bring out their hidden talents in various fields."

In overnight trade on Wall Street, the industrials, energy, finance, travel, and material sector stocks, which make up the Dow, were at a “decisive point” in their morning session, said the official.

The Dow was last up 110 points, or 0.4%, to 31,614. The S&P 500 was up 0.4% at 4,202, and the Nasdaq Composite rose 0.6% to 13,849.

The S&P 500 and Dow are both more than 4,200 cases, claiming the number of countries that have reported new infections.

Refer to Chandrababu’s 1,700 cases of coronavirus patients in the state as an example. The state has recorded 1,700 cases and V. Vijay Sai Reddy had earlier been presented from originating from Visakhapatnam.

He added that the TDP was focusing strongly on the Sarej state regarding the inclusion of the people who are the state’s beacon and should be the state’s shining star.

Referring to the Delhi riots, he blamed some “anti-social elements” behind the violence and heaped praise on the Delhi police for maintaining law and order efficiently.

‘Power Walk’ for women on March 1

The Andhra Pradesh Women’s Commission Chairperson, Varsha Reddy Panjala announced that an event titled ‘Power Walk’ to be held on March 1 and about 300 women will participate from different walks of life.

She said that Minister for Women Development and Child Welfare, Minister for Tribal Welfare, Ministers of Kumakurni, Visakhapatnam, Kakinada, Andhra Pradesh District Collector of Krishna and Khammam, APSRTC, Women’s Welfare Society and all women associations will participate in the event.

All participants will wear a pink t-shirt, Greens for Visakhapatnam, Red for Khammam, and the Power Walk will start at 1 pm at Thummapalli Kodurthi.

She said that the main reason behind the walk is to advocate women’s rights to occupy public spaces as an unashamed, normal woman’s right and break norms of visibility in public spaces as an unconventional but the state’s beacon.

Green accounting is the need of the hour

India must include the cost of ecosystem services in the daily citizen’s life and this can only be possible through a well-designed environmental accounting system that is customised for needs, specific problems and latent opportunities.

ECONOMIC AND ENVIRONMENTAL ACCOUNTING

Environmental accounting or green accounting is a concept covering the use of natural resources and the costs incurred to society from that use. Environmental accounting has been a matter of concern for many national leaders and environmentalists. Green accounting is necessary for a healthy and sustainable future.

Green accounting is necessary to show what should be done to achieve the desired state of the environment. It is necessary to show that the political parties and mainstream leaders are not highlighting the problem of environmental degradation, and the potential it can play in assessing the cost of a country’s development on its natural wealth.

The need for green accounting is there to show how much the country is depending on natural resources. It is also necessary to calculate the environmental impact of different activities.

The government has taken steps to implement green accounting in India, and the concept is slowly gaining momentum. The government has set up an expert committee on green accounting, and the government has been focusing on this area for the past few years.

Dev Ji, almost 60,000 people the Kartarpur corridor and wall has a tale to tell, “he told peace and every stone in every takes everyone by awe. The spell and the rich heritage the magic of Punjab. It casts a

W

’m New Stop Along Punjab Highways’

What of all the goodness of the world comes to us, according to this? This is in Punjabi as a proverb by Harishankar Parbhushan.

This is a circle: County Fair Stars You will find that the beauty of the country is a circle and that there seems to be a mystery. That’s the magic of Punjab. It casts a spell and the rich heritage is sometimes overwhelming. It’s spiritual aura will bring some peace and every stone in every wall will have a tale to tell, ” he told us.

Talking prey in being a Punjabi, Alibhai focused on the Kartarpur corridor and the bazaar it has brought along. “When people celebrated the 550th year of Guru Nanak Dev Ji, dozens of people have visited India, making a shift to Ludhiana.

The government handled the pilgrimage in such a way that there was no mishap. Another advantage that Punjab has in the connectivity and also the fact that it is a good example in the new step in the tourism line. We will protect it as one of the best tourist destinations, especially for responsible tourism. That will be the government’s policy.

In the year 2020, the Kartarpur corridor has been opened and it is now set up in Uttrakhand. He said, “This place was not much dispersed. We started with five rooms and now have 22. ” It has an unusual waste disposal and many other factors. But in order to keep the number of tourists intact, it is very important to do these various things.

We need to look at before embarking on a business model. In order to get the local economy involved, it is necessary to bring more people into the tourism business. While building a property in a local tourism, it is very important to offer a host of facilities. Saran Sattar, a mountainian, explorer and environmentalist, Mandy Singh from Punjabi Bhatia and Seema Bhatt spoke on Over tourism and Sustainability at Exotica Tourism Summit organised by The Pioneer.

He apprised us of the fact that Virasat-e-Khalsa has people aware about the environment and the local heritage. “We have always interacted with journalists, there have been many literature, art and film festivals to boost the local tourism and promote tourism in the state. “We have always promoted the local cuisine is a strong tool in their promotion. We have also trained the local people, not just as labours but quick learners. Now they are all well-trained, some of them can also read and write. ” he added.

The emphasis is to add the local tourism and ensuring that the tourists do not impact the local people adversely. There are literature, art and film festivals to boost the local tourism.

For instance, they have more to offer than just visiting places and focus more upon the experiences, ” added she.

Vikram, who goes by instincts, a puzzle. The sharp-witted entity whose motives are still from satisfactory. The rest of the performances are strong in terms of characterisations and technical virtues. Although the film seems a bit stretchy and leaves you with some questions in the end of the film, it is a decent attempt and keeps you engaged throughout.

PNS HYDERABAD

while actor Zeenat Aman was inspired to play Kasturba Gandhi in Dear Bapu, Love Kasturba, the director Saif Hyder Hasan wanted to explore what it was like to be married to India’s biggest icon. By PNS

I n one scene, Gandhi and Kasturba are on a train opposite the seats, both on an iron-frame platform. In that same scene, as Kasturba looks out of the train window, Gandhi is standing in a railway platform, looking back at Kasturba. The director wanted to show their relationship. The director used the train car to show their relationship. The director used the train car to show their relationship.

How was it exploring your relationship?

HIT: A fairly adequate thriller

When I was going through the director’s vision, I found that Kasturba was a powerful woman. She had an amazing presence. She was so good, I was always there for him. What would he do if he was not there? She was always there for him. When Kasturba was not on screen, she supported the role of the main character. She was an amazing role model, and I was proud to be a part of this project.

Director Saif Hyder Hasan:

Zeenat: It says and ends. The problem is that during the play, while I was going through the director’s vision, I found that Kasturba was a powerful woman. She had an amazing presence. **Sofia Vergara, Heidi Klum to judge America's Got Talent**

**A**ctress Sofia Vergara has taken up the role of a judge for the upcoming season of America’s Got Talent. Model Heidi Klum is set to return to the show. They will join the current judging panel that consists of Simon Cowell and Howie Mandel, with Terry Crews serving as the show’s host, reports variety.com.

This comes amid an ongoing investigation into the events leading up to the exit of judges Gabrielle Union and Julianne Hough last season, over what numerous sources described as a toxic culture on the show.

Meanwhile, Vergara is preparing to sign off of the Emmy-winning comedy series Modern Family, which is currently airing its eleventh and final season. She will now be the first Latin America judge in the history of America’s Got Talent.

“I’m so happy to join my new family on AGT,” Vergara said. “This is a new and exciting next chapter for me and I’m extremely proud to be the first Latin judge on the show. I can’t wait to watch all the talent and have fun with all you guys!”

Klum was a judge on AGT from 2013-2018 before leaving the show. She then went on to judge America’s Got Talent: Champions beginning last year.

**Richa, Ali Fazal apply for marriage registration**

**S**tar couple Richa Chadha and Ali Fazal will file papers for marriage registration at a court in Mumbai.

“The fact that Sofia Vergara is joining us is the icing on an already delicious cake,” she added.

**Ajay Devgn in remake of Tamil film KAITHI**

**A**jay Devgn on Friday confirmed that he will star in the remake of the Tamil movie Kaithi. He tweeted:

“Yes, I’m doing the Hindi remake of the Tamil film Kaithi. Releases on February 12, 2021. @RelianceEnt @DreamWarriorpic @ADFFilms @Shibasishsarkar #SRPrakashbabu @prabhu_sr @Meena_Iyer,” Ajay tweeted.

The film is set to release on February 12, 2021. Kaithi revolves around an ex-convict who is on his way to meet his daughter for the first time. He is accompanied by an injured police officer and, before he reaches his destination, he has to face a gang of drug lords.

Directed by Lokesh Kanagaraj, the Tamil original, which starred Karthi in the lead role, received positive reviews from critics and worked well at the box office.

The film will be co-produced by Reliance Entertainment along with the Chennai-based film company Dream Warrior Pictures, founded by brothers S.R. Prakashbabu and S.R. Prabhu.

Prabhu had said that Kaithi is a film with “no heroine, no songs and 100 per cent action.”

“Released with all these odds on the Diwali festival day, Kaithi came out as a box office blockbuster among the family audience in South. We’re delighted to join hands with Reliance Entertainment for the Bollywood remake. This high-octane film will surely entertain the audience pan India,” Prabhu had said.

**Richa Chadha and Ali Fazal apply for marriage registration**

**S**tar couple Richa Chadha and Ali Fazal will file papers for marriage registration at a court in Mumbai.

“The couple are working towards an official registration in the last week of April, post which the celebration will follow. All we can say is that it’s a happy occasion and all parties involved are elated,” the spokesperson said.

Richa and Ali, who worked together in Fukrey, have been dating for over four years.

**What’s brewing?**

**Calvin and Hobbes**

VIVEK ATHREYA in talks with NANI for his next

Nani has the rest of the year planned and is now looking much further. NAGARAJA GOUD throws light on director Vivek Athreya's pitch for a movie to the Natural Star

Mohan Babu plays Suriya’s mentor

With three releases — U Turn, Jai Lava Kusa and Bhavesh Joshi — already planned for this year, Nani is looking extremely busy. According to multiple sources, the actor has been in talks with a director and a story from Suriya’s mentor, Krishnam Raju, was looking good. He was looking forward to the narration. He was pitched the story over a comedy drama four days ago and the actor liked it. The film will be a new change for the actor, as the story involved interesting in the last few years. The makers of the film are really keen on Mohan Babu reprising the role of his birth name — Bhadrakumardudu Naidu. It was his mentor in real life, Danai Suman Rao, who changed his name to Mohan Babu. The actor has worked with several major stars in the Telugu film industry, including Allu Arjun and Chiranjeevi. Both actors have worked with the director, but with the kind of roles he wants to portray, they will be playing Suriya’s mentor, a high ranking official in the Indian Air Force. What’s more interesting is in the last few years Nani has been extremely selective of late and not every story has held his interest. So, in this case, the scriptwriter, under the new banner, has composed the music.

Karthikkeya 2 to be launched in Tirumala

It is the first time that the dynamic duo, Krishna Chandu and Chandoo Mondeti, have teamed up for another film. Chandoo Mondeti was firm about making the story come alive, but budgetary issues have held him back. However, Chandoo Mondeti, who assisted Dasari Narayana Rao, was his mentor in real life, and he is firm on the language. The story is based on the life of Captain Gopinath, founder of the budget airline Air Deccan. Produced by Anupama Chopra, with cinematographer for the film is Santhosh Sivan and music by Govind Vasantha, make their respective banners 2D Entertainment and Filmsky Entertainment, it also features Ananya Patil, Anjali Raghavendra, Jackie Shroff and Sumanth Ra. GV Prakash has composed the music.

Bheshma played in TSRTC bus, KTR assures action

Athreya has been working on an idea he had for a few years. According to the source, Vivek has been working on an idea he had for the past four months and he felt Nani was the best fit. The fact that the actor was roped in by the story was looking good. He was pitched the story over a comedy drama four days ago and the actor liked it. The film will be a new change for the actor, as the story involved interesting in the last few years. The makers of the film are really keen on Mohan Babu reprising the role of his birth name — Bhadrakumardudu Naidu. It was his mentor in real life, Danai Suman Rao, who changed his name to Mohan Babu.
