Sex work legal, police can't punish them: SC

Treat sex workers with dignity, don't abuse them, verbally or physically, apex court orders police

PIONEER NEWS SERVICE ■ NEW DELHI

In a landmark judgment that will come as relief for millions of sex workers, the Supreme Court has decided to provide legal protection to them and directed police forces in all States and Union Territories to treat them with dignity and not to abuse them, verbally or physically.

"Sex workers are entitled to equal protection of the law. Criminal law must apply equally in all cases, on the basis of 'age' and 'consent'. When it is clear that the sex worker is an adult and is participating with consent, the police must refrain from interfering or taking any criminal action," a three-judge Bench led by Justice L Nageswara Rao said.

The court passed the order exercising its special powers under Article 142 of the Constitution.

The court said the constitutional protection that is given

to all individuals in this country shall be kept in mind by the authorities who have a duty under the Immoral Traffic (Prevention) Act, 1956.

Any sex worker, who is a victim of sexual assault, should be provided with all facilities available to a survivor of sexual assault, including immediate medical assistance, in accordance with law, it said.

The court held that the child of a sex worker should not be separated from the mother merely on the ground that she is in the sex trade. "Basic protection of human decency and dignity extends to sex workers and their children," the court noted.

verbally and physically, subject them to violence or coerce them into any sexual activity," said the SC.

The court also directed the police not to discriminate against sex workers who are subjected to sexual offences and provide them with every facility, including immediate medico-legal care.

The court also said the Press Council of India should be urged to issue appropriate guidelines for the media to take utmost care not to reveal the identities of sex workers, during arrest, raid and rescue operations, whether as victims or accused and not to publish or telecast any photos that would result in disclosure of such identities.

Besides, the newly introduced Section 354C, IPC which makes voyeurism a criminal offence, should be strictly enforced against electronic media, in order to prohibit telecasting photos of sex workers with their clients in the garb of capturing the rescue operation," it said.

It also directed the State Governments to do a survey of shelter homes so that cases of adult women detained against their will can be reviewed and processed for release in a time-bound manner.

Meanwhile, stadium administrator Anil Chaudhury denied the allegations and said official timings were being adhered to.

Terming it shameful, Minister of State for Housing and Urban Affairs Kishore said, "It's shameful that sports persons have to empty the stadium (Delhi's Thyagraj Stadium Complex) premises because an IAS officer wants to walk with his dog. The officer should apologise. This is a misuse of his authority".

Earlier the Delhi BJP had demanded action against Khirwar for forcing the players to vacate the stadium. The service department comes under the Lieutenant Governor.

Noted activist and lawyer Prashant Bhushan wrote, "Wow! Stadium is emptied, athletes told to leave, so that Delhi Govt's Principal Secretary Revenue Khirwar can walk his dog! Certainly an appropriate babu to serve the Aam Aadmi Party Government."

problems because of the heat and the stadiums get closed by 6 or 7 pm. We are issuing instructions that all sports facilities should remain open till 10 pm so that the sports person can use them," Kejriwal told reporters.

On Thursday evening Khirwar, a 1994 batch IAS officer, was transferred to Ladakh. His wife Rinku Dugga, a 1994 batch IAS officer, has been transferred to Arunachal Pradesh. Sources said that the Centre has taken his conduct at Thyagraj Stadium seriously.

Earlier, Delhi Deputy CM Manish Sisodia on Thursday tweeted that the Chief Minister has extended the timings of all stadiums in Delhi till 10 pm.

"News reports have brought to our notice that certain sports facilities are being closed early causing inconvenience to sportsmen who wish to play till late night.

Kejriwal has directed that all Delhi Government sports facilities to stay open for sports persons till 10 pm," Sisodia tweeted.

"It has come to my notice that sports persons are facing

Tamil language eternal, its culture global, says Modi

PM takes swipe at KCR, says 'parivaarvadi' greatest enemy of democracy

PTI ■ CHENNAI/HYDERABAD/BENGALURU

Prime Minister Narendra Modi on Thursday praised Tamil Nadu as a special place and lauded the Tamil language as eternal and its culture as global.

In his address after inaugurating new completed projects and laying foundation stone for fresh schemes in various sectors, including housing, Modi quoted a popular verse of nationalist poet Subramania Bharathi and said in every field someone from Tamil Nadu was excelling.

Recently, Modi said he had hosted the Indian Deaflympics contingent at his residence. The PM said this time it was India's best performance in the tournament. "Do you know out of the 16 medals we have won, a youngster from Tamil Nadu had a role in 6 of those medals and this is among the best contribution to the team."

He referred to the Subramania Bharathi chair at the Banaras Hindu University in his Varanasi constituency and the full funding to the Central Tamil Classical

Prime Minister Narendra Modi greets Tamil Nadu Chief Minister MK Stalin during the ceremony for the laying of foundation stones of multiple developmental projects at Jawaharlar Nehru Stadium in Chennai on Thursday

Institute by the Centre.

Underscoring the National Education Policy, he said technical and medical courses can be pursued in local languages

and youngsters from Tamil Nadu could benefit from this.

Earlier, Modi and Telangana Chief Minister K Chandrababtu Naidu

Thursday took apparent potshots at each other, even as the TRS supremo gave a miss to the PM for the second time in a year during an official visit to his State.

While Modi lashed out at family politics saying "parivaarvadi" is democracy's "greatest enemy," KCR, who flew to Bengaluru to meet former PM HD Deve Gowda, said despite "bhaashanbaazi" (rhetoric), industries were closing down, the nation's GDP was crashing and the rupee was falling drastically compared to the US dollar and said all sections of the society were suffering.

In Chennai, Modi said India is providing all possible support to the economic crisis-hit Sri Lanka including financial, fuel, food, medicine and other essential items and recalled that he was the first Indian Prime Minister to visit Jaffna earlier.

Pointing to the new schemes, including those launched and foundation stone for new projects, he said the Bengaluru - Chennai Expressway would connect two key centres of economic growth.

Tamil Nadu Governor RN Ravi, Chief Minister M K Stalin and Union Minister L Murugan among others participated in the event, held coinciding with the PM's maiden visit to Tamil Nadu after the DMK came to power last year.

After babu's dog row, players' time in stadium extended

Revenue Secretary, his wife shifted out of national Capital

STAFF REPORTER ■ NEW DELHI

After reports surfaced that athletes at Delhi's Thyagraj Stadium were forced to cut short their practice because an IAS officer sought to walk his dog there, the Arvind Kejriwal-led Government on Thursday ordered all stadiums to remain open for players till 10 pm.

The order came after reports of Delhi Revenue Secretary Sanjeev Khirwar using the Thyagraj Stadium to walk his dog surfaced. Athletes were allegedly asked to wind up early to facilitate the walk. Delhi BJP demanded an action against Khirwar.

Chief Minister Arvind Kejriwal said the Government is issuing instructions to all sports facilities to stay open for sports persons till 10 pm.

"It has come to my notice that sports persons are facing

Will turn Delhi into City of Joy: LG

Saxena takes oath as 22nd LG of Delhi

STAFF REPORTER ■ NEW DELHI

Former chairperson of Khadi and Village Industries Commission (KVIC) Vinai Kumar Saxena on Thursday took oath as the 22nd Lieutenant Governor of Delhi. In a glittering ceremony at Raj Niwas, Saxena was administered the oath of office and secrecy by the acting Chief Justice of the Delhi High Court, Vipin Sanghi.

"I want to tell Delhi people that I will work as a local guardian rather than the Lieutenant Governor," Saxena said after taking the oath.

"I will be more visible on roads than at the Raj Niwas," he told reporters. "Having taken the oath, I want to tell every citizen of Delhi that I will not be their 'Lieutenant Governor'; instead, I will be their 'local guardian'. I will always be on the streets of Delhi to work for

Lt Governor of Delhi Vinai Kumar Saxena with Delhi Chief Minister Arvind Kejriwal and Chief Justice of Delhi High Court Justice Vipin Sanghi during the former's oath-taking ceremony as the 22nd Lt Governor of Delhi, at Raj Niwas in New Delhi on Thursday

the betterment of the city," the LG said.

"It is a harsh reality that Delhi is considered one of the most polluted cities of the world. Also, the city faces a major problem of traffic jams. With the support of Delhi Government, the Central Government and with the

cooperation of each one of you, we will work to get rid of traffic jams and make Delhi free of all pollution, be it air pollution, water pollution or noise pollution. With the mantra of 'Sabka Sath, Sabka Vikas aur Sabka Vishwas' we will make Delhi the City of Joy and the City of Flowers," the

LG said.

Saxena also spoke about recent incidents of communal riots in the city and recited a poem to give a message of love and peace, asking people to let go of violence. He asked people to forget past violence and bloodshed and show the world their love for the country.

GYANVAPI ROW: NEXT HEARING ON MAY 30

Varanasi: The district court here Thursday heard arguments on maintainability of a plea by five Hindu women seeking permission for daily worship of the Shringar Gauri Sthal in the Kashi Vishwanath-Gyanvapi complex, and posted the matter for further hearing on May 30.

THREE PAK TERRORISTS GUNNED DOWN IN J&K

Jammu: A joint team of security forces on Thursday foiled a major infiltration bid along the line of control in north Kashmir district of Kupwara by eliminating three Pakistani terrorists belonging to Lashkar-e-Tayyiba. One Army porter, who had received injuries during the exchange of firing, succumbed to his injuries.

4 more pilgrims die in Kedarnath, toll 41

PNS ■ DEHRADUN

Four more pilgrims died in the inhospitable climate of Kedarnath on Thursday, raising the death toll to 41.

If 13 deaths reported from Badrinath and 24 deaths reported from Yamunotri and Gangotri till Wednesday evening are added to it the number of deaths in the Char Dham yatra has soared to 78.

All four deceased were over 60 years of age, said Rudraprayag Chief Medical Officer BK Shukla.

They were identified as Nandu, 65, from Nalanda in Bihar, Haridwar Tiwari, 62, from Balrampur in Uttar Pradesh, Ram Narayan Tripathi, 65, from Lucknow, and Hemraj Soni, 61, from Bara in Rajasthan. Yamunotri has reported 20 deaths and Gangotri four.

BJP launches events across States to celebrate 8 years of Modi Govt

PIONEER NEWS SERVICE ■ NEW DELHI

As Prime Minister Narendra Modi was busy in public rally and road show down South, the Central Ministers on Thursday fanned out across different States to launch celebratory programmes marking eight years with Modi at the helm.

Vignettes of political journey of Modi, 72, and the theme of him "turning himself to Pradhan Sevak" in the last eight years as he "served" the nation as Prime Minister would be splashed through the print and television media, including the national broadcaster, according to party sources.

Anniversaries of the Modi Government when Modi shifted the power centre from State of Gujarat to the Raisina hills

Centre 'hoodwinking' its own people with jumlas: Congress

PIONEER NEWS SERVICE ■ NEW DELHI

The Congress on Thursday attacked the Modi Government on its eighth anniversary alleging that this period has been marked by misery and misgovernance with high inflation, low employment and communal polarisation being the hallmark. The party alleged that the promise of "achche din" made to people has only turned out to be "achche din" for the BJP and a select group of crony capitalists and industrialists whose wealth has increased manifold.

The Congress also released a booklet in Hindi "8 saal, 8 chhal, BJP Sarkar Viphal" (8 years, 8 deceits, BJP government failed) to highlight, what it called, the "failures" of the BJP Government on various fronts.

Senior Congress leaders Ajay Maken and Randeep Singh Sujrewala release a booklet at AICC headquarters in New Delhi on Thursday

Addressing a joint press conference here, Congress chief spokesman Randeep Surjewala and former Union Minister Ajay Maken claimed the BJP Government has broken all records of "hoodwinking" its own peo-

ple with fake "jumlas" and slogans during its eight years of rule. Maken also invited the Prime Minister to come out and debate with facts to counter the claims of "failures" made by it against the BJP Government.

Let us pledge, every child will be completely healthy: CM

STAFF REPORTER ■ BHOPAL

Chief Minister Shivraj Singh Chouhan has said that children are the future of our country and healthy, educated and cultured children build a capable nation. Under the leadership of Prime Minister Modi, a "Mahayajna" is going on to build a glorious, prosperous, and powerful India. To ensure success to this endeavour it is necessary that our children remain perfectly healthy.

Anganwadi is a platform to keep children healthy and well educated, giving them better values and to ensure their better growth. Anganwadi is not the responsibility of the government only. The government is mobilising resources. It is ensuring nutritious food. It is making arrangements. Society also has a responsibility in this endeavour. Me, you have a responsibility towards your children and therefore we have thought that the Anganwadi should not run by the government alone, but society should also be associated with the government. For this purpose we have started "Adopt Anganwadi Campaign".

Chouhan said this in a message issued to the people of the state through media. Chief Minister Chouhan said that many people have adopted Anganwadis. But, why only a few people should adopt Anganwadis? Everyone should be associated with the Anganwadis.

There is a need that proper nutritious food should be made available in Anganwadis, proper arrangements for education should be made and arrangements for sports should also be there. Today it is the

need of the hour and keeping this in mind, I went out with a handcart in Bhopal to make proper arrangement of total resources for the Anganwadi and to connect our society to the Anganwadi. To collect toys and other materials for the children, people extended cooperation with open hands.

I had gone out with a handcart, but trucks were filled with toys in reciprocity. A variety of material arrived, cheques and commitments worth lakhs of rupees arrived. I am excited, my enthusiasm has increased further. Therefore, the campaign to connect the society with Anganwadi is now becoming a social movement.

The Chief Minister said, "I make a humble appeal to you that you should also join this campaign, join the movement, you can extend cooperation in

fulfilling the needs of Anganwadis. If you are a farmer, give food grains, if you are a trader give material, if you are industrialists, employees, officers are any other person engaged in social or any other work, donate something to the Anganwadis, according to your capacities.

You celebrate your birthday with the children of Anganwadi. If you cannot go there then send milk, fruits, something nutritious to Anganwadi. You can arrange food for children in Anganwadi in memory of your parents. On the birthdays of your children, you can gift something to the Anganwadi. That is why I am making an emotional appeal to you today. Join Anganwadi means connect yourself with your children and join the future of your country."

Chouhan appealed to the

citizens to go out to collect goods for the Anganwadi in their respective cities and village and gift the collected goods to the Anganwadi. When I can go out with a handcart, why can't you too?

While making a pledge on behalf of the people of the state, Chief Minister Chouhan said that come, let us take a pledge that every child in the state will be completely healthy, none will remain underweight, there will be no shortage of nutritious food in the Anganwadi, we will fulfill the rest of the need, and the society will do.

Chief Minister Chouhan said that the campaign to connect the society with Anganwadi is a "Mahayajna" to make children healthy, educated and cultured. In this endeavour, the people of the state should also give their offerings.

Speaker for soon removing hurdles from construction works of MLA guest house

STAFF REPORTER ■ BHOPAL

The objections related to the proposed MLAs' rest house and the construction work for the employees should be resolved soon so that the construction work can be completed within the time-limit, said Speaker of Legislative Assembly Girish Gautam during review of work.

The updated status of newly constructed flats and 64 quarters for the employees in the proposed MLA's rest house for the MLAs was reviewed in the Vidhan Sabha building.

Due to the situation arising out of the merger of Capital Project administration and Public Works Department, instructions were given to write a letter to the department for the action due to non-receipt of

allotment for the construction of the proposed building.

Instructions were also given to take necessary action in this regard that the new MLA rest house should be completed within the time limit. The Speaker of the Legislative Assembly met

Governor Mangubhai Patel.

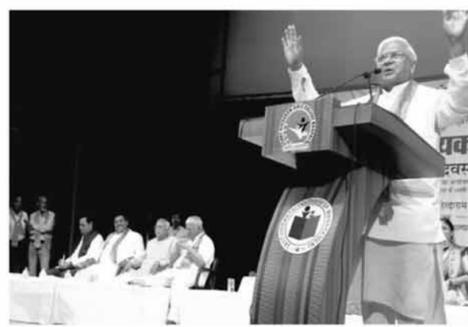

The Speaker of the Legislative Assembly also met the Chief Minister Shivraj Singh Chouhan on Thursday. Leader of the Opposition Govind Singh met the Speaker of the Legislative Assembly in his Vidhan Sabha chamber.

Amrit Mahotsav, an initiative to build a capable India

STAFF REPORTER ■ BHOPAL

Governor Mangubhai Patel has said that in order to maintain national pride and self-confidence, it is necessary to familiarize the future generation and the youth with the invaluable heritage of nation's pride and culture. The cooperation of the society is necessary in the efforts to make the youth aware of the dedication and self-pride of the nation. He said that with this intention, Prime Minister Narendra Modi has initiated Amrit Mahotsav to build a capable, strong and prosperous India.

Patel was addressing the Nayak Diwas programme of Nari Yuva Shakti Mahotsav at Sant Hirdaram Kanya Mahavidyalaya. The programme was organized by Sanskrit Yuva Adarsh Samiti and Kadambini Shiksha evam

Samaj Kalyan Seva. Earlier, Governor Patel planted almond and gooseberry saplings in the college premises.

The Governor said that there is a need to acquaint the youth with the glorious tradition, dignity of Indian culture and the spirit of sacrifice and selfless service of our ancestors. They should be motivated to follow them on the basis of ide-

ology. Youth should enliven the teachings of Swami Vivekananda ji and spread it in the society. He called for cooperation in nation building, with every one's faith and efforts. Patel said that development work is being undertaken at a fast pace with women's participation under the leadership of Prime Minister Shri Narendra Modi, Prime Minister Modi's

vision for women power is very clear. He believes that the issue is not about development of women, but it is about development from women. His vision from economic development to social justice includes women.

Keynote speaker of Sanskrit Yuva Adarsh Samiti Praveen Satyendra Vidyalankar said that the heroes who sacrificed their lives in the service of the nation had given torture the form of 'sadhana'. The birth and death of such heroes inspires and encourages patriots. He said that in the concept of Indian Sanatan culture, the nature of service to the nation is similar to that of mother. Chairman of Shaheed Hemu Colony Education Society Shradhdheya Siddhabhau told the need of awakening the feelings of patriotism and service to the nation among the youth.

Movie 'Sailors of tomorrow' screened

STAFF REPORTER ■ BHOPAL

A movie depicting the bravery and contribution of Indian Navy 'Sailors of Tomorrow' was screened at Shaurya Smarak on Thursday.

The movie was screened at the open air auditorium of Shaurya Smarak under the regular series of film screenings.

It is to be noted that every day movies based on the bravery of the Indian army, air force, navy and police is being screened at Shaurya Smarak. The regular film screening is being organised as a tribute to their contributions and their sacrifices.

The movie 'Sailors of Tomorrow' focuses on the contributions of Navy officers during wars. Indian Navy Force The Indian Navy is the naval branch of the Indian Armed Forces. The President of India is the Supreme Commander of the Indian Navy. The Chief of Naval Staff, a four star admiral, commands the navy.

The Indian Navy traces its origins back to the East India Company's Marine which was founded in 1612 to protect British merchant shipping in the region.

In 1793, the East India Company established its rule over eastern part of the Indian Subcontinent i.e. Bengal, but it was not until 1830 that the colonial navy was titled as His Majesty's Indian Navy. When India became republic in 1950, the Royal Indian Navy as it had been named since 1934 was renamed to Indian Navy.

The primary objective of the navy is to safeguard the nation's maritime borders, and in conjunction with other Armed Forces of the union, act to deter or defeat any threats or aggression against the territory, people or maritime interests of India, both in war and peace.

Mobile phone snatched from media person

STAFF REPORTER ■ BHOPAL

A 28-year-old media person was robbed of his mobile phone by two scooter borne miscreants at Punjabi Bagh area under Ashoka Garden police station area in the night on Wednesday.

Police said that the victim Gaurav Mishra was robbed while he along with his friend had gone for walk and was speaking over mobile phone and when he reached Punjabi Bagh main road he was attacked and robbed by two scooter borne miscreants.

The victim in his complaint stated that the two miscreants obstructed his way and fled away snatching his mobile phone over which he was talking.

Based on the complaint after the preliminary investi-

scooter borne miscreants he was robbed of his mobile phone.

The victim and his friend chased the robbers for long distance but a c c u s e d managed to flee the spot and are still absconding.

Police suspects that the miscreants were those who live in the near slums and target those who they found in deserted area and moving while talking over mobile phone. During further investigation police would search for details of miscreants in the footages of CCTV cameras installed in the area, said police.

gation the police have registered a case under section 392 of the IPC and started search for the accused.

The victim works with a media house and lives in New Ashoka Garden area.

In his complaint Gaurav stated that he had gone for walk and after covering little distance he received a call after which he picked the call and continued to move forward but unaware of the

'One nation, one health' program at Thakre Hall on Saturday

STAFF REPORTER ■ BHOPAL

One Nation One Health System is the need of the society today, said Dr Ashok Varshney, national organizational Secretary of Arogya Bharti, while talking to media persons here on Thursday. He further said that during the Corona period, every person in the society felt that it is not necessary to have the accurate medicine for every disease.

Small undertakings are also very effective in maintaining good health. If every person becomes aware of his own health, then he can remain healthy even without medicine.

All types of doctors and people interested in health can also do this work. From the point of view of treatment, not only allopathic medicine, along with allopathy, Ayurveda and Homeopathy or separate Ayurveda and Homeopathy also appeared to be effective in this odd period.

He stated that is not necessary to have the right medicine for every disease. Small undertakings are also very effective in maintaining good health. If every person becomes aware of his own health, then he can remain

healthy even without medicine.

On the basis of findings, if health is seen in the entirety of disease diagnosis and prevention, then quality healthcare can be delivered to remote rural areas, as well as the doctor population ratio can also be corrected, so we can get one nation one health system. felt the need. With this system, health facilities in remote rural areas will be better and expenditure will also be reduced through local drug use and health awareness.

Arogya Bharti has been doing this type of work in the whole country since last 20 years, there will be statements of subject experts related to this topic in Arogya Manthan, he added.

In this Arogya Manthan program on the theme "One Nation One Health is the need of the present time" is being organized at Kushabhau Thackeray International Samagam Kendra (Minto Hall) in Bhopal. The program will be held on Saturday from 11:00 am. The program will be inaugurated by the President of the country, Ram Nath Kovind, Governor Mangubhai Patel, Chief Minister Shivraj Singh Chouhan and Ayush Minister Ram Kishore Kavre will be present on this occasion.

Heritage and flute range of agarbathis launched

STAFF REPORTER ■ BHOPAL

Cycle Pure Agarbathi, the world's largest manufacturer of agarbathi, launched the Heritage and Flute range of incense sticks at an event organised in Indore on Thursday, as part of its product expansion and innovation strategy.

Arjun Ranga, MD, Cycle Pure Agarbathi, unveiled the Heritage range of prayer sticks inspired by traditional Indian art forms, and the Flute range of incense sticks with fruity and floral fragrances.

The new range of Heritage prayer sticks is made the traditional way using original 'base' bathi, with the objective of reviving and patronizing the ancient, beautiful Indian art forms of Madhubani Folk Art, Warli Folk Art, Santhal Tribal Art and Sanjhi Folk Art. Every purchase helps support heritage artists.

Flute is an exciting range of agarbathi made with fruity and floral fragrances. It includes 9 fragrances of Aamrasiya, Gulabiya, Lavani, PushpahPhala, Nimboori, Coconeer and Shiuli.

Hero Vired partners with INSEAD to announce its Certificate Program

STAFF REPORTER ■ BHOPAL

Hero Vired, India's premium EdTech company, has announced its partnership with INSEAD, one of the world's leading and largest business schools, to offer a first-of-its-kind certificate program in Strategic Management and Business Essentials for learners in India.

The program is co-created by Hero Vired and INSEAD to provide a truly global educational experience contextualized to the Indian market. It caters to mid-senior professionals, senior leaders, and entrepreneurs who want to take their managerial skills to a higher level.

This is the only program with a reputed B-school consisting of 70%-90% live classes delivered at an affordable price point. Learners eager to expose themselves to a global management program or professionals with 5 to 15 years of experience and no formal management education are invited to enroll.

Commenting on the partnership, Akshay Munjal, CEO, and Founder, Hero Vired, said, "In the fast-paced ever evolving com-

plex global economy, it is essential for leaders and managers to comprehend the complexities of managing resources and garnering impactful outcomes to navigate synergy across teams.

Hence, we are bringing this unique program in strategic management and business essentials in partnership with INSEAD.

This program not only covers wide arrays and domains of management, but also focuses on inter-al, disciplinary application and "learn by doing" principles. Learners will get an extensive experience through case studies, simulations and live teaching by INSEAD faculty. It caters to a very wide audience that include professionals, entrepreneurs, family business, etc."

Crime branch, Talaiya cops solve lawyer assault case

STAFF REPORTER ■ BHOPAL

The crime branch and Talaiya police have arrested Sajid alias Mannu and Asim Khan, accused of attack on advocate Deepesh Sharma on May 20, sharp edged weapon and motorcycle used in the crime were also recovered.

On May 20 near Hamidia hospital east gate in the evening Deepesh Sharma was going from

court to Tilajmalpura via Iqbal Maidan. Even before this, advocate Dipesh Sharma had a fight with the boy working at Shahini Medical Store, after that Mohammad Asim and Sajid alias Mannu reached in front of the east gate, a boy came from the wrong side driving a motorcycle and abused victim and attacked with a sharp edged weapon on his neck. Victim lodged a complaint and a case was registered against

the two. Later police added attempt to murder charges after advocates staged protest at district court. During the investigation, the two were arrested from Islamigate. The vehicle used in the incident was recovered from the possession which was bearing registration number MP04MS1668. DCP Zone-03 Riyaz Iqbal has announced a cash award of Rs 10000 to the team.

Sports infrastructure augmented in Bastar

STAFF REPORTER ■ RAIPUR

Inaugurating various sports facilities at the Priyadarshini Indira Stadium in Jagdalpur on Thursday, Chhattisgarh Chief Minister Bhupesh Baghel said the newly-built sports ground will prove to be a milestone in shaping sports talents of Bastar.

These facilities will help the players to prepare for national and international levels, he said.

The Chief Minister dedicated Chhattisgarh's first Federation Internationale de Football Association (FIFA) approved synthetic football ground with athletics

running track. FIFA has issued a certificate stating the ground to be of international standard. Baghel inaugurated it by shooting a ball into the goal.

A MoU was signed between Ardur Football Academy, Bhubaneswar, Bastar District Football Association and Bastar District Administration. It was agreed to make football more popular at the grassroots level in Bastar.

On a request from children, Baghel took part in a race on the synthetic track running half the curve.

He tried playing lawn tennis with the players beginning with service shots.

He then tried his hand in basketball.

Later, Baghel dedicated the gymnasium. He inspected the facilities. Weightlifter Suresh Kashyap showcased how to do the weightlifting snatch (event) before the Chief Minister.

Inaugurating the multipurpose hall, he played chess with Saksham Rao and boosted the morale of all prayers.

At the stadium premises, the Chief Minister inaugurated 19 development works worth Rs 44.54 crores and laid the foundation stone of eight development works to be completed at a cost of Rs 11.88 crores.

Mega health camp for children today

STAFF REPORTER ■ RAIPUR

Children up to 18 years of age will be treated free under the National Child Health Programme 'Chirayu' on May 27 from 10 am to 4 pm at a mega health camp at the Raipur District Hospital at Pandri.

The specialist doctors

will extend their services in pediatrics, heart disease, ear nose and throat, mental diseases and any major disease.

Raipur Collector Saurabh Kumar and health officials have urged people to take advantage of the camp and avail free specialist consultation facilities.

Jashpur DM sets up panel to probe assault on doctors

STAFF REPORTER ■ RAIPUR

Chhattisgarh's Jashpur Collector on Thursday constituted a team to probe the Community Health Centre Duldula incident where two doctors were assaulted by some unidentified persons.

Ritesh Kumar Aggarwal issued an order to probe the reported misbehavior and assault in the hospital premises on Wednesday night.

The incident occurred with the doctors posted at the Community Health Centre at Duldula. A video of the incident had gone viral on

The incident occurred with the doctors posted at the Community Health Centre at Duldula. A video of the incident had gone viral on social media

social media, an official communication said.

The panel consists of

Additional District Magistrate I.L. Thakur, Chief Medical and Health Officer Ranjit Toppo, Joint Collector Yogendra Srivas and Civil Surgeon-cum-Chief Hospital Superintendent R.N. Kerketta.

Doctors Maheshwar Manik and Nitish Sonwani stated that the District Collector and Parliamentary Secretary U.D. Minj inspected the hospital on Wednesday.

Minutes after they left, persons who had arrived during the inspection in an inebriated state assaulted them. They said they were resigned due to the insult meted out to them.

CM acts, ensures edu for distraught girl

STAFF REPORTER ■ JAGDALPUR

Thanks to a sense of generosity by Chhattisgarh Chief Minister Bhupesh Baghel, a teenage girl who was desperate to study but could not do so due to poverty will now go to school.

Destiny turned a full circle for the young girl when the Chief Minister noticed her crying in a crowd at his Bhent Mulaqat programme at Bhainsgaon in the Bastar assembly segment.

He asked her to sit beside him, affectionately placed his hand on her head, offered her water to drink and urged her to return her water to the rest of the crowd.

Now pacified, the girl

related her pathetic story -- She said she lost her father 15 years ago. Compelled by fate, she now

lives with her mother at her maternal uncle's home.

She said she and her

brother are unable to attend school as they have to do household work with mother.

Moved by her condition, the Chief Minister asked the Secretary in charge of Bastar district, Ayyaz Bhai Tamboli, to pen an application and immediately released Rs 3 lakh financial assistance to the overjoyed girl.

The girl ran home to share the happy news with her mother, confident that her dream of going to school will now finally materialize.

Two held for impersonating in CISF exam

STAFF REPORTER ■ DURG

Chhattisgarh Police have arrested two persons from Agra and brought them to Durg city for cheating youths by impersonating as candidates in the Central Industrial Security Force (CISF) constable recruitment exam 2021 in Durg.

Six persons were nabbed a week ago from Durg district regarding the same case following a complaint lodged by CISF officials with the police, Durg Superintendent of Police Dr Abhishek Pallava.

On Wednesday (May 18), the CISF authorities lodged a cheating case after the accused appeared in the CISF constable recruitment exam held by the Service Selection Commission (SSC) when the biometrics and photographs of the candidates did not

match with the fake aspirants, he said.

Satyapal Singh (24) and Natthilal Verma (20), both from Agra, were taken into custody on Wednesday, the officer said.

The police investigation revealed that Singh appeared

in the exam in place of four candidates while Verma took Rs 2 lakhs each for appearing in the CISF recruitment and training centre for physical test in Bhilai, Pallava said.

All the eight were part of a racket which arranged impersonators in written and physical tests on behalf of actual candidates and charged Rs 5 lakhs from each aspirant, he added.

A police constable identified as D.S. Tomar, posted in Madhya Pradesh, is the kingpin of the racket. He escaped when a police team tried to nab him there, Pallava said.

Maharani Hosp gets burn unit

STAFF REPORTER ■ JAGDALPUR

Chhattisgarh Chief Minister Bhupesh Baghel on Thursday dedicated the Burn Unit and De-addiction Unit at the Maharani Hospital in Jagdalpur. He also inspected the Maternity Ward, Hummar Lab and Blood Bank.

After inauguration, the Chief Minister met infant-mothers in the postnatal care ward of Maternal Child Health Institute 'Kadambini' at the hospital. He presented fruit

baskets and baby care kits to the mothers.

He also inspected the Blood Bank and Hummar Lab and sought details of the availability of blood.

Baghel interacted with Azhar, who is undergoing treatment for de-addiction at a de-addiction unit of the Maharani Hospital.

Azhar told Baghel that

he hails from Madhya Pradesh and is undergoing treatment here for the last 20 days.

CM gives checkmate tips to chess players

STAFF REPORTER ■ JAGDALPUR

Chhattisgarh Chief Minister Bhupesh Baghel also has talent for chess. This came to the fore on Thursday when he provided chess tips to players at a state-level tournament in Jagdalpur.

"The most important thing to keep in mind while playing chess is predicting the next move of the opponent," he told the budding players.

The Chief Minister shared checkmate tips with young brothers Manas Tiwari and Priyansh Tiwari who were playing against each other.

The two were immersed in planning their next move. When the Chief Minister approached them, he said to

Manas: "You are looking at me while your camel is gone."

The Chief Minister's remark put a smile on everyone's face, including the two brothers. Baghel also stopped and looked at the game played by Avni Jena and Adnan.

Baghel attentively gazed at the chessboard for some time and advised Priyansh to move his minister forward.

The Chief Minister was told that the four children are state chess players. He praised them and encouraged them to play well.

Baghel told the children that chess is an ancient game of India and it engages the mind. It's the best game for mental development.

There have been some great chess players from India in the past, he said. There are countless possibilities open for you, he added.

'Covid killed 1.6L people in 2020' Israel Def Min to visit India next week

PIONEER NEWS SERVICE ■ NEW DELHI

The Covid-19 killed 1,60,618 people in 2020 and accounted for 8.9 per cent of the total 18.11 lakh medically certified deaths in country, according to Report on Medical Certification of Cause of Death-2020 released by Office of Registrar General of India (RGI) on Wednesday.

This is, however, higher than officially declared Union Health Ministry's Covid death count of 1,48,994 in 2020. While Covid-19 was fourth biggest cause of medically certified deaths nationally in 2020, it was second biggest in seven States — Maharashtra (17.7 per cent), Manipur (15.7 per cent), Uttar Pradesh (15 per cent), Himachal Pradesh (13.5 per cent), Andhra Pradesh (12 per cent), Punjab (11.9 per cent) and Jharkhand (7.6 per cent).

In 2020, the most Covid deaths in absolute numbers were reported in Maharashtra (61,212) followed by Uttar Pradesh (16,489), Karnataka (15,476), Andhra Pradesh (12,193) and Delhi (8,744). Only one State — Arunachal Pradesh — and one Union Territory — Lakshadweep — did not report any medically certified Covid death during 2020, as per RGI data. For purposes of Report

on Medical Certification of Cause of Death-2020, a separate group Covid was added for data collection after pandemic broke out in 2020.

In the report, Covid deaths have been reported under two sub-heads: One in which code 'virus identified' is assigned to a "disease diagnosis of Covid 19 confirmed by laboratory testing"; and second in which code 'virus not identified' is assigned to "a clinical or epidemiological diagnosis of Covid 19 where laboratory confirmation is inconclusive or not available.

Overall, heart diseases, pneumonia and asthma together claimed highest number of lives — over 42 per cent — of total 18,11,688 medically certified deaths

registered in the country in 2020.

However, the total number of registered deaths in country was 81,15,882. A total of 5.7 per cent of total medically certified deaths were reported among infants (age less than 1 year) while about 71.7 per cent of all infant deaths were reported to be caused by certain conditions originating during perinatal period.

In age-group of 15-24 years, diseases of circulatory system claimed 18 per cent of deaths — the highest — followed by injury, poisoning, and certain other consequences of external causes, which constituted 15.7 per cent of deaths, implying age group to be peculiarly vulnerable to 'injuries and poisoning related deaths.

PIONEER NEWS SERVICE ■ AGENCIES/NEW DELHI/JERUSALEM

In a boost to the growing ties between the two countries, Defence Minister Benny Gantz of Israel will visit India next week to mark 30 years of diplomatic and defence relations. He will sign a Letter of Intent (LOI) on the occasion.

The Minister was earlier scheduled to visit New Delhi in March but had to postpone it due to terror attacks across Israel.

Moreover, Israel Prime Minister Naftali Bennett had to call off his visit to India to celebrate 30 years of establishment of diplomatic ties with India as he tested positive for corona. The visit was to take place from April 3-5.

The Israeli defence minister's visit signifies growing strategic and defence ties between India and Israel. In the last 30 years, Israel has emerged as one of the top suppliers of high end weapon

systems and allied equipment to the Indian armed forces across the entire spectrum. The two countries are now foraying into joint development and production of weapon systems.

The two countries elevated their bilateral ties to a strategic partnership during Prime Minister Narendra Modi's visit to Israel in July 2017. Since then, the relationship between the two countries has focused on expanding knowledge-based partnership, which involves collaboration in inno-

vation and research, including boosting the 'Make in India' initiative. "Defence Minister Benny Gantz will conduct an official visit to India next week (01.06) during which he will sign an LOI marking 30 years of diplomatic and defence ties between Israel and India.

A detailed schedule will be released in the coming days," a statement from his office said. Informed sources told PTI that he will be on a three-day visit to India and will meet his Indian counterpart Rajnath Singh. Other details of the trip are being worked out, they said. Some local media reports interpreted the signing of the LOI as a "special security declaration."

Prime Minister Modi said in January this year that there cannot be a better time to set new goals for taking forward India-Israel relations and asserted that the cooperation between the two countries has played a key role in the growth stories of the two nations.

In a special video message on the completion of 30 years

of full-fledged diplomatic relations between India and Israel, Modi said this period has been very important for both countries.

Israel Prime Minister Naftali Bennett has earlier described the "deep relationship" between India and Israel as one coming from the heart and not being about interests and asked Prime Minister Modi to work together to take the bilateral ties to "a whole new level".

Though India had recognised Israel on September 17, 1950, full-fledged diplomatic relations between the countries were established on January 29, 1992.

Since then, the bilateral relations between both countries have developed into multifaceted strategic partnerships. Earlier in January, Israel's envoy to India Naor Gilon said the 30th anniversary of India-Israel diplomatic ties is a good opportunity to look ahead and shape the next 30 years of relations.

K'taka Cong head Shivakumar, others booked under PMLA

PTI ■ NEW DELHI/BENGALURU

The Enforcement Directorate (ED) has filed a chargesheet under the anti-money laundering law against Karnataka Congress president D K Shivakumar and others, officials said on Thursday.

The prosecution complaint has been filed under various sections of the Prevention of Money Laundering Act (PMLA) before a Delhi court, they said.

The federal probe agency, in the chargesheet, has included the statements of various people it recorded during the course of investigation and the

evidence it gathered. Speaking to reporters in Bengaluru, Shivakumar said all "political weapons" were being used against him, ahead of the Karnataka assembly polls expected to be held next year.

He claimed that the chargesheet is "part of a plan to eliminate people, whom the ruling dispensation fear may create trouble for them politically or don't surrender to them", adding that he is ready to "face everything".

The ED had in September 2018 registered a money laundering case against Shivakumar, Anjaneya Hanumanthiah, an employee

CBI raids ex-J'khand Sports Min in multi-crore equipment purchases

PTI ■ NEW DELHI

The CBI on Thursday conducted searches at 16 locations, including the residence of former Jharkhand Sports Minister Bandhu Tirkey in the then BJP-led Arjun Munda Government, over alleged irregularities in multi-crore equipment purchases for the 34th National Games 2011 held in Ranchi, officials said.

Besides Tirkey, who is now the working president of the Congress in the state, the CBI also searched the premises of noted lawyer R K Anand, who was the working chairman of the National Games Organising Committee, in the national capital. The premises of former director of sports of

the state P C Mishra, organising secretary of national games Madhukant Pathak and organising secretary H M Hashmi are also being searched, the officials said.

As part of the Central Bureau of Investigation (CBI) operation, seven places in Ranchi and five locations in Dhanbad are also being searched, they said. Tirkey was recently convicted for amassing disproportionate assets by a Jharkhand court

and stripped of his assembly membership. He was a close confidante of Babul Marandi of the Jharkhand Vikas Morcha (Prajanantik) before Marandi decided to merge the outfit with the BJP.

Tirkey did not agree with Marandi's decision and joined the Congress after the 2019 assembly elections.

The case of alleged corruption in the purchase of games equipment was probed by the state anti-corruption branch and later, handed over to the CBI by the Jharkhand High Court in April this year.

The order was passed by a division bench of Chief Justice Dr Ravi Ranjan and Justice Sujit Narayan Prasad while hearing a public interest liti-

gation filed by Sushil Kumar Singh in 2018 seeking a speedy inquiry into the alleged National Games scam.

The bench observed that the ACB had not concluded its investigation even after more than a decade of the games being hosted by the Jharkhand government.

In his petition, Singh had mentioned that the expenditure incurred in hosting the National Games in the state had been pegged at Rs 28.38 crore.

He had claimed that public money was squandered by office bearers of the National Games' organising committee who embezzled money by quoting high prices of sports equipment and accessories.

IN BRIEF

VP TO VISIT GABON, SENEGAL, QATAR SOON

New Delhi: Vice President M Venkaiah Naidu will embark on a nine-day visit to Gabon, Senegal and Qatar beginning May 30 during which a number of bilateral pacts are expected to be inked to expand cooperation in specific areas. It will be the first-ever high-level visit from India to Gabon and Senegal. Naidu will be accompanied by Minister of State for Health Bharati Pravin Pawar and MPs Sushil Kumar Modi, Vijay Pal Singh Tomar and P Raveendranath.

HONCHO HELD IN YES BANK LOAN CASE

New Delhi: The CBI on Thursday arrested promoter of ABIL group of companies, Avinash Bhosale, in connection with the DHFL-Yes bank loan case. The agency had conducted multiple searches at his premises last month.

APPLICATION OF JOB, CANDIDATE'S LEGAL RIGHT

New Delhi: A candidate who has applied for a job does not have a legal right to insist that the recruitment process set in motion be carried to its logical end, the Supreme Court has said. A bench of Justices K M Joseph and Hrishikesh Roy said that even the inclusion of a candidate in the select list may not provide the candidate with such a right.

KEY ACCUSED IN TERROR ATTACK CASE ARRESTED

New Delhi: The NIA has arrested a person believed to be a key accused in the Sunjwan terror attack case that happened in April on the outskirts of Jammu. The accused, Abid Ahmad Mir of Putrigam in south Kashmir's Pulwama, is alleged to be an overground worker of the banned Jaish-e-Mohammed.

SC permits Maha to submit proposal for 20 open shelters under Child Protection Services scheme

PTI ■ NEW DELHI

The Supreme Court has permitted the Maharashtra Government to submit a proposal to start 20 open shelters under the Child Protection Services (CPS) scheme for the 2022-2023 financial year to provide community-based facilities to Children in Street Situations (CISS).

A bench headed by Justice L Nageswara Rao said in addition to the request for approval under the CPS scheme, the state of Maharashtra shall also make an application to the Ministry of Social Justice and Empowerment for approval for starting the open shelters.

The apex court also directed the Union of India to take a decision and grant its approval within a period of two months from the date of receipt of the application, the bench, also comprising justices B R Gavai and A S Bopanna, said in its May 19 order.

#YogaSeAyu to promote concept of Yoga, Ayurveda

PIONEER NEWS SERVICE ■ NEW DELHI

In a run-up to the International Day of Yoga on June 21, the All India Institute of Ayurveda, under the Union Ayush Ministry on Thursday launched a campaign #YogaSeAyu to promote the concept of combining Yoga and Ayurveda to achieve holistic healing.

"The integrated campaign is in sync with the MoA's 'Yoga Utsav' and aims to promote the concept of combining Yoga and Ayurveda to achieve holistic healing. Moreover, having their origin in the Vedas, the sciences of Ayurveda and Yoga are two sides of the same coin. Although beneficial on their own, combining the two ancient Indian sciences could help realize their true potential," said a statement from the AIIA. AIIA director Dr Tanuja Nesari said, "Every year on

International Day of Yoga, we take pride in walking on the path shown by our Prime Minister Modi ji, and this year is even more special as we are celebrating 'Azadi ka Amrit Mahotsav'.

The Ministry of Ayush has framed the Yoga Day theme with a focus on "Brand India Globally" and to showcase India's iconic places.

Dr Nesari said that bringing Yoga and Ayurveda together provides a spiritual aspect to Ayurvedic treatment, helping it realize its complete Vedic healing powers.

"Being one of the nodal institutes for Ayurveda in the country, we believe that combining the powers of Yoga and Ayurveda creates holistic well-being. They complement and benefit each other and can lead to balancing of all doshas when practiced properly. "We are excited about launching this campaign and look forward to

Covid jab reduces risk of death by 34%: Study

PIONEER NEWS SERVICE ■ NEW DELHI

Even vaccinated people with mild breakthrough Covid-19 infections can experience debilitating, lingering symptoms that affect the heart, brain, lungs and other parts of the body, according to a study published in Nature Medicine.

The study of more than 13 million veterans also found that vaccination against the virus that causes Covid-19 reduced the risk of death by 34 per cent and the risk of getting long Covid by 15 per cent, compared with unvaccinated patients infected with the virus.

However, vaccines were shown to be most effective in preventing some of the most worrisome manifestations of long Covid — lung and blood-clotting disorders — which declined about 49 per cent and 56 per cent, respectively, among those who were vac-

nated. "Vaccinations remain critically important in the fight against Covid-19," said first author Ziyad Al-Aly, MD, a clinical epidemiologist at Washington University. "Vaccinations reduce the risk of hospitalization and dying from Covid-19. But vaccines seem to only provide modest protection against long Covid.

People recovering from breakthrough Covid-19 infection should continue to monitor their health and see a health-care provider if lingering symptoms make it difficult to carry out daily activities."

The researchers classified patients as fully vaccinated if

they had received two doses of the Moderna or Pfizer-BioNTech vaccines or one dose of the Johnson & Johnson/Janssen vaccine.

At the time the research was conducted, the database used for this study did not include information about whether patients received boosters.

"Now that we understand that Covid-19 can have lingering health consequences even among the vaccinated, we need to move toward developing mitigation strategies that can be implemented for the longer term since it does not appear that Covid-19 is going away any time soon," said Al-Aly, who is also the chief of research and development at the VA St. Louis Health Care System.

"We need to urgently develop and deploy additional layers of protection that could be sustainably implemented to reduce the risk of long Covid."

Desi survey ship Nirdeshak launched in Bay of Bengal

PIONEER NEWS SERVICE ■ NEW DELHI

The indigenously designed and built survey ship Nirdeshak was launched on Thursday in the Bay of Bengal.

It is the second of the four survey vessels (Large) built by the public sector Garden Reach Shipbuilders and Engineers (GRSE), Kolkata in collaboration with Larsen and Toubro (L&T) for the Indian Navy.

Giving details of the ship, Navy officials said here, the vessel was launched at Kattupalli, Chennai. The ship made its first contact with water of Bay of Bengal at 1038 hrs at the launch ceremony graced by the Vice Admiral Biswajit Dasgupta, Flag Officer Commanding in Chief, Eastern Naval Command.

His wife Sarbani Dasgupta launched the ship in keeping with the naval tradition. The ship has taken its name from erstwhile Nirdeshak which was also an Indian Naval Survey ship and was decommissioned after 32 years of glorious service in December 2014.

Part construction of three out of four ships of survey vessels is being undertaken at L&T, Kattupalli as part of collaborative approach between GRSE and L&T shipbuilding.

This model of public private partnership shall be harbingers of future successful collaboration for warship construction in India, they said. The contract for building four ships was signed between defence ministry and GRSE in 2018.

The first of class ship 'Sandhayak' was launched on in December last year. The new survey ships will replace the existing Sandhayak Class survey ships with new generation hydrographic equipment to collect oceanographic data. The Survey Vessel (Large) ships have a deep displacement of about 3,400 tons and a complement of 235 personnel. The

ship is designed to operate at cruise speed of 14 knots and maximum speed of 18 knots.

Bow and stern thrusters have been catered for better manoeuvring at low speeds required during shallow water survey operations.

The hull of these ships is made from indigenously developed DMR 249-A steel manufactured by Steel Authority of India Limited.

With a capability to carry four survey motor boats and an integral helicopter, the primary role of the ships would be to undertake full scale coastal and deep-water hydrographic surveys of ports and navigational channels.

The ships would also be deployed for collecting oceanographic and geophysical data for defence as well as civil applications. In their secondary role, the ships are capable of providing limited defence, besides serving as hospital ships during emergencies.

Despite challenges due to COVID-19 pandemic, the GRSE has made substantial progress and aim to deliver Sandhayak, the first ship by January next year. The delivery of the second ship Nirdeshak is likely by April 2023.

Launch of the second survey vessel reinforces resolve for indigenous shipbuilding as part of the vision of 'Make in India', and 'AatmaNirbhar Bharat'. The Survey Vessels Large will have over 80 per cent indigenous content by cost.

This will also ensure that large scale defence production is executed by Indian manufacturing units thereby generating employment and capability build up within country.

generate knowledge and new means of intervention strategies for difficult to treat diseases, said Dr. Rajesh S Gokhale, Secretary, DBT.

Vaidya Rajesh Kotecha, Secretary, Ministry of Ayush,

Major infiltration bid along LOC foiled

Security forces eliminate three Pak JeM terrorists in Kupwara

One Army porter succumbs to injuries

PNS ■ JAMMU

A joint team of security forces Thursday foiled a major infiltration bid along the Line of Control in North Kashmir district of Kupwara by eliminating three Pakistani terrorists belonging to Lashkar-e-Toiba outfit. One Indian Army porter, who had received injuries during the exchange of firing, succumbed to his injuries later in the hospital. So far the security forces have eliminated 26 foreign terrorists since January 1, 2022 while six of them have been gunned down in the last 24 hours. Out of these 14 belonged to JeM and 12 to LeT, official sources said. Inspector General of Police, Kashmir range Vijay Kumar Thursday termed the

elimination of 03 Pakistani LeT terrorists as a big success and congratulated the joint forces for successive operations. The security forces have also recovered arms & ammunition including 03 AK series rifles, 12 AK Magazines, 01 Pistol, 02 Pistol Magazines and 03 mobile phones from their possession. According to a police spokesman, "based on a specific input developed by Kupwara Police regarding infiltration attempt of terrorists in village Jumagund near LoC area of Kupwara, an ambush was put in place by police and Army in the said area". As the infiltrat-

ing terrorists were intercepted by the joint party of Police & Army, they were challenged who in return fired indiscriminately upon joint party which was retaliated by the joint party leading to an encounter. In the ensuing encounter, all the three infiltrated terrorists were killed. Based on the source report and as per the documents recovered from them, the killed terrorists have been identified as Pakistani LeT terrorists. One civilian porter named Ab Lateef Mir S/o Majeed Mir resident of Kuchiban Jumagund, had received injuries during the firing and later succumbed to injuries in hospital. Meanwhile, ten locals, who were involved in anti-national sloganeering and stone-pelting outside Yasin Malik's house in the Maisuma area of Srinagar prior his verdict on a case related to terrorism and secessionist activities, have been arrested by the Srinagar police. In a statement, police spokesman said a case vide FIR No. 10/2022 under relevant sections of law was registered in Police Station Maisuma and investigation was initiated. Accordingly, midnight raids were conducted at many places that led to the arrest of 10 accused persons including the key accused involved in the commission of crime. However, other accused persons involved in the commission of crime are being identified and will be booked soon under relevant law. Police spokesman maintained no attempt of creating law & order situation in the valley will be tolerated and all mischievous attempts of provoking law & order situation by vested interests will be treated with full force of law.

Yogi: Focus on self-reliance, overall development of UP

FM Khanna tables ₹6.15 L-cr budget for State

PNS ■ LUCKNOW

Uttar Pradesh Finance Minister Suresh Kumar Khanna tabled the over Rs 6.15 lakh crore budget of the Yogi Adityanath Government 2.0 in the UP Assembly on Thursday. Before being tabled in the House, the budget was passed at a Cabinet meeting chaired by the Chief Minister at his official residence on Thursday morning. The Rs 6,15,518.97 crore budget for 2022-23 fiscal has a provision of Rs 39,181.10 crore for new schemes. In the last 2021-22 fiscal, the Yogi government had presented a budget of Rs 5,50,270.78 crore. Soon after the budget was tabled in the House, Chief

Minister Yogi Adityanath tweeted, "The latest budget is focused on ensuring self-reliance in the State." Yogi Adityanath promised that the budget would be dedicated to the overall development of Uttar Pradesh. "The economy of the state is improving rapidly. We believe that we will be successful in taking the state's economy to \$1 trillion," Finance Minister Suresh Khanna said while tabling the budget. Seated next to the chief minister in the assembly, Khanna said that Rs 276.66 crore had been proposed for Uttar Pradesh Special Security Force entrusted with the task of securing courts and historical and religious places, including Ayodhya, Kashi and Mathura. For the Police Emergency Management System, the finance minister said that the second phase of the 112 scheme would start in this fiscal and a provision of Rs 730.88 crore had been proposed for strengthening it. "For women, the budget has proposed setting up of cyber help desks at district

level and a provision of Rs 72.50 crore has been made for women empowerment schemes. A provision of Rs 20 crore has also been proposed for safety and empowerment of women and their skill development under Mission Shakti in micro and small scale industries sector," he added. The finance minister informed the House, "The budget has proposed Rs 650 crore under farmers' accident scheme and there is a provision to provide a maximum of Rs 5 lakh in case of accidental death/disability of farmers under the scheme. A total of 15,000 solar pumps will be set up in 2022-23 fiscal and 60.20 lakh quintal seeds are proposed to be distributed to farmers. A target to distribute 119.30 lakh metric tons of fertilisers has also been proposed. A provision of Rs 1,000 crore is proposed for the Chief Minister's Minor Irrigation Scheme." Khanna further said, "Free tablets and smartphones scheme for the youth was started in December 2021 and till now approximately 12 lakh tablets /smart phones have

been distributed. As per the Bharatiya Janata Party's Lok Kalyan Sankalp Patra, two crore smart phones/tablets are to be distributed to the youth in the next five years. Besides, Rs 1,500 crore has been proposed in the budget for Swami Vivekananda Youth Empowerment Scheme." "Also, to promote entrepreneurship and innovation in various fields among youth, under the new UP Start-up Policy-2020, a target to establish a total of 100 incubators and 10,000 startups in the next five years has been set. With the objective of providing coaching to students preparing for competitions near their homes, Chief Minister Abhyudaya Yojana has been implemented by the government in all divisional headquarters, which is now being expanded to all districts of the state and a provision of Rs 30 crore is proposed for the it," the minister said. Khanna further said that a provision of Rs 10 crore had been proposed to provide financial assistance to young lawyers for purchasing books and magazines for the first three years of work.

Centre reports 18% fall in road accidents

PNS ■ NEW DELHI

In a major respite, the Centre on Thursday reported there has been a sharp decline in the road accidents parameters in the years 2020 when compared to years 2019. The Ministry of Road Transport & Highways (MoRTH) informed that over the previous year's average, total road accidents decreased on an average by 18.46 per cent, whereas the number of persons killed too decreased by 12.84 per cent and the number of injuries decreased by 22.84 per cent. According to the report 'Road accidents in India - 2020', prepared by the Transport Research Wing (TRW) of the MoRTH, the number of road accidents has been on a decline since 2016 except for a marginal increase of 0.46 per cent in 2018. For the second consecutive year, the total number of road accident fatalities has declined in 2020. Similarly, the number of persons injured has been on the decline since 2015.

"A total of 3,66,138 road accidents have been reported by States and Union Territories (UTs) during the calendar year 2020, which claimed 1,31,714 lives and caused 3, 48,279 injuries," said a Press statement by MoRTH. As per the report, there has also been a decline in the number of fatal accidents, i.e., accidents involving at least one death. A total of 1, 20,806 fatal accidents were reported in 2020, which is 12.23 per cent lower than the 2019 figure of 1, 37,689. Interestingly, during 2020, National Highways, State Highways and Other Roads reported a smaller number of accidents, fatalities, and injuries

fatalities in 2020 are Tamil Nadu, Gujarat, Uttar Pradesh, Rajasthan, and Andhra Pradesh. "The overall reduction in road crash deaths is driven by the decline in road crash deaths during the months of April and May, which overlapped with the period when the country was under CoVID-19 induced lockdown. During 2020, many states notified provisions of the Motor Vehicles Amendment Act, and some marginal decrease in the first quarter of 2020 can be attributed to that. However, it's too early to say if the implementation of the legislation has led to a decline in road crash deaths in 2020. Perhaps 2021 data shall provide more insights into the effectiveness of the implementation of the legislation, if at all," said Piyush Tewari, Founder and CEO, SaveLIFE Foundation, that has associated itself with the MoRTH and other road stakeholders to do conduct studies and research on road accidents and preventive measures.

Bengal to swap Guv with Didi as Chancellor of universities

SAUGAR SENGUPTA ■ KOLKATA

In a new twist to the perennial tussle between the Raj Bhavan and Nabanna (State secretariat) the Bengal Government on Thursday decided to replace Governor Jagdeep Dhankhar with Chief Minister Mamata Banerjee as the chancellor of the State-run universities. The decision was taken in a hurriedly called Cabinet meeting on Thursday noon, sources said adding after the Cabinet decision the Government will now amend the existing law and get the Bill passed in the State Assembly. State Education Minister Bratya Basu said that the "Cabinet has unanimously passed a resolution to replace the Governor with the Chief Minister as the chancellor of all the state-run universities ... now a Bill to this effect will be placed in the Assembly and the law will be amended."

Though the Minister would not dwell on any possible alternative measure should the Governor refuse to sign the Bill, another senior minister said "the Government has the option of sending it for the presidential assent or pass an ordinance to that effect." The second option was more likely he hinted. Basu had in an earlier statement said that "if the Governor continues not to cooperate with the Government ... by sitting on the files the Government will have no option but to replace him with the Chief Minister so that academic process does not get hampered due to political reasons." The ruling Trinamool Congress has often attacked the Raj Bhavan calling it a BJP office and the Governor an "agent of the BJP." The Governor on the other hand had alleged that the State had appointed about 25 Vice

Chancellors illegally without taking the consent of the Raj Bhavan and that at the instance of the State Government the V-Cs do not come to attend the meetings called by him. There was uproar both in the civil and political society soon after the Cabinet decision with opposition BJP calling the decision an attempt to usurp even the academia. "After having extend its sway in all the departments ... after having devoured everything the Government now wants to usurp higher education," said BJP leader Samik Bhattacharya. Another BJP leader and former MP Anupam Hazra said that "the way the Chief Minister is taking her decisions would have made even Muhammad bin Tughlaq feel threatened too ... today she is telling that she is the Chancellor ... tomorrow she will say that she is the Prime Minister of Bengal."

₹100 cr earmarked to make Maha Kumbh a grand event

PNS ■ LUCKNOW

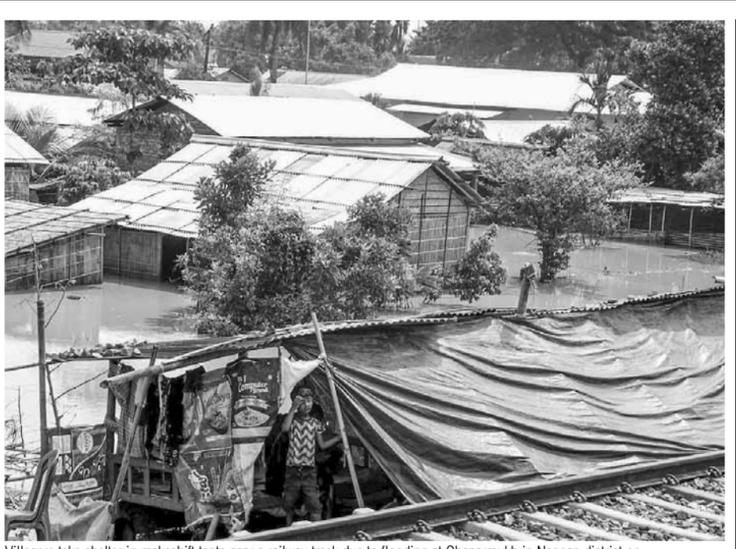

The Uttar Pradesh government has made a budgetary provision of Rs 100 crore for the preparations for Maha Kumbh to be held in Prayagraj in 2025 with Finance Minister Suresh Khanna claiming that the government is making every effort to make this event a grand affair. Devotees from all over the country and abroad will come to this event. In such a situation, to provide them every convenience, schemes are being executed expeditiously, he added. The Yogi Adityanath government does not want to leave any stone unturned for the Maha Kumbh to be held in the year 2025. Pucca ghats will be constructed on the Sangam bank. Cleanliness efforts and widening of city roads will be completed at the Mela site.

Ex-UP Min, expelled BSP leader Dubey joins Cong

PNS ■ LUCKNOW

Former Cabinet Minister of Uttar Pradesh and expelled Bahujan Samaj Party leader Nakul Dubey joined the Congress in the presence of senior leader Rajeev Shukla in Delhi on Thursday. Dubey later met Congress general secretary and party's Uttar Pradesh in-charge, Priyanka Gandhi Vadra. Speaking to media persons on Dubey's induction into the Congress, Shukla said, "Former UP cabinet minister Nakul Dubey, who was considered a pillar of Bahujan Samaj Party, has joined the Congress. We believe that his arrival will strengthen the Congress in Uttar Pradesh."

Expressing gratitude to the Congress leadership, Dubey said, "In the coming times, we all will work together to strengthen the party not only in Uttar Pradesh, but in the entire country." During Mayawati's regime between 2007 and 2012, Nakul Dubey held the responsibility of many important departments as a minister in the BSP government of Uttar Pradesh and was considered as one of the prominent Brahmin faces of the party. On April 16, BSP president Mayawati had expelled Dubey from the party on charges of indiscipline and indulging in anti-party activities. An advocate by profession, Nakul Dubey is known for his proximity to BSP general secretary Satish Chandra Mishra.

8 yrs of BJP rule marks darkest chapter: TMC

PNS ■ KOLKATA

The Trinamool Congress on Thursday hit out at the BJP Government for "navigating India towards complete darkness." In a tweeted video the party said that the eight years of Narendra Modi Government had given nothing but all-round failure. "The eight year of BJP rule can be explained in terms of acute price rise, unem-

ployment, falling rupee, crippling economy, intolerance and injustice," the video said. Explaining the contents of the tweeted video party spokesperson Kunal Ghosh said that the "eight years of BJP rule is nothing but an eight-year-bluff ... an eight year jumla ... they came promising acchhe din (good old days) they gave us inflation, social despondency, intolerance ...

Prime Minister Modi's eight years in power is the darkest chapter of Indian history post Independence." The right to life of the people has been hit by the anti-people policy of the Government he said. "The bank interests are down, prices are high with acute unemployment ... the citizens of India had never felt so threatened ever," he said.

PC George sent to jail for 'hate speech'

KUMAR CHELLAPPAN ■ KOCHI

PC George, a seven-term MLA of Kerala Legislative Assembly, was sent to Thiruvananthapuram District Jail on Thursday as the Judicial Magistrate cancelled the bail granted to the former on May 1 for the Ananthapuri Hindu Mahasammelan Speech at Thiruvananthapuram which the police described as hate speech. George, a maverick politician, is the lone senior leader from the non-BJP parties to caution the people about the increasing instances of inter-caste marriages happening between Hindu girls and Muslim youth in the State. He was very critical of the Halal food controversy and had asked all those who do not subscribe to the Quranic concept to stay away from establishments sell-

ing Halal products. A Bench of the Kerala High Court that was to consider the plea for regular bail filed by George on Thursday postponed the hearing to Friday. George was held by the Police on Wednesday evening when he had gone to the Kochi City Police Commissioner for questioning in connection with another hate speech made by him at Ernakulam. While the interrogation was in progress, the Thiruvananthapuram Judicial Magistrate issued an order cancelling the conditional bail granted him by the Judicial Court on May 1. The arrest of George is seen as a sign of Chief Minister Pinarayi Vijayan cracking the whip on political leaders resorting to hate speeches in the backdrop of the bye-election scheduled from assembly con-

stituency on May 31. The Congress, the CPI(M) and the BJP are trying to wrest the seat. Vijayan is leading the election campaign from the front and has stayed put in Thrikkakkara. All LDF ministers and MLAs too are working round-the-clock for the victory of Dr Joe Joseph. The Chief Minister took time off from the hectic campaign at Thrikkakkara on Thursday to meet the victim of the 2017 rape and assault case as she had approached the High Court with allegations that some CPI(M) leaders were hand in glove with the main accused, Dileep and the trial court was out to derail the trial process. Vijayan later told reporters that the victim is fully satisfied with the investigation carried out by the State Police.

Four Congress leaders, including Chidambaram, in race for lone RS seat DMK has allocated to party

KUMAR CHELLAPPAN ■ CHENNAI

Four prominent Congress leaders from Tamil Nadu are the front runners for the lone Rajya Sabha seat which the DMK had allocated to the party. Six seats are at stake from the State in the poll scheduled for June 10. Going by the current party position in the Legislative Assembly, the ruling DMK will have a cake walk in winning four seats while the Opposition AIADMK would win two. Chidambaram, former finance and home minister, K S Azhagiri (TN chief of the party), Viswanathan (former MP who had represented Kancheepuram Parliamentary constituency) and C D Meyyappan, AICC leader and former president of the Tamil Nadu unit of the Youth Congress are the front runners for the lone seat. Chidambaram, the party ideologist and main think tank is the senior leader from the State. "But his statement that a veshti wearing Congress leader would become the PM has not been taken seriously by the party high command", said a party veteran.

In a major jolt to the ruling Shiv Sena in Maharashtra, the Enforcement Directorate (ED) on Thursday raided multiple locations belonging to State Transport Minister and senior party leader Anil Parab, a close aide of Chief Minister Uddhav Thackeray, in Mumbai, Pune and Ratnagiri in an alleged money laundering case. Fifty-seven-year-old Parab himself was at Ajinkyatara, his official bungalow in Mumbai, when the ED officials carried out the searches. The simultaneous raids on seven premises belonging to Parab in a simultaneous operation that lasted for 12-long hours. The ED officials began their raids at 6 am. Among other places they raided since morning were Parab's official residence 'Ajinkyatara' in south Mumbai, his private residence, the residence of his close associate at Kothrud in Pune with whom the minister had financial dealings. Among the places where raids were conducted included Ratnagiri town and Dapoli, a hill station in Ratnagiri district

ED raids Sena Minister Parab's multiple premises

T N RAGHUNATHA ■ MUMBAI

where the minister has constructed a holiday resort. After the arrest of two ruling Maha Vikas Aghadi (MVA) ministers - Nawab Malik and Anil Deshmukh - both of the NCP, Parab is the third State minister to come under the scanner of the ED. Earlier, State Ministers Anil Deshmukh and Nawab Malik were arrested November 2, 2021 and February 23, 2022 in two separate money laundering cases. Deshmukh and Malik are currently behind the bars. The ED has booked Parab under the Prevention of Money Laundering Act (PMLA). Considered close to Thackerays for a few decades, Para is a lawyer. He played a role in the formation of the Maha Vikas Aghadi government in November 2019. It was at Parab's suggestion that Aadiya Thackeray contested the Worli seat during the Maharashtra Legislative Assembly polls. Though the specific details of the raids were not yet known, official sources said that the ED was investigating, the allegations include purchase of a parcel of land in Dapoli by Parab in 2017 for a consideration of Rs

1 crore. The ED had summoned Parab on August 29, 2021 in connection with allegations of corruption made against him by the incarcerated police officer Sachin Vaze. It may be recalled that in a four-page handwritten letter to the Special Judge of the NIA court on April 7, 2021 Vaze - who is currently in the central investigating agency's custody in the twin SUV planting and alleged Manshukh Hiran murder cases - had claimed that Parab had called him July-August, 2020 to his official bungalow and look into a complaint concerning the Saifee Burhani Upliftment Trust (SBUT), which was under preliminary enquiry and asked him to bring the SBUT trustees to him for negotiations about the enquiry. "He (Parab) also insisted to initiate primary talks to get Rs.50 crore from the SBUT in order to close the said enquiry. I had expressed my inability to do any such things as I do not know anyone from the SBUT and also I did not have any control over the enquiry," Vaze contended in his letter.

PAPER WITH PASSION

Rule of the gun

The Robb Elementary School carnage again raises the issue of gunman fetish among America's youth

The American myth is turning on itself. Pet phrases, like the "world's policeman" or the post-9/11 "world's soldier", are boomeranging. A larger-than-life portrayal of the American Marine in Hollywood and addictive video games has acquired bloody connotations. The American "Special Operator", who is the quintessential symbol of the "American way of life", is the latest Frankenstein. And, it is now happening in Texas, the land of the self-claimed frontiersmen, those buccaneers who still wear cowboy hats and boots and ride horses, the guns and rifles and repeaters completing their macho image. The latest incident of mass killings in Uvalde, Texas, on Tuesday gives Americans a long-overdue wake-up call: The previous mass killers were labelled as Islamist jihadists, white supremacists or right-wing local terrorists. Today's American killer is nothing of that sort. Mostly male, he is an ordinary citizen with a neighbourly attitude that hides the ghosts of penury or social ostracism, a generally wasted life or a pitifully impaired mental status. The killer, ashamed of his situation, decides to get justice the only way he knows: By the gun. But first, the would-be killer has to get into the role. He chooses the image that hits him from every TV screen, chewing gum wrapper, muscle-building whey tin, and film, in fact from every advertisement in the US: the macho, gun-toting American vigilante. So, he acquires the tactical battle uniform including the hat, vest, gloves and cargo trousers, the toughest 'costume' Americans like him swear by.

The "Special Operator" must have thought a lot about the weapon. He chose the DDM4 Rifle, the civilian version of the military's M4 Carbine. Luckily, the civilian version does not switch to fully automatic; otherwise, more would have died. The AR-15 rifle and 375 bullets must have cost him between \$400 and \$2000, the holographic sight an additional \$700. The killer symbolises the current American fetish for the olive-green-clad American military superhero. The world got a hint of such looming disasters quite early in the Donald Trump era as these gun-toting mutants of the Special Ops Forces (SOFs) roamed the country in their pick-ups without purpose other than to advertise their trigger-happy right-wing attitudes. The world remembers the rioters who stormed the US Capitol this January on Trump's calling, wearing Kevlar and metal helmets and fancy weapons. Such "activists" fired bullets in the air to protest COVID mask mandates. They want to shoot guns and say they love America. The gunman fetish has come out of Waco; it is now mainstream. The armed pretenders are the foot soldiers of right-wing 'heroism', settling debts with bullets. The Republicans glorify gun culture; the Democrats make half-hearted attempts to ban it. It is the indifference that is costing that country today. The American mindset needs urgent formatting. It is not just about limitations on guns, but erasing the puffed-up machismo image that makes disturbed people take to guns. It is insulting democratic common sense to insist that owning guns is being liberal.

Slipping into abyss

Kerala is experiencing one blow after another in the LDF Government's second term in office

Swami Vivekananda, during his tour to Kerala in 1892, had described the province as a "lunatic asylum" as he was shocked by the vacuous communalism. The Kerala of 2022 needs an epithet stronger than what the renowned monk had used. Despite democratically electing India's first Communist Government and being a social, economic and educational model for the country, the State often spawns communal battle cries, threats and one-upmanship among religious leaders and organisations which even the Kerala High Court has described as "terrorist outfits". The threats and challenges touched a new high as a 10-year-old boy was used by the activists of Popular Front of India, an Islamic outfit, to raise slogans against Hindus and Christians. Though the slogans raised during a Republic Rally at Alappuzha last Saturday are not fit to print, it can be said that these were a blot on Kerala's psyche. Political murders, dowry deaths, student violence and drug trafficking have become regular features in the State's daily life. The CPI(M)-led Left Democratic Front Government under Chief Minister Pinarayi Vijayan, which retained power in the 2021 election, is clueless or suffering from selective amnesia since it assumed office last May.

This is the first time in four decades that a Government succeeded in retaining power for the second term in Kerala. Despite making a lot of sound and fury, Vijayan's second innings stands out because of its indifference to burning issues. Another news that shook Kerala's conscience pertains to a rape survivor who approached the Kerala High Court with the charge that the trial court has a hidden agenda to derail her case. The victim, herself a popular actress, had named Malayalam cinema's top actor Dileep as the prime accused in the 2017 case in which the latter hired a petty thief to rape the woman. A series of dowry deaths reported from various parts of the State has caused anguish in the mind of Governor Arif Mohammed Khan, who staged a day's fast as a mark of solidarity with the victims. Nothing is going right to date in the second tenure of the LDF Government. Meanwhile, the Chief Minister and his party colleagues accusing the rape survivor of playing politics has further shocked women in the State. Kerala deserves a much better deal than this sexist approach.

Upshot, prospects of Biden's Asia policy

There are several reasons why the Biden Administration's efforts to infuse a new movement in the ties with Asean assume huge significance

SUMIT KUMAR

Amid a gloomy picture of the world order due to the Russian invasion of Ukraine, President Joe Biden has redirected his attention to deepening and consolidating America's ties with its allies and partners in Asia. In this context, the US hosted Asean leaders for a special summit on May 12-13 to take stock of its relationships. Biden paid a five-day visit to South Korea and Japan during May 20-24, launching a mega-regional economic plan for the Indo-Pacific.

While commemorating the 45 years of US-Asean relations, Biden declared the beginning of a new era in their relations. He argued that "a great deal of history of our world in the next 50 years is going to be written and the Asean countries and our relationship with you is the future in the coming years and decades". Undoubtedly, there are several reasons why the Biden Administration's political and others efforts to infuse a new movement in the ties with Asean assume huge significance. Of course, one factor that has dominated the US pivot to Southeast Asia is China's increasing footprints in the region through the Belt & Road Initiative, the Regional Comprehensive Economic Partnership.

Therefore, to contain China's influence and maintain its permeance in the region, it is imperative for the US to accelerate the level of cooperation with Asean. On the other hand, Asean countries have become alarmed at China's assertive posturing in the South China Sea. Consequently, they not only want strong American military presence in the region, but are also trying to increase trade and commerce with the US to reduce their economic dependability on China.

Sadly, President Donald Trump's unpredictable behaviour, the absence of Asean centrality in the Indo-Pacific strategy, the US withdrawal from the Trans-Pacific Trade Agreement created huge distrust among

Asean countries about the US' desire to invest in the relationship. The Biden Administration's decision to withdraw from Afghanistan, the initial ambiguity in its approach towards Russia's invasion of Ukraine and other issues only compounded Asean's apprehensions about the future direction of the relationship.

Expectedly, the special summit addressed certain critical issues of Southeast Asian countries. One, the US reiterated that its Indo-Pacific strategy will be Asean-centric. This acknowledgment was important because Asean has generated the concern that the US Indo-Pacific strategy will dilute its position in US policy towards Asia. Two, Biden also announced to invest \$150 million in new projects to bolster Southeast Asia's climate, maritime and public health infrastructure. Three, Asean countries, except Singapore, have adopted the policy of neutrality on Russia's invasion of Ukraine. This in turn signalled the decline of US influence in the region. Thus, before starting his Asia tour, Biden wanted to

send a message to Russia and China through the Special Summit that the US continues to enjoy close ties with Southeast Asian countries. At the same time, though the joint statement issued after the Summit did not mention the Russian invasion of Ukraine, Biden must have reportedly asked Asean members to take a tough stand on the Russia-Ukraine war.

On the other hand, during his Asia visit, the launch of Indo-Pacific Economic Framework during the second in-person QUAD Summit emerged as a major development. Ever since the reemergence of QUAD in 2017, formally known as Quadrilateral Security Dialogue, it has made huge progress. This can be gauged from the fact that the QUAD meeting was initially held at the junior bureaucratic level. Now, it is organised at different levels, including the heads of State. While QUAD has played a pivotal role in dealing with the COVID virus, the group has become the anchor of promoting a free, open, prosperous and secure

Indo-Pacific. Addressing an overdue lacuna in the Indo-Pacific strategy, QUAD has launched Indo-Pacific Economic Framework. In turn, it will play a crucial role in limiting China's economic clout in the region.

Earlier, QUAD had shown hesitation in adding security issues to its priority. However, the launch of an Indo-Pacific Partnership for Maritime Domain Awareness (IPMDA) has indicated the willingness of the QUAD countries to foster security cooperation. The IPMDA will offer a near-real-time, integrated and cost-effective maritime domain awareness picture and help Quad members' allies as well to fully monitor their shores.

Of course, Taiwan appeared as a major issue on the priority list of Biden's visit to Asia. In fact, he said in no uncertain terms that the US would intervene militarily if Taiwan came under Chinese attack. This strong presidential statement, with the presence of the major Asian powers in Tokyo, certainly assumes huge importance, indicating the possible shift in the US' approach towards 'One China' policy. Thus, while the visit has crystallised the Biden Administration's readiness to lead the regional and global efforts to contain autocratic tendencies in Asia and beyond, it needs to be realised that the success of the Indo-Pacific strategy and QUAD singularly dependents on whether the US and other powers can protect Taiwan's independence or not.

Thus, while the US has indicated to end the policy of ambiguity on Taiwan, global and regional efforts must be channelised to make Taiwan an integral element of the Indo-Pacific Strategy and QUAD.

(The author is a former Ministry of Foreign Affairs Visiting Fellow, NCCU, Taipei. The views expressed are personal.)

BEFORE STARTING HIS ASIA TOUR, BIDEN WANTED TO SEND A MESSAGE TO RUSSIA AND CHINA THROUGH THE SPECIAL SUMMIT THAT THE US CONTINUES TO ENJOY CLOSE TIES WITH SOUTHEAST ASIAN COUNTRIES

LETTERS TO THE EDITOR

AAP'S EXEMPLARY ACT IN PUNJAB

Sir — The news of a Minister of the AAP Government of Punjab indulging in corruption is in the headlines as well as the speedy action taken by the Punjab Chief Minister Bhagwant Mann on this corrupt Minister. Mann without delay dismissed the Minister from the Cabinet. In a way, such Ministers also have to be praised that as soon as their name cropped up in the bribery case, they accepted their mistake. But one thing is incomprehensible that how many days it has been since the formation of the AAP Government and it is very unfortunate to have such allegations against a Minister of a reputed department in as many days. But the good thing is that the Minister did not take any recourse to power to save himself, as usually happens. Or say that the Government did not delay in paying compensation for the Assembly elections of Himachal Pradesh and Gujarat. The Punjab Government and AAP have proved by the immediate dismissal that the mobile number given to prevent corruption is working fine. It is a request to the Almighty that this number keeps working fine. Other State Governments should also provide similar numbers to the common man.

Rajender Kumar Sharma | Rewari

NEED TO BE REASONABLE

Sir — These days we find many discussions going on, some in favour and some against, about the release of Perarivalan, one of the accused in the Rajiv Gandhi assassination case. Some have even gone overboard to say that the Supreme Court has committed a grave mistake in releasing Perarivalan, thereby proving to be more Catholic than the Pope! It should not be forgotten that one of the senior inquiry officers has regretted that he had recorded Perarivalan's statement wrongly, thereby implicating him in the heinous crime.

Reputed legal luminaries, including Justice Krishna Iyer, have raised their

Cong must wake up to reality

Hardik Patel, Ashwani Kumar and RPN Singh. The leadership is at a loss for how to tackle the exodus the party faces. In fact, Sibal had resigned from the party a day after the much-talked about conclave held in Udaipur, aka Chintan Shivir.

By his action, he has dropped a hint that he was dissatisfied with the brainstorming session in Udaipur. It may be recollected that Sibal was part of G-23, a group of dissenting Congress leaders who have been demanding radical changes in the party. Sibal's quitting the Congress is a wake-up call for the party. Its leadership must not take such desertions lightly. The party leadership needs to wake up to reality. A weak Congress party cannot counter the BJP even in the 2024 Lok Sabha elections. The party leadership needs to come out of the cocoon it is settled in and take immediate steps to rejuvenate it.

Venu GS | Kollam

voice in favour of release of Perarivalan confirming that he had only been arrested and kept in jail for three decades only out of suspicion. Can anyone of those who are opposing the release of Perarivalan categorically state that he was involved in Rajiv's assassination with unambiguous and authentic evidence? Let us give the benefit of the doubt to Perarivalan at least now after he has been made to waste his entire youth in custody and allow him to spend the rest of his life peacefully with his mother.

Tharcus S Fernando | Chennai

THE GOOD MORNING HABIT

Sir — Reading newspapers early in the morning along with a cup of tea is still a morning trend in India. Although in many families, newspapers have been replaced by mobile phones, there are many who recognise newspapers as a more reliable source of information. People believe that anything available on the internet may be untrue and to cross-check people prefer

newspapers or any other printed source (magazines, letter, etc). A newspaper has more advantages than disadvantages while it is the other way round in the case of smart phones. Newspapers increase reading skills, vocabulary, general knowledge and don't affect one's eyesight.

We can get newspapers to update ourselves on various current issues and news from across the world. These are handy items, made of papers and, therefore, eco-friendly and easy to recycle. Most importantly, it is the easiest and cheapest source of information. Entertaining things like puzzles, stories and crosswords are also available in a newspaper. The Indian Readership Survey (IRS) reveals that newspaper readership at the end of Q1 of 2019 has grown to 425 million. The trust which the people have for print media can never be replaced by any other source.

QUAD LEADERS' SUMMIT
OUTCOMES FOR FUTURE

Maritime data sharing provides weather and waterway watch

KUMARDEEP BANERJEE

Prime Minister Narendra Modi was in Tokyo for the second in-person QUAD leaders' summit. He had bilateral discussions with Prime ministers of Japan and Australia and US President Joe Biden. It underscores the importance of the Indo-Pacific as the external strategy of the QUAD members. The apprehensions regarding the US losing focus on this crucial region due to Ukraine stand resolved. This group of 4 nations, though not a military alliance, shares common threat perceptions from China. Australia had pulled out from the group in 2007 as it was then in a tight embrace with China. However, an aggressive China in Australia's backyard, used military power to expand its territorial controls, forcing the Australians to get back into QUAD. The Tokyo summit saw a mint-fresh Australian Prime Minister Anthony Albanese attending the meeting in person along with his foreign minister. The QUAD political leaders expanded on their targets they had set out in their meetings since March 2021. One important outcome was announcement of Indo-Pacific Partnership for Maritime Domain Awareness (IPMDA). In a statement, the White House elaborated that IPMDA would provide for "faster, wider, and more accurate maritime picture of near-real-time activities in partners' waters. This common operating picture will integrate three critical regions-the Pacific Islands, Southeast Asia, and the Indian Ocean region-in the Indo-Pacific." Earlier a senior US administration offi-

cial had highlighted that maritime arrangement will allow countries "The ability to know what is happening in countries' territorial waters and in their exclusive economic zones." This cooperation could be one of the most significant outcomes from QUAD so far as it brings together all the QUAD partner countries together to share the data they collect individually about their maritime resources and far away islands and get a big picture. This data sharing could lead to early warnings for disasters, climate change incidents and most important be the eyes at the largest waterway in the world. It will keep an eye on illegal military interventions, illegal fishing activities and potentially criminal activities using the sea route. The QUAD leaders were categorical in stating the purpose as nonmilitary but at a level of sharing surveillance data amongst the coast guards. Any analyst would be able to pinpoint the actual reason behind this initiative is to contain China's aggressive illegal occupations and economic activities in many of the islands in the Indo Pacific region.

It is a shared concern for India, Australia and Japan. However, increasingly it has been a major issue of conflict for several countries in South and Southeast Asia which have felt bullied by China. The QUAD decision to make the shared data "unclassified" and therefore open for any country in the region, makes IPMDA an inclusive framework. The focus is on identification and working on cutting edge future technologies to collect the data and make it most meaningful for users. This could make QUAD a unique partner for many countries in the region, as they could fall back on QUAD data and intelligence for securing their maritime economic interests and prevent criminal activities in their backyard. Another key aspect of the recently concluded QUAD summit was the focus on cyber security vulnerabilities faced by each nation and sharing of information between the Computer Emergency Response Teams (CERT). It was also stated that "the Quad will improve software and Managed Service Provider (MSP) security by coordinating cyber security standards for Quad Governments' procurement of software." This should create a common framework for governments in each of the 4 nations to be effective in case of cyber-attacks on their critical infrastructure.

The world must unite for fighting inflation

To control inflation, decisions of all Central banks need some kind of real-time coordination, a mechanism for which needs to be worked out and activated

GOVIND BHATTACHARJEE

It seems that for the entire world, high inflation is going to be the new normal, at least for the foreseeable future. In April 2022, the IMF's World Economic Outlook predicted that during 2022, inflation will be at 5.7 percent in advanced economies and 8.7 percent in emerging markets and developing economies-1.8 and 2.8 percent higher, respectively, than its earlier projections in January. The unprecedented supply disruptions caused by the Russia-Ukraine War, now about to enter its fourth month, have been driving commodity prices for quite some time, and conditions are expected to deteriorate progressively.

Worsening supply-demand imbalances and further increases in commodity prices could lead to persistently high inflation at least in the medium term, which in turn would lead to a spiral of rising interest rates, higher wage demands and consequent fall in the profitability of companies forcing them to curtail production, leading in turn to still higher inflation and more losses in real wages. Post-pandemic, the world is already struggling for economic recovery while trying to manage much higher debt levels than before due to the expansionary fiscal policies triggered by the pandemic. Now the higher inflation would expose countries, especially the emerging markets and developing economies, to serious debt vulnerabilities, let alone building fiscal buffers.

The drivers of this rising inflation - the war, sanctions, lockdown in China due to a resurgence of Covid, and the massive supply-chain disruptions as a result of all these - are beyond the control of central banks. Hence monetary policies alone may not suffice to tame the menace of inflation, though the responses of different countries to such policies would vary depending on their conditions and the strength of their fundamentals. Governments would also be weary of reversing their expansionary fiscal policies which would translate into economic hardships for their people trying hard to recover from the losses suffered during the pandemic years. In the unfolding scenario, growth will likely take a back seat for the entire world for the time being.

In India, the retail inflation measured by the CPI had shot up to 7.8 percent in April 2022 from 7 percent in March, the highest in the last 8 years. While the urban inflation was 7.1 percent, the rural inflation soared to 8.4 percent. In the CPI basket, food and beverages carry a weightage of 45.9 percent and fuel another 6.8 percent; even if we take these out, the core inflation still remained at 6.5 percent, way above the RBI's inflation target of 6 percent at the upper band. Factory output also remained sluggish, with the index of industrial production (IIP) rising only by 1.9 percent in March 2022, down from the peak of 134.4 percent recorded in April 2021, mainly due to the low performance

IT IS STRANGE WHY THE RBI TOOK SO LONG TO ACT AND WHEN IT FINALLY DID, WHY IT HAD TO ACT IN SUCH AN ABRUPT MANNER THAT WAS SURE TO JOLT THE MARKET, LEADING TO PANIC SELLING BY FOREIGN INVESTORS LEADING TO SUSTAINED MAYHEM IN THE STOCK MARKET AND SEVERE EROSION IN THE VALUE OF THE RUPEE

(The author is a former Director General at the Office of the Comptroller & Auditor General of India and an academic. The views expressed are personal.)

of the manufacturing sector which has been hit hard by rising input prices and supply disruptions.

A part of the inflation is also imported, since more than 80 percent of our fuel and 60 percent of edible oil are imported from countries which are also facing severe inflation, and the inflated import bill is reducing our foreign exchange reserves which have come down to US\$ 598 billion providing an import cover of about 11 months in April 2022, from US\$ 635 billion in January 2022. The inflation figures are already exceeding 9 percent in certain states like West Bengal, Madhya Pradesh, Haryana and Telangana. The optimism of the Union Finance Ministry that the gradual recovery of aggregate demand was reducing the risk of sustained high inflation may be rather misplaced. Even the higher collection of GST as seen in the recent months may also be partly fuelled by the rise in prices of commodities rather than due to the expansion of economic activities.

Following the US Fed's 0.5 percent hike in inflation, the RBI has increased the repo rate as well as the CRR by 0.4 percent on 4th May. It is widely expected that there would be another steep hike in both the interest rate as well as the CRR in June. CRISIL Ratings has projected inflation to be around 6.3 percent for the current fiscal; it also expects the RBI to raise repo rates by another 0.75 percent to one percent during FY-2023. Economists and corpo-

rate leaders expect the interest rate to finally settle down around 5.5 percent by the mid FY-2023. Indeed, given the huge difference between the repo rate of 4.4 percent and the yield of 10-year G-Sec at above 7 percent which is a benchmark for interest rate in the economy, there is scope for still higher increases. But every increase in interest rate contracts the space for fiscal manoeuvrability of the government and growth becomes the ultimate casualty. Already the growth forecasts for India have been sliced by all agencies - RBI has itself lowered its growth projection to 7.2 percent in 2022-23, down from 7.8 percent it had earlier estimated.

The wholesale inflation measured by the WPI has been much higher than the CPI inflation throughout - it rose to a four-month high of 14.55 percent in March 2022 from 13.11 percent in February. Prices accelerated across all segments - 10.71 percent for manufactured products, 25.97 percent for basic metals, 34.52 percent for fuel and power, and 15.54 percent for primary articles, despite a marginal slowdown in the cost of food articles. On a monthly basis, wholesale prices increased by 2.69 percent in March, the most since the series began in 2004. The reason for such divergence between the WPI and CPI is partly due to the different weightages in their respective baskets - in the WPI basket, manufactured articles get 64.2 percent weightage which is much higher than in the CPI,

whereas primary articles get 22.6 percentage weightage, followed by 13.2 percent for fuel and power.

While the RBI considers retail inflation for its policy decisions, the wholesale price rises ultimately get reflected on the retail prices after a lag of a few quarters as companies tend pass on the burden to consumers. Thus, the high WPI inflation in March for primary articles is likely to get translated into still higher food prices which will affect the poor more than the rich, again belying the Finance Ministry's assumption that at the lower end of the economic strata, the impact of inflation is not as deep as at the upper end.

It is really strange why the RBI took so long to act and when it finally did so, why it had to act in such an abrupt manner that was sure to jolt the market severely, leading to panic selling by foreign investors leading to sustained mayhem in the stock market and severe erosion in the value of the rupee. The increase in interest rates could have been affected in a little more predictable manner, using the mechanism of regular MPC meetings. If inflation is to be controlled, decisions by all central banks need some kind of a real-time coordination, a mechanism for which needs to be worked out and activated without delay. The WTO, must also be involved simultaneously in the battle against inflation. Inflation is as bad as Covid if not worse, and only by coming together, the world can fight it effectively.

Arson exposes violent social underbelly of Konaseema

The violence was the result of longstanding community rivalries and discontent with the Govt rather than antagonism towards Ambedkar

What happened in Konaseema district in Andhra Pradesh on May 24 was unprecedented and totally unforeseen. Houses of a Minister for Transport, Pinipe Viswaroop, a Dalit, and MLA, P. Satish, a fisherman, were set on fire by a mob which also indulged in arson and vandalism in Amalapuram town. Violence broke out when the police attempted to prevent a procession taken out by Joint Action Committee (JAC) as part of 'Chalo Amalapuram' from meeting the district collector. Had the police allowed the protestors to submit their memorandum to the collector, things might have been different.

The JAC was formed to oppose the change of the district's name from Konaseema to Dr. B.R. Ambedkar Konaseema

RAMACHANDRA MURTHY KONDUBHATLA

(The writer is a senior journalist and Editor, primepost, a news website based out of Hyderabad. The views expressed are personal.)

District. People of Konaseema are sentimental about the name of their district. The movement for a separate district of Konaseema was on for many years. It acquired momentum with the State Government's decision to create Konaseema district and to add Ambedkar's name to it. Top leaders of major parties supported the proposal though many others, transcending party differences, privately opposed the change. Nara Chandrababu Naidu of the TDP and Pawan Kalyan of the Jana Sena Party gave their consent when YSRCP government sought their approval.

Konaseema district has a peculiar demographic picture. Kapus, Settibalijs and Dalits are the three dominant communities which are equally large, vocal and militant. There

used to be frequent clashes between the Kapus and Settibalijs as till 1993 when some leaders such as Gudipudi Prabhakara Rao brokered peace between the two warring communities. The two communities have not been quarreling ever since barring some isolated incidents. However, the Dalits have been at loggerheads both with the Kapus and

Settibalijs as who are part of the BCs. Konaseema district has one Lok Sabha seat (Amalapuram) and three (out of a total of seven) assembly seats reserved for SCs. Anuradha, an SC, is representing Amalapuram constituency in Lok Sabha. The Minister from the district Viswaroop is considered very close to YSR's family. Dalits are in command in the district and this is detested by Kapus and Balijias.

When AP Chief Minister Jagan Mohan Reddy visited Marumalla village near Amalapuram last week, Viswaroop had taken a delegation of Dalits to him. They submitted a memorandum requesting the Chief Minister to name Konaseema district after Baba Saheb Ambedkar. Jagan Mohan Reddy accepted

the request but wanted the opposition parties to approve the proposal. TDP and JSP leaders had welcomed the idea. A gazette notification was issued last week renaming the district as Dr. B.R. Ambedkar Konaseema District and it asked the people to let the government know within one month if anybody has any objection.

The GO was not openly opposed by any noted political leader. But WhatsApp messages were sent in their thousands by the general public, supporting or opposing the move. The Dalit protagonists were as aggressive as Kapus and Balijias. Viswaroop reportedly told the police to use force in dealing with the situation. The police had clamped Section 144 and Section 30 by way of preventive

measures. But the force which the protestors unleashed in a matter of hours was not foreseen by the police who were unprepared. They used lathis and fired in the air for five times to control the mob. Till 8 pm the street battles between the police and the protestors were going on. The police could bring the situation under control by late in the night. DIG Palraju (Eluru range) and four SPs have been camping at Amalapuram which remained peaceful on Wednesday. Extra forces have been rushed to the town. Forty-six persons have been taken into custody till Wednesday afternoon, according to DIG Palraju. He had spoken to community leaders. He appealed to the people to maintain peace and harmony. Konaseema which is

known for its greenery, coconut trees and high yielding crops, has all of a sudden exploded in the face of the police officials. Nothing of this sort had happened in the last four decades. Even at the time of Vangaveeti Mohan Ranga's murder in Vijayawada in 1989, the riots were all over coastal Andhra and only Kapus in Konaseema were involved in sporadic violence.

This time it was SCs versus all others. It was mostly the result of long-standing community rivalries and discontent with the present Government rather than antagonism towards Ambedkar. The dominant profile of Dalit leaders also added fuel to the fire. Former Speaker of Lok Sabha, GMC Balayogi, hailed from the same place.

Ex-Lankan PM questioned by CID over May 9 violence

PTI ■ COLOMBO

The Sri Lankan police have questioned former prime minister Mahinda Rajapaksa and recorded a 3-hour-long statement over the violent clashes between his supporters and anti-government protesters in the crisis-hit country that killed at least 10 people and injured over 200 others, according to a media report on Thursday.

On May 9, violence erupted in Sri Lanka after supporters of the 76-year-old former premier attacked peaceful anti-government protesters demanding his ouster over the country's worst economic crisis that led to acute shortages of staple food, fuel and power.

Over 200 people have also been injured in the violence in Colombo and other cities.

The Criminal Investigations Department (CID) has recorded a statement from Mahinda Rajapaksa on Wednesday over May 9 incidents at Kollupitiya and Galle Face Green, the official residence of the Sri

Lankan prime minister, the Daily Mirror website reported.

Police said the CID recorded a nearly three-hour-long statement from the former Prime Minister last evening at his residence in Colombo, the report added.

On May 23, a top bureaucrat of Sri Lanka's Ministry of Security who is in charge of

the police department resigned over his failure to curb the violent clashes.

Last week, Sri Lanka's CID also quizzed three members of the ruling SLPP parliamentary group over their alleged involvement in the clashes.

Two of their colleagues who were arrested previously have been remanded in cus-

tody till May 25.

On Friday, Namal Rajapaksa, a former minister and the son of Mahinda Rajapaksa also summoned and his statement was recorded.

Members of the ruling coalition government blamed Opposition party Janatha Vimukthi Peramuna for instigating the violence on May 9,

which was vehemently denied by the Marxist party.

The mob destroyed several tents and other structures erected at Galle Face and also attacked some of the demonstrators.

The violence saw arson attacks on the homes of several politicians, including the ancestral home of the Rajapaksas in Hambantota.

The properties of some 78 government parliamentarians faced arson in the ensuing attacks.

Sri Lanka has been witnessing large-scale protests against the government's handling of the debt-ridden economy -- the worst-ever economic crisis in the country's history.

The country of 22 million is grappling with unprecedented economic turmoil since its independence from Britain in 1948.

The crisis is caused in part by a lack of foreign currency, which has meant that the country cannot afford to pay for imports of staple foods and fuel, leading to acute shortages and very high prices.

Russia takes steps to bolster army, tighten grip on Ukraine

AP ■ KYIV

President Vladimir Putin issued an order Wednesday to fast track Russian citizenship for residents in parts of southern Ukraine largely held by his forces, while lawmakers in Moscow passed a bill to strengthen the stretched Russian army.

Putin's decree applying to the Kherson and Zaporizhzhia regions could allow Russia to strengthen its hold on territory that lies between eastern Ukraine, where Moscow-backed separatists occupy some areas, and the Crimean Peninsula, which Russia seized in 2014.

The Russian army is engaged in an intense battle for Ukraine's eastern industrial heartland, known as the Donbas. In a sign that the Kremlin is trying to bolster its stretched military machine, Russian lawmakers agreed to scrap the age limit of 40 for individuals signing their first voluntary military contracts.

A description of the bill on the parliament website indicated older recruits would be allowed to operate precision weapons or serve in engineering or medical roles. The chair of the Russian parliament's

defense committee, Andrei Kartapolov, said the measure would make it easier to hire people with "in-demand" skills.

Russian authorities have said that only volunteer contract soldiers are sent to fight in Ukraine, although they have acknowledged that some conscripts were drawn into the fighting by mistake in the early stages of the war.

Three months into Russia's invasion of the neighboring country, Putin visited a military hospital in Moscow and met with some soldiers wounded in Ukraine, the Kremlin said in a statement on its website.

Wednesday's event was the Russian leader's first publicly known visit with soldiers fighting in Ukraine since he

launched the war on Feb. 24. Ukrainian President Volodymyr Zelenskyy has visited wounded soldiers, civilians and children -- including at times when Russian troops were fighting on the outskirts of Kyiv.

A reporter for the state-run Russian TV channel posted a video clip on Telegram showing Putin in a white medical coat talking to a man in hospital attire, presumably a soldier. The man, filmed from behind standing up and with no visible wounds, tells Putin that he has a son. The president, accompanied by Defense Minister Sergei Shoigu, responds: "He will be proud of his father," before shaking the man's hand.

China's Foreign Minister starts Pacific tour in the Solomons

AP ■ WELLINGTON

China's Foreign Minister Wang Yi and a 20-strong delegation arrived in the Solomon Islands Thursday at the start of an eight-nation tour that comes amid growing concerns about Beijing's military and financial ambitions in the South Pacific region.

China says the trip builds on a long history of friendly relations

between Beijing and the island nations.

But Australia scrambled to counter the move by sending its own Foreign Minister Penny Wong to Fiji to shore up support in the Pacific. Wong had been on the job just five days following an Australian election and had just arrived back Wednesday night from a meeting in Tokyo.

In Fiji, Wong said it was up to each island nation to decide what

partnerships they formed and what agreements they signed, but urged them to consider the benefits of sticking with Australia.

"Australia will be a partner that doesn't come with strings attached nor imposing unsustainable financial burdens," Wong said. "We are a partner that won't erode Pacific priorities or Pacific institutions."

Meanwhile, the Media Association of Solomon Islands called

on its members to boycott a news conference in the capital, Honiara, held by Wang and his counterpart from the Solomon Islands, Jeremiah Manele, following a meeting between the pair.

That's because only selected media were invited to the event, and the schedule allowed for just a single question to be asked of Wang by China's state-owned broadcaster CCTV. "It's a tough call to make

regarding the media boycott for the press event on Thursday," wrote association president Georgina Keeka on Twitter. "Our protest is for our govt to see our disappointment. They have failed us & they failed to protect #democracy."

According to an official Chinese summary of the meeting, Wang told his counterpart that China would firmly support the Solomon Islands in its efforts to maintain national

security and territorial integrity, while Manele described the visit as historic and a "milestone in the relations" between the two countries.

China signed a security pact with the Solomon Islands last month in a move that sent shock waves around the world. That pact has raised fears that China could send troops to the island nation or even establish a military base there, not far from Australia. The Solomon Islands and

China say there are no plans for a base.

In another move by China, a draft document obtained by The Associated Press shows that Wang is hoping to strike a deal with 10 small Pacific nations during his visit. The sweeping agreement covers everything from security to fisheries and is seen by at least one Pacific leader as an attempt by Beijing to wrest control of the region.

'Horrifying' conspiracy theories swirl around Texas shooting

AP ■ PROVIDENCE

By now it's as predictable as the calls for thoughts and prayers: A mass shooting leaves many dead, and wild conspiracy theories and misinformation about the carnage soon follow. It happened after Sandy Hook, after Parkland, after the Orlando nightclub shooting and after the deadly rampage earlier this month at a Buffalo grocery store.

Within hours of Tuesday's school shooting in Uvalde,

Texas, another rash began as internet users spread baseless claims about the man named as the gunman and his possible motives. Unfounded claims that the gunman was an immigrant living in the U.S. illegally, or transgender, quickly emerged on Twitter, Reddit and other social media platforms. They were accompanied by familiar conspiracy theories suggesting the entire shooting was somehow staged.

The claims reflect broader problems with racism and intolerance toward trans-

gender people, and are an effort to blame the shooting on minority groups who already endure higher rates of online harassment and hate crimes, according to disinformation expert Jaime Longoria.

"It's a tactic that serves two purposes: It avoids real conversations about the issue (of gun violence), and it gives people who don't want to face reality a patsy, it gives them someone to blame," said Longoria, director of research at the Disinfo Defense League, a non-profit that works to fight racist misinformation.

In the hours after the shooting, posts falsely claiming the gunman was living in the country illegally went viral, with some users adding embellishments, including that he was "on the run from Border Patrol."

"He was an illegal alien wanted for murder from El Salvador," read one tweet liked and retweeted hundreds of times. "This is blood on Biden's hands and should have never happened."

The man who authorities say carried out the shooting, 18-year-old Salvador Ramos, is a U.S. Citizen, Texas Gov. Greg Abbott said in a news conference on Tuesday.

Moody's slashes India's economic growth forecast

New Delhi: Moody's Investors Service on Thursday slashed India's economic growth projection to 8.8 per cent for 2022 from 9.1 per cent earlier, citing high inflation.

In its update to Global Macro Outlook 2022-23, Moody's said high-frequency data suggests that the growth momentum from December quarter 2021 carried through into the first four months this year.

However, the rise in crude oil, food and fertilizer prices will weigh on household finances and spending in the months ahead. Rate hike to prevent energy and food inflation from becoming more generalized will slow the demand recovery's momentum, it said.

"We have lowered our calendar-year 2022 growth forecast for India to 8.8 per cent from our March forecast of 9.1 per cent, while maintaining our 2023 growth forecasts at 5.4 per cent," Moody's said.

Strong credit growth, a large increase in investment intentions announced by the corporate sector, and a high budget allocation to capital spending by the government indicate that the investment cycle is strengthening.

"But unless global crude oil and food prices rise further, the

economy seems strong enough to maintain solid growth momentum," Moody's added.

For 2022 and 2023, it projected inflation to be around 6.8 per cent and 5.2 per cent, respectively.

A rise in prices across all items from fuel to vegetables and cooking oil pushed WPI or wholesale price-based inflation to a record high of 15.08 per cent in April and retail inflation to a near eight-year high of 7.79 per cent.

High inflation prompted the Reserve Bank to hold an unscheduled meeting to raise the benchmark interest rate by 40 basis points to 4.40 per cent earlier this month.

In November last year, Moody's had projected a 9.3 per cent economic growth for India in the ongoing fiscal year (April-March).

Earlier this month, S&P Global Ratings had cut India's growth projection for 2022-23 to 7.3 per cent, from 7.8 per cent earlier, on rising inflation and longer-than-expected Russia-Ukraine conflict.

In March, Fitch had cut India growth forecast to 8.5 per cent, from 10.3 per cent, citing sharply high energy prices on account of Russia-Ukraine war.

The World Bank in April

slashed India's GDP forecast for 2022-23 to 8 per cent from 8.7 per cent predicted earlier, while IMF has cut the projection to 8.2 per cent from 9 per cent.

Asian Development Bank (ADB) has projected India's growth at 7.5 per cent, while RBI last month cut forecast to 7.2 per cent, from 7.8 per cent, amid volatile crude oil prices and supply chain disruptions due to the ongoing Russia-Ukraine war.

In its report on Thursday, Moody's said it has lowered its global growth projections and raised inflation forecasts for 2022 and 2023 on account of several negative factors.

The main drivers of the slowing economic momentum are ongoing supply shocks that are stoking inflation and eroding consumer purchasing power, and a shift towards more hawkish monetary policy globally, accompanied by financial market volatility, asset repricing and tighter credit conditions.

Stating that the post-pandemic economic recovery faces a complex set of challenges, it said several cross-currents have hit the global economy all at once, and will slow growth more significantly than it envisaged only a few months ago. **PTI**

Sensex halts 3-day decline, rebounds over 500 pts amid F&O expiry

Mumbai: Equity benchmarks mustered gains for the first time this week on Thursday as investors piled into the recently-battered metal, bank and IT stocks amid expiry of monthly derivative contracts.

Snapping its three-session losing streak, the 30-share BSE Sensex rallied 503.27 points or 0.94 per cent to settle at 54,252.53.

On similar lines, the broader NSE Nifty gained 144.35 points or 0.90 per cent to end at 16,170.15.

Tata Steel topped the Sensex gainers' chart, rallying 5.27 per cent after its recent rout, followed by SBI, HDFC Bank, Axis Bank, Nestle India, HDFC, ICICI Bank, TCS and Wipro.

In value terms, HDFC twins and ICICI Bank accounted for over half of the benchmark's gains.

In contrast, Sun Pharma, Reliance Industries, Hindustan Unilever, Larsen & Toubro, Dr Reddy's and Bajaj Finance were the laggards, losing up to 1.16 per cent.

The market breadth was in favour of the bulls, with 24 of the 30 Sensex stocks closing in the green.

"Markets witnessed healthy short covering towards the closing hours that helped

key indices to reverse the 3-day losing streak. With the US FOMC minutes out of the way now, market is more or less getting prepared for the likely rate hikes, and hence we saw strong buying on the futures and options (F&O) expiry day.

"While we may see bouts of selling going ahead due to other negative factors like higher inflation, continuous FII selling, and Russia-Ukraine conflict, relief rallies will still be seen amidst volatility," said Shrikant Chouhan, Head of Equity Research (Retail), Kotak Securities Ltd.

Vinod Nair, Head of

Research at Geojit Financial Services, said after the heavy sell-off recently, market showed signs of exhaustion and can rebound for the short to medium-term.

"Technically, the broad market is in the oversold territory and fundamentally valuations are just below the three-year average. A key reason for the current correction is selling by FIIs and a reduction in domestic buying. A drop in FIIs selling will be an important reason for the bounce. **PTI**

SBI economists peg Q4 GDP growth at 2.7%, FY22 expansion at 8.5%

Mumbai: Upcoming release of official data for economic performance is likely to register a 2.7 per cent growth for the January-March period, and the FY22 growth is expected to be 8.5 per cent, economists at SBI said on Thursday.

They were, however, quick to add that it is difficult to comprehend the numbers due to the spate of revisions that we have seen till now and termed this situation as a forecaster's nightmare.

"We ...Believe the GDP projection for Q4 FY22 is clouded by significant uncertainties. For example, even a one per cent downward revision in Q1 GDP estimates of FY22 from 20.3 per cent, all other things remaining unchanged, could push Q4 GDP growth to 3.8 per cent," they noted.

Official data on the economy is expected to be released on May 31.

The Central Statistics Office (CSO) had projected Q4 GDP at Rs 41.04 lakh crore and FY22 real GDP growth at Rs 147.7 lakh crore, an improvement of 1.7 per cent over pre-

pandemic levels, they said, adding that the 'SBI Nowcasting model' with an unchanged quarterly numbers pegs the growth rate of Q4GDP at Rs 40 lakh crores, that is lower by Rs 1 lakh crore from the CSO preliminary projections. "We believe that downward adjustments in Q1, Q2 and Q3 numbers could have a soothing impact on Q4 GDP numbers. Every Rs 10,000 crore revision adds/subtracts 0.07 per cent from GDP growth," the note said.

Early trends for the March quarter results from listed corporates reported better growth numbers across parameters, as compared to the year-ago period, with a contraction in operating margin due to higher input cost, it said.

RBI reduces net-worth requirement for non-bank Bharat Bill Payment units to ₹25 cr

Mumbai: The RBI on Thursday eased norms for non-bank entities to set up Bharat Bill Payment operating units by reducing the net-worth requirement to Rs 25 crore, with a view to encourage more players in the segment.

At present, a net worth of Rs 100 crore is required to obtain authorisation for a non-bank BBPOU (Bharat Bill Payment Operating Units).

Bharat Bill Payment System (BBPS) is an interoperable platform for bill payments and the scope and coverage of BBPS extends to all categories of billers who raise recurring bills.

"...The minimum net-worth requirement for non-bank Bharat Bill Payment Operating Units (BBPOUs) stands reduced to Rs 25 crore," the Reserve Bank of India said in a circular.

Users of BBPS enjoy benefits like standardised bill payment experience, centralised customer grievance redressal mechanism and prescribed

customer convenience fee.

The requirement of ₹100 crore net worth for a non-bank BBPOU to obtain authorisation was viewed as a constraint to greater participation, it had said.

To increase participation, the RBI had decided to align the net worth requirement of non-bank BBPOUs with that of other non-bank participants which handle customer funds (like payment aggregators) and have a similar risk profile. **PTI**

Tata Power Renewable Energy commissions 100 MW solar project in Maha

New Delhi: Tata Power Renewable Energy on Thursday announced the commissioning of a 100 MW solar project for Maharashtra State Electricity Distribution Company Ltd at Partur in Maharashtra.

"Tata Power Renewable Energy Ltd (TPREL), one of India's largest renewable energy companies and a wholly-owned subsidiary of Tata Power, has commissioned 100 MW project for Maharashtra State Electricity Distribution Company Limited (MSEDCL) in Partur, Maharashtra," a company statement said.

According to the statement, the installation comprising over 4,11,900 monocrystalline PV modules is expected to reduce around 234 million tonnes of CO2 annually. The project was executed by Tata Power Solar Systems Limited, an arm of Tata Power, within the stipulated timeline of three-and-a-half months on 600 acres of land.

"Commissioning of MSEDCL project in such a short time frame is a testimony to Tata Power's extraordinary project execution capabilities. It would help Maharashtra contribute to India's renewable energy ambitions by increasing the share of renewable energy in the state's overall energy mix," said Praveer Sinha, CEO & MD, Tata Power. **PTI**

Gold declines ₹241 amid weak global trends

New Delhi: Gold in the national capital on Thursday fell by ₹241 to ₹50,671 per 10 grams, reflecting a decline in international precious metal prices, according to HDFC Securities.

In the previous trade, the precious metal settled at ₹50,912 per 10 grams.

Silver, however, grows ₹87 to ₹61,384 per kg from ₹61,297 per kg in the previous trade.

In the international market, gold was trading lower at USD 1,848 per ounce and silver was flat at USD 21.85 per ounce. **PTI**

Centre forcing States to buy imported coal as cover-up of short supply of dry fuel: AIPEF

New Delhi: All India Power Engineers Federation (AIPEF) on Thursday alleged that the Centre is encroaching upon states' authority and forcing them to buy imported coal to cover-up of its own inefficiencies in supplying domestic dry fuel to thermal plants.

The power ministry's directions issued earlier this month to generating companies is pushing states to import coal to increase blending to supplement domestic coal to offset the short supply of the dry fuel by Coal India Ltd, AIPEF said in a statement.

The ministry has also asked all imported coal-based power units to run at full capacity and said that the upward revision of tariff will be issued by a committee.

"The central government is encroaching on the state authority and forcing them to buy imported coal to cover up its own inefficiencies in supplying domestic coal to thermal plants," AIPEF spokesperson V K Gupta alleged. **PTI**

GUJARAT CELEBRATES WORLD BEE DAY

To attract and enhance the relationship with global markets, the Government of India and State Governments are working to improve the quality of honey and collaborating and focusing on beekeeper capacity-building through the use of scientific techniques

To mark the occasion of World Bee Day, a national level function was held in Tent City-II, Ekta Nagar, Narmada, Gujarat on May 20, 2022. It was celebrated with great fervour. The Union Agriculture and Farmers' Welfare Minister Narendra Singh Tomar mentioned that the Government is working hard under Prime Minister Narendra Modi's leadership to bring about a Sweet Revolution in the country.

He also stated that Modi's goal is to empower small farmers and approximately 55 per cent of India's population lives in rural areas and that the country will progress only when the rural population improves.

With virtually inaugurating honey testing laboratories and processing units at several places like Pulwama, Bandipur and Jammu in Jammu and Kashmir; Tumkur in Karnataka; Saharanpur in Uttar Pradesh; Pune in Maharashtra and Uttarakhand, he also opened an exhibition at the event venue.

Under the centrally-funded National Beekeeping Honey Mission which aims to establish five large regional and 100 small honey and its byproducts testing laboratories, three world-class laboratories have already been established. 25 other small laboratories are on the verge of getting established. The Government is also assisting in the establishment of these processing units.

In India, more than 1.25 lakh metric tonnes of honey is produced and more than 60,000 metric tonnes of natural honey is exported. To attract and enhance the global market relationship, the GoI and the State Governments are working to improve the quality of honey and are collaborating and focusing on beekeeper capacity building through the use of scientific techniques.

Tomar also travelled back in time when Modi was the Chief Minister of Gujarat to recall how he paved a new way for the State's development. His administration remained committed to the development of Gujarat's poor and small farmers. The State performed well under his leadership in terms of reducing poverty, creating jobs, developing health facilities and making irrigation accessible for farmers.

During the programme, farmers from various States interacted with Tomar and other dignitaries sharing their stories about how beekeeping has increased their income.

Minister of State for Agriculture and Farmers' Welfare Kailash Choudhary, stated that the Government has provided farmers with the necessary resources as well as new technology through various beekeeping schemes and is developing a mission mode to promote beekeeping in order to increase

farmer income. According to Choudhary, Modi has worked tirelessly for the betterment of farmers.

Ambassador of the Republic of Slovenia Mateja Vodeb; Konda Reddy Chavva, FAO Representative in India; Manoj Ahuja,

Secretary, Department of Agriculture and Farmers' Welfare (DA&FW); Dr AbhilakshLikh, Additional Secretary, DA&FW; Dr Prabhat Kumar, Horticulture Commissioner, DA&FW; Meenish Shah, Chairman, National Dairy Development

Board, senior officers of Ministry of Agriculture and Farmers' Welfare and Government of Gujarat and large number of farmers/beekeepers and stakeholders associated with honey production took part in the event.

GAIL inaugurates Gas Receiving Station in Bathinda

Taking a major step to ensure availability of natural gas for large customers, GAIL (India) Limited has laid a dedicated pipeline to supply the fuel to HPCL Mittal Energy Ltd's (HMEL) refinery in Bathinda.

The Gas Receiving Station for the pipeline was inaugurated on May 21 by Prabh Das, Managing Director and CEO, HMEL in the presence of

Manoj Jain, Chairman & Managing Director, Deepak Gupta, Director (Projects) from GAIL and Vartika Shukla, Chairman & Managing Director, Engineers India Limited.

The dedicated pipeline, laid at a cost of ₹142 crore, will supply 1 MMSCMD gas to HMEL.

The 44.26 km pipeline of 12 inch diameter is a spur line of the 500 km Dadri - Bawana - Nangal Pipeline (DBNPL).

The DBNPL is a part of the National Gas Grid and runs from Dadri (Uttar Pradesh) through Yamunanagar (Haryana) to Nangal (Punjab) to meet the energy demand of these northern States.

SRM signs MoU with DSSC

SRM Institute of Science and Technology, Kattankulathur has signed a Memorandum of Understanding (MoU) with Defence Services Staff College (DSSC), Wellington, an Armed Forces Training Institution of the Ministry of Defence, Government of India.

MoU's primary aim is to provide migration facilities for Armed Forces Officers posted as faculty in DSSC by SRMIST leading to the award of PhD in programmes like Defence and Strategic Studies, Disaster Management, Communication, Economics,

International Relations, Logistics, Cyber Warfare, Electronics, Weapon Technology and Defence Budgeting, among others.

Commandant Lt Gen S Mohan, AVSM, SM, VSM represented DSSC. Vice Chancellor Dr C Muthamizhchelvan and Registrar Dr S Ponnusamy, among others appeared for SRMIST.

Dr Muthamizhchelvan said: "Through this officers of DSSC can pursue masters as well as PhD programmes that are offered here."

HWWA organises a talk programme for mothers

Himveer Weavers Welfare Association (HWWA) paid respect towards mothers by holding a special talk programme on mother's role in shaping the future of the families.

Wrestler Geeta Phogat and Everest Santosh Yadav were the guests of honour on the occasion.

This special motivational talk was organised by HWWA at the ITBP Force Head Quarters, New Delhi, where

programme through the online medium. Both Geeta Fogat and Santosh Yadav shared their struggle and success stories with memorable instances of their lives, especially their experience with their dedicated mothers who shaped their personalities.

Arora welcomed the guests of honour on the occasion and elaborated on steps being taken by HWWA for the welfare of families of the Force. She said that the role of mothers in the security forces personnel families is more important to shape the future of the children.

Shikha Srivastava, Vice Chairperson 'HWWA' and other senior members of 'HWWA' were also present on the occasion.

A free BYJUs online e-learning programme in association with Smiles Foundation was also inaugurated on the occasion. The ITBP wards from class 4th to 12th can be enrolled through the programme to have free education for three years with this initiative.

BHEL back in the black in FY 21-22

Bharat Heavy Electricals Limited (BHEL) has bounced back into the black in fiscal 2021-22 despite the second wave of COVID impacting Q1 operations severely.

Due to a strong focus on speeding up execution, cost control, prudent resource management, and improving service and quality standards, the company has not only achieved break-even in FY 21-22 but has also strengthened its balance sheet.

While revenue from operations surged 24 per cent to ₹21,211 crore, against ₹17,308 crore in the previous year, the company achieved a Profit Before Tax (PBT) of ₹437

core against a loss of ₹3,612 crore in the year before.

Overall, the company achieved an EBIDTA of ₹1,100 crore. This has been achieved despite tremendous pressure on margins due to a sharp spike in metal prices and increase in other material & fuel costs. Profit After Tax stands at ₹410 crore against a loss of ₹2,717 crore in the previous year. Notably, the company has declared a dividend of 20 per cent for FY 2021-22, after a span of three years.

This performance is a result of a shift in focus towards project centric operations over the last couple of years, with the company

NTPC's Girl Empowerment Mission touches newer heights of success

Girl Empowerment Mission (GEM), the flagship CSR initiative of NTPC Ltd in empowering young girls to realise their dreams, has achieved the newer heights of success.

NTPC Ltd, India's largest integrated energy company, has received widespread acclaim for supporting the upliftment of girls with focus on girl children from the villages around NTPC projects. Further, it is planning to conduct its GEM initiative in about 35 project locations during this year.

The GEM programme has empowered girls from across the country and made them aware of basic education, health and self-defence. With this initiative, NTPC aims to help these girls break the glass ceiling and dispel the misconception about female foeticide in rural areas. The initiative has created a space for the children to showcase their talents and capabilities.

As a responsible corporate citizen, NTPC started the Girl Empowerment Mission back in 2018 and contributed to the empowerment of unfortunate girls in the vicinity of its project locations. By 2019, the Girl Empowerment Mission bene-

fitted 2,300 girls across 20 project locations. NTPC oversaw the enrolment of girl students between the age of 10-12 years from different locations such as Dadri, Korba, Farakka, Sipat, Singrauli, Kawas, Ramagundam, Simhadri and other project areas.

The girls students have gotten exposed to not only academics but also yoga, self-defence, fine arts and much more. These girls have imbibed a creative mind set and also learnt the importance of team spirit.

GEM ensures that the girl child grows into a well-rounded adult with ample curiosity and quality communication and social skills. Additionally, it motivates the girl child to nurture their creativity, sharpen psychological, social and emotional growth, and makes learning a lively, engaging, and impactful experience.

Since its inception, the company has laid focus on creating pioneering Corporate Social Responsibility (CSR) practices that have had a permanent sustainable impact on the lives of the people. NTPC will continue to spearhead such initiatives and touch the lives of the marginalised people and ensure that they live their lives with dignity.

POWERGRID acquires KNTL through TBCB

POWERGRID has acquired the Project Special Purpose Vehicle (SPV) — Khetri Narela Transmission Limited after emerging successful in the Tariff Based Competitive Bidding (TBCB) conducted as per the guidelines notified by Government of India.

The transmission project, which is being established under Build, Own, Operate and Maintain basis would help in evacuation of renewable power from 8.1 GW Phase-II solar energy zones in Rajasthan to Delhi, northern region of the country.

The project includes 765 kV Gas Insulated Substation (GIS) in Delhi and establishment of 765 kV D/C Transmission lines passing through the States of Rajasthan, Haryana and Delhi with each line having a capacity to transfer about 4000 MW of power.

The project will benefit industries, households and businesses, boosting the economic development of the country in totality. It will augment the transmission infrastructure to evacuate green energy thereby reducing dependency on fossil fuels, in line with Government of India's vision of achieving 500 GW capacity from non-fossil sources by 2030.

POWERGRID posts Profit After Tax of ₹16,824 crore

Power Grid Corporation of India Limited (POWERGRID), a Maharatna company under Ministry of Power, Government of India, has announced a PAT of ₹4,156 crore for Q4FY22 on a consolidated basis which is 18 per cent increase over Q4FY21. The total income for Q4FY22 was ₹11,068 crore compared to ₹10,816 crore in the Q4 of the previous year. On a consolidated basis, the company posted PAT of ₹16,824 crore and total income of ₹42,698 crore for FY22 registering a YoY growth of 40 per cent and five per cent, respectively.

The company has proposed a final dividend of 22.5 per cent in addition to first & second interim and special dividends aggregating to 125 per cent already paid for FY22.

Celebrating SAIL's golden jubilee

Steel Authority of India Limited (SAIL), the Maharatna steel-making public sector unit celebrated the company's 50 years of incorporation this year.

SAIL's legacy of 50 years was celebrated with the launch of a new commemorative logo and will be followed by several events to be held all across the company throughout the year. The design of the commemorative logo retains the essence of SAIL's company logo while bringing out the spirit of 50 years of journey of this company. The logo was launched by Soma Mondal, Chairman, SAIL, in presence of the company's directors on May 23, 2022.

This feat is a testimony of the company's sustained efforts and initiatives in ensuring better stakeholders' engagement and contribution in nation building over the years.

Northern Railway to set up Gati Shakti unit in Delhi division

In order to fast track the construction work required by divisions for removing infrastructure bottlenecks and improving mobility of passenger and freight trains, Northern Railway is setting up Gati Shakti Units in selected divisions at present. First of this unit in the Northern Railway is to be set up in the Delhi Division.

With the opening of the dedicated GS unit at Delhi Division, the Hon'ble PM's National Master Plan for multimodal Connectivity, Gati Shakti, will get impetus.

A meeting was held by Ashutosh Gangal, General Manager, Northern Railway at New Delhi on May 20. The principal heads of the department involved with the Gati Shakti Plan and the Divisional Railway Manager of Delhi divi-

sion were present in the meeting.

The technical, administrative and financial modalities for setting up the unit along with organisational set-up were discussed in detail. Railways will also seek opinions from industry and established experts for design checking, testing of material, site tests and for conducting surveys.

The Gati Shakti Unit has a committee of personnel from the Engineering, Signal & Telecommunication and Finance departments. The unit will be headed by DRM Delhi. With the coming together of all the involved departments, the processes of requisite infrastructure creation will be expedited.

Speed of passenger trains is being improved in sections over

the Northern Railway. Recently, trains have been speeded up to 130 Km/hr in New Delhi-Ludhiana and New Delhi-Palwal sections.

Infrastructure upgrade for providing better services to the rail users has been the focus of NR.

Several new line projects are on-going which will provide rail connectivity to hinterlands. ROBs and RUBs are being constructed instead of LC gates to facilitate rail/road traffic.

33 pairs of trains have been given a traction change from diesel to electric in the last financial year as this will significantly improve mobility of the trains.

Yards over the zone are being improved and re-modelled for better maintenance and operations of trains.

I think it's quite obvious - the reasons why we didn't win. We let ourselves down in the field. Dropping easy catches never helps. Difference was obviously Patidar playing such a knock. — KL RAHUL

ROYAL BATTLE

On a roll, RCB fancy their chances against Rajasthan in Qualifier 2

PTI ■ AHMEDABAD

Rajasthan Royals will need to shake off an ordinary bowling performance in their last outing when they clash with Royal Challengers Bangalore, a team which seems to be peaking at the right time, in the high-stakes IPL Qualifier-2 here on Friday.

Having sneaked into the play-offs, RCB are on a roll and a tight win over Lucknow in the Eliminator has fuelled expectations for a long-awaited trophy.

They take on Rajasthan, a team which has all bases covered but still came up short against Gujarat in Qualifier 1.

The IPL caravan moves to Ahmedabad after a couple of high-scoring games in Kolkata.

It has been a quick turnaround for RCB but they won't mind that as they look to ride the momentum.

"The best thing is that we have one day and we play again. Cannot wait to be in Ahmedabad and take the field again. We are so excited and happy with how things have gone. Hopefully, two more games and we all can celebrate," star RCB batter Virat Kohli told the IPL website after the win over LSG.

Rajasthan vs Bangalore
Live from 7:30pm IST
STAR SPORTS 1 NETWORK

Rajat Patidar, who played the innings of his life on Wednesday, will be a man with supreme confidence in another high-pressure knockout fixture.

For someone who went unsold in the IPL auction and came into the RCB squad as a replacement player, it has been a career-changing season for him.

Both the high-profile openers, Kohli and Faf du Plessis, are big match players and will be itching to make an impact after low returns in the previous game.

Dinesh Karthik has managed to maintain consistency in a tough role and the team management would be also hoping for more runs in the back end of the innings from Glenn Maxwell.

The team is likely to stick to the winning combination. While Wanindu Hasaranga has shown the courage even when he has been taken to the cleaners, Harshal Patel has been the go-to pacer in slog overs. Mohammad Siraj returned

for the LSG game and bowled well with the new ball. Josh Hazlewood enhanced his reputation as a death bowler with a match-deciding penultimate over and with the addition of a yorker in his armoury, has only become tougher to score of.

RCB bowlers will have to be on the top of their game against a formidable Rajasthan batting line up which rely heavily on Jos Buttler and skipper Sanju Samson. Both scored against Gujarat but it did not prove to be enough.

Samson will be eager to convert his 30s and 40s into a substantial knock and lead from the front.

It remains to be seen how the bowlers come back after a forgettable outing. R Ashwin had a rare off day against Gujarat while Prasidh Krishna paid the price for bowling length balls to David Miller in the final over.

I don't shy away from bowling in slog overs: Harshal

PTI ■ KOLKATA

RCB seamer Harshal Patel does feel the nerves while bowling in the death overs but says he wants to be in those extreme pressure situations game after game.

The 31-year-old, who represents Haryana at the domestic circuit, has been the most improved bowler in the recent past and has cleverly used his variations to get the better of batters in the death overs.

Harshal also enhanced his reputation as a 'death overs specialist' in the IPL Eliminator against LSG.

"Whether I would be able to deliver or not, I don't really know, I can't say. But I want to be in those situations, there is no doubt about that," Harshal said after inspiring the team to a 14-run win over LSG on Wednesday.

"I have been wanting to do that for the past two-three years, I have been doing that for Haryana, and I wanted to do it at the bigger stage

and I will continue to put myself in those situations, sometimes it is going to come off, sometimes it is not going to come off.

"There will be games where I will end up losing for the team and I am okay with that as long as I don't shy away from challenges," said Harshal.

On Wednesday, while defending 208 against Lucknow Super Giants, Harshal bowled a tidy spell of 2-0-8-0 in the middle overs.

But with KL Rahul and hard-hitting Marcus Stoinis looking to break free at the death, the seamer was summoned to bowl the 18th over with 41 runs to defend.

"First of all, yes, I was nervous, there is no doubt about that. If you are defending 35 off 18 balls, then you're going to be nervous around it.

"I knew when I gave away six runs without bowling a ball — gave away those wides, I knew that the wide yorker won't work.

"So I thought what worked for me in the first two overs, I want to go back to that and give myself the best opportunity to get KL (Rahul) and Stoinis out. Fortunately, I got Stoinis out at the boundary," he said.

Harshal, who had bagged 32 wickets for RCB last season, once again has been their bowling backbone and has 19 wickets from 15 matches in this IPL.

Meghana, Rodrigues propel Trailblazers to 190/5

PTI ■ PUNE

Batting duo of Sabbhini Meghana and Jemimah Rodrigues slammed scintillating fifties to propel Trailblazers to 190 for five against Velocity in a must-win Women's T20 Challenge match here on Thursday.

Meghana, who was left out of their opening game, smashed a strokeful 73 off 47 balls en route to a 113-run partnership off 73 balls with Jemimah Rodrigues (66 off 44 balls) to set the foundation.

Hayley Matthews (27 off 15) and Sophia

Dunkley (19 off 8) provided the late charge as the defending champions scored the highest total in the history of the tournament.

The only team to open their account yet, Trailblazers came into the match need a huge win to qualify for the finals. They will have to restrict Velocity within 158 to make the summit clash.

Sent into bat, Meghana took the responsibility to steer the team after Trailblazers lost skipper Smriti Mandhana (1) early.

The 25-year-old from Andhra Pradesh, who was dropped at 16 and 63, displayed her big-hitting skills, clobbering seven fours and four maximums.

Rodrigues too had seven hits to the fence and one six in her 44-ball innings.

Velocity was extremely sloppy on the field as their butterfingers dropped as many as four catches -- two in Simran Bahadur's over.

Meghana produced two good hits down the ground off Kate Cross but the bowler returned to dismiss Mandhana with Simran taking an easy catch.

Cross could have added Meghana's wicket to her list but Sneha Rana dropped her at the point.

Rodrigues then slammed two fours off Deepti Sharma as Trailblazers scored 47 for 1 in the powerplay.

Meghana took apart the attack, dispatching Radha Yadav for two sixes -- one an inside out shot over covers and the second one over the bowler's head -- en route to her fifty in the 10th over.

Rodrigues too played some exquisite shots and reached her fifty in the 14th over off 30 balls.

We were trying to hit boundaries but RCB bowled well: Rahul

PTI ■ KOLKATA

When Mark Zuckerberg famously said: "The biggest risk is not taking any risk", KL Rahul ought to have paid attention.

The India player is too good a batter to not take on the bowlers at any stage of a game, but his conservative middle-

overs approach did not help Lucknow Super Giants' cause in the eliminator against Royal Challengers Bangalore.

"At the end of the game, the LSG skipper acknowledged that "two big hits" would have probably done the job for his team in a chase of 208.

"Yes, I think now, looking back, yes, it was just about two

big hits in the middle overs and that could have gotten us over the line," Rahul said in the post-match press conference here.

There was a seven-over period after the powerplay during which Rahul managed to hit just one boundary.

Rahul was in red-hot form this season with two centuries and four fifties, but his approach

One of best innings I've ever seen under pressure: Kohli on Patidar

PTI ■ KOLKATA

Batting stalwart Virat Kohli says Rajat Patidar's match-winning century in the IPL Eliminator was one of the best innings produced under pressure.

Little-known Patidar from Indore slammed a 54-ball 112 not out to single-handedly win the IPL Eliminator for Royal

Challengers Bangalore on Wednesday night here.

"That was one of the best innings I've ever seen under pressure by Rajat Patidar, and I've seen many," Kohli, who had added 66 with Patidar, said on RCB's Game Day segment.

"That level of striking in this game is some level of batting. Watch out for him!" he said.

while chasing is something he needed to work on. The IPL debutants lost five of their seven matches while chasing.

"We won a few games but generally overall we did not do well chasing. It's something that we need to learn," Rahul said.

"For me, I think this season has been like every other season, has been a good learning experience. "We, as a team as well, it's been a very challenging season. We've learned a lot."

Rahul, who is only the second batter this IPL to go past 600 runs, scored 79 off 58 balls on Wednesday, which was not enough in their stiff chase.

"I've really done well in other seasons, and I enjoy chas-

ing. Yeah, you become successful and at times you fail," Rahul said after the 14-run loss.

"But it's a team game and the team has really stepped up even when we're chasing," he added.

Rahul, who will lead India in the upcoming five-match T20 series against South Africa next month in the absence of Rohit Sharma, has been in imperious form this season, with 616 runs from 15 matches at an average of 51.33.

But his stats while chasing give an altogether different picture.

He has scored just 191 runs from seven innings while batting second, with an average of 27.28 at a strike-rate of 113.01.

Langer hits out at politics in CA

PTI ■ PERTH

Former Australia coach Justin Langer has slammed the politics in the national cricket board as he opened up on his messy departure from the top job, specifically hitting out at interim chairman Richard Freudenstein.

In February, the 51-year-old stepped down as the senior men's team coach after rejecting a six-month contract extension, having hoped for a multi-year deal after overseeing a successful T20 World Cup campaign and an Ashes triumph.

The day after quitting his job, Langer had a heated conversation with Freudenstein.

Several Australian legends, including Mark Waugh, Adam Gilchrist, Ricky Ponting, Steve Waugh, Matthew Hayden and the late Shane Warne, came to their former teammate's defence and questioned Cricket Australia (CA) for the treatment meted out to Langer.

"The first thing he (Freudenstein) said to me was, 'It must make you feel so good that all your mates are support-

ing you in the media," Langer told a Chamber of Commerce and Industry WA event in Perth.

"I said, 'Yeah it is, acting chairman, but with all due respect, those mates are also the all-time greats of Australian cricket. They are the fabric of Australian cricket. They are work all around the world in cricket."

"So yeah, I'm glad my mates are looking after me. Imagine if you had have."

"Ironically, the last six months of my coaching career

were the most enjoyable period of 12 years of coaching. Not only did we win everything, but I had energy, and I had focus, and I was happy - besides the bull**** politics.

The former Australia opener also clarified he had never spoken to anyone about taking the England coaching job after the sacking of Chris Silverwood.

Langer's departure coincided with the sacking of Silverwood, and the Australian's name was immediately linked to the England coaching position.

The former Australia opener also said he had never spoken to anyone about taking the England coaching job after the sacking of Chris Silverwood.

"I've never spoken to English cricket," Langer said. "Former England captain Andrew Strauss rang me the day after I resigned... But I have known Andrew Strauss for a long time and that was 14 weeks ago."

"(Apart from that) I've never spoken to English cricket."

"The thought of coaching England ... mate (shakes his head)."

KL becomes 1st batter to score 600+ runs in four IPL seasons

PNS ■ NEW DELHI

Even though his dream of winning the Indian Premier League (IPL) title ended once again with a heartbreaking 14-run defeat against Royal Challengers Bangalore on Wednesday (May 25), Lucknow Super Giants (LSG) skipper KL Rahul reached a unique batting milestone during his 58-ball 79-run innings against the Faf du Plessis-led side at Eden Gardens in Kolkata.

The 30-year-old became the first cricketer in the cash-rich league's history to score 600 plus runs in four different seasons. In the 15 matches of this year's edition of the IPL, the right-handed opening batter has scored 616 runs at an average of 51.33 and a strike rate of 135.38. He scored back-to-back hundreds against five-time winners Mumbai Indians and crossed the fifty-run mark on four occasions.

Before this year's edition, the top-order batter from Bengaluru had scored 626 runs in 13 matches of the 2021 edition, 670 runs in 14 matches of the 2020 season and 659 runs in the 2018

edition of the world's richest franchise cricket league.

KL, who is the second-highest run-getter in this season of the league up till now, finished as the third-highest run scorer in the 2018 and 2021 seasons, the second highest in 2019 and won the Orange Cap in the 2020 season, when the tournament was played in the United Arab Emirates.

Besides four 600+ seasons, KL scored 593 runs in the 2019 edition. West Indies T20 batting legend Chris Gayle and star Australian opening batter David Warner have scored more than 600 runs in the IPL on three different occasions and are now second on the list.

Both these left-handed batters have won the Orange Cap on two different occasions and are among the top 10 run-getters in the history of the league.

The 42-year-old Gayle crossed the 600 run mark in three consecutive years (2011-2013) while he was part of the Royal Challengers Bangalore side.

On the other hand, David Warner also achieved the feat in three consecutive seasons from 2016 to 2019 as the Sunrisers Hyderabad captain.

Mathews, Chandimal, bowlers get SL closer to series win

AP ■ DHAKA

Angelo Mathews and Dinesh Chandimal hit centuries as Sri Lanka raised hope of winning the second Test after reducing Bangladesh to 34 for 4 on day four on Thursday.

The host still needs 107 runs with six wickets remaining on the last day to force Sri Lanka to bat a second time. Bangladesh was in survival mode after its hope of a first home series win over Sri Lanka was shattered.

Mushfiqur Rahim and Liton Das, who helped Bangladesh

recover from 24 for 5 to post 365 on Tuesday with a record 272-run partnership, were in the middle at stumps after another top-order rout. Mushfiqur was 14 not out and Liton on 1.

Mathews followed his 199 in the first innings with an unbeaten 145, and Chandimal scored 124 to give Sri Lanka a 141-run lead. Sri Lanka was all out after tea for 506 in the first innings.

Mathews and Chandimal combined for 199 runs for the sixth wicket to take the game away from Bangladesh, despite Shakib Al Hasan's 5 for 96.

AP ■ TIRANA

Nicolo Zaniolo won Roma their first ever major European trophy on Wednesday with the only goal in a 1-0 win over Feyenoord in the inaugural Europa Conference League final.

Italy international Zaniolo struck with a well-taken finish in the 32nd minute to earn Roma their first trophy of any kind since 2008 and cap a successful first season for coach Jose Mourinho in Rome.

Mourinho was moved to tears by his fifth continental cup as a coach, the first for an Italian team since he led Inter Milan to the Champions League 12 years ago.

"It was a real struggle but I'm really happy," Zaniolo said to Sky. "It was my dream and now I've done it."

Roma, Fairs Cup winners in 1961, rode their luck with Feyenoord having the lion's share of the play and twice striking the woodwork in the second half.

But they remained solid in the face of Dutch dominance and brought joy to one of Europe's most passionate and success-starved fan bases.

Over 50,000 fans packed the Stadio Olimpico in the Italian capital to watch their team make a little piece of history in Albania and poured onto the pitch once the trophy was secured.

Meanwhile the small corner of supporters allowed into Tirana's National Stadium roared with delight once referee Istvan Kovacs blew his whistle to end their team's trophy drought.

"We know that after these amazing victories it's always difficult to start again but a real team wins, celebrates and then gets

ROMA MAKE HISTORY

Serie A club beat Feyenoord 1-0 to win inaugural edition of Europa Conference League

going again," said Rome-born captain Lorenzo Pellegrini.

For 1970 European champions Feyenoord it was their first ever defeat in a European final as well as being the first loss in the competition for Arne Slot's team.

Zaniolo broke the deadlock with the only real moment of magic in what was a tight, scrappy

opening half.

He expertly brought down Gianluca Mancini's ball over the top that just escaped Gernot Trauner before flicking a finish past the onrushing Justin Bijlow.

The goal made Zaniolo the first Italian to score in a European final since Filippo Inzaghi in 2007 as well as a confirmed hero for Roma

fans. Feyenoord had dominated the ball, creating nothing of interest, but that changed almost immediately after the restart.

Trauner diverted a low cross off the post and seconds later Rui Patricio made his first real save of the match, the Portuguese reacting well to push Guus Til's shot away. And the 34-year-old was called

into action again four minutes after the break, flinging himself to his left to just tip Tyrell Malacia's rocket of a shot onto the woodwork.

Almost straight after Tammy Abraham had his hands in the air in disbelief when he was pulled back by Marcos Senesi just as he was charging through on goal, but

Mourinho hails Conference League 'history' for Roma

AP ■ TIRANA

Jose Mourinho said that he and Roma had made history after winning the Europa Conference League on Wednesday, the club's first ever major European trophy.

Portuguese coaching icon Mourinho tried and failed to hold back the tears after Roma beat Feyenoord in their first continental final in over three decades and he was still emotional by the time he hailed his team after the trophy ceremony.

Roma fans have taken Mourinho into their hearts during an up and down season which culminated in Wednesday's 1-0 win in Tirana which ended a 14-year trophy drought for the capital club.

"I've been at Roma for 11 months, I knew the moment I arrived what it meant to the people. They had been waiting for something like this," Mourinho told Sky.

"This was not work tonight, this was history. We had to write history. We wrote it."

Wednesday's triumph was his fifth European title and made

him the first coach to win all current UEFA competitions.

And he confirmed that he would be staying at Roma next season to build on the solid work done in his debut season.

"I am staying, there's no doubt about that," he said.

"We need to see what our owners, who are fantastic people, want to do next season because this is history, but we can build a special project."

"Now I'm going to go on holiday, sit on the beach and think about it all for a while."

Feyenoord were clearly on top. The Dutch side continued to push but a spirited defensive dis-

play typical of Mourinho's teams held them off and handed Roma a rare moment of glory.

Sreeshankar claims long jump Gold in Greece

PTI ■ NEW DELHI

India's premier long jumper Murali Sreeshankar won the Gold medal at the 12th International Jumping Meeting in Kallithea, Greece with an effort of 8.31m.

The Tokyo Olympian is the current national record holder with a jump of 8.36m, which he had achieved last month.

Sreeshankar was followed by Swede Thobias Montler, who claimed Silver with an 8.27m jump, and Jules Pommery of France, who bagged Bronze with an 8.17m effort in the 10-man field. Only the top three jumpers crossed the 8m-mark.

Jeswin Aldrin, meanwhile, finished fifth after he hit the 7.69m mark at the 17th Iberoamerican Meeting in Huelva, Spain.

Filip Pravdiva of Croatia (7.91m), Uruguay's Emiliano Lasa (7.82m) and Peruvian José Luis Mandros (7.77m) completed the top three of the seven-man field.

"Sreeshankar consistently jumping far. In 12th International Jumps Meeting, Kallithea, Greece, event part of World Athletics Continental Tour Bronze. Performance 8.31 meters," Athletics Federation of India tweeted. Competing in his first outdoor international meet since the Olympics campaign, Sreeshankar warmed up on Wednesday evening with jumps of 7.88 and 7.71 metres before leaping 8.31 metres.

Sreeshankar came into the competition on back of his excellent domestic form where he repeatedly breached the 8m mark. The Kerala athlete logged 8.14m and 8.17m at the season-opening Indian Open Jumps Competitions in Thiruvanthapuram before breaking his own national record at the Federation Cup in Kozhikode after a close battle with Tamil Nadu's Jeswin Aldrin.

Indian athletes have been training and competing in Europe over the last few weeks

India enter knockout stage of Asia Cup with 16-0 win over Indonesia

PTI ■ JAKARTA

Rising to the occasion, Indian men's hockey team slammed six goals in the final quarter for a crushing 16-0 victory against Indonesia, a result that took the holders into the knockout stage of the Asia Cup but shut the World Cup door on Pakistan, here on Thursday.

India needed to win the Pool A contest by at least a 15-0 margin to qualify and the young players of the side delivered under pressure.

Both India and Pakistan finished on four points each in Pool A behind Japan but the defending champions qualified for the Super 4s due to better goal difference (1).

Pakistan had lost 2-3 to Japan earlier in the day. The result not only pushed Pakistan out of the tournament but also dashed their hopes of World Cup qualification since only the top three teams here will be given tickets for the big event.

India, being the hosts, will play the World Cup later in the year and hence Hockey India

decided to send young players to this tournament for exposure.

Dipsan Tirkey (5 goals) and Sudev Belimagga (3 goal) shared eight goals between them, playing a key role in team's crucial win. Veteran SV Sunil, Pawan Rajbhar and Karthi Selvam scored a brace each while Uttam Singh and Nilam Sanjeev Xess were the other goal getters for India.

UPROAR IN PAK

Erstwhile powerhouse of the game, Pakistan's failure to qualify for the men's hockey World Cup has created a furore in the nation with former players finding it "hard to digest" and calling for heads to roll in the national federation.

Once the undisputed champions of world hockey, Pakistan has reeled from one crisis to another and from one disappointment to another and Thursday's blow has led to renewed calls for the sacking of the long-serving president of the Pakistan Hockey Federation (PHF) Brigadier (ret'd) Khalid Sajjad Khokar and coach Khawaja Junaid.

Sen to train with Axelson in Dubai

PTI ■ NEW DELHI

World Championship Bronze medallist Lakshya Sen is all set to train with World No. 1 Victor Axelson in Dubai from Sunday with the Sports Ministry's Mission Olympic Cell (MOC) approving his request, keeping in mind the upcoming Birmingham Commonwealth Games.

The MOC also cleared two-time Olympic medallist P V Sindhu's request for her fitness trainer M Srikanth Madapalli to accompany her abroad under Target Olympic Podium Scheme (TOPS), the ministry said in a statement on Thursday.

Sen, the 20-year-old from Almorá, was part of the Indian men's team that won the prestigious Thomas Cup this month

and is a big Gold medal prospect at the Birmingham event to be held from July 28 to August 8.

"Lakshya is set to train with Axelson in Dubai from May 29th till 5th June (8 days) and then head out to Kuala Lumpur, Malaysia on June 19th to train at the Malaysian Training Centre from 19th till 26th June (8 days)," the ministry said.

"Both the training proposals were approved by MOC in preparation for the Commonwealth Games.

"The sanctioned amount will cover the cost of his and his physio's air travel, boarding and lodging, and out-of-pocket allowance among other expenses." The ministry also approved Sindhu's proposal for financial assistance towards her fitness trainer's travel along with her.

Real remain Europe's most valuable football club

AP ■ PARIS

Real Madrid remain Europe's most valuable football club despite the ever-increasing dominance of the English Premier League, according to a report published on Thursday by analysts Football Benchmark.

The report ranks Europe's 32 most prominent clubs, calculating their value based on their annual financial statements and assessing squad values.

Real, who face Liverpool in Saturday's Champions League final, came out on top for the fourth consecutive year of the report, with a valuation of 3.184 billion euros (\$3.4 billion).

Bopanna-Middelkoop enter French Open pre-quarterfinals

PTI ■ PARIS

India's Rohan Bopanna and his Dutch partner Matwe Middelkoop marched into the pre-quarterfinals of the French Open men's doubles event with a straight set win over Andrey Golubev and Fabrice Martin here on Thursday.

Bopanna and Middelkoop won the second round with a 6-3, 6-4 scoreline against their opponents in one hour and six minutes.

The Indo-Dutch combo, seeded 16th, broke the from Kazakhstan-French pair at 4-4 in the second set and then Middelkoop served out the match at love. Bopanna's best performance at the clay court major is reaching the last-eight stage in 2011, 2016, 2018 and 2021.

Later in the day, Ramkumar Ramanathan and Sania Mirza will be in action in their respective doubles events.

Nadal easily wins 300th Grand Slam match

AP ■ PARIS

Spanish teenage sensation Carlos Alcaraz and third seed Alexander Zverev both saved a match point in five-set French Open thrillers, while 13-time winner Rafael Nadal and reigning champion Novak Djokovic eased into the third round Wednesday.

Alcaraz, widely tipped as a title contender, rallied from the brink to defeat compatriot Albert Ramos-Vinolas 6-1, 6-7 (7/9), 5-7, 7-6 (7/2), 6-4 after four hours and 34 minutes.

"I feel tired," said Alcaraz. "It was a great battle, a great match and we fought until the last point."

The 19-year-old Alcaraz is attempting to become just the eighth teenager to capture a major men's title, and backed as the man to break the stranglehold of Djokovic and Nadal.

But he was pushed to the limit by the seasoned Ramos-Vinolas, 15 years his

elder and whose best performance at a Grand Slam came when he made the quarter-finals in Paris six years ago.

Alcaraz, the tour's dominant player in 2022 with a season-leading four titles, fought off a match point to break Ramos-Vinolas as he served at 5-4 in the fourth set.

He then clawed his way back from 3-0 in the decider, producing an outrageous backhand pass to retrieve the break and more sensational baseline scrambling to move 5-4 in front before closing out victory with an ace.

Alcaraz goes on to face US 27th seed Sebastian Korda, the last man to defeat him at Monte Carlo in April in what was his only loss in 19 matches on clay this season.

Zverev, a 2021 semi-finalist, dug himself out of a deep hole against Argentina's Sebastian Baez to avoid his earliest loss at a major in three years.

Zverev overcame Baez 2-

6, 4-6, 6-1, 6-2, 7-5 and will play Brandon Nakashima of the US for a place in the last 16.

"I'm happy still being in the tournament right now," said Zverev, who was match point down on serve at 4-5 in the final set.

"I was planning my holiday in Monaco, where I was going to go and who I was going to with and that

relaxed me, thinking about the beach.

"You just have to find a way."

It was the third comeback from a two-set deficit in Zverev's career. He trailed fellow German Oscar Otte 2-0 in the opening round at Roland Garros a year ago before his run to the last four.

300 UP
Nadal breezed past French wild-

card Corentin Moutet 6-3, 6-1, 6-4 for the 300th Grand Slam win of his career. Roger Federer (369) and Djokovic (325) are the only men to have more than the record 21-time major champion.

His French Open record now stands at a staggering 107 wins and just three losses since his 2005 title-winning debut.

"I think it was a good match against a very difficult player with lots of talent," said Nadal, whose build-up to the tournament was hampered by a foot injury.

"The last couple of months haven't been easy. The victories help a lot." Djokovic made comfortable work of Slovakia's Alex Molcan, the world number one winning 6-2, 6-3,

7-6 (7/4) against a player trained by his long-time former coach Marian Vajda, the man who inspired most of his 20 Grand Slam titles.

"So far so good. I'm pleased with the way I'm feeling on the court," Djokovic said after reaching the last 32 at Roland Garros for the 17th straight year.

"It was never going to be an easy match, but I thought I performed very well. Everything is going in the right direction. I'm looking forward to the next challenge."
