Besides, India’s forex reserves went down to USD 532.87 billion in the first week of October. It is a war-torn nation for decades, and Pakistan’s economy is tottering, but why is it that the Indian government seems to have no clue about their economic policies? Without any coherent plan, the rupee continues to fall, and the Indian importers are hit hard, leading to rising in prices.

Coping with hormonal changes during pregnancy

Pregnancy brings a change in the body, as the hormonal levels change and it involves a complete reset of emotions, taking the woman on a journey of physical and hormonal changes. Therefore, it is not just about the baby; it’s also about the mother. Pregnancy involves a significant level of emotional strain. Many women feel low nearly every day, which can turn into depression in some cases, and it can be a real challenge to cope with.

Here are some guidelines to help you deal with the hormonal changes during pregnancy:

1. **Keep a positive mindset:** Focus on the positive aspects of pregnancy, like the new life you are growing. Write down your feelings and thoughts, and try to find ways to enjoy the process.
2. **Get enough rest:** Sleep is crucial during pregnancy. Make sure you get enough rest each night, and try to take naps during the day if you can.
3. **Stay active:** Regular exercise can help you feel better during pregnancy. Find an activity you enjoy, like walking, swimming, or yoga.
4. **Eat well:** Eating a healthy diet is important during pregnancy. Focus on foods that are rich in nutrients, like fruits, vegetables, and lean protein.
5. **Talk to your doctor:** If you are feeling low or anxious during pregnancy, talk to your doctor. They can provide you with resources and support.

India start T20 WC preps with win
Shami sizzles in 4-wicket over as Men in Blue edge out Oz in warm-up

Moeen trolled for his bowlers' weak spells

Shami was not the only India bowler to have a successful over as the off-spinner also bowled out the dangerous Australia opener David Warner for just five runs. Warner had earlier scored a century against India in the previous T20I match, but could not repeat his performance this time around. The left-handed opener was dismissed by Shami's googly, which snuck past his613-foot shot to be plucked by the mid-off fielder.
