BPRS places 5 demands in CM's Warangal visit

Telangana Chief Minister K Chandrashekar Rao has demanded the State to release Rs 500 crores from the Irrigation Department and also release the project water to Khammam district people at the earliest and also release the project water to the Khammam district people at the earliest.

He demanded that the government should reduce the power outage at MGM Hospital, expediting the construction of a private hospital, clarifying the position of the ZP chairperson and other members.

Chandrashekar Rao, who inaugurated the Nageswara Rao Sitarama project, reached the site of the project and witnessed the trial run of the site.

The site was inspected, and the project's director, Anwar Ali, explained the progress of the project. The director said that the project is ready to be handed over to the government, and Chandrashekar Rao was satisfied with the progress of the project.

The project aims to lay a strong academic foundation and employability in the education and employability sector.

The project will provide academic standards and malpractices to support this.
hindmarch to rope in entrepreneurs for developing tourism: Bali

Madhiom has launched a ‘green connectivity’ initiative to rope in entrepreneurs for developing tourism in Bali, Indonesia.

The initiative aims to identify and promote potential tourism projects, and provide access to funding and other resources to support their development.

Advisors will be involved to help entrepreneurs turn their ideas into viable tourism projects, and to ensure they meet environmental and sustainability standards.

Bali’s tourism industry is one of its key economic drivers, and the government is committed to promoting sustainable and responsible tourism practices.

‘Indian airports need to review their pricing strategies’

India needs to review its airport pricing strategies to attract more passengers and ensure the sustainable growth of the aviation sector, according to an expert.

The expert highlighted the need for a re-evaluation of pricing benchmarks, as well as the implementation of effective demand-based pricing mechanisms.

Section of people creating disturbances in Assam: CM

Amit Shah meets MPs of the Janata Dal (United), the Mahagathbandhan in Bihar, and some other political leaders to discuss the current political situation.

He assured them of the government’s commitment to maintain peace and order in the state and to work towards the betterment of the people.

The meeting was held to discuss the ongoing political situation in the state and to address any concerns or grievances that may exist.

Rajan Shahi

Rajan Shahi, the Chairman of Rajya Sabha, has said that the government is committed to ensuring the safety and security of the country.

He emphasized the need for a strong and effective law enforcement agency to combat terrorism and other threats to national security.

The meeting was also attended by other political leaders from various parties who discussed the current political situation and the need for a united front to work towards the betterment of the country.

The meeting concluded with a call for unity and peace, and a resolve to work together for the common good.
India's assertive foreign policy and global aspirations

From bolstering defence capabilities to fostering regional cooperation, India under Modi's leadership navigates a complex geopolitical landscape.

Policy changes under Modi's leadership have significantly bolstered India's assertiveness on the world stage. The country has expressed its capability and willingness to contribute to the global community, emerging as a new power in international affairs.

Defence

India has made significant strides in the defence sector under Modi's leadership. The country has increased military spending, modernized its armed forces, and aggressively pursued defence deals with various countries. The recent acquisition of advanced fighter jets and surface-to-air missile systems has further bolstered India's military capabilities.

Economic

India's economic growth has been one of the fastest in the world under Modi's leadership. The country has implemented structural reforms, such as the Goods and Services Tax (GST) and the Insolvency and Bankruptcy Code, to boost economic efficiency and attract foreign investment.

Regional

India's regional diplomacy is marked by its focus on the Act East policy, which aims to strengthen ties with countries in the Eastern and Southeast Asian region. The country has also been active in multilateral fora, such as the United Nations, where it plays a significant role in shaping international norms.

Cultural

India's cultural diplomacy is evident through its participation in international cultural events and festivals. The country has used its rich cultural heritage to promote cross-cultural understanding and enhance global connectivity.

In conclusion, India's assertive foreign policy and global aspirations reflect a leadership commitment to strengthening India's position in the world and contributing to global stability and development.
India-Arab green strategic partnership: sustainable development

This initiative highlights the shared commitment of the two countries to foster a greener and more resilient future.

First, the initiative aims to achieve a green and sustainable energy production and consumption model. This will involve the development of renewable energy sources, energy efficiency improvement, and the adoption of green technologies. Through this, India and Arab countries can work together to reduce their carbon footprint, mitigate climate change, and enhance energy security.

Secondly, the initiative focuses on environmental protection and biodiversity conservation. It involves the implementation of conservation policies and practices that promote the preservation of natural ecosystems and wildlife.

Lastly, the initiative aims to strengthen economic cooperation in areas such as green technology, sustainable agriculture, and waste management. This will help in the sustainable use of resources and the promotion of green businesses.

In conclusion, the India-Arab green strategic partnership is a significant step towards a sustainable and resilient future. Through collaboration and innovation, India and Arab countries can achieve a greener and more sustainable way of life, benefiting not only their own populations but also the global community.

**ASSIGN HIGHEST RANK TO GOVERNANCE: SHAKTIKANTA DAS**

The Reserve Bank of India Governor said on Thursday that the highest priority must be assigned to governance of financial institutions.

**Governing Financial Stability**

“The highest priority must be assigned to governance of financial institutions in the light of resilience of stakeholders in the financial system,” the governor said in his foreword to the half-yearly Financial Stability Report published by the central bank.

**Systemic Risk**

The report said that the Indian financial system is exhibiting robust resilience with the accumulation of risks being proactively managed.

**Macro-Financial Stability**

Macro-financial stability is perhaps at its best, the report said, pointing out that even under severe stress scenarios, the Indian financial system would be able to withstand.

**Reserve Bank’s Commitment**

The governor reiterated some of his concerns, stating that the "alarming levels" of impairments, robust adoption of financial technologies, and risks emanating from the IT sector and consolidation in the listed firms are areas for concern.

**Telecom Spectrum Auctions**

Telecom spectrum auctions are down, all eyes now on imminent tariff hikes: Analysts

The market capitalisation of BSE-listed firms hit all-time high of Rs 43,84,68,934.50 million on Friday, breaching the 43,000 mark.

**More Taiwanese ICT suppliers may relocate in near future, says official**

With India poised to become the world’s second largest market for computer hardware, more Taiwanese ICT suppliers may relocate in near future, said the chairman of the Taiwan External Trade Development Corporation, Mr. Peter Lau.

**Assign highest priority to governance: Shaktikanta Das**

The Reserve Bank of India Governor said on Thursday that the highest priority must be assigned to governance of financial institutions.
