Submit files on Arun Goel's pick as EC, SC asks Centre

We want to see what prompted step to choose EC at short notice, SC tells AG

PIONEER NEWS SERVICE ■ NEW DELHI

Asserting the need for independence of the Election Commission and its members, the Supreme Court on Wednesday directed the Centre to produce the original records related to the recent appointment of Arun Goel as Election Commissioner.

The Constitution Bench headed by Justice KM Joseph wanted to know whether there was any "hanky panky" and rejected Centre's objections in producing the original file, saying it wants to know whether everything was "hunky dory" in the appointment process as claimed by the Government.

The five-judge Constitution bench rejected the objections put forth by Attorney General (AG) R Venkataramani over its insistence on going through the file while it was hearing the larger issue of appointment of Election Commissioners and Chief Election Commissioner.

The AG told the bench, also comprising Justices Ajay Rastogi, Aniruddha Bose, Hrishikesh Roy and CT Ravikumar, that the court is

dealing with the larger issue of appointment of ECs and the CEC, and it cannot look at an individual case flagged by advocate Prashant Bhushan.

"I take serious objection to this and have my reservation to the court seeing the file amid the hearing of a Constitution bench," he contended.

Earlier on Monday, the Bench observed that the selection to Election Commission should be by a body headed by the Chief Justice of India. Bhushan argued that when the Bench started hearing a batch of pleas seeking a collegium-like system for the appointment of ECs and the CEC last Thursday, the Government appointed Goel as an EC on November 19.

"We want to see what prompted the step. We want to see what the mechanism is. We will not treat it as an adversarial (move) and keep it for our record, but we want to know as you claim that everything is hunky dory. Since we were hearing the matter and appointment was made amid, this may be interlinked. You have time till tomorrow. Produce the documents," the court told the AG.

The Bench observed that Bhushan had told the court last Thursday that an interlocutory application has been filed seeking filling of one vacancy in the Election Commission and the next day the appointment was made. Bhushan, who

appeared on behalf of petitioner Anoop Baranwal and made his rejoinder submission, said after the court started hearing the matter, the Government hurriedly appointed an Election Commissioner.

"This Election Commissioner was, till Thursday, working as a secretary-level officer in the Government. Suddenly, he was given VRS on Friday and appointed as an Election Commissioner," Bhushan said. He added, they (Government) appointed someone in a single day and no one knows what process was followed and what safeguards were taken. Justice Joseph said, as far he recalls, it takes three months for a person to get voluntary retirement.

"You need to produce before us the original file regarding the appointment of this officer. If there is no illegality, then you should not be afraid," Justice Joseph said. Venkataramani protested the hearing of a larger matter and wanted the court to look into it. Justice Hrishikesh Roy told Venkataramani that with his

objection it looked like he was prejudging the mind of the court.

Justice Joseph told the Attorney General, "Please tell us whether you will produce the files or not unless you have an objection to that. If not, we will leave the matter at that and close the hearing." AG Venkataramani said the court need not travel that far and that he was only trying to satisfy himself whether it would be appropriate for the bench to look into the file of an isolated incident amid the hearing of a larger issue.

"If there is a need to show (the files) to the court, we will certainly show it. If any wrong has happened, I, as Attorney General, would myself bring to the notice of the court. It is my duty as the law officer. This court cannot look into an isolated incident just because it was flagged by someone. The post has been vacant since May," he said.

Justice Joseph said the court is only looking into the mechanism and see whether everything was according to the process. "If you feel you should not disclose the file, then let us know. You have time till tomorrow. If you are busy, you can ask someone to place the file before us," he said.

On November 19, Goel, a 1985-batch IAS officer of the Punjab cadre, was appointed as an Election Commissioner.

Delhi man stabs parents, grandma, sister to death

(Inset) Keshav (in red), with his mother, sister, father and grandmother. A cop at their house after the ghastly murders on Wednesday Ranjan Dimri | Pioneer

STAFF REPORTER ■ NEW DELHI

In a gruesome incident, a 25-year-old man, a drug addict who recently returned from a rehabilitation centre, killed all his family members in Southwest Delhi's Palam area.

The accused, identified as Keshav, allegedly stabbed his parents, sister, and grandmother to death over a dispute.

According to police, all four were found lying in a pool of blood. They have been identified as Dinesh Kumar (50), his wife Darshan Saini (40), mother Deewano Devi (75) and daughter Urvashi (18).

As Keshav went on the stabbing spree, the screams of his family members alerted some of their relatives, who live in the same building, and

Tantrik asks couple to have sex, pours superglue, kills them

AGENCIES ■ NEW DELHI

In a shocking incident, a "tantrik" poured 50 tubes of superglue on a naked couple before killing them brutally in Udaipur jungle.

Incidentally the murderer had asked the victim couple who were in illicit relationship to have sex in a jungle.

The mutilated bodies of the couple — identified as Rahul Meena (32), a government schoolteacher, and Sonu Kanwar (31) — were found in the Kela Bawdi forest area in Udaipur district last week.

The tantrik, identified as Bhalesh Kumar, 52, was arrested on Monday, police on Wednesday said, adding the

accused confessed to the double-murder during interrogation.

The tantrik poured superglue on the couple when they were in a compromising position as asked by him. In their attempts to pull away from each other, their skin got ripped and they sustained injuries in their private parts. At this point, Kumar killed them by slitting the man's throat and stabbing the woman to death.

Aaditya meets Nitish, Tejashwi in bid to woo Biharis for BMC polls

PIONEER NEWS SERVICE ■ PATNA/NEW DELHI

Shiv Sena (Uddhav) leader Aaditya Thackeray, along with party MP Priyanka Chaturvedi and Anil Desai, met Bihar Chief Minister Nitish Kumar and his Deputy and RJD leader Tejashwi Yadav in Patna on Thursday.

Aaditya, who was on a one-day visit to Bihar, was accompanied by Tejashwi when they called on Kumar at his residence. Aaditya's decision to call on Kumar and Tejashwi is seen as a clever move to influence millions of Bihar voters residing in Mumbai and whose support will be crucial for Shiv Sena (Uddhav) in the upcoming BMC elections.

The BJP has already started a campaign to woo the North Indian voters.

Addressing the media after

Bihar Chief Minister Nitish Kumar presents a 'shawl' to Shiv Sena (Uddhav Balasaheb Thackeray) leader Aaditya Thackeray during a meeting, in Patna on Wednesday. Bihar Deputy Chief Minister Tejashwi Yadav is also seen PTI

the meeting, Aaditya said, "We've been in touch with each other but could not meet due to Covid. We discussed various topics but did not discuss politics. Sure this friendship will continue."

Aaditya sought to distance himself from the strident "anti-migrant" stance that the Shiv Sena, founded by his late grandfather Bal Thackeray, has often been accused of.

Sushant manager's death mystery solved; CBI says 'it's accident'

PNS ■ NEW DELHI

The Central Bureau of Investigation (CBI) has concluded that the death of Mumbai-based talent manager Disha Salian was an accident and not a case of suicide. Disha's death in 2020 had become a controversial issue following numerous allegations of foul play and cover up.

The 28-year-old had managed several stars in her career, most notably Sushant Singh Rajput, who himself died less than a week after Disha.

Even as there was no separate FIR or complaint into Disha's death, the matter was investigated by the CBI in connection with Sushant's death which is also being probed by the CBI.

Disha died on the intervening night of June 8-9, 2020 reportedly after falling off the balcony of a 14th floor apartment in Mumbai's Malad.

Rajput's body was found five days later, BJP leader Nitish Rane had alleged that the deaths were linked and there was foul play. Now, a CBI probe has reportedly found that Disha fell after losing balance under the influence of alcohol.

Meghalaya villagers torch Assam's forest office

PNS/AGENCIES ■ MUKROH/GUWAHATI/NEW DELHI

A group of villagers from Meghalaya allegedly torched a forest office in Assam's West Karbi Anglong district late on Tuesday night ostensibly as a reaction to the killing of six people in violence that occurred earlier in a disputed area along the border between the two States.

At least two vehicles — one in Mukroh village where the violence took place on Tuesday and another in Meghalaya's capital Shillong — were set ablaze by separate mobs, officials said.

Mukroh village, 30 km east of West Jaintia Hills district headquarters of Jowai, is located around 10 km from the interstate border inside

Remains of a temple after it was vandalised by miscreants following violence at a disputed Assam-Meghalaya border location that killed six people, in West Karbi Anglong district, on Wednesday PTI

Meghalaya.

In New Delhi, Assam Chief Minister Himanta Biswa Sarma on Wednesday said Assam-Meghalaya border is peaceful and the recent clashes along the inter-State boundary had erupted between locals and forest guards.

Speaking to reporters on the sidelines of a function in the national capital, Sarma also asserted that the incident was not at all related to the long-standing border dispute between the two Northeastern States.

Didn't invite Naik: Qatar on hate preacher's visit

Canards on Zakir's invite a bid to spoil bilateral ties, FIFA WC host tells India

PIONEER NEWS SERVICE ■ NEW DELHI

Qatar has clarified that it did not extend any official invitation to India's fugitive Zakir Naik for the ongoing FIFA World Cup opening ceremony. Doha also said deliberate disinformation was being spread by third countries to damage relations between the two countries.

The reported denial came after India informed Qatar that Vice President Jagdeep Dhankar's visit for the World Cup inauguration on November 20 will be called off if Naik was invited for the event.

Qatar reportedly informed India through official channels that no official invitation was extended to the Indian fugitive to witness the opening ceremony from the VVIP enclosure. Reports said Naik could have travelled to Qatar from Malaysia on a private visit.

In the first response by the Centre to Qatar's reported invitation to Naik, Union Minister for Petroleum and Natural Gas Hardeep Singh Puri on

Tuesday said he was sure India will take up the matter and would convey its views in the "strongest possible terms" to the concerned authorities.

Asked about Qatar reportedly inviting Naik to the FIFA World Cup, Puri said, "I have no knowledge of that." When asked if India will lodge a protest, he replied, "I am sure India took it up and will take it up. But the point is he is a Malaysian national and if he is invited somewhere... whether they knew, I have no knowledge of that. I have as much access to information as you have."

"You can ask me my views on Zakir Naik. My views and your views are the same on that," he said. Replying to a related question, Puri said, "We (India) have our views on him and I am sure they will be conveyed in the strongest possible terms to the concerned authorities."

Day 2 shocker! Japan vanquish Germany

AP ■ DOHA

Another World Cup day, another World Cup shock. Substitutes Ritsu Doan and Takuma Asano scored late goals on Wednesday to give Japan a come-from-behind 2-1 victory over Germany at the World Cup. Both Doan and Asano play for German clubs.

Ilkay Gundogan had given four-time champion Germany the lead with a first-half penalty. But Doan, who plays for Freiburg, pounced on a rebound to equalise in the 76th minute after Germany goalkeeper Manuel Neuer blocked a shot from Takumi Minamino.

Then Asano, who plays for Bochum, sprinted clear of Nico Schlotterbeck and beat Neuer from a narrow angle in the 83rd minute of the first competitive meeting between the two nations.

The match was played a day after Argentina's 2-1 upset

Germany's soccer team players cover their mouths as they pose for a group photo before the World Cup group E soccer match between Germany and Japan, at the Khalifa International Stadium in Doha on Wednesday AP

loss to Saudi Arabia.

Before Wednesday's game, Germany's players covered their mouths during the team photo in an apparent rebuke to FIFA following its decision to stop plans to wear armbands to protest discrimination in host nation Qatar.

Nancy Faeser, Germany's

Sports Minister, attended the match at the Khalifa International Stadium and was sitting beside FIFA president Gianni Infantino while wearing the same "One Love" armband that FIFA had outlawed with its threats of consequences.

US's Walmart manager opens fire in break room, kills 6

AP ■ CHESAPEAKE

A Walmart manager opened fire on fellow employees in the break room of a Virginia store, killing six people in the country's second high-profile mass shooting in four days, police and a witness said Wednesday.

The gunman, who apparently shot himself, was dead when police found him, Chesapeake Police Chief Mark G Solsky said. There was no clear motive for the shooting, which also put four people in the hospital.

The store was busy just before the attack on Tuesday night with people stocking up ahead of the Thanksgiving holiday, a shopper told a local TV station. Employee Briana Tyler said workers had gathered in the store's break room as they typically did ahead of their shifts. Detailed report on P9

BJP Govt weakening EC: Opp after SC observation

PTI ■ NEW DELHI

Opposition parties on Wednesday accused the BJP government of weakening the Election Commission and raised doubts over the selection of poll panel members after the Supreme Court asked the Centre to produce the file on the recent appointment of Arun Goel as election commissioner.

The Congress, TMC, JD(U), RJD and the Left parties said the Election Commission should be above board to ensure free and fair polls, and some of them demanded that key appointments of the poll body be made by a special panel like in the case of the CBI Director.

Congress spokesperson and senior lawyer Abhishek Singhvi said the Centre should never object to showing appointment papers regarding Arun Goel to the apex court, especially since a Constitution bench is seized of the issue of appointment of EC members.

"Does the Centre have something to hide? Daal mein kya kuchh kaala hai? Yaa daal hi kaali hai?" Singhvi said. JD(U) secretary general K C Tyagi said the Supreme Court's remarks are very alarming and depict the state of affairs in the Election Commission.

"The Election Commission

should be neutral and fearless. The SC's remarks reflect the manner in which the EC has been lax in some cases and sometimes tilts in favour of the ruling party. We welcome the SC remarks and the EC should draw lessons from it," Tyagi told PTI.

The JDU leader also said the Chief Justice of India should be taken into confidence while appointing ECs and must be part and parcel of the appointment process.

"The EC is a constitutional body and should remain independent and should maintain its neutrality at all times," he said. Tyagi also demanded that the poll body should have its separate force and poll machinery and staff for the conduct of free and fair elections, as state officials and forces sometimes feel obliged to the ruling party. CPI-M general secretary Sitaram Yechury said the issue of the appointment of ECs is being reviewed by the Supreme Court.

"While this issue is being reviewed by the Supreme Court itself, we have always demanded that the appointment of the CEC and the election commissioners should be in the process that is in place to appoint the director of the Central Bureau of Investigation (CBI) and the Lokpal.

"There should be a special panel which should include the

Leader of Opposition and, in this case, former CECs. Only this will ensure that the sanctity of the poll body is not compromised," Yechury said.

Reacting to the Supreme Court observations on the appointment of Goel, Trinamool Congress' parliamentary party leader in Rajya Sabha Derek O'Brien alleged that over the years, the poll body has been one of the institutions weakened by the BJP government.

"In the last half a dozen years or so, the abbreviation EC has come to mean 'Extremely Compromised'. The Modi government works selfishly to weaken institutions," Brien alleged. Loktantrik Janata Dal general secretary Javed Raza welcomed the Supreme Court's observations in the case.

"The Supreme Court action is in the right direction. There should be some mechanism in place for appointments in key constitutional bodies like the Election Commission," he told PTI while hoping that in the coming days, a new practice shall be set in motion.

The Rashtriya Janata Dal (RJD) claimed the "critical concerns" raised by the Supreme Court over the functioning of the Election Commission prove that the poll panel has not been following its mandate of conducting free and fair election.

Man kills lover in Narela OYO room, shoots self, hospitalised

STAFF REPORTER ■ NEW DELHI

A woman was shot dead by a 38-year-old paramour inside a room at an OYO hotel in Narela area of Northwest Delhi.

The accused, identified as Praveen, alias Situ, had also attempted to commit suicide by shooting himself in the head but he survived and is undergoing treatment at Sanjay Gandhi hospital.

The victim has been identified as 39-year-old Geeta. She checked into the OYO hotel on Tuesday with the accused, officials said.

According to a hotel staff, the couple had a heated argument, and the man, apparently, in a fit of rage, shot his girlfriend in her chest. After killing her, he also tried to kill himself.

According to the police, the suspect was initially charged with a different murder case on September 21 but later received bail. He had shot a man named Gaurav, and the victim's father had complained about him, leading to his arrest.

The shooting incident caused panic, which prompted the police officials to arrive at the scene.

When Geeta was taken to the hospital, the medical staff pronounced her dead on arrival.

Cold, fever delayed Aftab's polygraph test, say police

STAFF REPORTER ■ NEW DELHI

The polygraph test on Mehrauli murder accused Aftab Amin Poonawala could not be conducted on Wednesday due to his coming down with fever and cold, Delhi police said.

The delay in polygraph test will subsequently delay the narco test to be done on Poonawala on Thursday.

A senior official at Forensic Science Laboratory (FSL), Rohini said that investigators informed them that Poonawala

is down with fever and cold, and therefore, he could not be brought for the polygraph test. The test will be done on him only after he gets well, the official added.

Poonawala allegedly strangled Walker and cut her body into 35 pieces and kept those pieces in a 300-litre fridge for almost three weeks at his rented flat at Mehrauli before dumping them all in the forests across the city.

The 28-year-old has to undergo a set of tests to ascertain his emotional, mental,

physiological and psychological status. The narco analysis cannot be done if he is found to be "disturbed" in the preliminary tests.

On Tuesday, Poonawala had undergone the first session of polygraph test, also known as lie detector test, at FSL, Rohini.

The investigators and the FSL team designated to conduct the narco test are in constant touch to finalise the schedule for second session of the polygraph test.

Special Commissioner of Police (Law and Order) Sagar Preet Hooda said no polygraph test was conducted on Wednesday.

According to sources, Poonawala was there at FSL for nearly five-six hours on Tuesday.

"He was brought to FSL

around 3.30 pm on Tuesday and was there till around 9.30 pm. He was asked several questions by the experts who were briefed about the case and the answers they are looking for. The experts also asked him questions they felt could provide more information to police," said a FSL source.

"The test started with experts first asking Poonawala about himself and his family and then shifting to the uncomfortable questions about the murder case. Poonawala will be brought again to FSL since there are some more points on which the police wants clarity," the source added.

The narco analysis involves administering the individual medication which reduces their self-consciousness and allows them to speak freely.

Meghalaya villagers torch Assam's forest office...

From Page 1

"I am in touch with the Meghalaya CM... The Assam-Meghalaya border is peaceful and it has always been peaceful. Force has been used... However, in my view, it has been used a little arbitrarily. That should not have happened," he said. Six people, including a forest guard, were killed in violence at a disputed location in West Karbi Anglong district along the Assam-Meghalaya border in the wee hours of Tuesday, after a truck allegedly laden with illegally felled timber was intercepted by forest personnel.

Armed with machetes, rods and sticks, the village residents allegedly gathered in front of a beat office under the Kheroni Forest Range in Assam along the inter-State border on Tuesday night and set the structure on fire, they said. The mob vandalised the forest office and torched properties such as furniture, documents and motorcycles parked in the complex. However, no injury to the forest personnel posted there has been reported so far. The villagers had left the area before a team of Assam policemen and other security personnel reached the spot, reports said.

An Assam Government vehicle that was found abandoned at Mukroh village was torched by locals.

The influential Khasi Students' Union took responsibility for the torching of the forest beat office and the Assam Government vehicle at Mukroh and alleged that the Government in Meghalaya failed to protect its citizens. Members of the students' union held demonstrations at the Jalong Civil Hospital where the bodies of all the six people were brought for post-mortem examinations and demanded that those responsible for the killing be handed over to the Meghalaya Police.

Following reports of attacks on vehicles from Assam in Meghalaya, the Assam Police continued to advise car owners to avoid entering the neighbouring State for safety. At various entry points in Assam, including at Guwahati and Cachar district, the police personnel put up barricades and asked people not to travel to the hill State in a vehicle bearing a number plate from Assam.

"Since yesterday, we have been advising people not to go to Meghalaya till the situation completely normalises. We are only requesting the private and small car owners not to travel as miscreants are targeting such vehicles there," Deputy Commissioner (East) of Guwahati Police Sudhakar Singh reportedly said.

He, however, said the commercial vehicles have not been stopped as of now.

A car with an Assam number plate was burnt in Shillong on Tuesday evening after miscreants asked the passengers to leave the vehicle.

unnamed official as saying. The official reportedly said there was no proof to suggest the two deaths were linked or that Disha's death triggered Sushant's suicide.

The report further quoted another CBI official as saying, "The probe hasn't found any substance in the allegations levelled by Rane that Disha was assaulted and had approached Rajput for help and that there is a larger political conspiracy at play. It was necessary to probe the circumstances owing to the sensitive nature of the case and the nature of allegations."

The CBI is investigating the death of Sushant, which is being probed from suicide angle. However, no closure report has been filed in the matter so far by the agency.

L-G urges MHA to create 467 posts for Kartavya Path police stations

STAFF REPORTER ■ NEW DELHI

The newly-created Kartavya Path police station will be manned by freshly recruited personnel with Delhi Lieutenant Governor VK Saxena forwarding a proposal to the Ministry of Home Affairs for the creation of 467 new

posts. These posts include inspector, sub-inspector, assistant sub-inspector, head constable, constable and multi-tasking staff (MTS).

Sources said that they will be deployed over a 4.5-square kilometre area that houses the residences of high and mighty including the President, vice-

president, prime minister, chief justice of India and other judges and MPs, the sources said. They will also cover the Parliament building apart from 11 office complexes of the combined Central Secretariat where thousands come to work every day.

The area receives a large number of domestic visitors and tourists every year, and is also the location for demonstrations and protests. A new police station for the area was recently cleared by the lieutenant governor, they said.

Gaya, Rajgir to get clean drinking water as WRD implements 'Har Ghar Ganga jal' scheme in Bihar

PIONEER NEWS SERVICE ■ PATNA

The hub of spiritual tourism Bodh Gaya, Gaya, and Rajgir, blessed by nature, are set to get clean, pure, and treated Ganga water for drinking. The initiative was taken by Chief Minister Nitish Kumar to convert floodwater into drinking water for these areas, which had no access to Ganga water due to their geographical location.

Water Resources Department (WRD) successfully implemented the CM's dream project, 'Har Ghar Ganga jal', which will bring cheers to the faces of millions of residents, pilgrims, and tourists in Bihar.

The country's first-of-its-kind Gangajal Aapurti Yojana, under the Jal Jeevan Haryali mission, aims at storing floodwater received in the four monsoon months in huge reservoirs constructed.

Now, video of Jain eating outside food in jail leaked

AAP faces flak for facilities for Minister in jail; prison admin at fault, says Kiran Bedi

STAFF REPORTER ■ NEW DELHI

Days after a CCTV video of AAP leader Satyendar Jain getting a massage in a Tihar jail cell went viral a new purported video of the Minister having an elaborate meal inside prison has emerged. The latest CCTV footage shows Jain eating the meal in the same cell where he was earlier seen receiving the massage. A person comes and serves him food and also places a dustbin near him. Many disposable boxes can be seen on the bed.

Tihar Jail sources said that Jain gained 8 kg weight during his time in jail, contrary to his lawyer's claims of him having lost 28 kgs. The AAP is already facing flak over videos of Jain getting massage inside prison.

Sharing the latest video, BJP spokesperson Shehzad Poonawalla said after getting 'champi' from a 'rapist' whom they tries to pass off as a physiotherapist, now another video shows Jain being served outside food. "One more video from media! After taking maalish from rapist & calling him PHYSIO therapist, Satyendra Jain can be seen enjoying sumptuous meal! Attendants serve him food as if he is in a resort on vacation!" "Kejriwal ji ensured that hawalabaz gets VVIP maza not saza!", Poonawalla said. He added, "Jain is being served

outside food by two attendants as if he is in a resort or restaurant and there is a variety of delicacies and dishes in front him, as if he is not there for saza (punishment) of corruption, but maza (fun) of massage and restaurant food."

"Kejriwal must answer why Jain who has been in jail for the last 5 months is being given this facility — by keeping him in the Minister's post — to take 'vasooli' from Suresh, 'maalish' from a rapist and now outside food," Poonawalla said.

Reacting to the latest food video leak, Jain's lawyer said they are considering legal options. "We will bring this video to the notice of the

judge. We will surely do something about this today," the lawyer said adding that AAP leaders have seen the video.

Reacting on the latest video, former Puducherry Governor Kiran Bedi said that if Jain is getting "special treatment", then it's the prison administration's fault. "It is prison administration's fault... it reports to the political system. How will they take action when their own Minister is jailed? If rules permit... Lieutenant-Governor (VK Saxena) can recommend suspension or dismissal..." she added.

Later, addressing a press conference, Union Minister Meenakshi Lekhi said Jain is

enjoying facilities akin to a holiday resort inside Tihar Jail. Shameless actions of leaders like Jain getting massage by a rape accused, are being noted by the people. "AAP leaders say something and behave exactly opposite to it. There are prison manual rules for food and medical services in jail. Added facilities like television, packed food and massage in Jain's cell show as if he is in some holiday resort," she said. Lekhi also hit out at Kejriwal and accused him of "failing" to solve the problems of Delhi and instead campaigning in poll-bound states for AAP's expansion to achieve his aim of becoming Prime Minister.

Court seeks report from Tihar on Jain's dietary changes

STAFF REPORTER ■ NEW DELHI

A city court on Wednesday sought a detailed report from Tihar jail authorities about Satyendar Jain's food and dietary changes. In its order, the court directed the jail administration to provide food to Jain which is available to undertrials, if he is on a religious fast.

The court also asked the jail authorities to file a reply as to what food was being provided to the AAP leader in the past six months and whether he was on a religious fast during the given period.

The court has also granted time till Monday to Tihar authorities to file a detailed

report on the medical report of Jain. The court was hearing a plea moved by Jain, alleging that the jail administration had stopped giving him the food allowed "as per law" during his religious fast. Jain also urged a Delhi court to restrain the media from running any footage from inside his prison cell.

Representing Jain, senior advocate Rahul Mehra made a series of prayers before Special

Judge Vikas Dhull asking the judge to protect his client from any media leaks. The court has posted the matter for hearing on Thursday.

"In the facts and circumstances, let Tihar Jail Administration provide the food to applicant/accused Satyendar Kumar Jain, which is available to undertrial, if he is on a religious fast keeping in mind Rule 339 and 341 read with 1124 of Delhi Prison Rules, 2018 and let Tihar Jail Administration also file their reply as to what food was being given to the applicant/accused no.1 Satyendar Kumar Jain in the past six months, whether he was on religious fast during the

course of previous 5-6 months and whether the diet, which was being given to him has been stopped during the past 10-12 days or not? Let response be filed by the Tihar Jail Administration by tomorrow i.e. 24.11.2022 by 2.00 PM."

"Let medical report be also filed of the applicant/accused no. Satyendar Kumar Jain giving details as per Rule 313 of Delhi Prison Rules, 2018, weight at present, MRI Scans due, if any. If yes, reasons for not getting the MRI Scans done, the ailment from which accused Jain suffering and the treatment being given etc by 2.00 PM on November 28," Special Judge Vikas Dhull said in his order on Wednesday.

Withdraw facilities, salary Jain getting while in jail: BJP

STAFF REPORTER ■ NEW DELHI

The BJP on Wednesday alleged that Delhi Minister Satyendar Jain who is in jail since May this year is getting his salary and other allowances for the past six months. The BJP has demanded withdrawal of all facilities being given to Jain and also demanded return of all salary and allowances that he has taken after his arrest.

Addressing a press conference, Leader of Opposition (LoP) in Delhi Assembly, Ramvir Singh Bidhuri, urged the Lieutenant-Governor to withdraw all facilities being given to Jain and return of salary and allowances given from the time of

arrest. Despite his arrest, Jain continues to be a Minister. "As per the rules, if a Government employee spends 48 hours in police custody, he is suspended from service. If he is sent to jail, then he is dismissed from the job, but Jain has remained the Minister for six months and is taking advantage of all the facilities along with his salary and other perks," he said. According to Bidhuri, a Minister in the Delhi Cabinet gets Rs 20,000 monthly salary, Rs 18,000 monthly constituency allowance, Rs 4,000 monthly guest hospitality allowance, Rs 1,000 per day daily allowance, 3,000 unit per month free electricity, Rs 30,000 for data operator and the minimum salary of two orderlies

which is about Rs 32,000.

"When he is not working as a Minister and does not have any portfolio, then why he should be paid a salary and allowances? Being in jail neither is he going to his constituency nor is there a question of his guests coming. Similarly, a daily allowance of Rs 1000 should also not be given to him. When he is in jail then what is the need for a data operator and two orderlies. In this way, the expenditure of a Minister is more than Rs 1.5 lakh rupees per month. Jain has been in jail for six months and he is also taking advantage of all these facilities including salary and allowances. If he is not working, then why he is being paid," he said.

Vijay Goel to 'expose' AAP through play 'Ham Anna ke chele hain'

STAFF REPORTER ■ NEW DELHI

Senior BJP leader and former Union Minister Vijay Goel will seek votes for his party's candidates in the MCD polls by 'exposing' the Aam Aadmi Party (AAP) through his singing and acting in the street play 'Ham Anna ke chele hain.' Goel also performed the play 'Ham Anna ke chele hain' at a press meet at the Delhi BJP office on Wednesday.

He said that the 'nukkad nataks' written by him will expose how Delhi Chief Minister Arvind Kejriwal and other AAP leaders, who claimed to be disciples of anti-graft leader Anna Hazare, went on to indulge in corruption. Goel said that at least ten performances of the street play will

be held in each of the 250 MCD wards in coming days.

With the play, the party aims to highlight how it will propel development if it comes back to power in the MCD — which it has been controlling for the 15 years — and how the AAP Government in Delhi has 'failed' to deliver on its promises during its eight years of governance. Goel said that people were satisfied with Modi Government's public welfare schemes and they have trust in the BJP.

AAP to hold 1,000 nukkad sabhas for MCD polls

STAFF REPORTER ■ NEW DELHI

From Thursday onward, the AAP will hold 1,000 Nukkad Sabhas till the date of MCD polls on December 4. The AAP on Wednesday held 60 jan samvad rallies across the national Capital. The party also said that they will run several 'buzz' campaigns like 'Dance for Democracy' teams to spread the AAP's message to people through cultural events. The AAP will organise nukkad nataks, guitar shows and magic shows to showcase the advantage of having Arvind Kejriwal's Government, his MLAs and his councillors in Delhi and the MCD too.

Earlier, interacting with people at the rally in Harkesh Nagar, Pul Prahladpur and Tughlakabad, Deputy Chief

Minister Manish Sisodia said the people of Delhi would give a "befitting response" to the BJP, which had "failed" to perform its primary responsibility during its 15-year tenure in charge of the civic body. Sisodia said citizens of the national Capital were "fed up" with the civic body and would choose the party that worked for development this time. "Citizens have been saying that the BJP has been cheating the public for the last 15 years in the MCD. The people are also fed up with their garbage mismanagement. This time, the people will choose the party that works for development," he said.

Meanwhile, the AAP leader Durgesh Pathak enlists five problems faced by the employees of MCD including Safai karamcharis which

made their lives miserable, during BJP reign. He vowed to end this trail of injustice and give due respect to these unsung heroes who toil to keep Delhi clean with 'Kejriwal ki Sarkar, Kejriwal ka Paarshad' in MCD.

Pathak said, "The BJP has no remorse in betraying those who work for them. Their hard work is not at all respected, instead they are abused by BJP leaders. There is a backlog in disbursement of salaries of MCD employees by 5-6 months. CM Arvind Kejriwal will solve all the problems faced by Safai Karmacharis and give them the respect they deserve."

"Another major problem that employees of the MCD face and this is a promise that the BJP has made in all of their previous manifestos is — to make the contractual

employees permanent. There are over 25,000 safai karamcharis who receive their payment on a daily basis."

"The third problem that these safai karamcharis face is the conditions in which they work. They often work inside drains that are extremely filthy with very little protective gear, they also pick the garbage of the entire city," said Pathak.

"The fourth problem, and I believe that this is a problem that no developed society should face at this time, is the problem of manual scavenging. Even now, the safai karamcharis have to physically enter the sewage drains and clean it," Pathak said.

The AAP on Wednesday kicked off the second phase of its campaigning for the MCD elections with music, magic shows and street plays.

Delhi Govt promises to clean Yamuna to bathing standards by 2025

Pollution load in the river has increased substantially in past five years

STAFF REPORTER ■ NEW DELHI

The Delhi Government has promised to clean the Yamuna to bathing standards by 2025, as the pollution load in the river has increased substantially over the last five years.

The environment department report shows that barring Palla, the annual average level of biological oxygen demand (BOD) increased at every location of water sample collection for testing in the national Capital. BOD, an important parameter for assessing water quality, is the amount of oxygen required by aerobic microorganisms to decompose organic material present in a water body. BOD levels less than 3 milligram per litre (mg/l) is considered good.

There was no immediate reaction available from the environment department. The Delhi Pollution Control Committee (DPCC) collects river water samples at Palla, where the Yamuna enters Delhi; Wazirabad, ISBT bridge, ITO bridge, Nizamuddin bridge, Agra Canal at Okhla Barrage, Okhla Barrage and Asgarpur.

The DPCC data showed while there has been no major change in the annual average BOD level at Palla over the last five years (from 2017 to 2022), it has increased from around 3 mg/l to around 9 mg/l at Wazirabad.

The BOD level has risen from around 30 mg/l to 50 mg/l at the ISBT bridge and from 22 mg/l to 55 mg/l at the ITO bridge during the period.

Similarly, the BOD level worsened from 23 mg/l to around 60 mg/l at Nizamuddin bridge, from 26 mg/l to 63 mg/l at Agra Canal at Okhla Barrage, from 26 mg/l to 69 mg/l at Okhla Barrage and from around 30 mg/l to 73 mg/l at Asgarpur, the data showed.

The Yamuna river can be considered fit for bathing if BOD is less than 3 milligram per litre and dissolved oxygen (DO) is greater than 5 milligram per litre. Dissolved oxygen (DO) is the amount of oxygen available to living aquatic organisms. Aquatic life is put under stress if DO levels in the water drop below 5 mg/l.

Twenty-two drains carrying domestic wastewater and industrial effluent fall into the Yamuna between Wazirabad and Okhla. Though the 22-km stretch is less than two per

cent of the river length, it accounts for about 80 per cent of the pollution in the river. Though a minimum environmental flow is required to clean the river to bathing standards, treating all the domestic wastewater and industrial effluent and further cleaning it using in-situ techniques can help reduce pollutant load significantly, according to eminent environmentalist Manoj Mishra.

In-situ bioremediation techniques involve treatment at the site using aquatic plants or microbial remediation methods. Such systems take less time to become operational, are easy to operate, and require less energy as compared to conventional treatment technologies.

Some common in-situ treatment systems are microbial bioremediation, phytoremediation, constructed wetland system and root zone treatment. Adequate space and appropriate flow are general requirements for adoption.

NCERT told to nix chapter normalising misogyny in book

STAFF REPORTER ■ NEW DELHI

The Delhi Commission for Protection of Child Rights has asked NCERT to modify or replace a chapter in Class IX English textbook, claiming that it normalises "violent masculinity, depicts women in "stereotypical ways and teaches children to accept violence at home". The panel's chief Anurag Kundu said the chapter titled "The Little Girl" narrates the story of a girl Kezia, who is scared of her father and is constantly threatened by him to a point that it starts impacting her speech.

Later in a tweet, Kundu wrote, "I have written to @ncert Director advising removal of the chapter 3 titled 'The Little Girl' of class IX

English textbook as it normalises violent masculinity, perpetuates patriarchy and promotes toxic behaviour in the family." No immediate reaction was available from the NCERT.

According to the story, Kezia's grandmother asks her to prepare a gift for her father as his birthday is around the corner. She prepares a pin cushion, but stuffs it with papers which contain a speech her father is supposed to deliver at an event. On finding this out, the father beats her up, but the grandmother asks her to forget the incident.

In the night, while sleeping beside her father, Kezia "realises" that the father works too hard to be playing with her, and that explains him getting

angry frequently. She forgets about the incident and forgives him, the DCPCR said. The panel said it consulted gender experts over the chapter and concluded that "it is deeply problematic". It said Kezia's grandmother and mother are shown in stereotypical ways.

"Both women are docile, unable to stand up to the father when he beats or screams at Kezia. The mother is shown as an enabler of the abuse and patriarchy in the house.... The grandmother is kind and compassionate, lovingly soothes her granddaughter, but never defends her.... Her grandmother, being an elder, is shown as powerless in front of her son," the letter to NCERT director read.

Noting that this "portray-

al of women is at odds with the kind of gender equal society we all aspire to build", the panel stressed that children ought to be exposed to more progressive portrayal, making them question and critically examine her own surroundings.

"It teaches children to accept violence at home because the father works too

hard... The material does not empower girls in any way, and in fact, provides harmful examples that girls and young women can forgive perpetrators of violence while boys can learn that they will be forgiven even if they are violent... All characters seem to be stuck in a psychologically unsafe environment," the letter said.

Server of NIC eHospital at AIIMS crashes, OPD, sample collection hit

STAFF REPORTER ■ NEW DELHI

The server of the National Informatics Centre's (NIC) eHospital used at AIIMS, New Delhi crashed around 7 AM and was down till the filing of this report late in the evening, affecting the healthcare centre's outpatient department (OPD) and sample collection services.

"All these services are running on manual mode at present," AIIMS authorities said.

A team from the NIC working at AIIMS has informed that this may be a ransomware attack, which is being reported and will be investigated by appropriate law enforcement authorities, AIIMS said in a statement.

"With the server being down, the outpatient and inpatient digital hospital services, including smart lab, billing, report generation and appointment system, among others have been affected," an AIIMS official said. The OPD and sample collection were handled manually but the sample collection system for those who do not have a Unique Health Identification were

affected, another official said. As each sample collected requires a barcode for tracking, the server going down has led to very few samples being collected, he added.

Measures are being taken to restore the digital services and support is being sought from the Indian Computer Emergency Response Team (CERT-In) and NIC, AIIMS said in the statement.

Covid treatment: HC tells Govt to give ₹16L to Judge

Nixes counsel's plea that hospital took more than rates prescribed by Govt

STAFF REPORTER ■ NEW DELHI

The Delhi High Court has directed the Delhi Government to reimburse forthwith over ₹16 lakh to a serving judge of the district judiciary towards the cost of Covid treatment incurred by him during the second wave of the pandemic.

Additional District Judge (ADJ) Dinesh Kumar was hospitalised from April 22-June 7, 2021, at the Pushpawati Singhania Research Institute (PSRI) in the national Capital after he contracted Covid-19.

Kumar was charged ₹24,02,380 for his treatment. However, the Delhi Government reimbursed ₹7,08,500 and refused to pay the balance sum of ₹16,93,880.

The refusal was on the ground that the hospital charged the amount ignoring the rates prescribed under the June 20, 2020, circular of the State Government "fixing the charges leviable for treatment of Covid-19 patients".

The High Court refused to accept the submission of the Delhi Government's counsel that the private hospital, where the ADJ was treated, shall be asked to explain why it charged amounts higher than those prescribed in a Government circular.

The hospital, he said, shall be directed to refund the over-charged amount of ₹16,93,880.

Why did Cong not support tribal woman Prez: Modi

PNS ■ NEW DELHI

Citing how the Congress did not support Droupadi Murmu in her election as the first tribal President of the country, Prime Minister Narendra Modi on Wednesday questioned how could the Opposition party and its leader Rahul Gandhi talk about tribal welfare. Continuing his offensive against the opposition party in poll-bound Gujarat, Modi also said the "Congress model" meant "nepotism, casteism, sectarianism and vote bank politics".

Modi returned to Gujarat after a day's break and held a series of public meetings. The BJP is seeking the mandate for the seventh time facing Congress and AAP as its political rivals in the two-party poll slated December first and 5th.

Addressing a public rally at the tribal-dominated Mahuva village in Surat dis-

trict where Rahul also had held his first election meeting taking time off from his 'Bharat Jodo Yatra', the Prime Minister asked "why Congress did not support tribal woman in presidential election if the opposition party was so concerned about tribals?"

In his rally, Rahul had accused the BJP of taking away the rights of tribals and alleged that soon their 'jungles' too will be taken away by 'two-three industrialists'.

Modi referred to Rahul and his ongoing 'Bharat Jodo Yatra' saying "a person is conducting a foot-march to get back power. "In his speech, he talks about tribals. I want to ask him, why Congress did not support the BJP's woman tribal candidate in the presidential election? Instead, they fielded their own candidate to defeat her," the prime minister asserted.

"Despite Congress' efforts Droupadi Murmu became

President "with the blessings of tribal people," he added.

"Why did Congress never think of making an Adivasi (tribal) our President? It was the BJP which made a tribal person, that too, a woman, our country's President for the first time and sent a message to the world," Modi said.

Continuing his offensive against the Congress, Modi in another rally at Mehsana in North Gujarat said the "Congress model" meant nepotism, casteism, sectarianism and vote bank politics. "This

model has not only destroyed Gujarat but India too. That is the reason why we have to work hard to take the country ahead today," he said.

He said the BJP compelled other parties to talk about development during polls. The prime minister also addressed poll rallies at Dahod, Vadodara, and Bhavnagar during the day.

Modi hoped that Gujarat will witness a record voter turnout in the upcoming state polls, particularly by the youth and first-time voters.

Experts rush to areas hit by measles

ARCHANA JYOTI ■ NEW DELHI

With the number of cases of highly-infectious measles on the rise in Ranchi, Ahmedabad, and Malappuram as in Mumbai, the Centre on Wednesday rushed teams of high-level experts to these areas. Measles death count has surged to 11 in Mumbai alone while the case count there has reached 220.

The officials in the Union Health Ministry are keeping their fingers crossed, fearing Measles outbreak in more States as they cited the WHO and UNICEF observations shared early this year on the global status of the air-borne viral disease mainly affecting kids aged 1-2 years. The spike in cases may hamper the Ministry's aim to eliminate Measles in the country by 2023. The global agencies had noted that pandemic-related disruptions, increasing inequalities in access to vaccines, and the diversion of resources from routine immunization are leaving too many children without protection against Measles and other vaccine-preventable diseases. The Ministry has already shot off a letter to all the States to keep a tab and take pre-

cautions against the air-borne viral infection. "Recently, increased numbers of measles cases are being reported from certain districts of Bihar, Gujarat, Haryana, Jharkhand, Kerala and Maharashtra. A rapid rise in the number of cases and some mortality due to Measles has also been observed specifically in the Brihanmumbai Municipal Corporation (BMC) and certain other Districts of Maharashtra.

"This is of particular concern from a public health point of view. It is also clear that in all such geographies, the affected children were predominantly unvaccinated and the average coverage of Measles Rubella Coverage vaccination (MRCV) among the eligible beneficiaries is also significantly below the national average," says the circular.

According to the WHO, Measles cases increased by 79% compared to the previous year in the first two months of 2022. In India, the first dose coverage of the measles vaccine dropped to 88% in 2020 from 100% in 2018. The relaxation of movement restrictions is another factor that heightens the risk of larger outbreaks.

The agencies had flagged concern that outbreaks of measles could also forewarn outbreaks of other diseases that do not spread as rapidly. According to data released by the US Centers for Disease Control and Prevention (CDC), India has reported the highest number of measles cases in the world between April and September 2022. Measles is a severe viral respiratory illness that is marked by a prodrome of fever (can go as high as 105 F) and persistent cough, malaise, coryza, and conjunctivitis. These symptoms are followed by a maculopapular rash. The rash usually appears about 10-14 days after a person is exposed to the virus.

For achieving the goal of

elimination by 2023, each district must mobilise all resources optimally to achieve at least 95% measles rubella coverage vaccination II by 2 years of age or at the latest by 5 years of age, as per the Ministry.

"States have been advised to administer one additional dose [special dose for measles and Rubella for Universal Immunization Programme (UIP)] to all children of 9 months to 5 years in vulnerable areas ie geographies which are showing recent increase in numbers of Measles cases. This dose would be in addition to the primary vaccination schedule of first dose at 9-12 months and second dose at 16-24 months," as per the Ministry's circular.

Rajnath calls for resolute global efforts to counter transnational terrorism

PIONEER NEWS SERVICE ■ NEW DELHI

Defence Minister Rajnath Singh on Wednesday called for urgent and resolute global efforts to counter transnational and cross-border terrorism.

Stressing this point, he also said India advocates a free, open and inclusive Indo-Pacific region and underlined the need for peaceful resolution of disputes while respecting the sovereignty and territorial integrity of all nations.

The minister made these observations in the 9th Association of Southeast Nations (ASEAN) Defence Ministers' Meeting (ADMM) Plus in Siem Reap, Cambodia.

The ADMM Plus is an annual meeting of Defence Ministers of ten ASEAN countries and its eight dialogue partner countries, viz., India, USA, Russia, China, Australia, Japan, New Zealand and South Korea. The year 2022 also marks the 30th Anniversary of India-ASEAN relations.

During his address, Rajnath called for urgent and resolute global efforts to counter transnational and cross-border terrorism, terming it as the gravest threat to regional and global security.

He pointed out that the global security environment has transformed fun-

damentally over the last few decades, with terrorist groups creating inter-linkages across continents backed by new-age technologies to propagate ideologies, transfer money and recruit supporters.

Rajnath reiterated India's commitment to nurturing practical, forward-looking and result-oriented cooperation between India and ADMM Plus countries for enhancing the maritime security in the region and safety of the global commons. He asserted that India advocates a free, open and inclusive Indo-Pacific region and calls for peaceful resolution of disputes while respecting the

sovereignty and territorial integrity of all nations.

In this context, he stated that the ongoing ASEAN-China negotiations on the Code of Conduct in the South China Sea should be fully consistent with international law, in particular United Nations Convention on the Law of the Sea (UNCLOS) and should not prejudice the legitimate rights and interests of nations that are not party to these discussions.

He called upon all the member states to work together with a positive intent, towards a stable, safer and more secure world for our future generations.

Waiting period for business, tourist visa to US nearly 3 years

PIONEER NEWS SERVICE ■ NEW DELHI

Even as the US recently assured that the waiting time for visa clearance for Indians will be reduced, those wanting to travel there on a business or tourist visa will have to wait for nearly three years or nearly 1,000 days.

This long period is for those Indians wishing to travel to the US on a visitor visa-B 1(business) and B-2(tourist). A search on the US State Department website shows that the waiting period for B1/B2 visa interview is 961 days (as on November 23).

For those living in Delhi, the waiting time is 961 days while for Hyderabad, it is 994 days. Chennai residents will have to wait for 948 days to get an appointment, while in

Kerala, the waiting period is 904 days. Residents of Mumbai will have to wait for 999 days. The astronomical wait times mean that a first time B1/B2 applicant may now get date for interview in the year 2025.

The US State Department had said earlier this month that it is committed to facilitating legitimate travel to there while safeguarding national security.

The issue of long wait time for Indians was flagged by External Affairs Minister S Jaishankar during his visit to the US in September where he had raised the issue of visa applications backlog with US Secretary of State Antony Blinken.

A few days back, the US State Department said visa processing is rebounding faster than projected and is expected to reach pre-pandemic levels in Fiscal Year 2023.

Cong leader moves SC seeking review of verdict upholding 10% reservation to EWS

PTI ■ NEW DELHI

A Congress leader on Wednesday moved the Supreme Court seeking review of its verdict upholding the 10 per cent reservation introduced in 2019 for the economically weaker sections (EWS) in educational institutions and government jobs that excluded the poor among the SC/ST/OBC categories.

The plea filed by Jaya Thakur has sought review of the November 7 verdict saying there was error apparent on the face of records in the judgement.

The review petition has been filed through advocate Varinder Kumar Sharma.

In its landmark judgement, a five-judge Constitution bench had said that the use of basic structure doctrine as a "sword" to "stultify" the State's effort to do economic justice cannot be countenanced.

It had delivered a 3:2

majority decision in favour of the 103rd Constitution Amendment.

While upholding the 10 per cent reservation introduced in 2019 for EWS in admissions and government jobs that excluded the poor among the SC/ST/OBC categories, the apex court had said it is not discriminatory or violative of any essential feature of the Constitution.

Treating the EWS as a separate category is a reasonable classification and the 50 per cent ceiling on the total reservation under the Mandal judgement is "not inflexible", the judges had said while dismissing the petitions challenging the validity of the law.

Prosperous Indo-Pacific hinges on peaceful maritime domain: Indian Navy chief

PIONEER NEWS SERVICE ■ NEW DELHI

With increasing tension in the Indo-Pacific region as China is flexing its muscle there, Navy chief Admiral R Hari Kumar said here on Wednesday a prosperous Indo-Pacific hinges on a peaceful maritime domain. He also said India has all along called for a "free, open, inclusive, peaceful and prosperous region."

Underlining this factor, he also said maritime terrorism and proliferation of advanced technologies have "further complicated the security matrix."

The Navy chief said the

Indo-Pacific Oceans Initiative (IPOI) holds immense potential for synchronising and synergising the collective efforts towards achieving a peaceful region.

He made these assertions in his inaugural address at the three-day fourth edition of Indo-Pacific Regional Dialogue (IPRD) here. The IPRD is an apex-level international annual conference of the Indian

Navy that seeks to foster exchange of ideas and promote

deliberations on regionally relevant maritime issues.

Special forces of India, Indonesia engage in joint exercise 'Garuda Shakti' in Indonesia

PIONEER NEWS SERVICE ■ NEW DELHI

Special Forces of India and Indonesia are currently engaged in a joint exercise 'Garuda Shakti' in Sangga Buana training area Karawang, Indonesia. It is the eighth edition of the series of bilateral exercises under this banner.

The latest 13-day exercise commenced on November 21

and aims at enhancing understanding, cooperation and interoperability between the Special Forces of both armies.

The scope of the joint exercise includes orientation to advance special forces skills, sharing of information on weapon, equipment, innovations, tactics, techniques and procedures and lessons learnt from various operations undertaken.

ED seizes ₹16 cr of Alphageo in form of fixed deposits under FEMA

PNS ■ NEW DELHI

The Directorate (ED) has seized Rs 16 crore of Alphageo (India) Ltd. in the form of fixed deposits under the provisions of Foreign Exchange Management Act.

An investigation against Alphageo India Ltd. was initiated by ED on the basis of information received that the company had transferred and parked certain funds in the United Arab Emirates in contravention of FEMA.

In a separate case, the agency has attached Rs 3.25 crore in a money laundering case linked to dacoity in Kerala. "During investigation, it was revealed that Alphageo is a Hyderabad-based company which is engaged in providing seismic survey services to various oil exploration and production companies in India, and abroad.

The company has been importing various equipment for seismic data acquisition from several suppliers based in France, Singapore, Netherlands, etc," the ED said in a statement.

Investigation further revealed that equipment for seismic data acquisition was directly received from various suppliers by Alphageo. However the payment for the same has been routed through an entity Matrix Group DMCC, maintained and controlled by Rajiv Saxena, a Chartered Accountant based in Dubai and a hawala operator for these imports, the ED said. Further investigation

revealed that by way of over invoicing bills for these imports, Alphageo has parked funds into the account of Matrix Group DMCC for the personal benefit of Dinesh Alla, Chairman and Managing Director of Alphageo (India) Limited in contravention of provisions of FEMA.

An amount of USD

25,34,628 was held outside India in contravention of Section 4 of FEMA.

The equivalent value of the foreign funds parked in the United Arab Emirates by Alphageo amounting to Rs 16 crore has been seized in India under FEMA. Further, investigation in the matter is under progress, it said.

ED attaches ₹3.25 crore cash as proceeds of crime relating to robbery, kidnapping under PMLA

New Delhi: The ED has attached cash to the tune of Rs 3.25 crore for being 'Proceeds of Crime' relating to a robbery and kidnapping case under PMLA. The ED initiated money laundering investigation on the basis of scheduled offence invoked in the FIR registered by Kottakkal Police Station, Kerala in the said case. "The amount attached by ED is the Proceeds of Crime which was recovered by the Kottakkal Police from the possession of two robbers while they were trying to escape after robbing and kidnapping an auto rickshaw driver who was carrying this huge amount of cash in his auto," it added.

No Maha village will go anywhere: Fadnavis on Bommai’s remarks

Due to water crisis Maharashtra border villages wanted to merge with K’taka, CM had claimed

PTI ■ NAGPUR | MUMBAI

Maharashtra Deputy Chief Minister Devendra Fadnavis on Wednesday said no village in Maharashtra has sought merger with Karnataka recently, and there is no question of any border village “going anywhere”.

Karnataka Chief Minister Basavaraj Bommai had claimed on Tuesday that some village panchayats in Jat taluka of Maharashtra’s Sangli district had passed a resolution in the past seeking to merge with Karnataka when they were facing a severe water crisis.

The Karnataka Government had devised schemes to help them by providing water, and his Government was seriously considering the proposal of Jat villages, he said.

“These villages had introduced a resolution on the issue of water scarcity in 2012. Presently, none of the villages have introduced any resolution,” Fadnavis told reporters in Nagpur. When he became Maharashtra Chief Minister, his government entered into an agreement with Karnataka to sort out the water issue, he said.

A water supply scheme was chalked out for the Jat villages when Girish Mahajan was water resources minister in his cabinet, the BJP leader added. “We are now going to give approval to that scheme. Perhaps because of Covid, the previous (Uddhav Thackeray-led) government could not approve it,” Fadnavis added.

“Presently, none of the villages have raised such demand (of merger with Karnataka). The demand is of 2012,” he said.

“Not a single village of Maharashtra will go anywhere,” Fadnavis stressed. Sudhir Mungantiwar, BJP leader and Maharashtra minister, blamed Jawaharlal Nehru for the long-pending dispute.

“The dispute between Maharashtra and Karnataka is actually the gift of late prime minister Jawaharlal Nehru,” he said without elaborating.

The case is now before the Supreme Court and any resolution passed by village panchayats would not affect the court’s verdict, he told reporters.

“If resolutions are to be taken so seriously, then what about the villages in Karnataka which have passed resolutions seeking to join Maharashtra,” he asked. Earlier in the day, another Maharashtra Minister Shambhuraj Desai said the Karnataka Chief Minister’s

claims should not be taken seriously. The decades-old border dispute over Belagavi (earlier Belgaum) between Maharashtra and Karnataka is in news again due to recent

statements from both sides.

On Monday, Bommai had said he had formed a formidable legal team of senior lawyers to deal with the border dispute when it comes up in the Supreme Court.

On Tuesday, the Maharashtra government appointed Chandrakant Patil and Shambhuraj Desai as nodal ministers to coordinate with the state’s legal team regarding the pending court case. Talking to reporters here, Desai said, “As Maharashtra has reconstituted its team to take forward the Karnataka border dispute in the Supreme Court, Bommai has come up with some ridiculous old demand. It should not be taken seriously.

The villages in Jat tehsil had reportedly passed a resolution more than a decade back to pressurise the then state government to address their demand of water supply from the Krishna river.” There is no such official documentation or resolution available with the Maharashtra government, he added.

‘Aftab will cut me into pieces’ Shraddha filed plaint in 2020

She withdrew complaint after cops visited their house, says Mumbai Police

PTI ■ MUMBAI

Call centre employee Shraddha Walkar had two years ago complained to police in Maharashtra that her live-in partner Aaftab Poonawala, who is accused of brutally murdering her, tried to kill her and she feared he would cut her into pieces and throw her away, an official said here on Wednesday. Based on her written complaint dated November 23, 2020, the personnel of Tulj police station in Palghar district visited the place, where Walkar and Poonawala resided, twice and recorded her statement. Walkar then told the police that she had lodged the complaint “in a fit of rage” and the issues between her and Poonawala were resolved. She

told the police that she was withdrawing her complaint, after which the case was closed, he said.

The official said the officer who visited their house at that time had counselled them and also warned Poonawala.

In her complaint to Tulj police in Palghar in November 2020, Walkar alleged that, “Poonawala has been abusing me and beating me up.”

“Today, he tried to kill me

by suffocating me and he scares and blackmails me that he will kill me, cut me up in pieces and throw me anyway. It’s been six months he has been hitting me. But I did not have the guts to go to police because he would threaten to kill me,” Walkar said in the complaint.

“His parents are aware that he beats me and that he tried to kill me,” she told the police.

Walkar also said in the letter that Poonawala’s parents

knew about them living together and they visited them on weekends. “I lived with him till date as we were supposed to get married anytime soon and had the blessing of his family. Henceforth, I am not willing to live with him so any kind of physical damage should be considered coming from him as he has been blackmailing me to kill me or hurt me whenever he sees me anywhere,” she stated in the letter.

Talking to PTI, a top official of the Mira Bhayandar-Vasai Virar (MBVV) police commissionerate, said that after Walkar’s complaint, police officials twice visited Regal Apartment, Vijay Vihar Complex near ARC Bhavan in Vasai town, where the live-in partners resided, and recorded her statement, in which she said she was withdrawing the case against Poonawala as the issues between them were resolved.

“Our officer counselled them properly and warned Aaftab too. He recorded Walkar’s statement and closed the case,” the official said.

21 TMC leaders, MLAs in touch with me, says Mithun

SAUGAR SENGUPTA ■ KOLKATA

Weeks after top Bengal BJP leadership declared that the Mamata Banerjee Government would not sustain beyond the month of December leading to speculations about central designs vis a vis Bengal cinestar-turned saffron politician Mithun Chakrabarty has said that at least 21 TMC leaders including MLAs were in direct touch with him. Chakrabarty who was in Bengal to campaign for the BJP in several districts ahead of the next year’s panchayat elections said: “not all the Trinamool men are corrupt

... and those who are not corrupt prefer to maintain silence in that party ... among these silent leaders at least 21 are in direct touch with me ... take this hint and track them you will find why some people have started saying that TMC is on the verge of a big fall.”

State BJP president Sukanto Majumdar however, was quick to dispel “rumors” saying his party in the Centre had no intention to pull down the TMC Government. “We will not topple the Government ... it will fall on its own ... we will come to power through democratic means and getting people’s mandate,” he

said after Chakrabarty’s “21-MLAs” remark.

Referring to the repeated allegations made by the Mamata Banerjee Government that the Centre was not clearing its funds Chakrabarty told a rally at Purulia on Thursday the powers be in the State were to blame for the fund crunch that the State was facing. Stopping short of naming the Chief Minister he said the Bengal Government was responsible for the alleged “slow-flow” of central funds for rural housing projects and MNREGA wages.

The central funds had dried up because the Bengal

Government had not accounted for the previous grants, he said. The Mumbai mega star who extensively campaigned for the BJP in 2021 Assembly elections but failed to pierce the Mamata magic questioned why the Prime Minister Awaas Yojna would have to be renamed as Bangla Awaas Yojna particularly when the funds were being sent by the Centre. “PM Modi may be a BJP leader but he is the PM of every Indian ... so when the PMAY scheme is being formulated by his Government there is no reason why the name of this scheme should be changed,” he said.

Govt staff, cops clash at DA rally

PIONEER NEWS SERVICE ■ KOLKATA

Several Government servants and many pensioners were injured and detained by the police following a skirmish between the men in uniform and government staff, thousands of whom on Thursday marched towards the State Assembly demanding hike in the dearness allowance.

Thousands of State Government employees marched towards the Assembly pulling down the barricades leading to the police crackdown, on Thursday noon sources said. The employees had been asking for a hike in DA as per a Calcutta High Court order.

The High Court had earlier ruled that the DA a rightful claim of the employees and directed the Government to clear the dues within a given deadline. The Government however failed that deadline and pleaded that it did not have sufficient funds.

Gurjar faction vows to stop yatra if Pilot not made Raj CM; Sachin says BJP trying to create trouble

PIONEER NEWS SERVICE ■ NEW DELHI | BHOPAL | JAIPUR

The ongoing ‘tussle’ between Rajasthan Chief Minister Ashok Gehlot and his former deputy Sachin Pilot has now hit the ongoing Bharat Jodo Yatra led by former Congress chief Rahul Gandhi after a threat by a Gurjar outfit to disrupt the Yatra if its demand to make their leader Pilot the chief minister is not accepted.

The yatra is currently traversing in Madhya Pradesh where party General Secretary and member of the Gandhi family, Priyanka Gandhi, is scheduled to join her brother Rahul during the next two days.

Gurjar Arakshan Sangharsh Samiti leader Vijay Singh Bainsla has threatened to oppose Rahul Gandhi’s yatra in the State unless his demands, including making Pilot, a prominent face from the com-

munity, the chief minister are not accepted. Bainsla has also accused the Congress government of not fulfilling the promises made to the community.

Reacting to the development Pilot distanced himself from such threats and instead accused the BJP of trying to create “disturbances”.

“The BJP may try to create disturbances... But it is ‘Bharat Jodo Yatra’ and it will be successful. We will all welcome the yatra with unity,” he said.

Chief Minister Ashok Gehlot, too, said his government will try to address Bainsla’s grievances. “This is democracy and everyone has the right to speak. We are ruling on the basis of the Constitution and the right to speak cannot be taken away. If there is any demand or suggestion, we will hear it out and try to address the grievances,” he said.

CV Anand Bose takes oath as Bengal Guv

PIONEER NEWS SERVICE ■ KOLKATA

CV Anand Bose a retired IAS officer of the 1977 batch on Thursday took oath as the new Governor of Bengal. He replaced La Ganesan the acting Governor who was given the joint charge of Manipur and Bengal after former Governor Jagdeep Dhankhar was elevated to the post of Vice-President of India.

Bose, whose father was a member of Indian National Army and was an associate of Netaji Subhas Chandra Bose gets the last part of his name from the iconic freedom fighter.

“My father who was an associate of Netaji kept my name after him,” the new occupant of the Kolkata Raj Bhavan earlier said. He was selected by the Centre as the new Governor of the State on November 17.

Calcutta High Court Chief Justice Prakash Shrivastava administers oath to retired IAS officer C.V. Ananda Bose as West Bengal Governor, at Raj Bhawan in Kolkata, on Wednesday

CV Anand Bose was administered the oath of office by Calcutta High Court Chief Justice Prakash Shrivastava in the presence of Chief Minister Mamata Banerjee, Speaker Biman Banerjee, former Governor Gopal Krishna

Gandhi, Left Front Chairman Biman Bose and other dignitaries.

Opposition Leader Suwendu Adhikari however skipped the programme amid allegations that he was not properly invited.

SC directs all State electricity regulatory panels to frame norms for fixing tariff

PTI ■ NEW DELHI

The Supreme Court on Wednesday directed all state electricity regulatory commissions to frame regulations under the law prescribing terms and conditions for determination of power tariff within a period of three months.

The important direction from the top court came in a verdict by which it dismissed the appeal of TATA Power Company Limited Transmission (TPC-T) against a judgement of the Appellate Tribunal for Electricity (APTEL) which had upheld the grant of electricity transmission license to Adani Electricity Mumbai Infra Limited (AEMIL).

“We direct all State Regulatory Commissions to frame Regulations under Section 181 of the (Electricity) Act on the terms and conditions for determination of tariff within three months from the date of this judgment,” the court said.

While framing these guidelines on determination of tariff, the Appropriate Commission shall be guided by the principles prescribed in Section 61, which also includes the NEP (National Electricity Policy) and NTP (National Tariff Policy 2006), it said.

Granting relief to the Adani group firm, a bench comprising Chief Justice D Y Chandrachud and Justices A S Bopanna and J B Pardiwala said, “The threshold limit not having been notified by MERC, it was open to MERC to allot the HVDC project either under the RTM (Regulated Tariff Mechanism) or the TBCB (Tariff Based Competitive Bidding) route.”

SC four special Benches to hear criminal, tax, land related pleas

PIONEER NEWS SERVICE ■ NEW DELHI

The Chief Justice of India (CJI) DY Chandrachud Wednesday said that four special Benches will sit in Supreme Court from next week.

The special Benches will be constituted to handle criminal appeals, land acquisition matters, direct and indirect taxes related cases and motor accident claims cases, said CJI.

CJI Chandrachud also said that that Justice Surya Kant will head the Bench dealing with land acquisition matters. “There will be a special bench from next week onwards to deal with direct and indirect sales tax matters solely,” CJI said on previous day.

Hindu outfits to join drive to make easy-to-understand FOPL warning on packaged foods mandatory

PIONEER NEWS SERVICE ■ NEW DELHI

Organisations like Akhil Bharatvarshiya Brahmin Mahasabha, Vishwa Hindu Parishad, Patalpuri Sanatan Dharma Raksha Parishad and several saints from Varanasi have joined health experts and activists in seeking mandatory easy to understand front-of-pack-labelling (FOPL) warnings on pre-packaged foods.

They have written a letter to Prime Minister Narendra Modi in this regard, even as the Food Safety and Standards Authority of India (FSSAI), has proposed a Health Star Rating (HSR) label in its draft notification.

They were of the opinion that FOPL with a warning be made compulsory so that consumers can get the right to choose healthy options when picking foods laden with high sugar, salt and fat.

Naveen Giri, President of Akhil Bharatvarshiya Brahmin Mahasabha, said: “FOPL with warning level can prove to be the most effective, which helps the consumer to make healthy choices, how much sugar, fat and salt is in the packaged food, which will help in preventing serious diseases especially non-communicable diseases.”

Speaking to reporters here at a press conference here on Wednesday, Dr Arun Gupta, public health expert and convener of NAPI felt that HSR will not only fail to enable consumers to make healthy choices but also mislead them about their nutritional value.

Ashim Sanyal of Consumer Voice too agreed with Dr Gupta arguing that the decision was based on an Indian Institute of Management (IIM)-Ahmedabad study commissioned by the FSSAI while voices of the health experts and AIMS reports have been ignored.

Branch Office: ICICI Bank Limited, 3rd Floor Shal Tower, New Rohtak Road, Karol bagh. Delhi-110005

WHERE SPIRITUALISM AND TOURISM CO-EXIST

Rishikesh welcomes tourists and spirituality buffs alike

NIHARIKA NIGAM

Do you know a place where the concept of heaven and haven go hand in hand? Where sacred chants on the Ganga are on one side and adventure sports are on the other? This is where tourists gather from all across the globe to seek peace and mastery in the art of life. Yes, we are talking about the mystic land of Rishikesh. Known for thousands of years for its cultural significance and lush green mountains with therapeutic waterfalls, here you can jump, float, relax, meditate, enjoy an evening by the bonfire and enjoy a cup of chai in the arms of nature!

Did you know that the Lakshman Jhula has a historical significance from Ramayana? Placed on the mystic Ganga, standing here will leave you mesmerised by sacred chants and the serenity of the river. If you want solitude to post on your Instagram, this is the place! Just like Lakshman Jhula, there are many stunning spots in Rishikesh: Triveni Ghat, Neer Garh Waterfalls, caves, ashrams, temples, Yoga retreats and much more. Oh! And while you are wandering the streets, do not forget to explore the shopping hubs, Teesri Manzil Temple and exotic cafes.

Extreme adventure sports are one of the significant reasons to visit Rishikesh, making it the official adventure capital of India. Barring the monsoons from mid-august to mid-September, adventures go on through the year here. As rafting resumes, tourism floods back into Rishikesh, and if you are looking for something mind-bending and

oh-so-exhilarating, bungy jumping is what will have brought you to Rishikesh. It is at Rishikesh that Bungy jumping began in India 12 years ago. Jump amidst the glorious natural landscape of the hilly region to experience the real deal. This also happens to be India's highest bungy platform.

Along with outward adventures, you can visit one of the yoga retreats in Rishikesh. The holy city is a hub for yoga training and meditation centres. There is a thriving culture of Ashrams which offer a myriad of workshops and stay options to harmonise from within—a much needed reset from the bustling city life. Get a pair of active wear that you can practice breathing exercises and yoga postures in. And if you are planning for a long vacation like a month, you can take one of the yoga certification courses to delve into the experience in detail.

The spot is filled with innumerable cafes. The Beatles cafe, themed upon the famed Beatles band, known to have composed some of their best works in Rishikesh, is one of the most popular touristy ones but there are so many more. Overlooking the Ganges, or the mountains, they offer a sight to behold and delicious pahaadi khaana with trance music- and even live bands often! Most have the classic hippie touch and feel, while some are the small Maggi shops that everyone loves amidst the mountains. Do not forget to wake up early and catch the classic aloo puri available locally.

Even if you are in Rishikesh for just a few days, brace yourself and enjoy every moment you spend in Rishikesh. As one of the most unique places in India, it is truly a treasure trove. Take back a huge bag of memories enough to last a lifetime!

Unlock potential of MSMEs with schemes

DINESH KUMAR TYAGI

The MSME sector does not need more laws and regulation but handholding and government support to play a vital role in nation building

The importance of the MSME in the economic and social development of the country, especially for developing nations, has been established in various studies conducted by the international institutions. In India, the role of SME is proven by the fact that they contribute about 30 per cent of the GDP and 45 per cent of the total export. The MSME sector is the main source of providing employment opportunities in India – about 12 crore people are employed, thus playing a significant role in promoting equitable and inclusive growth.

The government mission of promoting startup culture in the country also hinges on the growth and development of the MSME sector, thereby, encouraging innovation and creativity among the youth and budding entrepreneurs. Despite the role MSME plays in socio-economic development, this sector is unable to perform up to the immense potential and talent of Indian entrepreneurs.

The challenges faced by the sector have been discussed many times by the academicians and government, which include non-availability of adequate credit, regulatory issues, skill development technology upgradation and marketing the products, beside procurement of raw materials. Non-realization of dues /bills timely for goods and services provided from large firms has also been a matter of major concern for the sector.

Another serious challenge has been the non-availability of reliable data about the MSME. Though there are reported to be more than 70 million MSME in the country, the registration on the government portal has been only 11 million of them.

The government policy has been to make it voluntary for registration and despite the simplification of the process and online system designed, the registration of MSME is very less at 15 per cent. Existing approach may need to be revisited to ensure every MSME register, which is the basis on which any support or policy initiative can be designed and made effective for addressing the sector's challenges.

Fortunately, the government initiative for labor registration through the Ministry of Labour and farmer registration by the Ministry of agriculture has been quite successful. More than 90 million farmers registered after the announcement of the PM Kisan Samman Nidhi Yojna. These are all E-KYC authenticated and land details verified through land registration database.

Farmers' data is now very useful for the government to address some of their concerns. Even the Kisan Credit card scheme has a database of more than 50 million farmers. Thus, an appropriate incentive scheme, benefitting each one, can help and support the government in developing a reliable data base of the MSME sector. The other example is that of labour registration. The Ministry of

“

THE MINISTRY OF LABOUR UTILISED THE NETWORK OF FIVE LAKH COMMON SERVICE CENTER WHO SUPPORTED IN ADVOCACY, MOBILISATION AND REGISTRATION OF MORE THAN 170 MILLION LABOURERS OUT OF TOTAL 283 MILLION REGISTERED SO FAR

(The author, an ex-IAS officer, is former CMD, Common Service Centre, IT Ministry)

Labour utilised the network of five lakh common service centres (CSCs) who supported in advocacy, mobilisation and registration of more than 170 million labourers out of 283 million registered so far. The registration exercise was taken as a mission and every agency of the government provided the desired support.

The incentive of Rs 20 provided by the Ministry to the CSCs for every registration played a significant role in this. Thus, the MSME Ministry needs to organize the registration on a war footing in a mission mode and utilize the CSC and postal department network with appropriate incentive. The MSME are generally apprehensive of the government regulation. The MSME units need to be locally supported in explaining the benefits of the registration.

In the case of MSME, some more incentive may be required to allay fears of government regulatory overreach. Universal Insurance scheme, similar to PM Fasal Bima Yojna can be one incentive. Beside every MSME shall be provided an MSME card like the Kisan credit card with three years cash credit limit (this will also help in addressing the liquidity issues). A digital identity for each MSME with a free domain name and a website can be other incentives.

The pension scheme designed for the MSME needs to be revisited and the limit of pension be enhanced to Rs 10,000 from the existing Rs 3000 (the existing scheme has been a non-starter for traders).

With such a comprehensive

package and mission mode approach, all the MSME in the country can be registered on the Udyam Portal and sectoral intervention by the various Central Ministries and state governments can be designed and implemented effectively, more transparently and within a defined time frame. Once there is an API for account, PAN and e-KYC, a reliable database for the MSME in the country can be developed and made the stepping stone for sustainable growth and exploitation of sectors full potential in nation building.

The issues faced by the MSME are quite similar to the ones faced by farmers. The MSME contribution to the nation's GDP is also significant. The MSME provides employment to a large section of the population and addresses the unemployment issues. The criticality of MSME in nation development can in no way be underestimated as compared to agriculture. Why is the requirement of MSME not supported as comprehensively as in the case of the farmers? One reason is that the collective bargaining power of MSME is not as strong as that of the farmers due to diversity in the activity and spread. The trader's organization CAIT needs to play a more effective role in enabling the sector to get government support.

There is a need to appreciate the role being played by the MSME in the country and reexamine the policy intervention. The approach to resolve the issue of untimely or nonpayment of dues of the MSME units by large companies or government agencies by enforcing the provisions of “the interest on delayed payment to small scale and ancillary industrial undertakings Act 1998” has not been much relevant in Indian Context. Similar provision has been made in the MSMED Act 2006. Even the requirement to mention the outstanding of the MSME in the annual account of the companies has not been able to solve the liquidity issues of the MSME.

There is a need to relook at the Factoring Act and free the sector from regulations which are hindering the growth and evolution of this intermediary who can to a great extent address the issues of liquidity of the MSME sector. There is a need to relook at the stamp duty provision for assignment of the debt. Making factors more flexible and incentivising them may be desirable as they can be an effective tool to enable to a large extent meet the liquidity concern of the MSME. Even the approach of including lending to MSME under priority sector and fix limit has very limited impact in resolving the issues of credit access to this sector.

The MSME sector does not need more laws and regulation but handholding and support in India. The inherent ability and talent of Indians to set up and build sustainable enterprises is widely recognized. Regulation should not impinge on innovation, flexibility and capability of this vast pool of resources, who are mainly youth, especially in small and medium towns and rural India. With digital India Initiatives, the approach to the MSME sector needs to redefine both at the Central and state level

POINT COUNTERPOINT

THE 14 NATIONS SUPPORT THE NEED FOR THE COUNCIL TO CONDEMN NORTH KOREA'S ACTIONS WITH A UNIFIED VOICE AND TO TAKE ACTION TO LIMIT ITS UNLAWFUL WEAPONS OF MASS DESTRUCTION — US AMBASSADOR TO THE UN LINDA GREENFIELD

THE LAUNCH OF THE NUCLEAR-CAPABLE Hwasong-17 MISSILE PROVES WE HAVE A RELIABLE WEAPON TO CONTAIN U.S-LED MILITARY THREATS. — SUPREME LEADER OF NORTH KOREA KIM JONG-UN

India can play big global role with G20 Presidency

In a polarised world, India will set the global agenda with 200 G20 meetings across the country

India takes the first step to assume the G20 presidency for the next one year in a world that is increasingly becoming complex. Prime Minister Narendra Modi leads the presidency in a world that is becoming more difficult to communicate. It is not similar to the Non-Aligned Movement, which was a third world action of balancing between the two key powers – the US and Russia.

India has given a call to end the Ukrainian War and Russian President Vladimir Putin has lauded Indian diplomacy from being free from pressure. India plans to make the presidency a grand show of diplomatic business. It will host over 200 meetings, addressing 32 different

SHIVAJI SARKAR

(The author is a policy analyst)

sectors, during the period between December 1, 2022, and November 30, 2023, starting from Jammu and Kashmir.

The diplomatic effort could be unique to exemplify India's concern for global issues where G20 definitely occupies a significant position for controlling the major part of the globe's wealth, resources and the clout in the course of economic and other actions. For Modi, it will be significant to establish brand India for which he has already decided on a lotus G20 logo. Could it be a revival of an era where Gamal Abdel Nasser, former Egyptian President, Marshal Tito, former Yugoslav president, and Jawaharlal Nehru, first Indian prime minister, enjoyed a pivotal role in world politics?

The first spark was seen as Modi spoke in Bali, Indonesia, for a ceasefire in the Russia-Ukraine War in what is clearly an act of diplomatic grandstanding. Two months ago, Modi met Russian President Vladimir Putin and said something about this not being an "age of war" in what might be seen by some as an act of belling the cat. Has that set space for a possible Indian role?

The US has just at the nick of the G20 summit accepted India's right to access Russian oil. Is that a grand stand or just routine? The enthusiasm of the Indian diaspora is exhilarating. Heading a multilateral organisation even for a period of one year means a lot for a country that has been in the forefront of many diplomatic activities, including during the pandemic.

Still Indian ceremonial ascendancy at G20 has not made big news. Instead, the international media concentrated on the three-hour meeting of US President Joe Biden and Chinese President Xi Jinping to hash out some of the thorniest issues in their relationship, including tensions over Taiwan, the economy and return to climate negotiations. Biden and Xi made cautious promises to improve the relationship that is at its most acrid point in decades and he pledged his envoy to visit China soon.

That has not taken away

the thunder out of Modi's move but it must have made him rethink that the media reach of India needs a lot to do and remains as vantage as that of Indira Gandhi, who despite her NAM-Pool move could not do much to widen the Indian news coverage beyond a point. These well could be the guiding mantras for Modi as he leads India's presidency in the club of elite nations.

The next 200 G20 events in India would need a better glare to establish internationally an effort that the country would be making not only for itself but for a possible effort to mark Indian stamp on the global scenario. G20 Presidency is not merely a diplomatic meeting for India, it is a new responsibility and a measure of the world's trust in India. It needs a news system that can penetrate and make a mark. The minister for external affairs S Jaishankar would have to walk that extra mile.

That apart, Prime Minister Modi knows how to utilise an elite forum to give the best impressions. He has decided to widen the Indian ambit. India with G20 presidency will be inviting Bangladesh, Egypt, Mauritius, Netherlands, Nigeria, Oman, Singapore, Spain and the UAE as guest countries, as well as International Solar Alliance, Coalition for Disaster Resilient Infrastructure, and Asian Development Bank as guest international organisations. It will be a new dimension for

the G20, which otherwise keeps to a restricted norm.

The Finance Ministry has allocated Rs 100 crore for hosting the G20, which will have a grand summit in September 2023. It will be spent on the meets, summit and security arrangements for the world dignitaries. The 200 meetings would be held across the country, starting from Jammu and Kashmir and Ladakh, a sharp move for pronouncing that a ticklish problem has been solved.

Whatever, it will be an eventful 2023, which will be occupied with critical international functions as also prepare for eight state assembly elections. It will be a rich and action-packed prelude to India's 2024 general Lok Sabha elections.

6 people, assailant dead in US shooting: Police

AP ■ CHESAPEAKE (US)

A shooter opened fire in a Walmart in Virginia late Tuesday, leaving six people dead, police said, in the country's second high-profile mass killing in a handful of days.

The assailant is also dead. The store in Chesapeake is now safe and will likely be closed for several days during the investigation, Officer Leo Kosinski said in the early hours of Wednesday.

It was not clear who the shooter was or what their motive might be.

"I am devastated by the senseless act of violence that took place late last night in our city," Mayor Rick W. West said in a statement posted on the city's Twitter account. "Chesapeake is a tightknit community and we are all shaken by this news."

A database run by The Associated Press, USA Today and Northeastern University that tracks every mass killing in America going back to 2006 shows this year has been especially bad.

The US has now had 40 mass killings so far this year, second to the 45 that occurred for

all of 2019. The database defines a mass killing as at least four people killed, not including the killer.

The attack at the Walmart came three days after a person opened fire at a gay nightclub in Colorado, killing five people and wounding 17. Earlier in the year, the country was shaken by the deaths of 21 when a gunman stormed an elementary school in Uvalde, Texas.

Tuesday's shooting also brought back memories of another at a Walmart in 2019, when a gunman police say was

targeting Mexicans opened fire at a store in El Paso, Texas, and killed 22 people.

Kosinski said he couldn't say how the shooter died but that he didn't believe police fired shots.

The shooting had apparently stopped when police arrived at the store in Chesapeake, which is Virginia's second-largest city and lies next to the seaside communities of Norfolk and Virginia Beach.

Mike Kafka, a spokesman for Sentara Healthcare, said in a text message that five patients from the Walmart were being

treated at Norfolk General Hospital. Their conditions weren't immediately available. Walmart tweeted early Wednesday that it was "shocked at this tragic event."

US Sen. Mark Warner said in a tweet that he was "sickened by reports of yet another mass shooting, this time at a Walmart in Chesapeake."

State Sen. Louise Lucas echoed Warner's sentiment, tweeting that she was "absolutely heartbroken that America's latest mass shooting took place in a Walmart in my district.

PM Deuba wins from Dadeldhura; Nepali Congress ahead in poll tally

Nepal elections

PTI ■ KATHMANDU

Nepal Prime Minister Sher Bahadur Deuba was elected on Wednesday with a huge margin of votes for the House of Representatives for the seventh consecutive time, with his ruling Nepali Congress party leading in the election tally by winning 13 seats so far.

Elections to the House of Representatives (HoR) and seven provincial assemblies were held on Sunday. The counting of votes started on Monday.

Deuba secured 25,534 votes against his nearest rival Sagar Dhakal, an independent candidate in the Dadeldhura constituency in far west Nepal. Dhakal received just 1,302 votes. Deuba has never lost any parliamentary election in the five decades of his political career.

The 77-year-old Nepali Congress president Deuba is currently holding the post of Prime Minister for the fifth term.

Dhakal is a young engineer, who had a verbal squabble with Deuba during a public debate at a BBC's Sajha Sawal programme five years ago, after which he decided to challenge Deuba saying that now youths should get a chance in politics and senior people like Deuba should retire.

The ruling Nepali Congress has so far bagged 13 seats in the House of Representatives (HoR) while it is leading in 54 other constituencies.

Its ally parties -- CPN-Maoist and CPN-Unified Socialist, Lokatantraik Samajwadi Party -- are leading in 17, 7 and 3 seats respectively.

The CPN-UML led by former prime minister K P Oli has so far bagged three seats and is leading in 45 constituencies. Its ally parties -- the Rastriya Prajatantra Partyj and Janata Samajwadi Party -- are leading in 5 seats each.

The newly formed Rastriya Swotantra Party has won three seats in the Kathmandu district.

Rastriya Prajatantra Party and Nagarik Unmukti Party

have bagged one seat each.

The CPN-UML has received the highest number of votes under the proportional electoral system with the party bagging 2,07,299 votes followed by the Nepali Congress with 1,83,352 votes. Rastriya Swotantra Party is in the third position with 95,598 votes while CPN-Maoist has received 86,433 votes. Similarly, the CPN Unified Socialist got 10,919 votes.

Out of 275 Members of Parliament, 165 will be elected through direct voting, while the remaining 110 will be elected through a proportional electoral system. Similarly, out of a total of 550 members of the seven provincial assemblies, 330 will be elected directly and 220 will be elected through the proportional method.

UK top court rules against Scottish independence vote plan

AP ■ LONDON

The UK Supreme Court ruled on Wednesday that Scotland does not have the power to hold a new referendum on independence without the consent of the British government.

The judgment is a setback for the Scottish government's campaign to break away from the United Kingdom.

The top court ruled that the Scottish Parliament "does not have the power to legislate for a referendum on Scottish independence."

Supreme Court President Robert Reed said the five justices were unanimous in the verdict, delivered six weeks after lawyers for the pro-independence Scottish administration and the Conservative UK government argued their cases at hearings in London.

Scottish First Minister Nicola Sturgeon said she was disappointed but would "respect" the judgment.

But, she said on Twitter: "A law that doesn't allow Scotland to choose our own future without Westminster consent exposes as myth any notion of the UK as a voluntary partnership and makes case for (independence)."

Trump's long-teased White House bid low key in 1st week

AP ■ NEW YORK

From the moment he left the White House in defeat last year, Donald Trump had teased the prospect of a third presidential campaign.

But in the week since he officially declared his candidacy, the former president has been uncharacteristically low key. There has been no massive stadium kickoff rally, notable for someone who has turned such events into a signature of his public life.

His newly reinstated Twitter account, which helped fuel his political rise nearly a decade ago, sits silent with its more than 87 million followers.

He hasn't announced plans to visit the key early voting states that will shape the contest for the Republican nom-

ination, nor has he sat for a round of high-profile interviews. Indeed, since his announcement speech, Trump hasn't held a public event.

"His lack of a schedule makes you wonder if he's really running or if this is just a business development opportunity or a diversion from the DOJ activity," said veteran GOP strategist Scott Reed, referring to Department of Justice probes into Trump's handling of classified documents and his efforts to overturn the 2020 election, which are expected to intensify in the coming weeks.

Trump, who never held public office before winning the presidency in 2016, has never valued the cadence and organisation associated with traditional campaigns.

And several aides noted

that Trump, who made his announcement unusually early and a week before the Thanksgiving holidays, is wary to draw attention away from the December 6 Senate runoff in Georgia, which will close out this year's midterm elections.

The aides, who insisted on anonymity to discuss campaign strategy, said Trump

will ramp up his schedule soon.

But the light-touch start to the campaign reflects the rushed and chaotic nature of his announcement, which came as midterm election votes were still being counted and even as some of his closest aides and allies had urged him to postpone until after the

Georgia runoff. It also comes at a moment of unique political vulnerability for Trump.

The former president, who has spent his post-White House years positioning himself as the undisputed leader of the GOP, is now facing heated criticism inside the party for contributing to a disappointing showing in this month's midterms.

And other Republicans are openly teasing presidential runs of their own, making clear they won't stand aside for Trump's nomination.

Meanwhile, the legal pressure on Trump is intensifying. Attorney General Merrick Garland appointed a special counsel last week to oversee the Justice Department's investigation into classified documents recovered from the former president's Mar-a-Lago

club in Palm Beach, Florida, as well as key aspects of a separate probe involving the January 6, 2021, insurrection at the US Capitol and efforts to undo the 2020 election.

And on Tuesday, the Supreme Court cleared the way for the imminent handover of Trump's tax returns to a congressional committee after a three-year legal fight.

Still, Trump begins the race with an obvious head start. The former president had been acting like a de facto candidate for months and had long had a political operation in place.

After two presidential campaigns and four years in office, he also has longstanding relationships with state and local party leaders, including many who remain loyal to him.

Lanka Prez rules out early polls

Vows to crush anti-Govt street protests

PTIC ■ COLOMBO

The island nation survived with essential supplies being made available through dedicated Indian credit lines.

The Indian assistance was worth 4 billion dollars to help Sri Lanka tide over the economic crisis in the first half of the year.

Widespread unrest over the government's handling of the economic crisis turned into a political crisis. Tens of thousands of people took to the streets for months-long protests and ousted the former president Gotabaya Rajapaksa in mid-July. Wickremesinghe succeeded him after Rajapaksa had fled the country and ordered the military to crackdown on protesters who had occupied government buildings.

On Wednesday, Wickremesinghe said that even if the protesters call him a "dictator" they would need to obtain police permission to stage street protests. "They can call me a dictator but must obtain police permission to stage street protests and cause road traffic."

"There is a plan to stage another Aragalaya (mass public city of Zhengzhou showed thousands of people in masks facing rows of police in white protective suits with plastic riot shields. Police kicked and hit a protester with clubs after he grabbed a metal pole that had been used to strike him. Frustration with restrictions in areas throughout

One person dead, 21 injured after two explosions rock Jerusalem

PTI ■ JERUSALEM

One person was killed and 21 others injured in two separate explosions at bus stops at the entrances to Jerusalem, which is normally jam-packed in the morning. Four people were injured in the explosion.

The devices were packed with nails to maximise casualties and controlled by nearly identical remote devices, the police said in its initial response. Israel Police Commissioner Kobi Shabtai said that "this is a framework of attack that we haven't seen for many years".

He called on the public to be alert for suspicious packages and said officers were scanning the city for other possible devices. It seemed like a coor-

Center, hospital officials said.

A second blast occurred shortly after at 7:30 AM at Ramot junction, another entrance to Jerusalem, which is normally jam-packed in the morning. Four people were injured in the explosion.

The devices were packed with nails to maximise casualties and controlled by nearly identical remote devices, the police said in its initial response. Israel Police Commissioner Kobi Shabtai said that "this is a framework of attack that we haven't seen for many years".

He called on the public to be alert for suspicious packages and said officers were scanning the city for other possible devices. It seemed like a coor-

minated terror attack, he said.

There were no immediate claims of responsibility, however, the Hamas terror group hailed the twin attacks.

"The action conveyed the message to the occupation by saying that our people will stand firm on their land and cling to the path of resistance," Mohammad Hamada, a Hamas spokesperson said in a statement.

The main road leading to Jerusalem was closed as the police launched a massive search operation. Public Security Minister Omer Barlev spoke with the police chief and was expected to visit the scenes of the attacks, his office said.

Defence Minister Benny Gantz held an assessment with

the Shin Bet security agency chief, deputy army chief, and other senior military and police officials, following the attack.

Prime Minister Yair Lapid was to hold a separate assessment later in the day. The explosions come amid a tense phase of instability when concerns have been raised about a weakening Palestinian Authority and its slipping control over the West Bank.

The past several months have seen a series of attacks in Israel leaving 29 people dead.

The Israeli military has been carrying out a major anti-terror offensive in the Palestinian Authority-controlled West Bank following the attacks which have left over 130 Palestinians dead.

Workers protest, beaten at virus-hit Chinese iPhone factory

AP ■ BEIJING

Employees at the world's biggest Apple iPhone factory were beaten and detained in protests over pay amid anti-virus controls, according to witnesses and videos on social media on Wednesday, as tensions mount over Chinese efforts to combat a renewed rise in infections.

Videos that said they were filmed at the factory in the central city of Zhengzhou showed thousands of people in masks facing rows of police in white protective suits with plastic riot shields.

Police kicked and hit a protester with clubs after he grabbed a metal pole that had been used to strike him.

Frustration with restrictions in areas throughout

China that have closed shops and offices and confined millions of people to their homes has boiled over into protests.

Videos on social media show residents tearing down barricades set up to enforce neighborhood closures.

The ruling Communist Party promised this month to try to reduce disruptions by shortening quarantines and making other changes.

But the party is sticking to a "zero-COVID" strategy that aims to isolate every case while other governments relax controls and try to live with the virus.

Last month, thousands of employees walked out of the iPhone factory operated by Taiwan's Foxconn Technology Group over complaints about unsafe working conditions following virus cases.

A protest erupted on Tuesday over complaints Foxconn changed conditions for new workers who were attracted by offers of higher pay, according to Li Sanshan, an employee.

Li said he quit a catering job in response to advertising that promised 25,000 yuan (USD 3,500) for two months of work.

Search effort intensifies after Indonesia quake killed 271

AP ■ CIANJUR (INDONESIA)

More rescuers and volunteers were deployed on Wednesday in devastated areas on Indonesia's main island of Java to search for the dead and missing from an earthquake that killed at least 271 people.

With many missing, some remote areas still unreachable and more than 2,000 people injured in the 5.6 magnitude quake on Monday, the death toll was likely to rise. Hospitals near the epicentre on the island were already overwhelmed, and patients hooked up to IV drips lay on stretchers and cots in tents set up outside, awaiting treatment.

'Tax collection to exceed Budget estimate by ₹4L cr'

PTI ■ NEW DELHI

India's tax collection will exceed the budget estimate by nearly ₹4 lakh crore in the current fiscal on the back of buoyant income tax, customs duty and GST mop-up, Revenue Secretary Tarun Bajaj said on Wednesday.

In an interview to PTI, he said the growth in tax revenues will continue to be higher than the GDP growth, helped by formalisation of the economy and better compliance.

For this financial year ending March 2023, the tax collection target set in the Union Budget is around ₹27.50 lakh crore.

Bajaj said the direct tax collection comprising personal and corporate taxes would be close to ₹17.50 lakh crore in the current fiscal. Mop up from indirect taxes (customs, excise and GST) would be close to ₹14 lakh crore.

The total tax collection is expected to be about ₹31.50 lakh crore in 2022-23, he said.

The Budget had pegged direct and indirect tax mop up at ₹14.20 lakh crore and ₹13.30

lakh crore for current fiscal, taking the total figure to ₹27.50 lakh crore.

"We are using a lot of data. We have data from income tax and GST departments, and MCA (Ministry of Corporate Affairs). We are also getting data regarding high value expenditure. Formalisation of economy and technology has helped improved compliance," Bajaj said.

Last fiscal, the direct tax collection grew nearly 50 per cent to ₹14.10 lakh

crore compared to 2020-21.

"The trend of higher tax collection than GDP growth will continue," Bajaj said.

He also said that even though there was a reduction in customs and excise duties during this fiscal, the government will be very close to the target set in the Budget.

The Budget has set a target of collecting ₹2.13 lakh crore and ₹3.35 lakh crore from customs and excise duties, respectively.

Markets end higher for 2nd day on firm global trends

PTI ■ MUMBAI

Equity benchmarks ended higher on Wednesday amid buying in banking counters and a firm trend in global markets.

Continuing its previous day rally, the 30-share BSE Sensex climbed 91.62 points or 0.15 per cent to settle at 61,510.58. During the day, it jumped 361.94 points or 0.58 per cent to 61,780.90.

The broader NSE Nifty gained 23.05 points or 0.13 per cent to end at 18,267.25.

From the Sensex pack, State Bank of India, Bajaj Finance, Dr Reddy's, Kotak Mahindra Bank, Sun Pharma, Maruti, NTPC, Axis Bank and ICICI Bank were the major winners.

Power Grid, Tech Mahindra, Titan, Bharti Airtel and Bajaj Finserv were among the laggards.

Elsewhere in Asia, markets in Seoul, Shanghai and Hong Kong ended higher.

Equity exchanges in Europe were trading mostly in the green in the afternoon trade. Wall Street had ended higher on Tuesday.

"Following the global trend, domestic indices continued to cautiously build gains as investors braced for the Federal Open Market Committee (FOMC) meeting minutes. The declining dollar

index and falling bond yield provided short-term relief, while the FIIs' unpredictability kept investors at bay," said Vinod Nair, Head of Research at Geojit Financial Services.

International oil benchmark Brent crude was trading 1.05 per cent higher at USD 89.29 per barrel. "Markets held on to modest gains in a volatile session ahead of the key FOMC minutes. Investors preferred to stay on the sidelines despite tomorrow being a November F&O series expiry day," said Prashanth Tapse - Research Analyst, Senior VP (Research), Mehta Equities Ltd.

In the broader market, the BSE smallcap gauge climbed 0.54 per cent and midcap index advanced 0.20 per cent.

Among sectoral indices, oil & gas climbed 0.68 per cent, metal 0.65 per cent, financial services 0.53 per cent, energy 0.53 per cent, healthcare 0.42 per cent, and utilities 0.32 per cent.

India, GCC to launch free trade agreement talks today

PTI ■ NEW DELHI

India and the Gulf Cooperation Council (GCC) will announce the launch of negotiations for a free trade agreement on Thursday, which aims at promoting two-way commerce and investments between the regions, an official said.

GCC is a union of six countries in the Gulf region -- Saudi Arabia, the UAE, Qatar, Kuwait, Oman and Bahrain.

India's exports to the GCC member countries grew by 58.26 per cent to about USD 44 billion in 2021-22, as against USD 27.8 billion in 2020-21, according to data from the commerce ministry.

The share of GCC members in India's total imports rose to 18 per cent in 2021-22, from 15.5 per cent in 2020-21.

Bilateral trade has increased to USD 154.73 billion in 2021-22, from USD 87.4 billion in 2020-21.

"GCC officials will be here for the announcement," the official said.

India has already implemented a free trade pact with the UAE in May this year.

This would be a kind of resumption of FTA talks as earlier two rounds of negotiations had been held in 2006 and 2008 between India and GCC. Third round did not happen as GCC deferred its negotiations with all countries and economic groups.

India imports predominantly crude oil and natural gas

from the Gulf nations like Saudi Arabia and Qatar, and exports pearls, precious and semi-precious stones; metals; imitation jewellery; electrical machinery; iron and steel; and chemicals to these countries.

Besides trade, Gulf nations are host to a sizeable Indian population. Out of about 32 million non-resident Indians (NRIs), nearly half are estimated to be working in Gulf countries.

These NRIs send a significant amount of money back home.

According to a November 2021 report of the World Bank, India got USD 87 billion in foreign remittances in 2021. Of this, a sizeable portion came from the GCC nations.

Bangalore-based Indian Institute of Plantation Management (IIPM) Director

Rakesh Mohan Joshi said that the Gulf region holds enormous potential for Indian exporters.

"India needs to have a long-term strategy to capture this market and FTA will definitely help in that," Joshi said.

According to commerce ministry data, the share of these six countries in India's total exports has risen to 10.4 per cent in 2021-22, from 9.51 per cent in 2020-21.

Similarly, imports rose by 85.8 per cent to USD 110.73 billion, compared to USD 59.6 billion in 2020-21, the data showed.

The UAE was the third-largest trading partner of India in 2021-22. India's bilateral trade with the nation increased to USD 72.9 billion in 2021-22 as compared to USD 43.3 billion in 2020-21.

Rupee falls 18 paise to close at 81.85 against US dollar

PTI ■ MUMBAI

The rupee depreciated 18 paise to close at 81.85 (provisional) against the US dollar on Wednesday on dollar demand from importers and recovery in crude oil prices.

Forex traders said sustained foreign fund outflows and concerns over rising Covid-19 cases in China also weighed on investor sentiments.

At the interbank foreign exchange market, the local unit opened at 81.81 and later witnessed an intraday high of 81.74 and a low of 81.87 during the session.

The domestic unit finally settled at 81.85 against the American currency, registering a fall of 18 paise over its last close of 81.67.

"Indian Rupee depreciated

on Dollar demand from importers and recovery in crude oil prices. FI outflows also weighed on Rupee," said Anuj Choudhary - Research Analyst at Sharekhan by BNP Paribas.

However, the soft US Dollar and positive domestic markets cushioned the downside. The US Dollar declined on Tuesday on hopes that the Fed may cool down its pace of rate hikes.

The dollar index, which gauges the greenback's strength against a basket of six currencies, fell 0.21 per cent to 106.99.

Global oil benchmark Brent crude futures advanced 0.91 per cent to \$89.16 per barrel.

Foreign Institutional Investors (FIIs) were net sellers in capital markets as they offloaded shares worth ₹697.83 crore on Tuesday, according to exchange data.

"We expect the Rupee to trade with a negative bias on concerns over rising Covid-19 cases in China and hawkish Fed speak. Though some Fed officials hint that they are open to a slower pace of rate hike, the US central bank will not pause its rate hike," Choudhary said.

Gold falls ₹40; silver climbs ₹110

PTI ■ NEW DELHI

Gold price declined by ₹40 to ₹52,797 per 10 gram in the national capital on Wednesday amid a fall in prices of the yellow metal in overseas markets, according to HDFC Securities.

In the previous trade, the precious metal had closed at ₹52,837 per 10 gram.

Silver, however, climbed by ₹110 to ₹62,056 per kilogram.

In the international market, gold was quoting lower at USD 1,745 per ounce while silver was flat at USD 21.27 per ounce.

"COMEX gold edged lower in Asia as investors look to US Federal Reserve minutes due for release later tonight for fresh clues on the yellow metal's direction," said Dilip Parmar, Research Analyst at HDFC Securities.

FDI equity inflows dip 14% during April-Sept to \$ 26.9 billion

PTI ■ NEW DELHI

Foreign Direct Investment (FDI) equity inflows into India contracted by 14 per cent to USD 26.9 billion during the April-September this fiscal, according to the data of the Department for Promotion of Industry and Internal Trade (DPIIT).

The inflows had stood at USD 31.15 billion during the corresponding period of the previous year.

The total FDI inflows (which includes equity inflows, re-invested earnings and other capital) too declined to USD 39 billion during the first six months of the current fiscal year as against USD 42.86 billion in the year-ago period.

During the first half of this fiscal, Singapore emerged as the top investor with USD 10 billion FDI. It was followed by

Mauritius (USD 3.32 billion), UAE (USD 2.95 billion), USA (USD 2.6 billion), the Netherlands (USD 1.76 billion), and Japan (USD 1.18 billion), the data showed.

The computer software and hardware sector attracted the highest inflows of USD 6.3 billion during the six-month period of this fiscal.

It was followed by services (USD 4.16 billion), trading (USD 3.28 billion), chemicals (USD 1.3 billion), automobile industry (USD 932 million) and construction (infrastructure) activities (USD 990 million).

Inox Green shares make tepid market debut; settle 9% lower

PTI ■ NEW DELHI

Shares of Inox Green Energy Services, a subsidiary of Inox Wind, made a tepid market debut on Wednesday and ended with a discount of 9 per cent against the issue price of ₹65. The stock listed at ₹60.50, a fall of 6.92 per cent from the issue price on the BSE. During the day, it tumbled 10 per cent to ₹58.50. Shares of the firm ended at ₹59.10, a decline of 9 per cent.

On the NSE, the stock of the firm made its debut at ₹60, a discount of 7.69 per cent. It closed at ₹59.25, lower by 8.84 per cent. The company commanded a market valuation of ₹1,725.36 crore on the BSE. In traded volume terms, 34 lakh shares of the company were traded at the BSE and 4 crore shares at the NSE during the day.

Refund portal to be not accessible to PACL investors for 5 days due to technical issues: Sebi panel

PTI ■ NEW DELHI

A high-powered Sebi committee, which is looking into the refund process of PACL investors, on Wednesday said the refund portal will not be accessible to those investors for five days due to technical issues.

The committee, headed by retired Justice of India RM Lodha, is overseeing the process of disposing of properties to refund investors after verifying their genuineness. It has already initiated the process of refund in phases.

The panel was set up by Sebi in 2016 following a Supreme Court order.

The panel in October provided a facility for investors with claims up to ₹15,000, whose applications were found deficient, to correct the errors, if any, by logging in on the refund portal — sebiacpre-

fund.Co.In — and resubmit the applications for further processing.

The facility has been made available from November 1, 2022, to January 31, 2023.

"However, due to technical issues, the refund portal will not be accessible for re-submission for 5 days," according to a statement on Sebi's website.

PACL, also known as Pearl Group, which had raised money in the name of agriculture and real estate business, was found by Sebi to have collected more than ₹60,000 crore through an illegal collective investment scheme (CIS) over a period of 18 years.

In December 2015, the regulator ordered the attachment of all assets of PACL and its nine promoters and directors for their failure to refund the money, which was due to investors.

Airtel deploys 5G Plus service Nagpur International airport

PTI ■ NEW DELHI

Telecom operator Bharti Airtel on Wednesday announced the deployment of its '5G Plus' service at Dr Babasaheb Ambedkar International Airport Nagpur, making it the second airport in the state with the ultra-high-speed service.

The new terminal in Bengaluru, Pune and Varanasi are the other three airports that have Airtel 5G Plus, the company said in a statement.

"Airtel powers Dr Babasaheb Ambedkar International Airport with ultra-fast Airtel 5G Plus," the company said. Nagpur was one of the first eight cities in the country to get the 5G service.

The services are currently available at Ganesh Path, Nehru Nagar, Subhash Nagar, Hanuman Nagar, CA road and a few other locations.

Airtel said it is augmenting the network further to make the services available across the city in due course of time.

"Customers flying in and out of Orange City can enjoy high-speed Airtel 5G Plus across the airport terminal. Passengers can enjoy blazing speeds on their mobile phones

while they are at the arrival and departure terminals, lounges, boarding gates, migration and immigration counters, security areas, baggage claim belts, parking area etc.," it said.

All customers with 5G smartphones will be able to avail the high-speed Airtel 5G Plus on their existing data plans, and there is no need to change the SIM as the existing Airtel 4G SIM is 5G enabled.

George Mathen, CEO (Maharashtra and Goa), Bharti Airtel said: "I am thrilled to announce the beginning of a new chapter in Maharashtra as Dr Babasaheb Ambedkar International Airport, Nagpur becomes the second airport in the state to have the Airtel 5G Plus services after Pune airport".

Use HPR to build network of doctors for healthcare services: Irdai to insurers

PTI ■ NEW DELHI

Irdai has asked insurers to leverage the Health Professional Registry to build a network of doctors or other healthcare professionals for providing OPD and other health services.

As part of the Ayushman Bharat Digital Mission, National Health Authority (NHA) has incorporated a Healthcare Professional Registry (HPR), a comprehensive repository of registered and verified practitioners of healthcare professionals, delivering modern as well as traditional healthcare services across India. "The General and Health Insurers offering health insurance policies can also consider leveraging on the Health Professional Registry for building up the network of doctors/physicians or other healthcare professionals for providing OPD or other healthcare services," Irdai said in a circular.

It further said the general insurers are advised to consider capturing HPR ID as verification to validate/authenticate the medical practitioners while issuing or renewing policies for medical malpractice under professional indemnity cover. This will enable digitisation and ease the process of buying and selling professional indemnity policies and push for HPR registration among healthcare professionals, said the circular.

Flomic Global Logistics custom Clearance operations in Nagpur

New Delhi: Flomic Global Logistics Ltd has started its freight forwarding & custom clearance operations in Nagpur. The firm had begun its warehousing operations a few months back and now have decided to extend its service offering further.

E-commerce firms are aggressively expanding their footprint in India, and Flomic aims to partner with them in their growth story. With online shopping becoming the new way of life, there has been a huge spike in demand for warehousing.

with even more destinations. The introduction of these new non-stop flights to New York, Milan, Vienna, Copenhagen, Paris and Frankfurt, is another step in that journey, which will accelerate as our aircraft fleet expands," said Campbell Wilson, CEO and MD, Air India.

Mumbai-New York service will complement the airline's existing daily service from Delhi to New York and four weekly flights to Newark Liberty airport, it said, adding that this will take Air India's India-US frequency to 47 non-stop flights per week.

India is grappling with the shortage of both cockpit and cabin crew.

Amid this shortage, the airline is looking to hire expat pilots and has also offered its cabin crew, who have opted to retire following the company's Voluntary Retirement Scheme (VRS) scheme for its permanent employees earlier this year, to extend their service tenure by two months to January 31, 2023.

"A key element of our five-year transformation plan, Vihaan.AI, is to strengthen India's global network, connecting India's major cities

Air India said it continues to make progress in augmenting its fleet with newly-leased aircraft, and the return of existing aircraft to active service.

The international expansion comes at a time when Air

Zydus Lifesciences gets USFDA nod for generic drug to treat stomach ulcers

PTI ■ NEW DELHI

Zydus Lifesciences on Wednesday said it has received final approval from the US health regulator to market its generic version of famotidine injection indicated to treat ulcers of the stomach and intestines. The approval granted by the US Food and Drug Administration (USFDA) is for famotidine injection of strength 40 mg/4mL (10 mg/mL) and 200 mg/20 mL (10 mg/mL) multiple-dose vials, the company said in a regulatory filing. Famotidine injection is indicated to treat ulcers of the stomach and intestines and to prevent intestinal ulcers from coming back after they have healed, it added.

It is also used to treat certain stomach and throat problems such as erosive esophagitis, gastroesophageal reflux disease (GERD) and Zollinger-Ellison syndrome, the company said. The drug will be manufactured at the group's injectable manufacturing facility at Jarod, near Vadodara in Gujarat, Zydus Lifesciences said.

AWS to launch 2nd infra region in Hyderabad

New Delhi: Amazon Web Services, Inc. (AWS), an Amazon.com, Inc. company (NASDAQ: AMZN), today announced the launch of its second AWS infrastructure Region in India—the AWS Asia Pacific (Hyderabad) Region. Developers, startups, entrepreneurs, and enterprises, as well as government, education, and nonprofit organizations, will have greater choice for running their applications and serving end users from data centers located in India.

CHAMPIONS OFF THE MARK

Giroud equals Henry mark as World Cup holders France sink Australia

AP ■ DOHA

Olivier Giroud joined Thierry Henry as France's all-time leading goalscorer with a brace as holders France recovered to beat Australia 4-1 and get their defence of the World Cup off to a winning start on Tuesday.

Australia took a shock lead at Al Janoub Stadium with the game just nine minutes old when Craig Goodwin scored.

France, whose build-up to the tournament was marred by injuries, saw left-back Lucas Hernandez come off hurt in the move that led to that goal.

However, they recovered to equalise through Adrien Rabiot before Giroud put them ahead with an easy finish in the 32nd minute for his 50th international goal.

Kylian Mbappe got his name on the scoresheet in the second half and Giroud sealed the win to equal Henry's record tally of 51 goals for France.

The win leaves them top of Group D after rivals Denmark and Tunisia drew 0-0 in Doha earlier.

At the age of 36, veteran AC Milan striker Giroud, who has 115 caps, is the oldest player to score for France at a World Cup.

Yet he almost certainly never had Karim Benzema been fit.

Instead, the withdrawal of the Ballon d'Or winner with a thigh injury on the eve of the tournament has played into the hands of Giroud, who was a key player for coach Didier Deschamps in France's triumphant 2018 World Cup campaign but didn't score in Russia.

It is not just Benzema who is missing for Les Bleus, with Paul Pogba and N'Golo Kante -- their starting midfield duo four years ago -- also out of the tournament.

Centre-back Raphael Varane was not risked having not played since suffering a leg injury playing for Manchester United a month ago.

That meant Dayot Upamecano and Ibrahima Konate -- with nine caps between them -- played together in central defence while Rabiot joined Aurelien Tchouameni in midfield.

Australia stunned the world champions by scoring an early opener.

Mathew Leckie controlled the ball on the right and escaped Lucas Hernandez

before delivering a low ball across the face of goal for Goodwin to finish into the roof of the net.

Hernandez hurt his right knee trying to stop Leckie, although there did not appear to be any contact between the players.

The Bayern Munich defender was helped off, with his brother Theo coming on.

The younger Hernandez did not have the best introduction, giving the ball away and allowing Mitch Duke to hit a

Lucas Hernandez limps out of World Cup

AP N DOHA

France defender Lucas Hernandez will miss the rest of the defending champions' World Cup campaign after suffering a knee injury in Tuesday's opening match against Australia.

His absence comes with coach Didier Deschamps already grappling with a host of key players ruled out of the tournament in Qatar.

"Honestly, it's starting to become a big deal," said France captain Hugo Lloris.

"We sensed immediately it was serious," the Tottenham Hotspur goalkeeper added after the match.

"It's the latest blow but we have to continue moving forward. It's going to make us stronger."

Deschamps must now juggle his options as his squad is reduced to 24 players.

shot from range that flew just wide.

Yet he played a part in the 27th-minute equaliser -- Antoine Griezmann's right-wing corner was cleared but the ball came to Hernandez on the left and his cross was headed in by Rabiot.

Five minutes later Rabiot was involved again as France went ahead, hounding Nathaniel Atkinson out of possession on the French left and playing a one-two with Mbappe before teeing up Giroud.

Germany lose against Japan

PTI ■ DOHA

Another World Cup day, another World Cup shock. Substitutes Ritsu Doan and Takuma Asano scored late goals Wednesday to give Japan a come-from-behind 2-1 victory over Germany at the World Cup.

Both Doan and Asano play for German clubs.

Ilkay Gundogan had given four-time champion Germany the lead with a first-half penalty. But Doan, who plays for Freiburg, pounced on a rebound to equalize in the 76th minute after Germany goalkeeper Manuel Neuer blocked a shot from Takumi Minamino.

Then Asano, who plays for Bochum, sprinted clear of Nico Schlotterbeck and beat Neuer from a narrow angle in the 83rd minute of the first competitive meeting between the two nations.

The match was played a day after Argentina's 2-1 upset loss to Saudi Arabia.

Before Wednesday's game, Germany's players covered their mouths during the team photo in an apparent rebuke to FIFA following its decision to stop plans to wear armbands to protest discrimination in host nation Qatar.

Nancy Faeser, Germany's sports minister, attended the match at the Khalifa International Stadium and was sitting beside FIFA president Gianni Infantino while wearing the same "One Love" armband that FIFA had outlawed with its threats of consequences.

It was only the third time Germany had lost its tournament-opening game after

defeats against Algeria in 1982 and Mexico in 2018. In the other World Cup openers for Germany, the team had won 13 matches and drawn four.

Germany outplayed Japan for much of the match with 24 attempts on goal compared to Japan's 11. Despite giving away the penalty, Japan goalkeeper Shuichi Gonda made a string of saves.

Germany next faces Spain on Sunday, while Japan takes on Costa Rica.

Germany's buildup was fraught by protests and political statements because of Qatar's human rights record and its treatment of migrant workers and members of the LGBTQ community.

Germany was playing at the World Cup for the first time since its shocking group-stage exit as defending champion in 2018, while Japan is appearing in its seventh straight World Cup and is looking to reach the quarter-finals for the first time.

Germany players cover mouths in protest for WC photo

AP ■ DOHA

Germany's players covered their mouths before their World Cup opener against Japan on Wednesday in protest at FIFA's refusal to allow rainbow-themed armbands.

Captains of seven European teams had planned to wear the anti-discrimination armbands during the tournament in Qatar as part of a campaign for diversity, but backed down over the threat of disciplinary action from football's governing body, including yellow cards.

The rainbow armbands had been viewed as a symbolic protest against laws in Qatar, where homosexuality is illegal.

Germany's football feder-

ation said in a tweet moments after the photo protest that "human rights are not negotiable".

"This is not a political position; human rights are not negotiable," the DFB tweeted.

"To ban the armband is like banning our right to speak," the federation added.

FIFA president Gianni Infantino was at the Khalifa International Stadium for the Germany-Japan match.

The German government spokesman, Steffen Hebestreit, said earlier in the day in Berlin that FIFA's decision to bar captains from wearing the "OneLove" armbands was "very unfortunate". "The rights of LGBTQ people are non-negotiable," Hebestreit said at a regular press conference.

Morocco hold Modric's Croatia

AP ■ AL KHOR

"opened the door" for the tournament's less-fancied teams.

Morocco took the game to a Croatia side featuring four players who started the 2018 final but struggled to create genuine chances against a defence marshalled by the experienced Dejan Lovren.

Azzedine Ounahi strangely opted against shooting when well placed inside the area, with Hakim Ziyech and Achraf Hakimi heavily involved down the right without exerting undue pressure on Croatia.

Ivan Perisic fired just over from distance for Croatia after intercepting a dreadful pass from Selim Amallah, while goalkeeper Yassine Bounou blocked well with his legs to deny Nikola Vlasic from close range.

Modric, the former Ballon d'Or winner appearing at his fourth World Cup at the age of 37, then hammered over from the edge of the box.

Only once have Morocco gone beyond the group stage, in 1986, but they will rate their chances of advancing with games to come against an ageing Belgium team and Group F outsiders Canada.

Croatia pushed for a late winner but found Morocco's defence in unforgiving mood as Walid Regragui's side secured a valuable and deserved point.

Ronaldo Man Utd partnership a dream, but nothing lasts - Bruno Fernandes

AP ■ DOHA

Portugal midfielder Bruno Fernandes says it was a dream to play with Cristiano Ronaldo at Manchester United, but "nothing lasts forever".

The striker parted ways with the Premier League club by mutual consent on Tuesday and is searching for a new club, with Portugal due to kick off their World Cup campaign against Ghana on Thursday.

Along with Ronaldo's departure, Manchester United also issued a bulletin saying the club could be sold by owners the Glazer family.

Ronaldo, 37, had spoken in a controversial interview last week, where he lashed out at coach Erik ten Hag and the club itself, provoking his eventual departure.

"I don't feel uncomfortable, I don't have to pick a side. It was a dream come true to play with Cristiano at United but nothing lasts forever," Fernandes told a press conference on Wednesday.

"It is his career and we have to respect such decisions, every decision has to be respected regardless of whether you agree or not."

"We as players, but also as parents, brothers, we know it might be difficult to take some decisions but these decisions have to be for the wellness of ourselves and our families."

Ghana coach Otto Addo

RONALDO, 37, HAD SPOKEN IN A CONTROVERSIAL INTERVIEW LAST WEEK, WHERE HE LASHED OUT AT COACH ERIK TEN HAG AND THE CLUB ITSELF, PROVOKING HIS EVENTUAL DEPARTURE.

AP ■ DOHA

Son Heung-min will be able to play in South Korea's World Cup opener against Uruguay on Thursday despite wearing a mask after facial surgery, coach Paulo Bento said.

The Spurs attacker and South Korean skipper had surgery earlier this month after suffering fractures around his left eye in a collision during a Champions League match.

The 30-year-old has been training in Qatar in a mask and South Korean fans have been

Son able to play in S Korea's WC opener

eagerly waiting on news of his availability.

"Son can play and will be able to play," Bento told a pre-match press conference on Wednesday.

The Portuguese coach added: "The fact he will be wearing a mask is not inconvenient for him, it is natural for him."

"We have stuck to the plan since we arrived here, also the way we integrated him into our group shows he has been natural. "We will see tomorrow how it will be. Our hope is that he will feel comfortable as far as possible." But Bento cautioned: "He knows and we know that after this injury we cannot take any risks."

Guardiola extends Man City deal

AP ■ MANCHESTER

Pep Guardiola said "I cannot be in a better place" as he announced he had agreed a two-year contract extension that will keep him at the Premier League champions until 2025.

The former Barcelona and Bayern Munich manager, 51, has won nine major trophies, including four Premier League titles, since taking charge at City in 2016.

"I am so pleased to be staying at Manchester City for another two years," said Guardiola in a club statement issued on Wednesday.

"I can't say thank you enough to everyone at the club for trusting me. I am happy and comfortable, and I have everything I need to do my job as best as possible."

The Spaniard added: "I

know the next chapter of this club will be amazing for the next decade. It happened over the last 10 years, and it will happen in the next 10 years because this club is so stable.

"From day one I felt something special being here. I cannot be in a better place."

Guardiola's current deal at the Etihad Stadium is due to

expire at the end of the season.

He has already extended his contract twice during his time at the club.

Guardiola, who has 271 wins from 374 matches in all competitions as City manager, said talks over his latest contract extension started soon after the team had retained the Premier League title in May.

AP ■ MANCHESTER

Manchester United's owners on Tuesday said that they were ready to sell the club, potentially bringing down the curtain on an acrimonious 17 years under the Glazer family.

On a tumultuous day for the English giants, it was earlier revealed that star player Cristiano Ronaldo has left the club with "immediate effect."

Weeks of turbulence appeared to have come to an end when United announced Ronaldo's contract had been terminated by mutual agreement to bring to an end his second spell at Old Trafford.

That dramatic announcement was eclipsed just hours later by the news the US-based Glazer family could also be on their way out.

"The board will consider all

strategic alternatives, including new investment into the club, a sale, or other transactions involving the company," United said in a statement.

The Glazers have been unpopular with supporters ever since a £790 million (\$934 million) leveraged takeover in 2005 burdened the club with huge debts.

Frustration towards the Americans has only grown during a nine-year decline in results on the pitch since Alex Ferguson's retirement as manager in 2013.

The Red Devils have not won the Premier League title since Ferguson's final campaign in 2012/2013 and have failed to win any trophy since

2017.

United currently sit fifth in the Premier League, 11 points behind leaders Arsenal.

"We will evaluate all options to ensure that we best

serve our fans and that Manchester United maximizes the significant growth opportunities available to the club today and in the future," added Avram and Joel Glazer, the

club's executive co-chairmen and directors.

The statement also recognised the need for investment in stadium redevelopment.

Old Trafford remains the largest club stadium in England with a capacity of 74,000 but has not had a significant upgrade since 2006.

News of the Glazers inviting investment comes just weeks after Liverpool's American owners, the Fenway Sports Group, indicated they were willing to sell.

Both United and Liverpool were involved in the failed European Super League (ESL) project that sought to create a US-style closed league format for Europe's elite clubs without the need to qualify or promotion and relegation.

I’VE MATURED AS LEADER, CAN TAKE TOUGH DECISIONS: DHAWAN

PTI ■ NEW DELHI

Dithering and indecision is a thing of past for Shikhar Dhawan, who as the leader of the pack does not hesitate in taking decisions which individuals may despise but are beneficial for the Indian team.

The left-handed batter is getting ready to lead India in the three-match ODI series against New Zealand, starting Friday.

It won't be the first time that Dhawan will wear the captain's hat as he has led a second-string Indian team in the past and enjoyed good results against Sri Lanka (2-1), South Africa (2-1) and West Indies (3-0).

The Delhi batter says his decision-making has improved over time, courtesy his presence of mind.

"As you play more, you get confident in the decisions you take. Earlier, there used to be instances where I would give an extra over to a bowler out of regard (for him). But now, as I have matured, even if someone is feeling bad, I will take a decision that will help the team," Dhawan told ESPNcricinfo.

Further talking about leadership skills, Dhawan said the key is to maintain balance and earn the players' faith. He is hardly seen feeling any pressure and keep the environment around him happy.

"When you play music on a string instrument, if the string is too loose, it won't sound right, or if it's too tight, it will break. So it is a question

of creating a balance. (As a captain) creating that balance is very important.

"You need to understand when to pull the string tight and when to leave it a bit loose. That is an art. It is a matter of timing. At this stage I also understand when to say things to the players and how much to say.

"If a bowler gets hit, it's important to know when to speak to him. I will not do it when they are hot in the head, but instead approach them later and speak with care. It also depends on the level you are leading at.

"If it is at the IPL, most players are mature, so you need to consider if you have to pull the string or not. At Ranji, you have to, at times, show firmness, because a youngster at that level is like a kaccha gghada (an unbaked clay pot), so you have to be firm to mould him. Finding that balance is the key," he explained his philosophy.

The 36-year-old was recently handed the captaincy of IPL side Punjab Kings, which has been struggling to reach the play-offs.

In season 2018, 2019, 2020 and 2022 the side came close to making the play-offs but fell short of one or two wins.

"We can learn from our past and improve on our mistakes. Other than that, I won't dwell much on anything else and neither will I want my team to do that. There is no need of dragging back the past baggage," he insisted.

So how does he plan to

make a difference there?

"I will make sure that the support staff and I create an environment where the players are comfortable. I want my boys to be themselves while also understanding their responsibilities. I want us to be relaxed but also focused.

"We are playing the IPL. We are living our dream. And when you are living your dream, it should be full of happiness and not stress. With love you can conquer anything. The (IPL) trophy is not a challenge too far out of our reach," he said.

And he feels he can be that lucky charm for Punjab Kings as the IPL team he was part of have played finals -- Mumbai Indians, Sunrisers Hyderabad and Delhi Capitals.

He was also part of Deccan Chargers but that team did not qualify for title clash. The same side had been rechristened Sunrisers Hyderabad.

SKY continues to stay at top

PTI ■ DUBAI

Star India batter Suryakumar Yadav retained his top spot while all-rounder Hardik Pandya reached joint-50th position in the latest ICC men's T20I batting rankings released here on Wednesday.

Suryakumar consolidated his position at the top of the rankings after his stupendous 111 not out in the second T20I against New Zealand.

Suryakumar has gained 31 rating points from the series and his 890 points keep

him 54 ahead of Pakistan's Mohammed Rizwan, who is placed second.

On the other hand, Hardik, who led India in the series against New Zealand, reached joint-50th among batters courtesy his unbeaten 30 in the final match.

In the bowlers' chart, seasoned pacer Bhuvneshwar Kumar has climbed two places to 11th, with left-arm seamer Arshdeep Singh moving up a place to 21st.

Spinner Yuzvendra Chahal has jumped eight places to 40th.

Arshdeep says tricks of trade he learnt from Bhuvi is helping him

PTI ■ NAPIER

Young India left-arm pacer Arshdeep Singh says the tricks of trade he has learnt from senior pros like Bhuvneshwar Kumar has helped him add variety in his bowling.

Arshdeep (4/37) registered career-best T20I figures on Tuesday against New Zealand in the rain-affected third match of the series, which ended in a rare tie via Duckworth-Lewis method here.

"I always try to learn from the

senior bowlers in the team (on knuckle ball), just like I am learning the hard length from you and the knuckle ball from Bhuvi bhai (Bhuvneshwar Kumar) and yorkers from (Mohammed) Shami bhai," Arshdeep said in an interaction with Siraj on bcci.Tv.

"I always try to improve myself everyday and contribute for the team whenever needed and hope to step-up and perform well."

Arshdeep was on the verge of taking a hat-trick towards the close of

New Zealand innings, removing Daryl Mithcell and Ish Sodhi in the first two deliveries of the 19th over, but failed to achieve the feat in the end.

New Zealand lost Adam Milne in the next ball but it was from a direct hit from Siraj from backward point.

"I even had a thought that I can take a hat-trick or a five-wicket haul. But you did make a run-out and gave a team hat-trick. The seniors advised me to bowl length and slower balls to deceive the opponent," Arshdeep said.

Siraj, who also registered career-best figures of 4/17 in Tuesday's match, said his plan to bowl hard lengths paid rich dividends for him.

"It feels great to perform like this for the country. I have been preparing myself for a long time to bowl hard length. It was not easy to bowl hard length here. My simple plan was to play hard length," Siraj said.

"Representing India is a different feeling altogether. My target in T20s is to pick up wickets but I always try to give less runs."

PCB to felicitate members of Pak team

PTI ■ KARACHI

The country's cricket board (PCB) will felicitate the members of the Pakistan team that finished runner-up at this year's Asia Cup and T20 World Cup at a grand reception in Islamabad on Thursday.

Members of the Pakistan Test squad have also been invited for the function which will be attended by diplomats, political personalities, former captains and players.

"The purpose is to honour and appreciate the players for their performances in two major tournaments," a source in the Pakistan Cricket Board said.

The source said that the players might also get some financial rewards for reaching the two finals.

Pakistan lost the final of the Asia Cup to Sri Lanka in UAE and then were beaten by England in the T20 World Cup summit clash in Melbourne earlier this month.

Last year also the Pakistan team led by Babar Azam managed to get into the semi-finals of the T20 World Cup in Dubai but were outdone by Australia.

The source said the PCB Chairman had already met with Babar Azam and the head coach, Saqlain Mushtaq and discussed with them future plans and the happenings and performances of players in the two big tournaments.

The source said there was

no danger to the captaincy of Babar as Ramiz had assured him of full support and backing.

FIRST TEST TO GO AHEAD

The first Test between Pakistan and England in Rawalpindi from December 1 to 5 will go ahead as scheduled despite the expected political unrest in that city and adjoining Islamabad, according to sources.

The decision to hold the Test at Rawalpindi Stadium came after PCB Chairman Ramiz Raja and the British High Commissioner in Pakistan met main opposition party chairman Imran Khan who has planned a massive rally in the twin cities on November 26 and 27.

According to sources, Imran, himself a former Pakistan captain, assured Ramiz and the British High Commissioner that there would be no disruption to the match nor would there be any security concerns for the English players.

The England team which is presently holding a training camp in Abu Dhabi will reach Islamabad on November 27.

The other two Tests will be played in Multan (December 9-13) and Karachi (December 17-21). The England team is touring Pakistan for the first time in 17 years. The PCB has already begun selling tickets for the first Test.

Everyone was being nice to my face: Langer slams ‘cowards’ in Oz team

PTI ■ MELBOURNE

Former Australia coach Justin Langer has hit out at the "cowards" in the national team, saying he "hated" that some players were going behind his back and leaking details from inside the dressing room.

The 52-year-old, who guided Australia to a 4-0 series win in the Ashes at home and a maiden T20 World Cup title last year, stepped down as chief coach in February after he was not offered a long-term contract

extension by Cricket Australia.

Langer had faced complaints about his "rigid" coaching style from senior players such as Aaron Finch, Pat Cummins and former Test captain Tim Paine.

"Everyone was being nice to my face, but I was reading about this stuff and half of it, I swear to God and on my kids' lives, I could not believe that is what was making the papers. A lot of journalists use the word 'source'. I would say, change that word to 'coward'," Langer was

quoted as saying by News Corp media.

"Because what do you mean 'a source says'? They've either got an axe to grind with someone and they won't come and say it to your face, or they're just leaking stuff for their own agenda. I hate that."

There have been numerous media reports in the run-up to the T20 World Cup about alleged discontent in the dressing room due to Langer's coaching style.

Langer, who had taken

Anurag Thakur interacts with youth delegation

PTI ■ PARIS

Sports Minister Anurag Thakur held an interaction with a 100-member youth delegation from Central Asian countries during a banquet dinner hosted by him here.

The delegation visited Pradhan Mantri Sangrahalaya, War Memorial in Delhi, Tata Memorial Hospital, Mumbai Film City, Gateway of India in Mumbai during its stay in India from November 17 to 23.

Thakur said, "This is a one-of-its-kind International Youth Exchange Programmes having delegates from four central Asian countries together."

PTI ■ WELLINGTON

Veteran batter Martin Guptill has been released from New Zealand Cricket's (NZC) central contract, paving the way to pursue playing opportunities overseas after he recently lost his place in the white-ball teams.

The 36-year-old Guptill becomes the third New Zealand player to be released from their central contract.

Guptill joins Trent Boult and Colin de Grandhomme as New Zealand players to be released from their playing contract this year, with the trio set to seek opportunities in T20 leagues around the world.

"We understand Martin's position," NZC chief executive David White said on Wednesday.

"He's been a fantastic batsman for us for a long period of

Guptill released from New Zealand Cricket central contract

charge after Darren Lehmann quit following the ball-tampering scandal in South Africa, said it was difficult to resign as he was enjoying his job.

"We were number one in the world. I've never enjoyed coaching more and I've still got sacked. That's the hardest thing," Langer said.

Langer had a three-year long stint with the Australian team and after his resignation, Andrew McDonald took over as full-time head coach in April.

Youth World Boxing C'ships: 4 more boxers confirm medals

PTI ■ NEW DELHI

Four Indian boxers, including Muskan and Tamanna, assured themselves of a medal after reaching the semifinals with dominating victories at the Youth men's and women's World Boxing Championships in La Nucia, Spain.

Youth Asian Championships silver medallist Kirti (+81kg) and Devika Ghorpade (52kg) were the other two boxers to confirm medals by securing their spots in the last-four stage.

With addition of four more medals, India's total medal count now climbs to 11, same as the last edition, held in Poland.

Tamanna began the day for India on an aggressive note as she outperformed Japan's Juni Toneygawa by unanimous decision in the women's 50kg quarter-final. Devika also notched up an easy 5-0 win against Germany's Asya Ari.

Muskan (75kg) and Kirti proved too strong for their respective opponents -- Mongolia's Zyeinyep Azimbai and Livia Botica of Romania - - as they were declared winners by the 'Referee Stops the Contest' verdict within the first three minutes of the bouts.

Vanshaj (63.5kg), Vishwanath Suresh (48kg) and Ashish (54kg) will lead India's charge in the men's semifinals at the prestigious event.

TN, Kerala qualify for Vijay Hazare knockout from Group C

PTI ■ BENGALURU

Tamil Nadu and Kerala qualified for the knockout phase of the Vijay Hazare Trophy one-day tournament after their Group C matches here on Wednesday were washed out.

Sent in to bat by Tamil Nadu captain B Indrajith, Kerala made 287 for 8 in 50 overs, thanks to a 95-run knock by Vathsal Govind (126 balls, 6 fours) and useful contributions from Vishnu Vinod (45), Abdul Basith (41) and Rohan Kunnumal (39).

Openers P Rahul (16) and Rohan Kunnummal (39) provided a rapid start for Kerala, taking the score to 44 in 5.3 overs before the former fell to M Mohammed (2/51).

Vathsal Govind joined Rohan and added 34 runs before the latter was castled by

R Sai Kishore (1/46).

Though skipper Sachin Baby fell after making only 4, Vishnu Vinod (45) and Vatshal Govind were involved in a 78-run stand for the fourth wicket.

Handy knocks by Abdul Basith (41, 35 balls, 2 fours, 3 sixes) and a four-ball 15 (2 fours, 1 six) by Nedumanuzkhy Basil (41) towards the end boosted Kerala's score to 287.

When Tamil Nadu began their chase, all eyes were on the record-breaking pair of N Jagadeesan and B Sai Sudharsan.

However, Sudharsan fell to Vaisakh Chandran for 5.

Jagadeesan, fresh after a world record 277 in the previous game against Arunachal Pradesh was on 23 (21 balls, 3 fours) with the score on 43 for 1 (7 overs) when rain halted proceedings and forced the

game to be called off.

Jagadeesan and Sudharsan had put on 416 for the opening

wicket on Wednesday for a new List A record.

Tamil Nadu with five wins

from seven games and two no-results topped the group with 24 points while Kerala finished

second with 20 (4 wins, 1 loss and 2 no-results).

Andhra's defeat to Chhattisgarh in the final game on Wednesday hurt their chances of advancing to the next phase and they finished with 18 points.

As the group topper, Tamil Nadu secured a berth in the quarterfinals while Kerala would play the pre-quarterfinals.

PUNJAB, J&K QUALIFY

Mumbai: Punjab and Jammu and Kashmir qualified for the knock-out stages of the Vijay Hazare Trophy from Group D with convincing wins over their respective rivals.

While Punjab beat Nagaland by six wickets, Jammu and Kashmir defeated Uttarakhand by nine wickets.

In another Group D match at the D Y Patil Stadium in Navi

Mumbai, Madhya Pradesh defeated Baroda by a massive 290 runs.

ASSAM, K'TAKA WIN

Kolkata: Assam and Karnataka qualified for the knock-out stage of the Vizay Hazare Trophy from Group B after winning their respective matches.

Both ended on 24 points with identical six wins and a loss but Karnataka topped group on better net run rate of 1.721 as against 1.360 of Assam.

Assam beat Delhi by 25 runs in their last group match to notch up their fifth win on the trot.

In another match here, Karnataka thrashed Rajasthan by 60 runs.

SAURASHTRA, UP IN K/O
New Delhi: Former champions Saurashtra and Uttar Pradesh

advanced to the knock-out stage of the Vijay Hazare Trophy from group A.

Four teams ended with 20 points each at the end of the group stage matches. However, Saurashtra (1.737) and Uttar Pradesh (0.604) qualified for knock-outs based on superior net run rate than Hyderabad (0.513) and Chandigarh (-0.031).

Akshdeep Nath and Saurabh Kumar scored fifties to help Uttar Pradesh notch a two-wicket win over Saurashtra.

In another match, Hyderabad thrashed Chandigarh by 110 runs.

Gujarat hammered defending champions Himachal Pradesh by eight wickets while Tripura inflicted a 240-run defeat on Manipur in the other games.
