**CAPSULE****DESI AIRCRAFT CARRIER  
BEGINS SEA TRIAL**

**New Delhi:** The much-awaited sea trials of India's first indigenous aircraft carrier Vikrant, the largest and most complex warship built in the country, began on Wednesday, a development described as "historic" by the Indian Navy. With the launch of the sea trials of the aircraft carrier, India has joined a select group of countries having niche capability to indigenously design, build and integrate a state-of-the-art aircraft carrier, the Navy said.

**SCREEN TIME DAMAGING  
EYES OF KIDS**

**New Delhi:** As schools are closed and children being restricted to four walls of their homes due to Covid-19, spending more time on watching screen, they are becoming victim to Myopia, in which the shape of the eye changes, causing light rays to bend (refract) incorrectly, focusing images in front of, instead of on the surface of, the retina, researchers have said.

**TWITTER GETS NCPCR  
NOTICE FOR RAHUL POST**

**New Delhi:** National Commission for Protection of Children's Rights has issued a notice to Twitter India, directing it to delete a photo posted by Congress MP Rahul Gandhi that reveals the identity of the Dalit girl whose rape, murder and forced cremation in Delhi has sparked furious protests. The NCPCR has contended that the tweet violates the Protection of Children from Sexual Offences Act and the Juvenile Justice Act.

# Dahiya assures 4th Oly medal for India

Neeraj qualifies for javelin final; Lovlina clinches bronze; Indian women hockey to fight for bronze

PTI ■ TOKYO

Ravi Dahiya's charge into the final assured India of a fourth Olympic medal as wrestlers sent the country's hopes soaring, while javelin thrower Neeraj Chopra turned on the style to script history in qualification itself on a day when most things went spectacularly well for the contingent, except for the heartbreak in hockey and boxing.

While Dahiya will fight for Gold on Thursday, Chopra will stake his claim for India's maiden track-and-field Olympic medal on Saturday.

The Rani Rampal-led women hockey team lost 1-2 to Argentina in the semifinals but stayed in the hunt for a medal. The courageous bunch, which has exceeded all expectations by coming this far, will play Great Britain on Friday for a Bronze medal.

The Indians fought valiantly and gave Argentina a run for their money by taking the lead in the second minute through a penalty corner conversion by Gurjit Kaur.

But the Las Leonas bounced back strongly with skipper Maria Barriounevo's (18th, 36th minutes) twin strikes from penalty corners to secure the hard-fought win.

On Thursday, the men's hockey team will eye a Bronze

Ravi Dahiya competes against Kazakhstan's Nurislam Sanayev during the 57kg Freestyle semi-final wrestling match at the 2020 Olympics in Chiba on Wednesday. AP

medal, its first podium finish in 41 years, when it takes on Germany in the third-place playoff.

In the boxing ring Lovlina Borgohain (69kg) signed off with a bronze medal after her showdown against reigning world champion Busenaz Surmeneli of Turkey ended in a crushing 0-5 loss.

Borgohain became the third Indian boxer to fetch a Games medal after Vijender Singh (2008) and M C Mary Kom (2012).

The Panipat lad Neeraj Chopra etched his name in history books in the qualification round itself when he became the first javelin thrower to qualify for the Olympic finals

and also the first to top the charts with an impressive 86.65m effort.

But it was another 23-year-old, Dahiya, who emerged as the undisputed star of the day.

The son of a farmer from Haryana's Nahri village, who is competing in his maiden Olympic Games in the 57kg category, first outclassed

Colombia's Tigreros Urbano (13-2) in his opener and then outwitted Bulgaria's Georgi Valentinov Vangelov (14-4).

In his semi-final clash against Kazakhstan's Nurislam Sanayev, he conceded the lead but bounced back like a seasoned professional to march into the finals, becoming only the second wrestler after dou-

Neeraj Chopra competes in the qualification round of the men's javelin throw at the 2020 Olympics in Tokyo on Wednesday. AP

ble Olympic-medallist Sushil Kumar to achieve the feat.

He will be up against reigning world champion Zaur Uguev of Russia to whom he lost in the 2019 World Championship semi-finals.

"I had no business conceding that much lead against Sanayev. I am not happy with it," the usually reticent Dahiya told *PTI* after his impressive performance.

"I still have some unfinished business to do. I came with a target here and that is not complete yet (winning Gold)."

Others in medal contention are Deepak Punia (86kg) and Anshu Malik

(women's 57kg). While Punia lost in the semi-finals to get a direct entry into the Bronze-medal playoffs, Malik has made the repechage round after European champion Irina Kurachikina, who beat her in the opening round, made the finals.

On the golf course, Aditi Ashok got off to a brilliant start, carding a four-under 67 in the opening round for a share of the second spot at the Kasumigaseki Country Club.

India's other entrant in the field, Diksha Dagar (76), however, had a rough start in her maiden Olympics as she had five bogeys and no birds to lie at the tied 56th spot.

## Opp blames Govt for Parl logjam

**Govt maligning us for disruption, we stand united on Pegasus debate demand: Opp**

PNS ■ NEW DELHI

Leaders of as 14 Opposition parties on Wednesday said the responsibility for the Parliament logjam lies squarely with the Centre and urged it to respect Parliamentary democracy by accepting their demand for a discussion on the Pegasus controversy and farmers' issues.

Issuing a joint statement, 18 leaders from 14 parties said it is unfortunate that the Centre has "unleashed a misleading campaign to malign the combined Opposition" and blaming it for the continued disruption of Parliament proceedings.

The joint statement comes a day after the Opposition leaders met over breakfast hosted by Congress leader Rahul Gandhi and drove on bicycles to Parliament in protest.

"The responsibility for the

deadlock lies squarely at the doorsteps of the Government, which remains arrogant and obdurate and refuses to accept the Opposition's demand for an informed debate in both the Houses," read the statement.

"The Opp parties stand firm and united on their demand for a discussion on Pegasus issue in both the Houses, replied to by the Home Minister, as this has national security dimensions," it said.

Earlier, a group of seven Opposition parties led by former NDA ally Shiromani Akali Dal submitted a memorandum to President Ram Nath Kovind urging him to direct the Govt to allow a full-fledged discussion in both the Houses on a range of issues they have been protesting ever since the Monsoon session started.

## 6 TMC MPs suspended for day for showing placards, defying Chair

PNS ■ NEW DELHI

Rajya Sabha Chairman M Venkaiah Naidu on Wednesday suspended six TMC MPs for the day for carrying placards while protesting along with other Opposition MPs over the Pegasus spying issue.

Soon after the Rajya Sabha assembled for the day, slogan-shouting TMC and other Opposition MPs trooped into the Well of the House, some holding placards, to demand a discussion on the issue of Israeli-made Pegasus spyware allegedly being used to snoop on Opposition leaders, Government critics and journalists. The Chairman first asked members to go back to their seats and then threatened to invoke rule 255 against

those holding placards. As the members refused to budge, he ordered that those "not obeying the Chair and raising placards shall leave the House under rule 255."

He, however, did not name anyone and said Rajya Sabha Secretariat will give the list. Later a Parliamentary Bulletin identified the six MPs suspended for the day as Dola Sen, Md. Nadimul Haque, Abir Ranjan Biswas, Shanta Chhetri, Arpita Ghosh and Mausam Noor.

## Ex-justice, registrars of SC, Rohatgi's staffer snooped

**Lawyers of high profile cases too among new list**

PNS ■ NEW DELHI

A day before the Supreme Court is set to hear the Pegasus phone tapping case, a new list of phone numbers were out on Wednesday, including the old phone numbers in the name of former Supreme Court Judge Arun Mishra, Registrars of Supreme Court, and lawyers of the many high-profile accused.

As per the report published by *The Wire* portal, Justice Arun Mishra, who is currently National Human Rights Commission Chairperson, confirmed that the number was with him during 2013-2014 and he is not using the number now.

"The presence on the list of a number associated with a sitting judge was mentioned on

the day *The Wire* began running its stories. Having now spoken to him on the record, we can confirm that a Rajasthan mobile number formerly registered in the name of Justice Arun Mishra, who retired from the Supreme Court in September 2020, was added to the database in 2019. A confidential source with access to BSNL records said that the number in question was registered in the name of Justice Mishra from September 18, 2010, to September 19, 2018," the report said.

*The Wire* further reported that Justice Mishra said, "The

number +9194XXXXXXX is not with me since 2013-2014. I don't use this number."

Phone numbers of NK Gandhi and TI Rajput, who worked in the crucial "writ" section of the SC's registry were also in the list of targets by the Pegasus Spyware. The numbers of two junior court employees, Tapan Kumar Chakraborty and Manav Sharma, who were dismissed from service by then CJI Ranjan Gogoi "for tampering with an order" in a contempt of court case against Anil Ambani of the Reliance ADAG group, were also on the list.

Former Attorney General Mukul Rohatgi's junior lawyer M Thangathurai's phone number was also on the list of targets for tapping. Thangathurai and Rohatgi both expressed surprise when informed by *The Wire* about the number's inclusion.

Phone numbers of lawyers of Christian Michel, Nirav Modi, Mehul Choksi also figured in the Pegasus tapping list.

## AI suffered ₹70K cr loss after merger with IA: Govt

PNS ■ NEW DELHI

The Air India has been suffering heavy losses since its merger with Indian Airlines in 2007 and it has accumulated losses of about ₹70,820 crore till March 31, 2020.

In a written reply to MP Mahesh Poddar in the Rajya Sabha on the current financial condition of public sector airline company and the Government's initiative for its disinvestment, Minister of State for Civil Aviation VK Singh said financial bids for Air India are likely to be received from qualified interested bidders by September 15 this year.

The Minister said the major reasons for the losses include high interest the burden on debt due to bulk purchase of aircraft in the past. "The Government has decided to go for strategic disinvestment due to its fragile finances and its continued and accumulated losses," he added.

## Shot or -ve RT-PCR report must for visiting Himachal

PNS ■ SHIMLA

With Himachal Pradesh witnessing a spike in Covid-19 cases again, the State Government on Wednesday made it mandatory for the tourists to carry Covid-19 vaccine certificate (single or both doses) or a negative RT-PCR test report issued not earlier than 72 hours.

The State on Wednesday reported 243 fresh positive cases while active cases jumped to 1,508. Four deaths, one each from Mandi, Una, Shimla and Kangra were reported.

The highest number of 72 cases was reported in Mandi followed by 45 cases in Chamba district. An order issued by Himachal Chief Secretary on Wednesday said blatant violations of Covid norms have been observed in several parts of the State, especially in public transport and

public places. Massive crowds are also thronging the market-places, violating norms of social distancing. Therefore, it is important that the field implementation authorities concerned shall ensure Covid appropriate behaviour in all crowded places such as shops, malls, markets, market complexes, weekly markets, restaurants and bars, mandis, bus stations, railway stations, public parks, gardens, marriage halls,

## 218 people died, 12 still missing due to heavy rain this monsoon: HP Govt

PNS ■ SHIMLA

At least 218 people have lost their lives in the last three weeks while 12 are still missing due to heavy rains in Himachal Pradesh during monsoon, the State's Jal Shakti Minister Mahender Singh Thakur informed the State Assembly on Wednesday.

The Cabinet Minister while replying to a discussion on climate change on the third day of the ongoing monsoon session, said the state has suffered a total loss of Rs 451.56 crore due to damaged roads, water lines and power transmission since June 13.

Giving more details, he said that a maximum of 34 people have died in Shimla, followed by 25 in Kangra, 23 in Sirmour, 21 in Chamba, 19 in Mandi, 18 in Lahaul-Spiti, 17 in Kullu, 16 in Solan, 14 each in Una and Kinnaur, 12 in

Bilaspur and five in Hamirpur from June 13 to July 3.

He said that several roads, bridges, PWD property, water lines had been fully or partially damaged due to heavy rains during monsoon in the state.

Earlier participating in the discussion, Congress' Kinnaur MLA Jagat Singh Negi said that 70 percent of the crops of farmers in Lahaul were damaged as they were unable to take their ripe crops to the mandis due to damaged bridges and roads.

Attacking the State Government, the Congress MLA alleged that the government failed to manage the situation after a cloudburst in Udaipur subdivision of Lahaul-Spiti district. Several people had to spend some days in a cave as the local Administration could not rescue them, he claimed.

(Inputs from agencies)

## BRO builds world highest road to support frontline LAC troops

**It is at an altitude of over 19,000 ft**

PNS ■ NEW DELHI

In a big boost to provide logistical support to the frontline troops at the India-China border on Ladakh, the Border Roads Organisation (BRO) has constructed a road at an altitude of more than 19,000 feet at Umlingla Pass, the highest road in the world, higher than the previous record of a road in Bolivia at 18,953 feet. The Umlingla Pass is now connected with a blacktop road.

The road has been constructed at an altitude higher than the Mount Everest Base Camps as the South Base Camp in Nepal whose altitude is 17,598 ft, while North Base Camp in Tibet is at 16,900 ft.

The road has been constructed much above the altitude of Siachen Glacier which is at 17,700 ft. The Khardung La Pass in Leh is at an altitude of 17,582 ft.

Besides providing access to the local population and giving a boost to tourism, the road will provide much needed

logistical back up to the troops guarding the Line of Actual Control (LAC) in eastern Ladakh. Stand-offs are on at three friction points at the LAC there for the last one and half years. The road will ensure that the troops get unhindered supply of weapons, ammunition, besides food and other items.

Giving details of the 54-km long road, officials said here on Wednesday the BRO has constructed and black-topped the highest motorable road in the world at 19,300 ft at Umlingla Pass in Eastern Ladakh.

The road now connects the important towns in Chumar sector of Eastern Ladakh. It will prove to be a boon to the local population as it offers an alternate direct route connecting Chisumle and Demchok from Leh. It will enhance the socio-economic condition and promote tourism in Ladakh.

# Annapurna Diwas to be celebrated on Aug 18, 19

PNS ■ CHANDIGARH

Haryana Government will organise the Annapurna Diwas at all ration depots in the state on August 18 and August 19. Under the Pradhan Mantri Garib Kalyan Yojana (PMGKY), 5-kg wheat per person will be given to the eligible families during this Diwas.

The Chief Minister Manohar Lal Khattar on Wednesday gave necessary directions to the Deputy Commissioners (DCs) with regard to the preparation for the Annapurna Diwas through video conference. He also gave instructions to adhere to the Covid-19 protocol.

Khattar said that in view of the Covid pandemic, Prime Minister Narendra Modi had started giving ration to poor families under PMGKY last year so that no one remains hungry. Under the scheme, ration will be given to all the eligible families by the month of November.

It was informed that ration will be distributed in 5-kg and 10-kg bags during Annapurna Diwas. There are about 10,000 ration depots across the state.

Ration will be given to the eligible families in about 68 lakh bags and this include 55 lakh bags weighing 10 kg and about 13 lakh bags weighing 5 kg.

The Chief Minister directed the Deputy Commissioners to appoint nodal officers at every ration depot so that the ration distribution could be monitored properly.

He said that the nodal officers would be always present at the depot on both the days during the festival. Along with this, he also suggested the officers

concerned to take assistance of public representatives and social workers when required.

The Chief Minister further said that Haryana is implementing the one nation, one card scheme. Under this, eligible migrant ration card holders living in the state will also be able to take ration during this festival.

The ration will be given to such ration card holder migrants (from other states) after biometric verification, he added.

Keeping in view the number of ration card holders of other states living in various districts of Haryana, Khattar directed the Deputy Commissioners to make additional arrangements as per the requirement.

## CM LAUNCHES APP AND WEB PORTAL OF MMAPUY

The Chief Minister on Wednesday launched the app and web portal of Mukhyamantri Antyodaya

Parivar Utthan Yojana (MMAPUY).

Under this scheme, joint teams of 6 departments will interact with Antyodaya families and select the appropriate schemes so that family income can be increased.

Khattar said that our aim is to uplift the very poor families financially. Such families are being identified through the Parivar Pehchan Patra scheme. Our aim is to identify one lakh very

poor families of the state this year and take adequate measures in order to increase their annual income up to Rs one lakh per annum, he said.

Under this scheme, a package of measures for skill development, self-employment and employment generation will be adopted so that the minimum annual income of Antyodaya families will initially be raised to Rs one lakh and later to Rs 1.8 lakh per annum, he added.

# Proposal to appoint a full-fledged Administrator for Chandigarh another attempt to dilute Punjab's claim on its capital city: Sukhbir

PNS ■ CHANDIGARH

Amidst reports of the Central Government planning to appoint a full-fledged Administrator for Chandigarh divesting the Punjab Governor of this charge, the Shiromani Akali Dal (SAD) president Sukhbir Singh Badal on Wednesday described the proposal as "another attempt to dilute Punjab's claim to its capital city".

"We will oppose this tooth and nail. Chandigarh is an inseparable part of Punjab and should be transferred to the parent State as soon as possible," said Sukhbir.

SAD president said that there was no reason to appoint a full-fledged Administrator for the Union Territory from outside the State. "If at all an Administrator has to be appointed till such time the Union Territory is not transferred to Punjab, the officer should be from the parent State. Earlier also, the Chief Commissioner of Chandigarh used to be from Punjab," he added.

Asserting that all deci-

sions taken at the time of reorganization of Punjab were being violated one after another, Sukhbir said that the Centre was not following the 60:40 ratio for posting of officers in the Union Territory with a majority of officers being from Punjab.

"Separate cadres have been created to reduce the strength of Punjab service officers in the Union Territory and now even AGMUT officers are being posted on key posts in utter violation of the 60:40 formula," he said.

Stating that instead of correcting the wrongs being done to Punjab vis-a-vis Chandigarh, Sukhbir said that it was condemnable that the Union Government was now planning to dilute Punjab's role in Chandigarh even further. "It is unfortunate that the NDA Government is following the path of the Congress Government by proposing to implement an anti-Punjab move which is also against the spirit of the Constitution," he said. He pointed out that SAD had earlier also opposed a move to appoint a separate Administrator for Chandigarh

in 2016 by divesting the Punjab Governor of this charge. "We will launch an agitation to ensure this move does not fructify again," he said while requesting the Chief Minister Capt Amarinder Singh to pursue the case vigorously with the Union Government and ensure no anti-Punjab decision was taken by the Centre.

"SAD is ready to approach the Prime Minister as part of an all party delegation from Punjab to apprise the Union Government of the sentiments of Punjabis on this sensitive issue. If the Chief Minister does not take any initiative, SAD will approach the Prime Minister and demand the proposal is not implemented," he said.

Sukhbir said that Punjab had the first right over Chandigarh as the Union Territory was established by uprooting people from villages belonging to Punjab. "Even though Chandigarh is still the joint capital of Punjab and Haryana, efforts are on to dilute its stake in the Union Territory on one pretext or another," he said.

# 2 Cabinet Mins, 3 MLAs write to CM on 2015 sacrilege, police firing

MONIKA MALIK ■ CHANDIGARH

Under attack for the non-fulfilment of assurances made to end the 'Bargari Insaaf Morcha' protests over the 2015 sacrilege and the subsequent police firing incidents, Punjab's two Cabinet Ministers and three Congress legislators have pushed the ball in the Chief Minister's court for the same.

"We have written a letter to explain our stand. We have made it clear that any clarification or explanation regarding the assurances made at that time should be sought from the Chief Minister Capt Amarinder Singh as we had only conveyed to the protesting religious leaders at the Morcha what the Chief Minister had asked us to do," said Punjab Jails Minister Sukhjinder Singh Randhawa.

Randhawa, along with Rural Development and Panchayats Department Tripath Rajinder Singh Bajwa, and three Congress MLAs — Harmandir Singh Gill, Kulbir Singh Zira, and Kushaldeep Singh Kiki Dhillon, was summoned by the 'parallel' acting Jathedar of Akal Takht Dhillan Singh Mand to appear before the Akal Takht on August 2. As the leaders failed to appear, Mand had again summoned them on August 11 at Akal Takht, while warning that in case they overlook it again, they would be liable to face religious punishment.

Mand, the main leader of

Bargari Insaaf Morcha, had summoned five Congress leaders to explain as to why the promises made to end the 'Bargari Morcha' protests were as yet unfulfilled.

At the time of issuing summons, Mand had stated that these five Congress leaders had "assured us to fulfill all of our demands, including taking action against the persons responsible for sacrilege incidents and firing upon innocent Sikhs at Kotkapura and Behbal Kalan, apart from the release of Sikh political prisoners."

The parallel jathedar was "elected" during an unofficial Sikhs gathering or 'Sarbat Khalsa' at Chabba village near Amritsar on November 10, 2015. During the gathering, Jagtar Singh Hawara — behind bars for assassinating the former Chief Minister Beant Singh — was appointed as parallel jathedar of Akal Takht and Dhillan Singh Mand was announced as the officiating jathedar.

Notably, after the Congress leaders' assurances, the 192 days old Bargari Insaaf Morcha was ended on December 9, 2018.

The five Congress leaders, in a joint letter to Bargari Insaaf Morcha's "former dictator" Dhillan Singh Mand, stated that they acted as "link" between the Morcha and the state's Chief Minister, and any assurance that they had given to the Morcha was on the behalf of the Chief Minister

only. "It is the duty of the state's Home and Police Departments to punish the guilty for the sacrilege and the subsequent police firing incidents, which comes under the direct control of the Chief Minister. So, all the details regarding the progress of these cases can be sought from the Chief Minister," read the letter.

Besides, the leaders pointed that even though they had been acting as a link between the Government and the Morcha at that time, but "we have also learnt that you (referring to Mand) were also in direct contact with the Chief Minister through some police and civil officers. Your close associate Baljit Singh Dadwal had several times, in public, mentioned that you had directly talked with the Chief Minister before ending the Morcha."

With the Chief Minister already under pressure, from outside and also within the party, to ensure that guilty of sacrilege and related police firing incidents be punished, the letter would further put Capt Amarinder Singh in the dock.

Punishing the guilty of sacrilege and related firing incidents was the major poll promise of the Congress party in 2017 polls, and with the same yet to be fulfilled, the party leaders have been building up pressure against their own government and the Chief Minister.

# Punjab CM hands over 17-acre land allotment letter to JK Group

PNS ■ CHANDIGARH

Welcoming the JK Group on its maiden foray into Punjab with a planned investment of Rs 150 crore, the Chief Minister Capt Amarinder Singh on Wednesday handed over a letter allotting 17 acres of land at a cost of around Rs 40 crore in the Hi-Tech Valley at Ludhiana.

The Group plans to set up a corrugated packaging paper manufacturing unit in the Cycle Valley.

This is the second big group entering Punjab with sizeable investment plans within a fortnight. Recently, Aditya Birla Group had purchased land and finalised two projects with an investment of Rs 1,500 crore in the State.

The Chief Minister assured the JK Group of the State

Government's total support in the venture, and expressed the hope for more investments in the future. He further assured the Group of complete cooperation from the Government in setting up their unit and also during commercial operations of the project.

Punjab, due to its pro-investor industrial policy and lucrative incentives, has now emerged as the most preferred investment destination in the country, the Chief Minister said. 'Invest Punjab', as a one-stop shop, has seamlessly facilitated investments worth Rs 91,000 crore in over 2900 project proposals received by the state in the past four years, he said, adding that of these, nearly 50 percent had already started commercial production. He expressed satisfaction over the State successfully attracting

and retaining significant investments even during the COVID-19 pandemic.

The Group's unit will initially procure raw material, which is waste paper, from different parts of the country and supply finished goods, which is corrugated packaging paper, to industries in Punjab and other neighbouring states.

It will also provide a fillip to the waste paper industry ecosystem in the State, helping Punjab achieve its sustainability goals. The presence of this unit in the State will help the local industries in sourcing their packaging material from within the State which will enhance their cost competitiveness. Further, the majority of the production will be consumed in the State, which will help boost the State's GST revenue.

# Khattar directs Police Dept to increase security in markets across State

PNS ■ CHANDIGARH

To prevent incidents of crime related to thefts, snatching and burglary in the markets across the state, Haryana Chief Minister Manohar Lal Khattar on Wednesday directed officers of the Police Department to increase security in the markets.

The Chief Minister said this while holding a Janta Darbar at Haryana Niwas here.

Addressing the jewellery business security related problems of delegations of Swarnakar, Jind, Khattar gave guidelines to senior police officers and directed them to provide high security to the persons engaged in jewellery business. Besides this, he said that security should also be provided to the jewelers carrying huge cash consignments so that snatching and theft like incidents can be prevented in the markets across the state.

Regarding the demand of the delegations to get arms license, the Chief Minister directed the concerned officers of the Home Department to set one eligibility criteria for arms license so that the higher officers in the districts do not face any problem while conducting a survey report related to arm license. He also gave guidelines to create a corruption free procedure for preparing arms licenses.

Addressing the request of the delegation of Goswami Samaj, Haryana to include them under Other Backward Class (OBC) category in the list of Central Government, he directed the concerned officers to send a letter to the Central Government on this subject.

On the demand of delegation of Aarohi Model Schools regarding regularization and salary hike of Aarohi Model School Staff, the Chief Minister said that the issue of salary hikes would be discussed with the Finance Department.

On the demand of the Librarian Association Haryana, Khattar assured to solve the problems related to libraries. The Chief Minister also shared his views to promote book reading culture.

On this occasion, Haryana Union of Working Journalists expressed gratitude to the Chief Minister for providing the benefits of health insurance on the lines of government employees to the accredited mediapersons.

# 'Employment Generation Subsidy Scheme' notified in Haryana

PNS ■ CHANDIGARH

To create maximum employment opportunities for the youth of the state, Haryana Government has notified 'Employment Generation Subsidy Scheme'.

"The objective of the scheme is to create employment opportunities for the persons of skilled, semi-skilled or unskilled category belonging to Haryana for their capacity building," said Deputy Chief Minister Dushyant Chautala, who also holds the portfolio of Industries and Commerce Department.

Giving details about the scheme, he said that under this scheme, ultra-mega projects, cluster establishment or relocation, micro, small, medium, large and mega projects, thrust sector or import substitution, essential sector, bio energy or renewable energy enterprises

(MSME, large, mega projects) and data centres and co-location facility will be provided subsidy for employing skilled, semi-skilled or unskilled category persons domiciled in Haryana.

He said that ultra mega projects will be offered a customized package of incentives by the Haryana Enterprise Promotion Board (HEPB) throughout the state. The quantum and period of employment generation subsidy will be decided by the HEPB. Similarly, any cluster comprising of at least 10 enterprises, engaged in similar economic activity, being established or relocated from other countries or states to Haryana, will be treated as mega project, provided it meets the criteria of FCI and a special package of incentives will be decided by HEPB on the basis of cost benefit analysis, he said.

# Punjab sees 62 new cases of Covid-19, no fresh case in Chandigarh

PNS ■ CHANDIGARH

Punjab on Wednesday reported 62 new Covid cases, taking the infection tally to 5,99,266, according to a medical bulletin. No new Covid-related death was reported on Wednesday and the toll stands at 16,299, it said.

There are 473 active cases in the state. Jalandhar reported 13 new infections, followed by eight in Patiala and seven in Ludhiana. With 52 recoveries, the number of cured people reached 5,82,494, it said.

Meanwhile, Chandigarh did not report any fresh Covid case and the infection tally stands at 61,965, according to the bulletin. A total of 811 people have died due to Covid so far, it said. The number of active cases is 31 and a total of 61,123 people have so far recovered from the infection, it said.

Govt. of Haryana

# Impose curbs during festivals, States told

PNS ■ NEW DELHI

Alarmed that upcoming string of festivals might not turn into Covid super spreader events, the Union Health Ministry on Wednesday advised States to impose adequate local curbs to check spread of infection.

The advice comes in the backdrop of rising cases on Wednesday after usual weekend lull.

India's coronavirus cases have again crossed the 40,000-mark with 42,625 fresh infections in the last 24 hours and deaths shooting past the 500-mark in a single day in the last 24 hours.

For the past seven days except on Monday, India has been reporting more than 40,000 cases every day, a cause of concern for the Government fearing third Covid wave anytime soon.

However, more worrying is the fact that the number of people getting cured of the viral infection was lower than the number of new cases, as indi-

cated by the Wednesday data available from the Union Health Ministry.

Another key Covid number – the active cases – also saw a spike of more than 5,000 cases. The morning update provided by the Union Health Ministry stated that, at present, India has 4,10,353 active cases. The government data said India witnessed 36,668 recoveries in the last 24 hours.

A look at the cumulative numbers showed that Kerala witnessed the sharpest surge in the last couple of weeks. There was a nearly 30 per cent increase in weekly numbers even as almost 50 per cent of the country's total daily new Covid cases are registered in the Southern State.

In other Southern states such as Karnataka and Tamil Nadu, Covid numbers have seen a slight uptick. However, India's recovery rate currently stands at 97.37 per cent. The weekly positivity rate remains below 5 per cent and is currently at 2.36 per cent.

## Covid cases again cross 40K-mark

### 'Covid death count still being carried out'

PNS ■ NEW DELHI

Indicating that the number of Covid-19 deaths could be on the higher side than what has been reported so far, as States are still reconciling mortalities, the Government on Wednesday clarified that while some infections could go undetected, deaths could not be missed given the robust and statute-based death registration system in India.

During the peak of the second wave, the health system across the country was focused on effective clinical management of cases requiring medical help due to which correct reporting and recording of Covid deaths could have been delayed but it was later reconciled by states and UTs, the Union Health Ministry said in a statement

here.

The reconciliation of deaths is still being carried out allaying all speculations of under-reporting and under-counting of deaths due to Covid-19, it said.

States like Maharashtra and Bihar have already reported 'backlog deaths' pushing the number of total Covid death toll in the country. Maharashtra mortality tally rose by 29,920 fatalities in under two months, from 1,25,878 by 11 July in which 23,000 of the cases were "backlog" deaths – in that, they occurred much before the days they were reported on.

Also the Union Health Ministry has written all the districts to report every Covid death.

The daily positivity rate continues to remain below 5 per cent for 55 continuous days and currently stands at 2.31 per cent

Union Health secretary Rajesh Bhushan in a letter to the concerned officials from the States pointed out about various festivals like Muharram, Janmashtami, Ganesh Chaturthi and a few

others slated ahead and said measures should be ensured to curb crowds and that people strictly follow Covid appropriate norms.

The Health Ministry data says that a total of 62,53,741 vaccine doses were administered in the last 24 hrs. With this, a total of 48,52,86,570 vaccine doses has been administered in India so far.

## Action sought against Rahul for violating POCSO Act

PNS ■ NEW DELHI

The National Commission for Protection of Child Rights (NCPCR) on Wednesday issued a notice to Twitter India, calling for action against Congress leader Rahul Gandhi's handle for violating the POCSO Act by posting pictures of the parents of a 9-year-old girl who was allegedly raped and murdered in southwest Delhi's Nangal.

For its part, the BJP appealed to the NCPCR to take strict action against Rahul under the POCSO Act and issuance of notice to him for revealing the minor and her family's identity.

Rahul, who visited the parents of the minor Dalit girl, posted a photo that showed him comforting the girl's parents. He wrote: "The parents' tears ask for only one thing: their daughter, the country's daughter, deserves justice. And I stand with them in this fight."

"Revealing the identity of the girl by tweeting a photo of her parents (is) in violation of the POCSO (Protection of Children from Sexual Offences) Act... The NCPCR, taking cognisance of this, has asked Twitter India to issue a notice to Rahul Gandhi and remove the post," the NCPCR, the child rights body, tweeted.

Later, a notice signed by NCPCR chairperson Priyanka Kanoongo stated that Rahul

Gandhi, a former president of the Congress party, violated Section 74 of the Juvenile Justice Act, which prohibits disclosure of the identity of children, and Section 23 of the Protection of Children against Sexual Offences Act, which lays down procedure for the media to report sexual offences against children.

In its notice addressed to Twitter India's Resident Grievance Officer, the NCPCR said it was acting on a complaint that the photo "reveals the identity of the girl" by showing her parents.

The NCPCR reminded Twitter India that under the Juvenile Justice Act and the POCSO Act it is illegal to disclose the identity of a minor via any form of media, or publish any information or photograph that may, in any way, reveal his/her identity.

Reacting to Rahul's post, BJP spokesperson Sambit Patra said, "His (Rahul Gandhi) tweet violates sec 23 of POCSO Act & sec 74 of Juvenile Justice Care & Protection of Children Act that prohibits revealing the minor's identity."

"He revealed identity of child's family and is using the issue for his political agenda. I appeal to the NCPCR to take strict action under the POCSO Act and a notice must be issued to him. No one is a VIP. Rahul Gandhi must be answerable to this," Patra said.

## Twitter hasn't shared specific details of policy to tag tweets as manipulated media: Govt

PNS ■ NEW DELHI

The Ministry of Electronics and Information Technology (IT) told Parliament on Wednesday that Twitter has not shared its details of its policy pertaining to labelling of certain messages as 'Manipulated Media'.

In a written reply to the Lok Sabha, Union Minister of State for Electronics and Information Technology (IT), Rajeev Chandrasekhar said as per Twitter, the labelling of certain messages as 'Manipulated Media' has been done as per their "Synthetic and Manipulated Media Policy". "However, no specific details of how this policy became applicable have been shared. Government has been

engaged with Twitter on this issue," he said.

The minister said that the issue of labelling of user tweets as manipulated media does not come under the purview of above said Rules. Further, on the issue of manipulated media, Meity has pointed out to Twitter that they are violating the principle of natural justice and urged Twitter to be transparent and equitable in applying the criteria," he said.

"On May 26, Twitter was non-compliant of these Rules because it did not appoint key functionaries including Chief Compliance Officer, Nodal Contact Person and the Resident Grievance Officer," the minister said.

## ED files chargesheet against naxalites

PNS ■ NEW DELHI

The ED on Wednesday filed a prosecution complaint (chargesheet under police parlance) against a notorious interstate criminal and also a member of a banned Naxal outfit, Madhav Das, wife Urmila Devi and his brother-in-law Yogendra Das, under money laundering charges.

In the prosecution complaint filed before the Special Judge (PMLA), Patna, the agency pleaded for awarding

punishment to the accused for committing offence of money laundering and confiscation of the attached assets worth Rs 1.01 crore owned by Madhav Das and his family members.

Das has a criminal record of several cases of bank robbery and dacoity in Bihar, Jharkhand, Odisha and West Bengal. The ED had initiated money laundering investigation on the basis of 24 FIRs lodged in various police stations of Bihar, Jharkhand, Odisha and West Bengal.

## CBI takes over Dhanbad judge murder case

PNS ■ NEW DELHI

The CBI on Wednesday took over the probe into the alleged murder of Additional District Judge, Dhanbad, Uttam Anand from Jharkhand police and despatched a 20-member team of officials of the SIT constituted to investigate the sensational case from the agency headquarters here to Dhanbad. A team of Central Forensic Science Laboratory (CFSL) will follow the SIT soon. The agency re-registered the case related to the death of ADJ, Dhanbad, Uttam Anand on the request of Jharkhand Government and further notification from the Centre and took over the probe into the sensitive case earlier registered by the local police vide FIR No.300/2021 at Police Station, Dhanbad.

The Dhanbad police had registered the case on July 28 under Section 302 (murder) and 34 (common intention) of the Indian Penal Code (IPC) against unknown auto driver.

## Samagra Shiksha Scheme to continue till 2026, says Govt

PNS ■ NEW DELHI

Playschools in government schools with trained teachers, focus on child safety and vocational and skill-based training from Class 6-12 are some of the key features that the Centre has laid emphasis on keeping in mind the post-Covid education scenario as it approved the continuation of the Samagra Shiksha Scheme (SSS) for school education till March 31, 2026.

The SSS is an integrated scheme for school education. It treats school education as a continuum and is in line with the Sustainable Development Goal for Education.

The revamped scheme favours formalisation of playschools and anganwadi in the school education system. The Government schools too

will have playschools and the teachers will be trained accordingly, Union Education Minister Dharmendra Pradhan said after the Cabinet nodded the SSS.

As per the scheme, emphasis will be placed on vocational learning. Classes 6-8 will receive its exposure while focus on skills will be placed for students of classes 9-12. Further discussions are being held to formalise coding, augmented and virtual reality, etc. along with more modern skills in schools.

For the first time, the Centre has also added child safety within the SSS. Pradhan said, adding States will be given aid to make a commission for protection of child rights.

## Cabinet approves continuation of 1,023 fast track courts

PNS ■ NEW DELHI

The Union Cabinet on Wednesday approved continuation of 1,023 fast track special courts, including 389 exclusive POCSO courts, as a centrally sponsored scheme for another two years.

Briefing the media, Union Minister Anurag Thakur said out of 31 States and Union Territories, 28 have started the scheme. West Bengal is one of the States which has not started the scheme, he pointed out, adding "We are hopeful they will start it soon."

The scheme would continue from April 1, 2021 to March 31, 2023 with an outlay of ₹1572.86 crore — ₹971.70 crore as central share and ₹601.16 crore as State share, an official statement said.

The central share is to be funded from 'Nirbhaya' Fund. The scheme was launched on October 2, 2019.

Incidents of rape of minor girls below the age of twelve years and women below the age of sixteen years have shaken the conscience of the entire nation.

## Coronavirus-induced lifestyle changes taking toll on health of school kids' eyes

ARCHANA JYOTI ■ NEW DELHI

Covid-19 pandemic-induced lifestyle changes such as significant decrease in outdoor time and increase in screen time is taking a toll on the health of the eyes of school-children. It is causing myopia, also known as near-sightedness or short-sightedness, among children, researchers have cautioned.

Myopia is a condition in which the shape of the eye changes, causing light rays to bend (refract) incorrectly, focusing images in front of, instead of on the surface of, the retina.

Though there has been a rise in cases of Myopia for the past few decades, during Covid-19 crisis the trend has accelerated. Globally, it's projected that by 2050 half of the world's population will be myopic.

In their study published online in the British Journal of Ophthalmology, the researchers have warned eye care professionals, and also policy makers, educators and parents, that collective efforts are needed to pre-

vent the potential public health crisis among kids as a result of Covid-19.

Though the study was conducted on school students in Hong Kong, the results are applicable on almost all school kids world over, including India where schools and colleges have been shut down for the past one year, in a bid to control the march of coronavirus. Children have been particularly badly affected, with outdoor activities restricted or banned and socialising severely limited.

Like Hong Kong, India too has among the world's most densely populated cities, with most residents living in high-rises and small apartments with little outdoor space.

Some 709 of the children were recruited to the study at the start of the pandemic (December 2019 to January 2020) and were monitored for around 8 months; 1084 children had entered the study before the start of the pandemic and had been monitored for around 3 years.

The children's visual acuity--the ability to see clearly--was measured and they filled

in questionnaires on their lifestyle, including how much time they spent outdoors and on close work, at study entry and during subsequent clinic visits.

Around 1 in 5 (19.5 per cent) of the children in the Covid-19 group developed short-sightedness between January and August 2020, compared with around 1 in 3 (37 per cent) of those in the pre-Covid-19 group over a period of three years.

And after factoring in age, gender, length of monitoring period, parental short-sightedness, and how much time was spent outdoors and on close work, the numbers of new cases of short-sightedness were higher among children in the Covid-19 group.

The estimated 1-year incidence of short-sightedness was 28 per cent, 27 per cent, and 26 per cent, respectively, for 6, 7 and 8 year olds in the Covid-19 group, compared with 17 per cent, 16 per cent, and 15 per cent, respectively, for 6, 7, and 8 year olds in the pre-Covid-19 group, as per the study.

## Rlys drops internet plan in trains

PNS ■ NEW DELHI

The Indian Railways has "dropped" its ambitious project to provide internet connection in trains because it was found not to be cost-effective.

In a written reply to a question in the Lok Sabha, Railway Minister Ashwini Vaishnaw said as a pilot project, Wi-Fi-based internet facility was provided in the Howrah Rajdhani Express train through satellite communication technology.

"This technology was capital intensive with recurring costs in the form of bandwidth charges and thus, was not cost effective. Also, the internet bandwidth availability to passengers was inadequate. Hence, the project was dropped. At present, suitable cost effective technology for provision of Wi-Fi based internet services in trains is not available," he said.

Former railway minister Piyush Goyal had said in 2019 that the Centre is planning to provide WiFi services in trains in the next four to four-and-a-half years.

## India, Israel set to take defence ties to new height

PNS ■ NEW DELHI

Signifying strong defence and strategic ties between the two countries, IAF Chief R K S Bhaduria on Wednesday reviewed the entire range of bilateral relations with his Israeli counterpart during his ongoing visit to Tel Aviv.

The two countries have forged close defence ties since diplomatic relations were established in the early 1990s. Israel has now emerged as one of the top weapon and technology provider to India.

Giving details about the IAF chief visit, officials said he is in Israel to discuss

enhancement of bilateral exchanges between air forces of the two countries.

"As strategic partners, India and Israel enjoy strong, multi-dimensional ties, an important pillar of which is defence cooperation and military level exchanges," IAF said on Twitter.

Both sides will discuss enhancement in the depth and scope of bilateral exchanges between the two air forces, it mentioned. "Air Chief Mshl RKS Bhaduria #CAS arrived in Israel for an official visit on August 3, on an invitation from Maj Gen Amikam Norkin, Cdr Israel Air Force," it noted.

## Sea trials of desi built INS Vikrant starts

PNS ■ NEW DELHI

In a major milestone, the sea trials of the first indigenously designed and built aircraft carrier INS Vikrant on Wednesday commenced. India has now joined the select group of countries including US, Russia, UK and France having the expertise to design and build the highly complex aircraft carriers.

Once it passes the sea trials, INS Vikrant is likely to be inducted into the Navy by the end of next year. The Navy on Wednesday described it as a "proud and historic day" and said India has joined a select group of countries having niche capability in this field of ship-building.

INS Vikrant is the largest and most complex warship to be built within the country. The 40,000-tonne aircraft carrier set off on its maiden sea trials, 50

years after its namesake played a major role in the 1971 war. It was built at a cost of more than Rs 23,000 crores by the public sector Cochin Shipyard.

Once the extensive sea trials are over, the aircraft carrier will be put through the stringent aviation trials before induction into service.

"It is a proud and historic day for India as the reincarnated Vikrant (IAC) sails for her maiden sea trials today in the 50th year of her illustrious predecessor's key role in the victory in the 1971 war," Indian Navy spokesperson Commander Vivek

Madhwal said. The aircraft carrier is around 262 metres long and 62 metres wide. In June, Defence Minister Rajnath Singh reviewed the construction of the aircraft carrier that will be able to accommodate up to 30 fighter jets and helicopters.

The warship will have a fleet of Mig-29K fighter jets and Ka-31 helicopters. There are 14 decks in all, including five in the superstructure. The ship has over 2,300 compartments, designed for a crew of around 1,700 people, including specialised cabins to accommodate women officers.

## BJP received ₹785.77 cr donations in 2019-20

PNS ■ NEW DELHI

Being the ruling party, the BJP continued to bag the lion's share of donations in 2019-20. It received over ₹785.77 crore in donations above ₹20,000 from 5576 donations including electoral trusts, individuals and corporate. The opposition Congress was far behind with ₹139.016 crore from 350 donations. The amount

received by the BJP is five times more than what Congress got during the same period and more than three times the aggregate of ₹228.035 crore declared by the INC, NCP, CPI, CPM and AITC.

Interestingly, BJP declared a donation of Rs 4.80 lakhs from Amravati Municipal Corporation. No details of address, bank name, PAN etc. have been

provided by the party against this donation, the Association for Democratic Reforms (ADR), a non-government organization that released the data, said.

"A casual search on the internet shows that the aforesaid donor is a Government of Maharashtra local body. It raises questions on the legality of the contribution made by a municipal cor-

poration which is a governing body (whose Mayor and deputy Mayor are from BJP) to a political party," the ADR said. The report, prepared by the ADR focuses on donations received by the national political parties, above Rs 20,000, during the financial year 2019-20, as submitted by the parties to the Election Commission of India (ECI).

## LS proceedings adjourned 5 times on Wed

PNS ■ NEW DELHI

Lok Sabha proceedings were adjourned five times on Wednesday after the passage of two bills without any debate, amid protests by the opposition over Pegasus snooping allegations and other issues. As soon as the House met again at 3:30 pm, Rajendra Agrawal, who was chairing the proceedings, took up the Coconut Development Board (Amendment) Bill, 2021, which was moved by Agriculture Minister Narendra Singh

Tomar. However, the opposition members continued their protest on the Pegasus snooping row as well other matters.

Amid the din, Tomar moved the bill, saying the proposed legislation will benefit coconut farmers in different states.

Soon thereafter, the bill was passed without debate even as the opposition objected to the hasty approval to the bill. The bill has already been approved by the Rajya Sabha. As the opposition uproar continued, Agrawal adjourned the

proceedings for the day.

Earlier in the day, the House had given its nod to the Commission for Air Quality Management in National Capital Region

and Adjoining Areas Bill, 2021.

The Bill was moved by Environment Minister Bhubender Yadav for consideration and passage.

# Mamata speaks to Modi about Bengal floods

SAUGAR SENGUPTA ■ KOLKATA

With already three lakh people having been displaced due to floods and weather office forecasting more rains in the coming days Bengal Chief Minister Mamata Banerjee on Wednesday accused the central agencies for creating man-made flood in her State and wrote a letter to Prime Minister Narendra Modi seeking respite from the present situation.

The Chief Minister who also had a telephonic talk with the Prime Minister earlier on the day and told him how faulty maintenance and erroneous decisions taken by the centrally controlled Damodar Valley Corporation had left flooded large parts of southern Bengal.

Besides Banerjee lodging a verbal complaint with the Prime Minister she also wrote a letter to him about what she called "grave man-made flood situation" in South Bengal districts adding how the DVC authorities had released "unprecedented" volume of water from its dams at Panchet, Maithon and Tenughat.

While sources said that the DVC had released 5.98 lakh cusec of water in last four-five days Banerjee on Wednesday told newsmen that "the DVC had announced leaving of 54,000 cusecs of water ... but they

have released 2 lakh cusecs of water without informing us... every year we have to face this problem for no fault of ours and lakhs of our people get affected and thousands of hectares of land get inundated causing losses worth crores."

In her letter to the Prime Minister she wrote "The entire flood protection system managed through different dams including state barrages both on West Bengal and Jharkhand side are very old. Due to years of siltation and lack of proper maintenance the water holding capacity has reduced."

She said "we have been complaining against this practice for years but nothing has been done as a result of which the State is suffering." A tweet from the Prime Minister's office later

said that he had assured of all support to Bengal. Banerjee had called up Modi after conducting a survey of the flood-hit areas.

She visited the worst-hit areas in Amta and Udainarainpur in Howrah district. At least 15 people have died, and around three lakh displaced after heavy rain lashed parts of south Bengal.

Meanwhile rejecting the Chief Minister's allegations that arbitrary decision of the DVC was responsible for the Bengal floods the Corporation authorities said that "Blaming DVC for flood is unjustified as the DVC only implements the decision of the committee on water regulations. State government's consent is taken before the discharge of water and DVC issues warning to district administrations."

# BJP creating atmosphere of terror among Brahmins in UP: Satish Chandra Mishra

PRADEEP SAXENA ■ ALIGARH

BJP national general secretary and MP Satish Chandra Mishra has said that BJP is creating an atmosphere of panic in the State. There is constant oppression of Brahmins and Dalits. Many Brahmins have been murdered in the last four and a half years. This society is constantly being targeted. He was addressing an enlightened class seminar at Habib Garden, Maris Road Aligarh. He also targeted SP along with BJP on the issues of Shri Ram temple donation, unemployment, crime, development. Satish Mishra has been holding an enlightened conference across the State since July 23, the first phase of which has started from Ayodhya and the second from Banke Bihari. Under the second phase, he came to Aligarh from Agra. From here he left for Bareilly.

Satish Mishra said that the purpose of this seminar is to remind the enlightened society that it should not be afraid, but should compete. He said that the BSP is with Brahmins in this contest like it was in 2007. The question asked, why has the condition of Brahmins in Uttar Pradesh become worse today. First BJP harassed the people of Dalit society. There have been many incidents of burning, raping daughters. In Hathras case, the body of the daughter was

not even given to the parents.

He said that not only in Uttar Pradesh, but wherever BJP is in power, the situation is same. After his government came to power in Uttar Pradesh, the Brahmin community is being targeted. Five youths were burnt in Pratapgarh, who were later declared criminals.

Similar tales happened in Rae Bareilly, Bundelkhand, Jhansi. Encounters of many people were done like this, while the Supreme Court has called the encounter wrong. In Ballia, criminals were saved openly under the patronage of the MLA. A boy working in Apple company was shot dead in Kanpur. A young Brahmin boy was killed in Lucknow. There were three such cases in the capital. In Kanpur, a report has been filed against dozens of Brahmins in the guise of a person. Strong Brahmins are being harassed. There are hundreds of tales to count. He narrated the story of Khushi Dubey, a sixteen-and-a-half-year-old girl

from Kanpur. National General Secretary said that the thinking of BJP is not different from SP for Brahmins. Neeraj Mishra was assassinated in Kannauj during the SP regime.

He reminded that Brahmins constitute 13 per cent of the population in the state. There are more than three crore Brahmins. Now the time has come that Brahmins are not divided. If the votes of other societies are mixed with that of Brahmins and Dalits, then the number reaches 45 to 50 per cent. In such a situation, the Brahmin community can repeat the situation of 2007. They will have full respect if BSP government is formed. In 2007, there were 15 MLC Brahmins in the BSP government, the Legislative Council president was also from this class. 35 others had the status of Ministers of State. Five thousand public prosecutors belonged to this community, whose honorarium was increased ten-fold. He has been kept as the leader in the Lok Sabha till date.

Satish Mishra, while attacking the law and order, said that according to the National Crime Records Bureau, a woman is being raped every two hours in the state. Regarding development, he said that no government has done more work than BSP. Bank on the banks of river Sarayu in Ayodhya, bank on the banks of Ganga in Banaras, sewerage system at Allahabad.

# Kerala relaxes lockdown rules despite high rate of new Covid cases

KUMAR CHELLAPPAN ■ KOCHI

Kerala logged 22,414 new cases of Covid-19 on Wednesday while 108 patients succumbed to the pandemic during the last 24 hours. Though the average Test Positivity Rate continued to be slightly higher at 11.37 per cent, the State Government decided late on Tuesday to do away with the total lockdowns slapped during the weekends.

Veena George, Minister of Health, the frontline leader of the fight against the pandemic, told the Legislative Assembly on Wednesday that shops and commercial establishments of all places barring regions with high TPR would be allowed to function from 7 am to 9 pm. "We have decided to continue with the lock down on Sundays. The gathering for all functions would be limited to 20 persons. Restrictions would be enforced in places based on the number of cases tested positive for every 1,000 persons," said George.

The minister also said that places of worship which could accommodate larget gathering would be allowed to admit not more than 40 persons.

The department of health tested 1.97 lakh samples on

Wednesday. Malappuram remained the epicentre of the pandemic with 3691 new patients and was closely followed by Thrissur (2,912).

The death toll in Kerala due to the pandemic touched 17, 211 on Wednesday. There are more than 1.76 lakh Covid-19 patients undergoing treatment in various hospitals in the State.

Physicians in Government Hospitals in Kerala are of the view that the correct numbers were not being released by the Health Department as details of the kind of tests done on samples are being kept as a secret. "While Tamil Nadu Government discloses the daily count of RT-PCR tests done on the samples, the information provided by the Government of Kerala is not clear about the kind of tests," said the Government doctors who spoke on condition of anonymity.

# JD-U MP claims his phone was tapped in past

**Patna:** A day after Bihar Chief Minister Nitish Kumar demanded investigation in the Pegasus snooping case, a JD-U MP on Tuesday alleged that his phone was also tapped in the past.

Kaushalendra Kumar, who represents Nalanda, said that many leaders and Ministers of the NDA Government are claiming that their phones were being tapped.

"It is the need of the hour to investigate the Pegasus phone tapping case thoroughly. Our Chief Minister Nitish Kumar has also advocated the same and he is absolutely spot on," he said.

However, clarifying that they were "not opposing the NDA or the Narendra Modi Government, he said: "The investigations in this extremely sensitive espionage case will eventually help the NDA Government in future."

"The phones of many Union Ministers were tapped during the Pegasus incident. Clarity will come only after investigations of the cases," he added.

The MP's statement makes it seems that the JD-U wants to raise the issue in a bid to corner its alliance partner BJP.

Contacted for a reaction, Deputy Chief minister Tar Kishore Prasad declined to comment, saying that the Pegasus issue is related to the Centre and hence, he would not speak on it.

# Mumbai gets first genome sequencing lab

T N RAGHUNATHA ■ MUMBAI

As part of the Brihanmumbai Municipal Corporation (BMC)'s ongoing fight against the Covid-19, the first-ever next-generation genome sequencing laboratory in Mumbai was commissioned at the TN Medical College & BYL Nair Charitable Hospital here on Wednesday.

The new laboratory, set up at one of the premier medical institutes in the city in the run up to its centenary that falls on September 4, will enable the BMC to identify variants of Sars-Cov-2 that causes Covid-19.

The new facility can analyse a large number of samples in a short period and also identify mutants, something that will be especially useful in hotspot areas and congested cities.

The next-generation genome sequencing (NGS) is a method of characterisation of pathogens. This technology is used to determine the order of nucleotides in entire genomes or targeted regions of RNA or DNA, which helps in understanding differences between two strains of the virus, thereby identifying mutants. The specialty of NGS is that a large number of samples can be processed in a short period at high speed.

Every batch for testing will comprise 384 samples and

results will be declared in four days

Inaugurating the laboratory, Maharashtra chief minister Uddhav Thackeray said that the facility would go a long way in combating the Covid-19.

"We are currently fighting a war with a hidden enemy like the Coronavirus. The new genome sequencing laboratory will enable detection and treatment of the Covid-19 virus or its incarnations, and even other contagious diseases speedily," the chief minister said.

The chief minister said that it was very critical to have a virus testing lab in Mumbai to avoid delays in getting the test report which often led to fatalities in the past.

Uddhav said that Nair Hospital, which was set up 100 years ago during the Spanish flu pandemic, was preparing to

cater to the health of citizens for another century which is commendable.

Nair Hospital Dean Dr. Ramesh Bharmal said that the genome sequencing laboratory could handle 1,000-cases simultaneously and provide the results within the next few hours.

The entire cost of the equipment and the operating expenses have been raised through donations by a US-company, ATE Chandra Foundation and the TM Nair Medical College Global Alumni Association.

Mumbai Mayor Kishori Pednekar, Municipal Commissioner I. S. Chahal, Public Health Committee Chairperson Rajul Patel, Dr. Shashank Joshi and Dr. Sanjay Oak were among those present at the inaugural function.

# TRAFFIC, WWF India create awareness about 16 species of owls

T N RAGHUNATHA ■ MUMBAI

In a conservation awareness initiative, TRAFFIC and WWF-India have identified 16 species of owls that are commonly trafficked in the illegal wildlife trade in India.

As part of an effort to create awareness about the owl species and help with their identification, TRAFFIC and WWF-India have come out an informative poster 'Imperilled by illegal wildlife trade: Owls of India', which is freely available to download.

Of the approximately 250 owl species found worldwide about 36 are found in India. All owl species in India are protected under the Wildlife (Protection) Act, 1972, making poaching, trade, or any other form of exploitation a punishable offence. They are also listed in Appendix II of CITES, thus tightly regulating their international trade.

Despite the legal restrictions, every year, hundreds of birds are sacrificed for mystic rituals and practices linked with superstition, totems, and taboos.

# T'gana HC surprised over ₹60 cr sanctioned to fight contempt cases

**Hyderabad:** The Telangana High Court on Wednesday expressed surprise over the State Government sanctioning ₹60 crore to fight contempt of Court cases pending against State bureaucrats including Chief Secretary Somesh Kumar.

Passing interim orders, a division Bench, comprising Chief Justice Hima Kohli and Justice Vijayen Reddy directed the State Government not to

release the money.

The court was hearing a Public Interest Litigation (PIL) by a lecturer against the government's financial assistance to meet the legal expenses to fight contempt cases filed predominantly against Chief Commissioner of Land Administration (CCLA), a post held by Chief Secretary Somesh Kumar.

The court questioned how the government would spend

the taxpayers' money. It wanted to know what are the treasury norms and if they allow this financial assistance.

The High Court served notices to secretaries of finance and revenue departments, directors of treasury, CCLA and to Somesh Kumar in his personal capacity.

The court adjourned the hearing till October 27.

The chief secretary had on June 7 issued a Government

Order (GO) sanctioning Rs 58,95,63,000 towards contempt cases pending in the High Court.

More than 250 contempt cases are reportedly pending against the bureaucrats.

The PIL has come up for hearing close on the heels of the High Court taking serious view of willful disobedience by bureaucrats. In some cases, court imposed fine on district collectors and sentenced few others to imprisonment. IANS

# TN Govt to again come out with law banning online gaming

IANIS ■ CHENNAI

The Tamil Nadu Government will again come out with a proper law banning online games like rummy, said Law Minister S. Regupathy.

In a statement issued here, Reghupathy said public interest is important, by following due procedures and specifying valid reasons, the Government will again come out with a law banning online games like rummy.

The Madras High Court on Tuesday struck down the law brought in by the previous AIADMK Government banning online gaming in the state. The law also provided for fine and jail term for the violators.

Finding youngsters getting cheated and committing suicide and to protect the innocent citizens, the AIADMK government brought the law by amending the Tamil Nadu Gaming Act, 1930 (Tamil Nadu Act III of 1930), Chennai City Police Act, 1888 (Tamil Nadu Act III of 1988) and Tamil Nadu District Police Act, 1859 (Tamil Nadu Act XXIV of 1859).

According to Reghupathy, the court had said the government did not specify the reasons for banning the online gaming when the law was made.

PMK founder S. Ramadoss urged the Tamil Nadu govern-

ment to come out with a law by rectifying the defects.

He said thousands of families in Tamil Nadu were happy when the online gaming was banned last year while the Madras High Court order on Tuesday is disappointing.

With attractive advertisements the online gaming companies lure the youth and then push them into debt trap.

Ramadoss said about 25 youth committed suicide during the last couple of years as they were unable to pay back their debts incurred to play the online games.

He said the previous Tamil Nadu government had first brought an ordinance banning the online gaming last November and later made it into a proper law this February.

As a matter of fact, it was the Madurai Bench of the Madras High Court in July last year that had suggested to the state government to enact suitable laws to regulate the online gaming industry.

Quashing the first information report (FIR) filed by the Kudankulam police against a school teacher who had watched a game of rummy played in a farm, the court expressed its concern at the unregulated growth of online gaming industry.

Citing the laws against lottery and charging of usurious interest enacted by the Tamil Nadu government the High Court hoped that the state

government shall take note of the present alarming situation and pass suitable legislation to regulate and control online gaming through license, keeping in mind the law of the land as well as the judicial precedents in this regard.

"This Court is not against the virtual games, but, the anguish of this Court is that there should be a regulatory body to monitor and regulate the legal gaming activities, be it in the real world or the virtual world," the court had said.

The court also said the government take the views of the stakeholders before passing a legislation in this regard.

The court also explained the modus operandi of online games.

"If X and Y want to play a game, both of them have to bet a sum of Rs 10/- (Say). The winner will get the amount that he put in place, ie, Rs 10/- and in addition to that, he will get an additional sum, say 75 per cent that was put in place by the opponent, being the prize amount. The balance, ie., 25 per cent, will be credited to the account of the particular online gaming site. The loser will lose everything," the court said.

"If a group of persons (say 10) wants to play a game, each one of them have to bet a sum of Rs 10/- (say). At the end of the game, the winner will get his amount as well as 100 per cent of his bet amount, being the prize money.

# Priyanka attacks Yogi over poor law and order

## Congress to launch 'Kisney Bigada UP' stir on Aug 9

PNS ■ LUCKNOW

Congress leader Priyanka Gandhi Vadra on Wednesday attacked the Yogi Adityanath Government over the killing of an Ayurvedic doctor in Sitapur, saying the security of the common man was in a poor State and the Uttar Pradesh Government was not doing anything except indulging in false propaganda.

"In Sitapur, UP, a doctor was hacked to death by criminals who stormed his clinic," she said. "Such incidents are creating fear in the minds of the people of the State. The security system for the common people is in such a poor State and the Government is not doing anything except indulging in false propaganda," the Congress general secretary

said in a tweet in Hindi.

It may be mentioned that a doctor in Sitapur district was hacked to death in broad daylight by a person over an alleged property related dispute. The incident occurred in Mudrasan village in Hargaoon police station area on Tuesday. The victim, Munendra Pratap Verma, was examining a patient at his clinic in Mudrasan when a man entered with a sharp-edged sword and started attacking him.

According to the police, the attacker, Achchey Lal Verma, first chopped off the doctor's hand and then inflicted several wounds on his head and neck. The doctor somehow

opened the door of his clinic and called for help. By the time people reached the spot, the doctor had died due to excessive loss of blood. The incident took place in spite of the doctor's clinic being near a police picket. The police have arrested accused Achchey Lal Verma. Superintendent of Police RP Singh said prima facie it appears that some issues over money to be transferred in a land deal was the reason for the murder.

Meanwhile, Uttar Pradesh Congress under the leadership of Priyanka Gandhi Vadra has now decided to go offensive against the Yogi Adityanath government in their run-up to the assembly polls early next year.

The party has worked out a campaign theme for UP polls. Desperate to reclaim the lost ground, the Congress prepares to break the calm. To the Bharatiya Janata Party's claim of 'Sushashan and Vikas' in UP, Congress plans a mega campaign titled 'Kisney Bigada Uttar Pradesh (Who destroyed UP).

# Stop Lankan Navy from firing on TN fishermen, Stalin urges Jaishankar

IANIS ■ CHENNAI

Tamil Nadu Chief Minister M.K. Stalin has urged External Affairs Minister S. Jaishankar to exert pressure on the Sri Lankan Government not to attack Indian fishermen in the sea.

Citing the firing by Sri Lankan Navy on fishermen at Kodiyaikkarai, Stalin, in a letter to Jaishankar, said that a permanent solution must be arrived at as the attacks are affecting the livelihood of thousands of Indian fishermen.

While Indian fishermen were fishing from a registered boat near Kodiyaikkarai on August 1, the Sri Lankan Navy opened fire, injuring Kalaiselvan in his head. He was being treated at Nagapattinam government hospital while nine other fishermen in the boat escaped miraculously, he said.

"Unleashing violence on our fishermen without following international laws and practices is condemnable," Stalin said, noting India cannot remain a mute spectator to this outrage by the Sri Lankan Navy and that solution has to be found out immediately.

He said that the attack has caused great unrest among the people living in the coastal areas of the country and called upon the government to act immediately to protect the lives and equipment of Indian fishermen.

# Akhilesh's cycle yatra today

PNS ■ LUCKNOW

Samajwadi Party president Akhilesh Yadav, after a long gap, will ride a bicycle in the State Capital on Thursday, to pay tribute to socialist leader late Janeshwar Mishra, on his 89th birth anniversary.

The SP president has said the cycle yatra will also be a protest against the anti-people policies of the Bharatiya Janata Party Government.

More than 2,000 youths will ride bicycles on the streets of the State Capital along with Akhilesh Yadav with the flags of

Samajwadi Party for over 6.5 kilometres.

Similar cycle yatras will also be held in all the tehsils.

Akhilesh Yadav has called upon the party workers to make the cycle yatra a success, saying that the BJP government in UP is about to complete its five years, but in this entire period, there has been no development but only destruction everywhere. He said that the BJP government had razed democracy by misusing time and resources.

Yadav said that BJP had inflicted a huge damage to the dignity of politics. He alleged

that with the help of lies and hypocrisy, the BJP had spread ideological pollution and the BJP government was working only to mislead the people to hide its failures.

The SP chief said that his party had decided to fight against injustice through cycle yatra. He said the purpose of cycle yatra was also to protest against keeping Mohammad Azam Khan in jail by implicating him in fake cases, crime and corruption reaching the peak in UP, galloping inflation, three anti-farmer agricultural laws, youth suffering from unem-

ployment, women oppression, danger to democracy due to rigging in the panchayat polls and the COVID-19 deaths due to the collapsed health system.

Meanwhile, Yadav will leave the party office at 10 am on Thursday on his bicycle, to be flagged off by his wife and former MP Dimple Yadav. The Samajwadi Cycle Yatra will reach Janeshwar Mishra Park after covering a distance of 6.5 kilometres via Loretto Square, Kalidas Chauraha, Jiamau, 1090 Chauraha, Jaiprakash Narayan International Centre, CMS Chauraha and Dayal Square.

## FIRST COLUMN AN INNOVATIVE INSTITUTION

SWIFT bridges financial inequalities by offering financial services to the underprivileged

GOBHANU SASANKAR **KORISEPATI**

An Indian student has developed an innovative microfinance concept for women, inspired by Bangladesh's Grameen Bank — the world's largest microfinance institution — which made banking more accessible to the poor. SWIFT- Sustaining Women in Financial Turmoil — was formed in September 2020, when its founder, Gobhanu Korisepati, launched a microfinance social business platform. He spent over three months in an internship with Grameen Bank to learn the logistics. SWIFT was founded to bridge financial inequalities in India by making financial services accessible to the underprivileged. The need was felt because he witnessed the complexities accompanying traditional loans such as mandatory collateral and proof of income firsthand and found that financial services tend to discriminate against the poor directly. The institution is based on an adapted version of micro-finance that best targets women who lack access to financial services. It brings women financial stability and human dignity by

providing them micro-loans to start their entrepreneurial adventures. A loan can change the life of any individual, especially for a woman coming from an underprivileged background. To date, SWIFT has loaned to over 1000 women, working with a focus on sectors such as agriculture, clothing, and food services. The largest loan SWIFT has lent individually is worth ₹20,000. The borrower is a young woman, Magali, and the loan helped her buy wholesale fabric, thread, elastic, yarn, and maintain her sewing machine. The loan was unique as it was aimed at reaching vulnerable populations in an isolated region. SWIFT's many loans are targeted to help the women who need it the most, and they have been successful in lending over ₹19 lakh so far. Another borrower from SWIFT is Meela, a rural farmer who aspired to be an entrepreneur, and the loan provided the perfect opportunity to do so. Meela has a family of three and a monthly household income under the poverty line. By providing her a loan, SWIFT helped her buy seeds and fertilizers to increase agricultural production. SWIFT currently selects the needy based on criteria that are constantly being adapted to fit the best interests of Indian women.

The criteria currently considered are based on the community impact a loan would have: how many people the loan can positively affect and risk evaluation factors, loan duration, and repayment schedule. It is important to note that SWIFT does not charge any interest on the loans as its goal is only to better the livelihoods of the borrowers and their communities. When asked how SWIFT has raised funds, Gobhanu says that SWIFT is fortunate enough to have gained a following on social media platforms and its website (swiftmfi.org), which primarily allocates its funding addition to local fundraisers such as bake-sales and charity games. What makes SWIFT unique from other charities is that it is run directly by children. A few months after founding SWIFT, Gobhanu sought out help and was overwhelmed by the support of youth he could find online. Today the SWIFT team consists of over 20 high school students who donate their time and efforts to make the world a better place. SWIFT is also currently inculcating the habit of microfinancing throughout schools as the organization believes that financial literacy is a fundamental step for India's development. Gobhanu says that his vision is for SWIFT to reach developing and developed nations worldwide, not just India. In the coming years, he hopes to create a sustainable student-run organization that works to create equality of opportunity for marginalized communities.

(The writer is a student from Andhra Pradesh and founder of the SWIFT initiative. The views expressed are personal.)

# Youth and radicalism: Search for cannon fodder

AMRITA BHINDER

The so-called movement for Khalistan checks all the necessary boxes to be an 'ideal' issue for agencies like Pakistan's ISI to attack India

William Faulkner's observation that "the past is never dead, it is not even the past" holds for issues that enemies of India exploit to fuel unrest. The resurgence of the talk surrounding 'Khalistan' indicates how those interested in harming India never stop sowing seeds of discontent.

For any strife to continually 'catch the fancy' of the people, it has to appear personal and immediate. Such issues can find easy access in India with many societal, caste, religious, and sectarian fault lines. The abundance of youth is a bonus for those looking to take advantage. The radicalisation of youth to be used as cannon fodder is commonplace across strife-driven regions like in Syria where the social unrest originated from college campuses. The JNU protest is another illustration where sloganeering against a fee hike soon transformed into a demonstration of whatever was the 'flavour of the month protest'.

The so-called movement for Khalistan checks all the necessary boxes to be an 'ideal' issue for agencies like Pakistan's ISI to attack India. It is well-documented that ISI pumped monetary and arms resources and provided a haven for extremists who propagated the demand for a separate State of Khalistan.

In the last few years, long-standing issues like left-wing extremism or Islamist terror are being called out or are past their sell-by date. The significant churn in the United States and Australia, and the United Kingdom against Chinese influence in college campuses has shaken things up. The crackdown by Saudi Crown Prince Mohammed Bin Salman in 2017 on Islamist terrorists unleashed significant changes in how Jihadist terror operated across the globe. Vowing to galvanise an Islamic military coalition that aimed to counter "terrorism and extremism," Mohammed bin Salman led a series of high-level meetings of an alliance of Muslim nations against terrorism funding and the day-to-day disruption of al-Qaida, the Islamic State, and like-minded jihadists. In this atmosphere, global entities that benefit from strife, such as the military-industrial complexes, need to fan new issues to survive.

One of the reasons why Khalistan is a red-flag issue unlike ever before is the global support that has come its way in the recent past, with significant ramifications. In a recent Club House chat, a young person of Indian origin based in Europe and dedicated to the Khalistan cause claimed that the movement aimed at the physical separation of Punjab from the Indian union in less than two generations. The support for the separatist elements of the Khalistan movement, especially amongst the second-generation Punjabi youth based in Canada, the United Kingdom, and the United States, has gained momentum as it ostensibly seeks to correct a historical wrong. However, the danger has increased manifold due to a suc-

KHALISTAN WAS NEVER A DOMESTIC ISSUE, AND THE SOONER THE AVERAGE INDIAN REALISES THAT IT HAS THE POTENTIAL TO CHANGE THE WORLD, THE FASTER WE CAN COUNTER IT. THE REASON THAT WE CANNOT TAKE ALL OF THIS TO BE AN OVERSTRETCHING OF ONE'S IMAGINATION IS STARING US IN THE FORM OF A SIMPLE FACT — THE WORLD HAS SHIFTED FROM 'CONVENTIONAL WARFARE' TO THE UNCONVENTIONAL

(The writer is a lawyer and columnist. The views expressed are personal.)

cessful shift in the perspective. The anti-Sikh pogrom of 1984 is not attributed to Congress but the 'Indian State.' As a result, the Khalistan issue now targets the Indian government and propagates a 'revolt' as the only way out.

This status transition is strategically designed and it would be foolish to think otherwise. It is similar to the Israel-Palestine issue and the desire of vested parties to replicate the model where a narrative would constantly stoke fires of how the Indian state has unleashed a flurry of horrors upon the ordinary citizens of Punjab. The narrative-building machinery is also in place, with socio-cultural events such as literary jaunts with authors and think tanks disseminating ideas and information to that end.

One can see how global concepts such as critical race theory, a 40-year-old idea that believes racial division to be a social construct instead of a personal bias, are promulgated locally. The ongoing farmers' protest is a testimony to the same, where a broad idea — farmers opposing the three laws — has been rejigged to make it region-specific — how the state has primarily targeted the farmer of Punjab.

The Khalistan issue is also being pitched as a shared narrative at a global level, claiming to echo the sentiments of the Sikh community, even though the citizens of Punjab rejected the very idea of a separate State. The local view is routinely, and even vehemently, dismissed on public platforms and social media by radicalised elements based outside of India. While

Indians wave off the issue as bunkum or pointless wishful thinking of a handful of wavered NRI youth, global media picks on that point of view and furthers it. The physical or virtual protests also have many Pakistan-sponsored implants disguised as Sikhs. The cycle is then completed when such news is peddled for domestic consumption as the local view that an authoritarian government has suppressed.

The propagators of Khalistan are quick to portray Prime Minister Narendra Modi as the all-powerful fascist responsible for the subjugation of Punjab, even though the actions of the current Indian government tell a completely different story. In 2018, a Delhi court awarded the first death penalty to two persons in the 1984 anti-Sikh riots in the cases that were probed and re-opened by the Special Investigation Team (SIT) set up by the Modi government in 2015. In 1994, the two had gotten away due to lack of evidence, and their conviction became possible only due to the evidence provided by the BJP state government.

The Khalistan issue is a testing ground for other pan-India strifes that can be used against the country. It is in tandem with a 2016 Pakistan Senate recommendation to the then Nawaz Sharif government to play up caste and religion issues in India to curb India's global influence. A 13-member committee of the Senate, Pakistan's equivalent to the Rajya Sabha, asked the government to talk about 'Dalits, unhappy Muslims, and encourage those opposing Prime

Minister Narendra Modi' to destabilise India. It also made some tactical recommendations to "hire International lobbyists and strategic communication firms and reactivate Pakistani community living abroad to change the global narrative".

The narrative-building efforts to push Khalistan or any exploitable local fault line to the forefront as a global agenda cannot be ignored or undermined. One is reminded of how the US attack on Iraq in 2002 also resulted from a complex narrative-building exercise. India's stature as a geopolitical player on the global stage has only increased in the recent past. Whether it is Asia or the Indian Ocean Region, India's significance is now key to shaping the world as it has also emerged as a natural counter balance to China. This reality does not suit traditional foes such as China and Pakistan and their new supporters, namely, Turkey and Iran.

Rest assured, any narrative that thwarts India would be ready to pick for them. Khalistan was never a domestic issue, but its play has only increased, and the sooner the average Indian realises it has the potential to change the world, the faster we can counter it. The reason that we cannot take all of this to be an overstretching of one's imagination is staring us in the form of a simple fact — the world has shifted from 'conventional warfare' to the unconventional. While we might not comprehend the severity of unconventional warfare, it surely is at play around the world by those interested in it.

# Maldives and Indian relationship

There have been a few untoward incidents that led to the Maldivians harbouring anti-India sentiments

Maldives and India are having a relationship crisis owing to media articles and social media posts attacking the dignity of the Indian High Commission office in that country. The Indian High Commission wrote a letter to the ministry of external affairs that was shared with the Maldivian local media. The commission complained letter about the malicious and increasingly personal attacks that may damage the bilateral relations between India and the Maldives.

The Maldivian Democratic Party (MDP) released a statement that empathised with Indian diplomats and termed the attacks as derogatory. The MDP blamed the whole drama on a local newspaper, Dhiyarees, and its owner, Ahmed Azaan.

PK VASUDEVA

(The writer is retired Senior Professor, International Trade and Member, Vivekananda International Foundation, New Delhi. The views expressed are personal.)

The MDP believes that the anti-India campaign run by Azaan is a well-funded, tailor-made, and intricately choreographed political campaign to bring ties between the Maldives and its closest ally, India, to breaking point.

The reason for the 'India out' campaign was the military presence in the Maldives, which according to the locals, is a threat. The 'India out' campaign started in 2020 and spread across social media like a wildfire. The co-founder of the Dhiyarees media, Shifxan Ahmed, clarified that they had only one issue — about the Indian military presence.

It is not the first time that an anti-India campaign had reared its ugly head. Back in 2013, when the Progressive Party of Maldives (PPM) was in

power, international relations between India and Maldives took a hit. PPM, led by Abdulla Yameen Abduls Gayoom, had tilted towards the Chinese. To please the Chinese, the Yameen government indulged in anti-India slogans and policies.

Researcher Dr. Gulbin Sultana, an analyst at Manohar Parrikar Institute for Defence Studies and Analysis (IDS), shares the same sentiment about the anti-India rhetoric of 2013. But even if the Yameen government had a biased that

favoured the Chinese, they engaged in an India-first policy as well.

There have been a few untoward incidents that led to the Maldivians harbouring anti-India sentiments. The first incident was when India gifted two Dhruv Advanced Light Helicopters (ALH) in 2010 and 2015. These helicopters were to be operated by Indian officers and to be used for ocean search and rescue operations, airlifting patients across the islands, and Maritime weather surveillance. They were based in Addu atoll and at Hanimaadhoo but the pro-China stance of the Yameen government let it interpret them as proof of the Indian military's growing presence in the Maldives. In 2016, when the agitation reached its peak, the Yameen government requested

India to take back their choppers and the defence personnel. The Indian refusal to take back the choppers added fuel to the fire. In 2018, Ibrahim Mohamed Solih came to power and scrapped agreements that proscribed the use of choppers and he extended the stay of Indian personnel stay in the Maldives. Solih's friendly stance towards India and its choppers again fuelled anti-India sentiments in the Maldives.

The Maldivian government believed in keeping terms of contracts about defence, sovereignty, and national security secret. Some groups of people interpreted this secrecy as a threat to democracy. The domestic players in the Maldives opposed agreements with India because of this lack of transparency. According to

Maldivian law, any agreement has to be tabled in Parliament and needs parliamentary approval. It is only after the approval the government can engage in bilateral treaties. But the Solih government, in the name of national security, does not share any data with Parliament. The idea of keeping everything under wraps in the name of national security angers the people and fuels protests.

The second incident was the signing of Sifvaru-Uthuru Thilafalhu (UTF) harbour project agreement between India and the Maldives in 2021, under which India will be developing a Maldives National Defence Force Coast Guard Harbour. This project was initiated under the Yameen government. The dockyard is an atoll located near Malé, the cap-

ital of the Maldives.

The Indian motive behind signing this agreement was the growing presence of the Chinese in the Indian Ocean region. This agreement would satisfy the strategic interests of both India and the Maldives. But in 2019, when the Solih government came to power, media suspicion began to grow, owing to Solih's inclination towards India about the UTF project. The Maldivian government has repeatedly clarified that they would not allow any military presence on their land, be it Indian, Chinese, or anyone else. The Maldives has repeatedly asked India not to interfere in its domestic politics.

After the threats to blast the Indian high commission in the Maldives, appropriate security measures have now been taken.

# Attack targeting acting Af Defense Min kills 8

AP ■ KABUL

A bombing attack that targeted Afghanistan's acting Defense Minister, Bismillah Khan Mohammadi, killed at least eight people and wounded 20, authorities said on Wednesday. The Deputy Minister was not hurt in the attack claimed by Taliban insurgents.

The blast went off late Tuesday in a heavily guarded upscale neighborhood of the Capital of Kabul. It was followed by a gun battle that also left four militants dead, authorities said. The casualty toll could rise, Interior Ministry spokesperson Mirwais Stanekzai said Wednesday.

Taliban spokesman

Zabihullah Mujahid in a statement Wednesday claimed responsibility for the attack. It came as the insurgent group presses ahead with an offensive that is putting pressure on provincial capitals in the south and west of the country.

Mujahid said the attack was revenge for recent attacks by Afghan national forces in various provinces that he said caused civilian casualties and displacement.

Stanekzai said it appeared the guesthouse of acting Defense Minister Bismillah Khan Mohammadi was targeted in the attack but he was not hurt.

Mohammadi's Jamiat-e-Islami party was told the minister was not in the guest-

house at the time and his family had been safely evacuated. All four attackers were shot and killed after five hours of fighting, Stanekzai said.

Stanekzai said the attack took place in the posh Sherpur neighborhood, located in a section of the capital known as the Green Zone, where security is tight. It is home to several senior government officials.

Hours after Tuesday night's attack, the Defense Ministry released a video in which Mohammadi said his guards had been wounded in a suicide attack. "I assure my beloved countrymen that such attacks cannot have any impact on my willingness to defend my countrymen and my country," he said.

## UNSC says it does not support restoration of Islamic Emirate in Af

PTI ■ UNITED NATIONS

The UN Security Council, currently being presided over by India, has declared that it does "not support the restoration of the Islamic Emirate" in Afghanistan as it expressed deep concern over the high levels of violence in the war-torn country following the Taliban stepping up its military offensive.

It also condemned in the "strongest terms" last week's "deplorable" attack against the United Nations in Afghanistan's Herat.

In a Press statement on the "escalating violence in Afghanistan" issued by Council President India's Permanent Representative to the UN Ambassador T S Tirumurti, members of the 15-nation Security Council reaffirmed that there is no military solution to the conflict and "declared that they do not support the restoration of the Islamic Emirate."

"The members of the Security Council called on both the Islamic Republic and the Taliban to engage meaningfully in an inclusive, Afghan-led and Afghan-owned peace process in order to make urgent progress towards a political settlement and a ceasefire," the press

statement said.

"The members of the Security Council condemned in the strongest terms the deplorable attack" against the UN compound on July 30, which resulted in the death of an Afghan security forces guard and several injured.

Security Council members "expressed their deep concern about the high levels of violence in Afghanistan following the Taliban's military offensive and called for an immediate reduction of violence," the press statement said.

"They also expressed deep concern about the number of reported serious human rights abuses and violations in communities affected by the ongoing armed conflict across the country," it said.

The Council condemned in the strongest terms all instances of terrorism and deliberate targeted attacks against civilians and "recognised that a sustainable peace can be achieved only through a comprehensive and inclusive Afghan-led, Afghan-owned peace process that aims at a permanent and comprehensive ceasefire, as well as an inclusive, just, and realistic political settlement to end the conflict in Afghanistan."

The Council stressed the

need for full, equal and meaningful participation of women in this regard.

Afghanistan Foreign Minister Mohammed Haneef Atmar said in a tweet that he spoke with External Affairs Minister S Jaishankar "to discuss convening an emergency UN Security Council Session" on Afghanistan.

"UN & intl community must play a greater role to stop the unfolding tragedy in due to Taliban violence & atrocities. Appreciate the lead role of as current UNSC President," Atmar said.

Following the issuance of the Press Statement, Afghan Mission to the UN tweeted that it welcomes the "strong condemnation" by the Security Council of all instances of terrorism and deliberate targeted attacks against civilians, including on the UN compound caused by the recent violent Taliban offensive.

"While continue prioritising the achievement of peace through negotiations, the AFG Gov, fulfilling its mandate, will continue to defend its citizens against atrocities and war crimes committed by the Taliban and their associated regional and intl terrorist groups," the Mission added.

## British navy group: Hijackers have left vessel off UAE coast

AP ■ FUJAIRAH (UAE)

The hijackers who captured a vessel off the coast of the United Arab Emirates in the Gulf of Oman left the targeted ship on Wednesday, the British navy reported, ending a ship seizure that revived fears of an escalation in Mideast waters.

The incident, described by the British military's United Kingdom Maritime Trade Operations the night before as a "potential hijack," ended with as much mystery as it began.

While the details of who briefly impounded the asphalt tanker and why remain unclear, the seizure once again reveals a region on edge as Iran and the United States seek to broker a resolution to their standoff over Tehran's tattered 2015 nuclear deal with world powers.

Over the past years, the rising tensions have played out in the waters of the Persian Gulf, where just last week a drone attack on an oil tanker linked to an Israeli billionaire off the coast of Oman killed two crew members. The West blamed Iran for the raid, which marked the first known fatal assault in the yearslong shadow war targeting vessels in Mideast waters.

Iran denied involvement.

Late on Tuesday, intruders boarded a Panama-flagged asphalt tanker called Asphalt Princess sailing off the coast of Fujairah, authorities said. The official news agency of Oman's military said it received reports that the Asphalt Princess had been hijacked and dispatched Royal Air Force maritime patrol aircraft and naval vessels "to contribute to securing international waters."

Possible signs of trouble began to emerge that evening when six oil tankers off the coast of Fujairah announced around the same time via their Automatic Identification System trackers that they were "not under command," according to MarineTraffic.com. That typically means a vessel has lost power and can no longer steer.

Satellite-tracking data for the Asphalt Princess had showed it gradually heading toward Iranian waters off the port of Jask early Wednesday, according to MarineTraffic.com. Hours later, however, it stopped and changed course toward Oman, just before the British navy group declared the hijackers had departed and the vessel was now "safe."

## Turkey says it won't shoulder Af migration, slams US

Istanbul: Turkey's Foreign Ministry has called the United States "irresponsible" after the Biden administration announced it would expand efforts to assist at-risk Afghan citizens with the major caveat that the adjudication process would take months in a third country.

Turkish Foreign Ministry spokesperson Tanju Bilgic said Wednesday the U.S. statement had suggested Turkey as an application spot "without consultation." He said Turkey does not have the capacity to shoulder another migration crisis.

"The U.S. may directly transport these people by plane. Turkey will not take over the international responsibilities of third countries," Bilgic said and added Turkey would not allow its laws to be abused by other countries. He said the U.S. announcement would trigger a major refugee crisis.

Turkey is already hosting some 3.7 million Syrians who fled the civil war there. Afghans have also fled to Turkey to escape their country's war and instability. AP

## Israel fires back after 3 rockets launched from Lebanon

AP ■ TEL AVIV

Three rockets were fired from Lebanon into Israeli territory on Wednesday and the army responded with sustained artillery fire, Israel's military said. There was no immediate information on damages or casualties.

The announcement came after sirens sounded in northern Israel warning of a possible rocket attack from Lebanon. Two rockets landed inside Israeli territory, the army said, adding that it fired artillery back into Lebanon. Channel 12 reported that

one rocket exploded in an open area and another was intercepted by Israel's defense system, known as the Iron Dome.

The warnings went off near Kiryat Shmona, a community of about 20,000 people near the Lebanese border.

A Lebanese army official said the military had no comment pending investigations. Other Lebanese security officials did not immediately respond to requests for comment from The Associated Press.

However, several witnesses in the border area in south Lebanon said two rockets landed in an Israeli community across the border, followed by multiple artillery shells that were fired from Israel. The Israeli shells landed in an area between the Lebanese villages of Marjayoun and Kham, they said, adding it was not clear where the rockets were fired from.

There have been several similar incidents in recent months.

## PEGASUS SCANDAL Top Israeli defence committee to convene 'closed' session on use of offensive cyberarms

Jerusalem: Israel's top defence committee will convene a special session on the use of 'offensive cyberarms' in the wake of international backlash over the alleged misuse of NSO Group's Pegasus software and further revelations that other Israeli firms may have also supplied similar spyware solutions to other countries, according to a media report.

The Foreign Affairs and Defence Committee will convene a closed session to discuss not just NSO and the string of revelations about its spyware's potential targets exposed as part of the Project Pegasus, but also other Israeli offensive firms that have made headlines in recent months, daily Haaretz reported on Tuesday.

The Pegasus Project is a consortium of media outlets that reported the NSO's Pegasus spyware was linked to hacks and potential surveillance.

Firms like Candiru and Quadream have also sold their spyware solutions to non-democratic regimes, the report said.

"The session of the influential Foreign Affairs and Defence Committee is apparently not listed on their official agenda and it will be sealed off from the public and its minutes kept off the record because the session will be held by a sub-committee dedicated to 'intelligence issues and other special issues,' the daily reported. The meeting is reportedly set for August 9, though the committee chair, lawmaker Ram Ben Barak, has denied it. PTI

## NY Gov urged to resign after probe finds he harassed 11 women

New York: New York Governor Andrew Cuomo has faced mounting pressure to resign, including from President Joe Biden and other onetime Democratic allies, after an investigation found he sexually harassed nearly a dozen women and worked to retaliate against one of his accusers.

"I think he should resign," Biden told reporters Tuesday, echoing House Speaker Nancy Pelosi and New York's US Senators Chuck Schumer and Kirsten Gillibrand, all Democrats.

The leader of the state Assembly, which has the power to bring impeachment charges, said it was clear Cuomo could no longer remain in office. Speaker Carl Heastie, a Democrat, said he would move to complete an impeachment inquiry "as quickly as possible." Cuomo remained defiant, saying in a taped response to the findings that "the facts are much different than what has been portrayed" and that he "never touched anyone inappropriately or made inappropriate sexual advances."

In a telephone conversation with Heastie, Cuomo insisted he wouldn't leave office and told the speaker he needed to work fellow Democrats and garner enough votes to stop an impeachment, according to a person familiar with the conversation.

But Heastie said he couldn't do that, said the person, who could not publicly discuss details of the private conversation and spoke to The Associated Press on condition of anonymity. AP

## WHO: 4 mn new coronavirus cases reported globally

AP ■ GENEVA

There were more than 4 million new Covid-19 cases reported globally in the last week, driven mostly by spikes in the Middle East and Asia.

That's according to the World Health Organization's

latest weekly report on the pandemic.

The U.N. health agency said Wednesday infections have been increasing for more than a month, although the worldwide number of deaths dropped by about 8%.

In the Middle East and Asia, however, deaths

increased by more than a third. In the last week, the highest numbers of coronavirus cases were reported by the U.S., India, Indonesia, Brazil and Iran. More than 130 countries have now reported cases of the easier-to-spread delta variant, first identified in India.

## US trying to help India, others to produce vaccine: Biden

Washington: The United States is helping India and other countries to be able produce the vaccines by themselves, President Joe Biden has said.

With a need for several billion doses around the world, the US was committed to provide half a billion, Biden said during a press conference at White House on Tuesday.

"We have committed to over a half a billion doses. And we're trying to provide for more and provide for the capacity of countries like India to be able to produce the vaccine themselves. And we're helping them to do that. That's what we're doing now," he said in response to a question.

"And we're trying to...by the way, it's free. We're not charging anybody anything. And we're trying to do as much as we possibly can," he added.

In this fight against COVID-19, Biden asserted, the United States was committed to become the "arsenal of vaccines", the manner in which it was the arsenal of democracy during World War II.

"We are backing up that commitment. We have contributed more than any other nation to COVAX as a collective global effort to deliver COVID-19 vaccines across the world. We have supported manufacturing efforts abroad through our partnerships with Japan, India, Australia - known as the Quad," he said.

Biden said that during his trip to Europe in June, he had announced that the US would purchase a ground-breaking 500 million doses of Pfizer and donate to nearly a hundred low- and middle-income countries that don't have the vaccine. Those doses will start to ship at the end of this month, he said. PTI

## Head of UN health agency seeks vaccine booster moratorium

AP ■ GENEVA

The head of the World Health Organisation is calling for a moratorium on administering booster shots of Covid-19 vaccines as a way to help ensure that doses are available in countries where few people have received their first shots.

WHO Director-General Tedros Adhanom Ghebreyesus made the appeal mostly to wealthier countries that have far outpaced the developing world in numbers of vaccinations.

WHO officials say the science is unproven about whether giving booster shots to people who have already received two vaccine doses is effective in preventing the spread of the coronavirus.

The U.N. Health agency has repeatedly called for rich countries to do more to help improve access to vaccines in the developing world. Tedros pointed to a WHO target set earlier this year to ensure that 10% of the populations in countries receive vaccines against the coronavirus.

"Accordingly, WHO is calling for a moratorium on boosters until at least the end of September to enable at least 10% of the population of every country to be vaccinated," he said Wednesday.

To help take the heat out of the pandemic, WHO has been focusing on getting vaccines to older adults, health care workers and other target populations in many countries before booster shot campaigns are carried out.

Israel, France, Germany and many Middle Eastern countries have already started administering booster shots, and other nations, including the United States and Britain, are considering plans to do so in the wake of the emergence of the highly transmissible delta variant.

**PUBLIC COURT**  
Lost the original Sale Deed dated 23.04.1963, which was got executed in favour of Late Sh. Bawa Surendra Singh by the then Refugee Co-operative Housing Society Limited, with regards to the property bearing No. 45, North Avenue, Punjabi Bagh West, New Delhi - 110026. ## Onus on India to create 'conducive environment' for talks: Pak FM Qureshi in letter to UN

Islamabad: Pakistan's Foreign Minister Shah Mahmood Qureshi has written another letter to the UN, emphasising that the onus to create a 'conducive environment' for engagement and result-oriented talks remains on India and New Delhi must reverse its actions in Jammu and Kashmir taken on or after August 5, 2019.

Qureshi addressed the letter to the UN Security Council and the UN Secretary General on the completion of two years after India abrogated the special status of Jammu and Kashmir under Article 370 of the Constitution.

India's Parliament abrogated the special status of Jammu and Kashmir under Article 370 on August 5, 2019 and bifurcated it into two Union territories. Pakistan downgrad-

ed ties with India and suspended trade after the Indian government revoked the special status of Jammu and Kashmir.

India has maintained that the issue related to Article 370 of the Indian Constitution was entirely an internal matter of the country. Foreign Minister Qureshi, in his letter, has emphasised that the "onus remains on India to create a conducive environment for engagement and result-oriented dialogue," Pakistan's Foreign Office (FO) said in a statement.

"To create such an environment, India must reverse all unilateral and illegal measures imposed in Jammu and Kashmir, including those initiated on and after 5 August 2019, rescind the demographic changes initiated in Jammu and Kashmir," the FO said. PTI

# REMOTE WORKING — BOON OR BANE?

ANAND DORAIRAJ  
talks about how  
'workations' may  
lend a fun element  
to your job

Not long before the global pandemic hit us — reappraising the way we think about work and leisure — the prospect of working from home, even if it were only fortnightly, was an exciting proposition. The benefits of skipping the endless commute to the workplace, attending meetings while virtually donning your favourite pair of pyjamas, and aligning your tasks around your chores or sleep cycle, would always outdo the regularly inconvenient humdrum of life otherwise.

But COVID altered our lives and beliefs in so many unexpected ways. The novelty of working from home started to fade away in a matter of a few months after offices were shut. The makeshift work desks at different corners of homes eventually blurred the personal-professional boundary, triggering overwhelming sentiments of 'living at work', burnouts and 'Zoom fatigue', resulting in monotony, lethargy and reduced productivity levels.

The sustained monotony of working from home has also proved to be detrimental to mental health, particularly impacting professionals who have been living away from families. However, since large companies are looking at the remote working structure as a more permanent solution for its obvious pros and considering how the third wave of COVID-19 is just around the corner, as per experts, we may have to find ways to mix things up and make working from home a sustainable and agreeable process.

**The solution — A 'workation'**  
Experts swear by the mantra of rotating your workspace, so your day feels more varied. Initially, professionals tried to mix things up depending on the amount of space at their disposal. But as they ran out of options, a few took it to the next level by hiring a space in the outdoors — to work!  
And that's how the term

'workation' was coined. Workation = work + vacation. It's combining business with leisure. It's attending Zoom calls against the enviable backdrop of a waterfall. It's scheduling emails while sunbathing at a beach. It's creating campaigns while sipping a cup of hot cocoa at a rustic cafe somewhere in the hills. It's hitting targets while hitting the roads.

A workation allows you to take your office along with you on your vacation. When you work from the hills or beaches, you integrate the elements of leisure into it, giving yourself time to unwind and rejuvenate whilst delivering on your daily targets. The idea of taking a road trip to a nearby destination — to relocate for a few weeks or even months — has proven to do wonders for your productivity, boosting motivation and striking a perfect work-life balance.

**Smart marketing by the travel and hospitality sector**

With the workation fad doing the rounds, hotels and homestays near metro cities have introduced 'Workation Packages' to cash in on the trend. They have bolstered their infrastructure to offer the best remote working experience — contactless

check-ins, high-speed internet (even on the beaches and open spaces), comfortable work desks, in-room dining services, and babysitting services for kids. They are training their staff rigorously on the COVID SOPs to ensure compliance with all social distancing and safety measures. To promote longer workations, they are rolling out lucrative offers with slashed tariffs on long-term rentals and extended stays.

The workation-readiness isn't limited to the hospitality sector. The travel industry, which was equally affected by the pandemic (if not more), is all geared up to facilitate safe commute to workations, which are usually in smaller towns located a few hundred kilometres away from densely populated urban spaces. The safety benefits and convenience offered by car rentals coupled with the charm of a classic road trip after months of confinement is what's making car rentals the preferred choice of travel among workationers. After all, who does not want to be pampered by a doorstep pickup and drop, with a chauffeur-driven car at your disposal?

If you are based in any one of the metropolitan cities and can't wait to get away from the hustle and bustle, listed below are some brilliant recommendations located amid picturesque attractions:

**Bangalore**

▣Kabini: Witness the wild waking from slumber in their natural habitat at any one of Kabini's jungle lodges. After a busy workday, unwind by opting for an evening safari ride for the ultimate wildlife experience.

▣Honnavar: Don your favourite beach shorts and cabana-style shades to answer your Zoom calls amidst the clean yellow sands and turquoise waters of Honnavar.

▣Dandeli: A visual retreat for nature and adventure lovers, the rustic jungles and idyllic waterfalls of Dandeli will serve as your picture-perfect workation.

▣Sakleshpur: Nestled amid the Western Ghats, this gorgeous hill station will overwhelm your senses with its vast aromatic tea and spice estates. You can also treat yourself to trekking and camping activities after a fruitful work week.

**Mumbai**

▣Igatpuri: A hidden paradise tucked in the Sahyadris, it will be the perfect workation for mountain lovers.

▣Jawhar: Lush greenery, pristine lakes and waterfalls, breathtaking treks and dense forests — it is a land of serenity still unexplored and offbeat.

▣Velas: Known for its Olive Ridley sea turtles, it is a paradise for beach lovers. After an exhausting day at work, unwind by trekking your way to the cliffs and witness the picturesque sunsets at the Velas beach.

▣Goa: Delicious

seafood, unparalleled nightlife, alluring beaches, cosy cafes, affordable stays, it is already a favourite amongst workationers!

**Delhi**

▣Pushkar: Why work from home when you can work from a majestic palace! And once you have pampered yourself with all the royal treatment, work from one of the desert camps in the place.

▣Jim Corbett: Book a cottage with large windows with a view of the stunning jungles of Jim Corbett. Listen to the sounds of birds cooing or river flowing nearby and the occasional roars of the Royal Bengal Tiger to chill your nerves. This one's not for the faint-hearted!

▣Mussoorie: Travel back in time to the colonial town of Mussoorie. Work against the majestic backdrop of the Garhwal Himalayas and rejuvenate your senses.

▣Jaipur: Spend your evenings witnessing the ancient forts, admiring the old-world charm and enjoying the delectable Rajasthani cuisine in the Pink City.

**Kolkata**

▣Sundarbans: Find your inspiration for work in the wilderness. The trees, the forests, the streams, and the unique fauna of Sundarbans can inspire you. Take a relaxed break cycling or taking nature walks or go for wildlife photography.

▣Lachung: Work amid pine forests, rhododendron sanctuaries, snow-capped peaks, rustic cottages, hot springs and rich biodiversity.

▣Falta: The serene river town of Falta is surrounded by lush green landscapes and has a fascinating history associated with it. Unwind after work exploring its fort and port or go for a tranquil ferry ride.

▣Kalimpong: Experience the charm of working amidst rolling hills, picturesque valleys, magnificent monasteries and rich diversity of flora and fauna.

Escape the monotony of home and head out to refresh your mind and soul while working from outdoors.

## 'A BREATH OF FRESH AIR'

Actor AAHANA KUMRA shares how the teleplay, *Sir Sir Sarla* is a story replete with love and nostalgia. By TEAM VIVA

For Aahana Kumra, shooting for Zee Theatre's *Sir Sarla* was an immensely rewarding experience. She remarks, "The wonderful thing is that during the shoot, I did not lose the flow I experienced on stage while performing a play live. Thankfully the director just let us be and didn't ask us to give multiple retakes. The whole experience turned out to be enjoyable."

Aahana attended the first screening of the play at the writer, director and actor Makarand Deshpande's house and shares, "Spending time at Mac sir's place was a nice way to relive the shoot especially because we have not been able to perform the play on stage for a live audience due to the pandemic."

*Sir Sir Sarla* explores the story of Professor Palekar and his student Sarla — the pretty, innocent young girl who seems smitten by her mentor — and Phanidhar who shares a love-hate relationship with the professor. The play dwells upon the bond between the students and their professor, which faces many vicissitudes. Secrets are revealed, accusations are hurled, and the three lives remain interwoven for many years to come. The narrative is very unique and also relatable, says Aahana. "Even though we were travelling extensively with the play before the pandemic, it took me a long time to understand Sarla. Then in cities like Lucknow and Bareilly, I actually met people who were like Keshav and Sarla. They would come to meet me after the show and say that this was their story. That was such a revelation and as an artiste, I began to feel there was an added responsibility to portray Sarla in a real and organic way because so many women saw themselves in her," she adds.

With time and experience, the play's theme began to make more and more sense to her. As she says, "In a world full of hate and anxiety, this play is like a breath of fresh air. It really transports you to a place replete with love and nostalgia."

*Sir Sir Sarla* is written and stage directed by Makarand, and stars him alongside Aahana, Sanjay Dadhich and Anjum Sharma. Its filming director is Suman Mukhopadhyay. Watch the play on DishTV D2H Rangmanch Active.

As a first-time mom-to-be last year, Amy ideas of a postpartum body were all driven by the hundreds of articles on 'how to bounce back' on the internet. But the reality of what a postpartum body looks (and feels) like hit me like a deer caught in headlights. It was not only opposite to all the miraculous flat belly pictures that I saw of women at just three months postpartum but no one was talking about how regressive it was to put societal pressure on women to bounce back when their bodies had to completely change to create a universe.

It was time to change the dialogue. But if I had to, I needed to be first empowered with the knowledge of what really changed in my post-baby body. I chose to do this by getting certified as a pre-post-natal specialist so that I could share the post-baby body changes no one tells you about.

First, yes, we must have the doctors' permission before starting exercise post-delivery but it should not be interpreted to mean that you can or should start lifting weights immediately, run or take part in intense cardio. It should ideally be light walking and rehabilitative exercises to restore strength and function to the deep core stability system (focussing on transverse abdominal (TA) and pelvic floor muscles) under the guidance of a postnatal specialist. Unlike popular belief, our body is not miraculously ready to resume exercising once the doctor gives the go-ahead at the four or six weeks check-up.

Second, post-baby urinary incontinence is a real thing and the life quality of one out of three new moms will be affected due to it. And Kegels (exercises where you pretend you have to pee and then hold it) aren't enough. It's normal to pee when you laugh, cough, sneeze,

## Shh! Secrets revealed

SUCHETA PAL talks about the post-baby body changes no one tells you about and what to do about them

jump and run postpartum, but you don't have to live with it. Your pelvic floor needs to be able to lengthen, relax and contract — not just contract. If the pelvic floor is always in a contracted state, the muscles become shortened, tightened, and sometimes weak. And it doesn't help in the recovery process. Thus Kegels alone are not the answer. Instead, practising proper activation and release of

these muscles with the technique of connection breath/ diaphragmatic breathing is the key.

Most probably you have a condition called Diastasis recti which is the partial or complete separation of the rectus abdominis, or 'six-pack' muscles, which meet at the midline of your stomach. Diastasis recti is very common during and following pregnancy. This is because

the uterus stretches the muscles in the abdomen to accommodate your growing baby. Diastasis recti is what we popularly see externally as the post-baby belly.

Don't get disheartened with the flat belly before and after pictures of women on social media within weeks of childbirth. Every woman's body is different and so is their recovery time. It can take anywhere from six weeks, six months to even a few years before you see improvements. What we need to understand is the reason behind it. If left untreated, diastasis recti can potentially lead to poor core stabilisation, pelvic floor dysfunction, and back or pelvic pain. And of course, the external effect is the post-baby belly.

Crunches, planks, leg lifts, and bicycles can cause an increase in intra-abdominal pressure and worsen diastasis recti or ab separation. The first step instead is rehabilitating the deep core with movements such as the dead bug, open book, clamshell and heel slides.

We made an entire universe and popped it out too. So, will we be able to rebuild our 'pre-pregnancy strength'? We may actually exceed it in ways we can't even imagine.

The key is to lay a strong foundation with a strong core post-pregnancy. Our body goes through a lot of changes through pregnancy and regaining physical strength, post-birth, is tough but at the same time, there is a newfound appreciation for the body and what it is capable of.

It's not going to be easy but we need to stay on track, be patient and show grace to our body and celebrate every small win.

(The author is the founder of the MOM.BOD.STRONG programme and is an ambassador of Zumba® in India.)

## Pull out your Bellbottoms!

The team behind Pooja Entertainment's forthcoming spy thriller, *Bellbottom*, congregated at Delhi for the film's trailer launch. The film releases in theatres, in 2D and 3D formats, on August 19

Producer Jacky Bhagnani, Lara Dutta, Akshay Kumar and Vaani Kapoor captured together

Akshay Kumar with the rest of the team behind *Bellbottom* during the trailer launch

## TRENDBLAZER

### ENCOURAGED BY YOUTH: AKHTAR

As the unique show on poetry, *India Shayari Project* will be launched on August 15, iconic poet and lyricist JAVED AKHTAR shares how he is impressed to observe that the younger generation is keen to understand the beauty and nuances of poetry.

"India has been a country of many great poets and *shayars*. It is heartening to see the youth wanting to embrace and understand the beauty and nuances of the spoken word," says Akhtar.

The show will be launched on ZEE5.

### fairtalk

RANVIR SHOREY

"I think indie cinema works like the R&D department for the business of cinema. You see, in mainstream commercial films, there is huge money involved so it is naturally a profit-making venture. If cinematic excellence is not supported by the big production houses, the sensibility will not change in the business as well as among the larger section of the audience."

### dailytalk

SHREYAS TALPADE

"OTT is definitely an addiction. You won't go to a movie theatre or watch TV for 24 hours. But your phone is there with you all the time. Unfortunately, because of the pandemic situation, we are kind of becoming loners. Whereas earlier we would socialise, that is not happening so regularly now. So we want entertainment and are stuck on our phones."

### NOT TOO KEEN ON ACTING AGAIN: POMPEO

Actor ELLEN POMPEO, who is known for her work in the show *Grey's Anatomy*, hasn't ruled out returning to acting one day, but she isn't 'super excited' about continuing her acting career.

"I'm not saying I'll never act again, I very well may, but I'm not super excited about continuing my acting career. I'm more entrepreneurial at this stage," Pompeo said, reports femalefirst.co.uk.

The actress is excited about investing in businesses and starting businesses.

## Lending a helping hand

VIT (AP) offers ₹62 lakhs as scholarships to Covid-affected students

Dr G Viswanathan, founder-chancellor of VIT announced ₹62 lakhs as scholarships in the form of 100 per cent fee waiver for 25 VIT-AP University students who have lost a parent, who was the bread-winner of the family, due to COVID-19. These 25 students are pursuing various Engineering & Non-engineering programmes. During the first wave of the pandemic, VIT (AP) offered a building as a quarantine centre to the state's health department and donated ₹75 lakhs to the Andhra Pradesh CM Relief Fund to aid the government's efforts in its fight against the novel Coronavirus.

"VIT (AP) hopes that such students do not face financial difficulties and will be able to complete their study on time," says Dr S V Kota Reddy, vice-chancellor of VIT (AP).

# Home-grown talent elevated to the top leadership position of SRM University

SRM Institute of Science and Technology, an internationally acclaimed and Category 1 private university headquartered in Chennai with multiple campuses across India has appointed Prof Dr C Muthamizhchelvan as its 5th vice-chancellor.

Dr Muthamizhchelvan is a home-grown talent of SRM who had started his career as a lecturer in the department of physics and has been a part of the institution for over 35 years. His experience and global exposure would set a new milestone for the university in the ever-changing education space. The founder-chancellor on the occasion of welcoming the new vice-chancellor, sent a strong message to the internal community on his trust in fellow members and freedom to grow within and lead.

Dr Muthamizhchelvan, on assuming office as vice-chancellor, shared his

thoughts, "SRM IST is a unique breed of a multi-stream university which outgrew its challenges of the century through its agility,

valour and culture. It has been a land of opportunities for the academic and innovation community turning to the brighter sides for more

than a lakh of students and researchers. The new age challenges require a thorough understanding of the global learning ecosystem

and the strongly inherited strengths of the university to set a new benchmark in the education space. I believe, our visionary leader, the founder-chancellor has seeded this idea in me from my early days and has now handed over the mantle of vice-chancellor, SRM IST, to me to lead this prestigious university towards making a strong impact."

He further added, "As a home-grown talent of SRM my focus (I SEE) on this role will be to:

- ◆ Intensify efforts and consistently improve processes in the changing paradigm of teaching and learning.
- ◆ Scale up the aspiration levels of the students and research community.
- ◆ Encourage the innovative and enterprising minds to achieve their career goals.
- ◆ Envision socially relevant and sustainable goals to achieve an impactful model for the goodness of mankind and every life on this planet."

## Electrification of remote villages in Kargil and Ladakh

Power Grid Corporation of India Ltd (POWER-GRID), a Maharatna PSU under the Ministry of Power, has successfully commissioned 40 km of 11 kV transmission line from Lalung to Darchik under the rural electrification scheme PMDP (Prime Minister Development Programme). The line is used for the electrification of adjoining villages namely Lalung, Silmoo, Batalik, Darchik, Hurdass, Sinikcey and Garkon. With the commissioning of this line, all remote villages in Aryan Valley (in Kargil district) are now connected to the national grid through 220 kV Srinagar-Leh transmission system has been transferred to POWER-GRID as ISTS and POWER-GRID is committed to maintain high system availability and provide reliable power to the entire Ladakh region.

In addition to the above, electrification of 20 villages in Leh district has also been completed by POWERGRID which involves the commissioning of the project in

remote villages like Largiab in Nubra Valley.

Besides, a number of 11 kV lines totalling 150 km, connecting villages Wanla to Fatoksar, Lamayaru to Atishe, Fotorse and Saspol area have been established by POWERGRID and it connects all villages in-between.

POWERGRID has built a state-of-the-art 220/66 kV gas-insulated substations (GIS) at Drass, Kargil, Khalsti and Leh connecting the Ladakh region to the national grid through the 341 km of 220 kV transmission line emanating from Srinagar. 220 kV Srinagar-Leh transmission system has been transferred to POWER-GRID as ISTS and POWER-GRID is committed to maintain high system availability and provide reliable power to the entire Ladakh region.

The reliable power from the Grid will drive economic development in the region and bring prosperity to the remotest villages of Ladakh besides eliminating generation through DG sets.

## CLW Women's Welfare Organisation organises tree plantation drive

World Environment Day was observed by Chittaranjan Locomotive Works' (CLW) Women's Welfare Organisation.

Based on this year's theme of 'Ecosystem restoration', Namita Kashyap, president of CLW-WWO, Satish Kumar Kashyap, general manager of CLW, and other members of CLW-

WWO actively participated and together they planted 101 saplings of different species in various areas of CLW.

This plantation drive was held over a period of two days. Namita urged everyone to plant a sapling for environmental protection. This plantation drive was carried out following social distancing norms.

Mini Ipe takes charge as the managing director of Life Insurance Corporation of India

## DDB Mudra Group's new initiative

We, here at DDB Mudra Group, are closely involved in an initiative with Give India and Puma to raise funds for Covid relief in India.

As professionals, we see this initiative as an opportunity to volunteer our time, talent and influence to deal with a humanitarian crisis of epic proportion.

Your support can make a huge difference. The initiative is called Team For Humanity, and it represents an opportunity for all of us to come together in the face of a common enemy.

It is also an invitation to the global sports community to come together (putting rivalry aside) for the fight that matters most at this point in history — humanity vs COVID-19.

We have brought onboard Indian and global influencers like Virat Kohli, Usain Bolt, Lewis Hamilton, Kareena Kapoor among many others.

Fans, teams, leagues, associations, sportspeople, brands, networks, media, influencers and NGOs in India and abroad are joining hands to help in humanity's fight against covid.

## POWERGRID organises O&M conference

K Sreekanth, chairman and managing director of Power Grid Corporation of India Ltd, inaugurated the 16th Asset Management Conference on July 29, at Gurugram in presence of board members and CVO. Asset management employees from all over the country joined the conference through virtual mode. The objective of this conference was to devise strategies for operations and maintenance management of the rapidly increasing transmission system. A number of presentations and ideas were discussed and shared during the conference by various experts.

The event was organised adhering to all COVID-19 related protocols.

## Placement updates from VIT

The first day of the placement season saw 81 students from VIT getting packages above ₹25 lakhs per annum, with the highest salary touching ₹75 lakhs per annum

Campus placements at Vellore Institute of Technology (VIT) commenced on July 15 for the 2022 graduating batch with VIT sharing the first slot with eight super dream companies such as Microsoft, Dyte, Amazon, PayPal, D.E. Shaw India Pvt.Ltd, Morgan Stanley, Udaan and WorkIndia.

VIT adheres to a centralised placement process and this year too, the students from all the four campuses of VIT, Vellore, Chennai, Amaravati (AP) and Bhopal (MP) participated in all the campus recruitment processes. The entire process for all companies in the first slot, mainly pre-placement talk, online test, technical and HR interviews were conducted online as well as remotely.

Chancellor of VIT, Dr G Viswanathan announced the results of the campus placements by the companies in the first slot this week.

Microsoft selected 21 students for full-time vacancies. PayPal - 13 offers, Udaan - three offers, Dyte - six offers, WorkIndia - eight offers, D.E. Shaw India Pvt.Ltd - two offers, Morgan Stanley - 10 offers and Amazon - 13 offers. At present, the highest CTC is offered by Dyte with ₹75 lakhs annual salary package to two students from the 2022 graduating batch in VIT.

Followed by first slot placements, companies like Wells Fargo, Texas Instruments, Walmart labs, Komprise and Societe Generale are in the pipeline for forthcoming slots.

129 students from the 2022 graduating batch received pre-placement offers (PPO) from companies during their summer internships. Pre-placement offers were made by D.E. Shaw India Pvt. Ltd (one offer), Fidelity Investments (13 offers), HPE CTY (eight offers), JP Morgan (60 offers), Natwest (two offers), Wells Fargo (10 offers),

Visa (10 offers), Morgan Stanley (five offers) ZS associates (seven offers) and Appointy (3 offers) to summer interns. The other PPO results of VIT students who did their summer internships with Optum, SKF, Kristal, and Adobe are expected soon.

"Overall, 195 placements in super dream companies and internship offers were rolled out to VITians by top companies within two weeks of the placement season. VIT's placement calendar is packed till the end of August", said Dr Viswanathan.

He added that the other super dream companies like Walmart, Nielson, HealthRx, Thorogood, HyperVerge and Razor pay, which offer more than ₹10 lakhs per annum as CTC will be conducting their recruitment in the coming weeks. Other Dream companies, core engineering companies and IT service companies are expected to

hire VITians next month.

The PG internship placements which started in VIT in March is continuing simultaneously, 118 companies have already completed their remote hiring process and have selected 912 PG students from M Tech, MTech (Software Engineering), MCA and MSc courses of the 2022 graduating batch.

Intel, Qualcomm, NetApp, Nokia, Philips, Titan, PayPal, VMware, Media Tek and Danfoss are some of the prominent recruiters who hired interns from VIT this year. Intel and Nokia have hired more than 100 students for internships.

Dr Viswanathan congratulated all the students who got selected for internships and placements and wished the other students a great placement season. He also thanked all the companies that have accepted to conduct remote hiring in these challenging times.

## NTPC recognised for its digital initiatives

NTPC Ltd, India's largest integrated power producer has been bestowed with the DIGITAL PSU Award in Maharatna Category at the 8th PSU Award 2021 by Governance Now.

A K Gautam, director (finance), NTPC Ltd received the award from Dr Kiran Bedi, Former Lt Governor of Puducherry, during the virtual award ceremony.

In the past three years, the digitalisation efforts of NTPC have helped in creating more than 20 lakh files in PRADIP, which is equivalent to more than 50 crore paper pages. PRADIP, a unique initiative to make NTPC

paperless, stands for Pro-Active and Digital Initiatives to become Paperless. It has helped in saving close to 61,000 trees, a concrete step towards a more sustainable ecosystem. NTPC has also held over 2,35,000 meetings in virtual mode,

leading to a massive decrease in the company's carbon footprints.

The award is a testimony to NTPC's digitalisation efforts that have led to the digital transformation of the company. In the past few years, NTPC has successfully

implemented a number of IT initiatives such as PRADIP, virtual office platform - M365, vendor payment portal, CLIMS, PI apps, Suraksha app, RTM (Real Time Marketing) app. The largest integrated power producer is in the process of embracing new technological platforms - AI/ML, RPA, IOT, AR/VR to make the infrastructure more robust and seamless.

The digitisation efforts have been a definitive step towards making the internal processes robust and unified which is contributing immensely towards addressing the ESG parameters for NTPC.

## POWERGRID to set up oxygen plant in Gurugram

An MoU has been signed between Maharatna PSU, Power Grid Corporation of India Limited (POWERGRID) and the deputy commissioner of Gurugram on August 4 for the supply and installation of PSA Type 2x50 Nm<sup>3</sup>/hr oxygen generation plant with bottling facility at Tau Devi Lal Stadium, Sector-38, Gurugram, Haryana under the CSR initiative of POWERGRID in Northern Region-I.

The aforementioned oxygen plant has a capacity of filling approximately 250 oxygen cylinders daily, which in turn would be distributed by the state

government through its distribution channels to rural as well as urban Gurugram.

The agreement was signed by Sanjay Sharma (Sr GM of POWERGRID) and Yash Garg, IAS, DC,

Gurugram. Vinayak Chauhan (Sr. GM, CSR) and Vinod P Baxla (Sr DGM, HR) from POWERGRID were also present along with other senior officials during the ceremony.

## 'Cleanliness counts, everywhere'

HASHMAT ALI KHAN kickstarts Swachata Pakhwada, a cleanliness drive, in Jammu

A special cleanliness drive, Swachata Pakhwada, was inaugurated at Jammu's Department of Hospitality and Protocol under the guidance and active participation of director-general of hospitality and protocol, Hashmat Ali Khan, KAS, to bring a fortnight of intense focus on the issues and practices of Swachata. The first day of the campus cleanliness drive began from the Circuit House, Canal Road in which all the staff of the Department of Hospitality and Protocol participated.

Speaking on the occasion, the director-general motivated the staff to set the highest standards of cleanliness as the core objective of the department since the department daily deals with numerous guests official and non-official, from within the UT as well as all across the nation. He further explained that this event is part of the 76th Independence Day celebrations and the motive behind these activities under Swachata Pakhwada is to ensure that every member of the staff realises their duty towards keeping their workplaces, and their surroundings, clean. He further urged the employees to pay attention to the minutest details as they form the bigger picture.

The event was organised by the joint director of Hospitality and Protocol, Anshu Jamwal, KAS who informed that a complete calendar has been charted out for carrying out the Swachata

Pakhwada in all the houses and assets of Hospitality & Protocol viz Circuit House, State Guest Houses, Tara Niwas Udhampur, Director Generals Office, Joint Director Office and stores of H&P et al as per the government directions which will witness the participation of all the officials and imbibe in them the spirit of cleanliness and bring qualitative swachata improvement especially during these challenging times of Covid-19. She impressed staff to adopt the learnings of the event and make certain that the practices are replicated throughout the year.

Others who participated in the drive included the deputy director of Stores, Ashima Sher, assistant director, Amir Choudhary, Muneeb Umar, assistant director (Central), Dr Anand Thakur Sen, Accounts Officer, assistant of housekeeping Bua Ditta Sharma, manager of Circuit House, Puneet Kour and all the officials of the Department of Hospitality and Protocol. The drive ended with a commitment to carry out the objectives of the drive with the same zeal and enthusiasm in all premises for the whole year.

**WEDNESDAY HIGHLIGHTS**

● **Athletics:** Neeraj Chopra qualified for final by topping qualification round in men's javelin throw. Shivpal Singh finished 12th in group B qualification and 27th overall in men's javelin throw; failed to advance to final round.  
● **Boxing:** Lovlina Borgohain lost to Busenaz Surmeneli of Turkey 0-5 in women's 69kg semifinal.  
● **Golf:** Aditi Ashok at tied second and Diksha Dagar at tied 56th after round 1 in women's individual stroke play.  
● **Hockey:** India lost to Argentina 1-2 in women's semifinal.  
● **Wrestling:** Ravi Kumar beat Oscar Eduardo Tigreros (Colombia) in first round, beat Georgi Vangelov (Bulgaria) in quarterfinals, beat Nurislam Sanayev (Kazakhstan) in semifinal of men's freestyle 57kg.  
Anshu Malik lost to Iryna Kurachkina (Belarus) in first round of women's freestyle 57kg; will play in repechage round.  
Deepak Punia beat Ekereke Agiomor (Nigeria) in first round, beat Zushen Lin (China) in quarterfinals, lost to David Morris Taylor (USA) in semifinals of men's freestyle 86kg; will play for Bronze medal.

**IN ACTION TODAY**

● **Athletics:** K T Irfan, Rahul Rohilla and Sandeep Kumar in men's 20km race walk event. (01:00 pm)  
● **Golf:** Aditi Ashok and Diksha Dagar in women's individual stroke play round 2. (04:00 am)  
● **Hockey:** India vs Germany in men's Bronze medal match. (07:00 am)  
● **Wrestling:** Vinesh Phogat vs Sofia Magdalena Mattsson (Sweden) in women's freestyle 53kg. (08:00 am).  
Anshu Malik vs Valeria Koblova (ROC) in repechage round of women's freestyle 57kg. (second bout after 07:30 am start)  
Ravi Dahiya vs Zaur Uguev (Russian Olympic Committee) in men's freestyle 57kg final. (ninth bout after 02:45 pm start)  
Deepak Punia in men's freestyle Bronze medal match. (11th bout after 02:45 pm start)  
**Live on SONY TEN & SIX Network**

PTI ■ CHIBA

**R**avi Dahiya on Wednesday became only the second Indian wrestler to qualify for the title clash at the Olympic Games, when he sensationally turned around the 57kg semi-final bout by pinning Kazakhstan's Nurislam Sanayev but Deepak Punia was left to fight for Bronze medal after he lost his semifinal, here on Wednesday.

Before Dahiya, Sushil Kumar was the only Indian to make the Gold medal bout at the 2012 Olympics in London where he had settled for a Silver.

The fourth seeded Dahiya trailed 2-9 after Sanayev effected a few 'fitley' (leg lace) but as the clocked ticked away, Dahiya regrouped and got hold of his rival with a double leg attack that resulted in a 'victory by fall'.

"I had no business conceding that much lead against Sanayev. I am not happy with it," Dahiya told PTI when asked about his inspiring achievement.

It just shows the kind of standards the Indian from Nahri village in Haryana has set for himself.

"I have beaten Sanayev twice before, so I knew I can pull it off despite trailing by a

Ravi Dahiya reacts after win against Kazakhstan's Nurislam Sanayev during the men's 57kg freestyle semifinal @Tokyo2020hi

huge margin. I was assured inside, but I should not have conceded lead and made it a close fight. That was pretty bad of me," he said.  
"I still have some unfinished business to do. I came with a target here and that is not complete yet (winning Gold)."

In the final on Thursday, Dahiya will face reigning world champion Russian Zaur Uguev to whom he had lost in the 2019 World Championship semifinals.  
Despite a huge deficit, the 23-year-old Dahiya did not

panic, showing tremendous mental strength and dramatically turned the bout in his favour.

After the end of the first period, Dahiya had a 2-1 lead but Sanayev came prepared and attacked the Indian's left leg, got a good grip and turned

India's Deepak Punia, top, and China's Lin Zushen in action on Wednesday AP

him thrice to log six points in a jiffy.

Suddenly, Dahiya's lead was gone and he was staring at a defeat but his superior stamina and technical prowess was still at work. The remaining one minute was enough for him to turn the tide and he did it in style.

He got hold of Sanayev with a double leg attack and then gripped him tightly with the Kazakhstan wrestler's back on the mat and finished the bout with a mighty 'pin'.

A dominant Dahiya had won both his previous contests on technical superiority en route the final.

Dahiya outclassed Colombia's Tigreros Urbano (13-2) in his opener and then

outwitted Bulgaria's Georgi Vangelov (14-4).  
While Dahiya was a live-wire on the mat, Deepak Punia (86kg) made good use of a favourable draw to reach the semifinals but lost to the formidable American David Morris Taylor. He will now fight for Bronze on Thursday against the winner of the repechage round between Myles Amine and Ali Shabanau.

It was always going to be a herculean task for Deepak to trouble the American, the 2018 world champion and the reigning Pan-American champion.

It was hardly a contest as Taylor effected one move after another to win by technical superiority in the first period itself.

Deepak could make only one move on counter attack but the American did not give the Indian any chance to convert that into points.

The 22-year-old Deepak had earlier got past Nigeria's Ekereke Agiomor, the African championship Bronze medallist by technical superiority and then prevailed 6-3 over China's Zushen Lin in the quarterfinal.

Anshu Malik, on the other hand, lost her opening 57kg bout to European champion Irina Kurachikina but since the Belarus wrestler has

reached the final, the 19-year old Indian has got a second chance to be in medal round.

She will now compete in the repechage round on Thursday and if she wins, she will also fight for Bronze.

Dahiya will now be only the fifth Indian wrestler to win an Olympic medal.

KD Jadhav had become India's first wrestler and also the first individual Olympic medallist when he won a Bronze during the 1952 Helsinki Games.

After that, Sushil Kumar enhanced wrestling's profile by winning a Bronze at 2008 Beijing Games and bettered the colour of the medal by claiming a historic Silver in 2012 at London Olympics that made him India's only athlete with two individual Olympic medals for nine years.

The feat then has now been matched by shuttler PV Sindhu. In the same 2012 Olympics, Yogeshwar Dutt won a Bronze.

Sakshi Malik became the first Indian woman wrestler to win an Olympic medal when she took a Bronze in 2016 Rio Olympics.

This Tokyo edition could well be a watershed Olympics for Indian wrestling with both Vinesh Phogat and Bajrang Punia also in contention for a medal.

## Lovlina ends with Bronze

**Tokyo:** Indian boxer Lovlina Borgohain (69kg) signed off with a Bronze medal in her debut Olympic Games after a comprehensive 0-5 loss to reigning world champion Busenaz Surmeneli on Wednesday, bringing an end to the country's campaign in the sport here.

Up against quite literally a bully in the ring, Borgohain was completely out-punched by the Gold medal favourite Turkish boxer, who produced a thoroughly dominating performance.

Borgohain also coped a one point deduction in the second round for not paying attention to the referee's instructions despite a couple of cautions.

"I don't know what to say. I could not execute what I had planned. I could have done better," Borgohain said after the loss.

The Indian's start was not all that bad as she stood up to the strong challenge but she came undone after Surmeneli got down to connecting her vicious hooks

India's Lovlina Borgohain, right, exchange punches against Busenaz Surmeneli of Turkey during their women's welter weight semifinal boxing match PTI

and body shots.

The third round was especially punishing for Borgohain, who faced two standing eight counts during the bout.

Surmeneli was unrelenting in all three rounds after being unsettled only slightly in the opening few seconds when Borgohain tried to keep her at long range and struck only counter-attacking straight hits.

The flamboyant Turkish boxer didn't just out-punch her rival after that but also taunted her with some showboating, including dropping her guard to dare the Indian.  
Nonetheless, Borgohain goes home a history-maker as the 23-year-old has become only the third Indian boxer to ensure a podium finish at the showpiece after Vijender Singh (2008) and MC Mary Kom (2012).

## Another heartbreak in hockey

**Tokyo:** A brave Indian women's hockey team put up a gritty performance but it was not enough to secure a maiden Olympic final berth as it lost 1-2 to world No 2 Argentina in a hard-fought semifinal on Wednesday.

India still have a chance to win the Bronze medal as they will take on Great Britain in the third-fourth place play-off match on Friday.

The Indians fought valiantly and gave Argentina a run for their money by taking the lead in the second minute through a penalty corner conversion by Gurjit Kaur.  
But the Las Leonas bounced

back strongly with skipper Maria Barriounevo's (18th, 36th minutes) twin strikes from penalty corners to secure the hard-fought win.

The Netherlands will play Argentina in the final on Friday.  
The bunch of 18 fearless and determined Indian women had already done the unthinkable

when they stunned three-time champions Australia 1-0 on Monday to enter the Olympic semifinals for the first time.

Prime Minister Narendra Modi offered consoling words to the Indian women's hockey team, saying the players showed great skill and grit.

"One of the things we will remember of Tokyo2020 for is the stupendous performance by our Hockey teams. Today and through the Games, our Women's Hockey team played with grit and showcased great skill. Proud of the team. Best of luck for the game ahead and for future endeavours," Modi tweeted.

If Anybody Claim His Rights On Dead Or Property Then He Will Contact Me And With Bank Within 15 Days.

## Neeraj into the final with one attempt

**Tokyo:** Medal contender Neeraj Chopra became the first Indian javelin thrower to enter the finals of the Olympic Games with a stunning throw of 86.65m in his opening attempt that put him on top of the qualification round on Wednesday.

The 23-year-old kept India's hopes of an elusive Olympic medal from athletics alive by earning a direct entry into the finals to be held on Saturday as he sent the spear well past the qualifying mark of 83.50m in his first attempt.

However, Shivpal Singh, failed to make the final cut with a below-par best throw of 76.40m, which he came up in his first attempt, to finish a lowly 12th in the Group B qualification which featured 16 athletes.

Competing in his first Olympics, Chopra took just a few seconds to make the final round. He topped the Group A contest as well as the two qualifications rounds and left the javelin arena after his first throw.

"I am at my first Olympic Games, and I feel very good. In warm-up my performance wasn't so good, but then (in the qualifying round) my first throw had a good angle, and was a perfect throw," Chopra said after his event.

Chopra is, however, under no illusion that the final will be a totally different contest where the world's best will go for podium finish.

"It will be a different feeling (in the finals), since it is my first time in the

Olympics. Physically we (all) train hard, and are ready, but I also need to prepare mentally.

"I will need to focus on the throw, and try to repeat this (performance) with a higher score," said the youngster who came into the Olympics with the fourth best throw (88.07m) this year.

Chopra's performance on Saturday will go down as one of the best performances by an Indian in the Olympics, as he finished ahead of Gold medal favourite and 2017 world champion Johannes Vetter of Germany.

Vetter, who had earlier said that Chopra will find it tough to beat him in the Olympics, struggled in his first two throws before crossing the automatic qualification mark with a 85.64m final throw.

The 28-year-old towering German, who came into the Olympics after having seven monster throws of over 90m between April and June, was lying at a dangerous seventh position after his first two throws but eventually qualified for the final at second overall behind Chopra.

Pakistan's Arshad Nadeem, who had won a Bronze medal when Chopra clinched Gold in the 2018 Asian Games in Indonesia, topped Group B to earn an automatic qualification to the finals with a second round throw of 85.16m.

He qualified for the finals at overall third behind Chopra and Vetter.

## Eng all out for 183

PTI ■ NOTTINGHAM

England were all out for 183 in their first innings against India on the opening day of the first Test here on Wednesday.

Having reached tea at 138 for four, England lost their remaining six wickets for just 45 runs in the day's third and final session.

Skipper Joe Root made 64 off 108 balls, even as the others failed miserably to stand up to the Indian pace bowling attack.

For the visitors, Jasprit Bumrah picked up four wickets for 46 runs, Mohammed Shami had 3/28, while Shardul Thakur bagged 2/41.

England scored 77 runs in 25.2 overs bowled in the afternoon session for the loss of two wickets, after scoring 61 in the first session.

The pitch had enough for the pacers in the first hour of play with the ball swinging and seaming around.

With India going in with four pacers, Shardul Thakur came into the side but the one spinner picked was Ravindra Jadeja, who didn't bowl in the first session.

Earlier at tea, Joe Root and Jonny Bairstow frustrated Indian bowlers with solid Test match batting in challenging conditions before Mohammed Shami broke their 72-run stand by dismissing the latter to leave England at 138 for four at tea on day one.

Like the first session, Indian pacers beat the batsmen regularly but Root (52 batting off 91 balls) and Bairstow (29 off 71) played with grit and patience to thwart their attempts. Shami was finally able to break their threatening stand by having Bairstow leg before at the stroke of tea.

Shami got one to jag back in and India reviewed the umpire's decision successfully. England scored 77 runs in 25.2 overs bowled in the afternoon sessions for the loss of two wickets.

President

The new Regional Office Complex of Union Bank of India at Lajpat Nagar, Hisar was inaugurated by Shri Jagmohan Singh, Area General Manager, Union Bank, Chandigarh.

Addressing all the staff members present on the occasion, he said that the Bank's decision to open Regional Office at Hisar after the amalgamation of Corporation and Andhra Bank would give a new dimension to the banking activities in Haryana region. It should be noted that except North Haryana, 95 branches of ten districts of the rest of Haryana will operate from this office, due to which the economic condition of the region will be strengthened, as well as the profitability of the bank will definitely increase. Area General Manager also requested the staff members to pay special attention to CASA. On this occasion, Area Head Mr. Surinder Singh Saroya, Sub-Region Head Mr. Amit Bhatia and Chief Manager Mr. Satyaveer Yadav, Mr. Kuldeep Kashyap, Mr. Vinod Burman, Mr. Anuj Choudhary besides all the staff members were present.
